

Transfer/readmit major *Admission guide*

SPRING, SUMMER, & FALL 2020

Using this guide

Please note: this guide is for informational and planning purposes only. It may not be possible to offer admission to all qualified applicants because of a competitive applicant pool and space limitations.

The “average admitted profile” column indicates the typical range of students who were admitted to the major, sequence, or program during the last application cycle. The range is intended to give applicants a better indication of the quality of students recently admitted.

Admission decisions

Highest admission priority will be given to transfer students with the strongest academic records. The average grade point average for transfer students admitted for the Fall of 2018 was 3.1 on 4.0 scale.

Transfer students may be admitted to the University with an undeclared major if the program prerequisites are not met or if the preferred major has filled to capacity. Students with 75 or more earned credit hours cannot be admitted to the University as undeclared students.

Planning your coursework

All transfer students are encouraged to complete the course equivalencies of English writing I and II (ENG 101 and ENG 145), speech (COM 110), and an IAI-approved math course prior to enrolling at Illinois State.

The prerequisite and recommended coursework equivalents can also be found online at IllinoisState.edu/Majors.

To find the course equivalencies at an Illinois community college, please review our Course Articulation Guides at IllinoisState.edu/Articulation.

Department, Major or Sequence	Required Courses for Admission	Minimum GPA to be Considered	Average Admitted Profile	Additional Recommended Courses <i>Complete prior to transferring for the purpose of efficient degree completion</i>
Actuarial Science	Grade of “B” or better in Calculus I & II (MAT 145 & 146).	2.50	3.30-3.78	Financial Accounting (ACC 131), Managerial Accounting (ACC 132), Economics—Micro & Macro (ECO 101 & 102), Structured Problem-Solving Using the Computer (IT 168), Calculus III (MAT 147), and Elementary Linear Algebra (MAT 175).
Agriculture -Agribusiness -Agriculture Education -Agronomy Management -Animal Industry Management -Animal Science -Communication & Leadership -Crop & Soil Science -Food Industry Management -Horticulture & Landscape Management		2.00 Agriculture Education: 2.50	2.46-3.34 Agriculture Education: 2.98-3.19	Introduction to the Agriculture Industry (AGR 109), Introductory Agricultural Economics (AGR 110), and Finite Mathematics (MAT 120). Review the transfer major academic page on IllinoisState.edu/Majors for recommended courses for each specific sequence.
Anthropology		2.25	2.51-3.39	Human Origins (ANT 102), Cultures of the World (ANT 185), and Principles of Archeology (ANT 274).
Art -Art History -Art Teacher Education -General Art -Graphic Design -Studio Arts	Art History: Provide a statement of interest in this field. All other programs: Portfolio required for admission. For specific requirements visit: FineArts.IllinoisState.edu/Academics/	2.00 Art Education: 2.50	2.83-3.66 Art Education: 3.00-3.07	Review the transfer major academic page on IllinoisState.edu/Majors for recommended courses for each specific sequence.
Arts Technology	Portfolio and/or interview with department required. For specific requirements visit: FineArts.IllinoisState.edu/Academics/	2.50	2.73-3.31	Art: Visual Thinking: 2-D Fundamentals (ART 103), Visual Thinking: Drawing Functions (ART 104), and Visual Thinking: 3-D Fundamentals (ART 109). Music: Music Theory I & II (MUS 101 & 102), and Group Instruction in Basic Musicianship I & II (MUS 107 & 108). Theatre: Oral Interpretation of Literature (THE 101), Theatre Practicum (THE 102), Acting I (THE 110), Introduction to Costume (THE 130), and Stagecraft (THE 160). Review the transfer major academic page on IllinoisState.edu/Majors for additional recommended courses for each specific sequence.
Biological Sciences -Conservation Biology -General Biology -Molecular & Cellular Biology -Physiology, Neuroscience & Behavior -Plant Biology -Zoology	Under 45 hours —No course requirements. 45 or more hours —Grades of “C” or better in: Fundamentals of Chemistry with Lab (CHE 110/112) or General Chemistry (CHE 140), Finite Mathematics (MAT 120) or Calculus I (MAT 145), and a 4 hour Biological Sciences course with Lab.	2.50	2.67-3.76	Biological Diversity (BSC 196), Molecular & Cellular Basis of Life (BSC 197), Organic Chemistry with Lab (CHE 230/231), and Physics for Science & Engineering (PHY 110) or College Physics I (PHY 108). <i>Completion of BSC 196 & 197 is strongly recommend prior to transferring.</i> <i>Pre-Med students should be working or volunteering in a medical facility.</i> 75 or more hours—Limited admission.

Department, Major or Sequence	Required Courses for Admission	Minimum GPA to be Considered	Average Admitted Profile	Additional Recommended Courses <i>Complete prior to transferring for the purpose of efficient degree completion</i>
Biological Science Teacher Education	<i>Under 45 hours</i> —No course requirements. <i>45 or more hours</i> —Grades of “C” or better in: General Chemistry (CHE 140), Finite Mathematics (MAT 120) or Calculus I (MAT 145), 4 hour course in Biological Sciences with Lab, Speech (COM 110), and English (ENG 101).	2.50	2.81-3.70	Biological Diversity (BSC 196), Molecular & Cellular Basis of Life (BSC 197), General Chemistry II (CHE 141), Physics (PHY 105 or 108), Statistics (ECO 138 or PSY 138), Earth Systems Science (GEO 100), Psychology (PSY 110 or 111), and Educational Psychology (PSY 215). <i>Completion of BSC 196 & 197 is strongly recommend prior to transferring.</i> 75 or more hours—Limited admission.
Business -Accounting -Business Administration -Business Information Systems -Finance -Insurance -International Business -Management -Marketing	<i>Under 45 hours</i> —No course requirements. <i>45-59 hours</i> —Grades of “C” or better in: Financial Accounting (ACC 131), Economics—Micro & Macro (ECO 101 & 102), and either Finite Mathematics (MAT 120), or Applied Calculus (MAT 121) or Calculus I (MAT 145). <i>60 or more hours</i> —Grades of “C” or better in: Financial Accounting (ACC 131), Managerial Accounting (ACC 132), Economics—Micro & Macro (ECO 101 & 102), Statistics (MQM 100 or ECO, GEO, POL, or PSY 138), and Applied Calculus (MAT 121) or Calculus I (MAT 145).	2.50	2.81-3.65	Enterprise (BUS 100), Legal, Ethical, & Social Environment of Business (FIL 185), and Using Microcomputer Productivity Tools (IT 150). <i>Accounting & Business Administration: Students must earn a minimum B/C combination between ACC 131 and 132.</i> <i>Students are encouraged to earn A.A. or A.S. if transferring from a two-year school.</i>
Business Education	<i>Under 45 hours</i> —No course requirements. <i>45-59 hours</i> —Grades of “C” or better in: Financial Accounting (ACC 131), Economics—Micro & Macro (ECO 101 & 102), and Finite Mathematics (MAT 120). <i>60 or more hours</i> —Grades of “C” or better in: Financial Accounting (ACC 131), Managerial Accounting (ACC 132), Economics—Micro & Macro (ECO 101 & 102), Statistics (MQM 100 or ECO, GEO, POL, or PSY 138), and Finite Mathematics (MAT 120).	2.50	2.81-3.40	Enterprise (BUS 100), Legal, Ethical, & Social Environment of Business (FIL 185), Business Communication (BE 140), Child Growth & Development (TCH 210), and Using Microcomputer Productivity Tools (IT 150).
Chemistry -Biochemistry -Chemistry Teacher Education -General Chemistry	<i>Under 45 hours</i> —No course requirements. <i>45 or more hours</i> —Grades of “C” or better in: Calculus I (MAT 145), General Chemistry I & II (CHE 140 & 141).	2.30 Chemistry Teacher Education: 45+ hours 2.50	3.23-3.90 Chemistry Teacher Education: 2.79-3.69	Organic Chemistry with Lab I & II (CHE 230/231 & 232/233), Physics I & II (PHY 110 & 111), and Calculus II (MAT 146). Biochemistry: Biological Diversity (BSC 196) and Molecular & Cellular Basis of Life (BSC 197). Chemistry Teacher Education: Molecular & Cellular Basis of Life (BSC 197), Psychology (PSY 110), Educational Psychology (PSY 215), and Introduction to Environmental Systems (GEO 100).
Communication -Communication Studies -Journalism -Mass Media -Public Relations		2.70	2.78-3.44	Introduction to Communication Theories (COM 111). Communication Studies: Interpersonal Communication (COM 123), and Small Group Processes (COM 223). Journalism: Convergent Media Writing (COM 161), and Print & Online Newswriting and Reporting (COM 165). Mass Media: Introduction to Mass Media (COM 160), and Convergent Media Writing (COM 161). Public Relations: Convergent Media Writing (COM 161), and Introduction to Public Relations (COM 178).

Department, Major or Sequence	Required Courses for Admission	Minimum GPA to be Considered	Average Admitted Profile	Additional Recommended Courses <i>Complete prior to transferring for the purpose of efficient degree completion</i>
Communication Sciences & Disorders		3.30	3.44-3.84	Finite Mathematics (MAT 120), The Exceptional Learner (SED 101), Statistics (MQM 100, ECO 138, PSY 138, or MAT 150), Lifespan Development (PSY 213) or Child Growth & Development (TCH 210), an IAI approved Biology course (BSC 101, 196, or 197), and IAI approved Chemistry course (CHE 102, 140, or 110/112).
Construction Management		2.50	2.72-3.29	Financial Accounting (ACC 131), Chemistry & Society (CHE 102), Economics—Micro & Macro (ECO 101 & 102), Legal, Ethical, & Social Environments of Business (FIL 185), Finite Mathematics (MAT 120), Statistics (MQM 100), Physics (PHY 105), and Psychology (PSY 110 or 111).
Criminal Justice Sciences		2.40	2.63-3.33	Introduction to Criminal Justice Sciences (CJS 101), Contemporary Corrections (CJS 200), Crime & Behavior (CJS 201), Contemporary Policing in America (CJS 207), Criminal Law (CJS 208), Introduction to Sociology (SOC 106), and Psychology (PSY 110 or 111).
Early Childhood Education		3.00	3.06-3.51	Cross Cultural Teaching & Learning (TCH 110), Child Growth & Development (TCH 210), Fundamentals Concepts in Biology (BSC 101), Human Communication (CSD 115), World Geography (GEO 135), The Exceptional Learner (SED 101) Chemistry & Society (CHE 102) or Atoms to Galaxies (PHY 102), History of the US to 1865 (HIS 135) or History of the US Since 1865 (HIS 136), Citizens & Governance (POL 101) or US Government & Civic Practices (POL 106), Natural Disasters (GEO 207) or Earth's Dynamic Weather (GEO 211), and Economics (ECO 101, 102, 103, 105, or 138).
Economics -General Economics -Managerial Economics	Grade of “B” or better in Finite Math (MAT 120) or a “C” or better in Applied Calculus (MAT 121), Calculus I (MAT 145), or higher. <i>Calculus is preferred.</i>	General Economics: 2.00 Managerial Economics: 2.50	General Economics: 2.34-3.17 Managerial Economics: 3.10-3.65	Economics—Micro & Macro (ECO 101 & 102), and Statistics (ECO 138). Managerial: Financial Accounting (ACC 131), Managerial Accounting (ACC 132), Using Microcomputer Productivity Tools (IT 150).
Elementary Education -Bilingual/Bicultural -General Elementary Education		Bilingual/ Bicultural: 2.70 General: 3.00	Bilingual/ Bicultural: 2.81-3.56 General: 3.11-3.73	Child Growth & Development (TCH 210), Concepts in Biology (BSC 101), Foundations in Literature for Children (ENG 170), World Geography (GEO 135), Weather (GEO 211), College Algebra (MAT 119), Dimensions of Numerical Reasoning (MAT 130), Dimensions of Mathematical Reasoning (MAT 152), The Exceptional Learner (SED 101), Chemistry & Society (CHE 102) or Atoms to Galaxies (PHY 102), History of the US to 1865 (HIS 135) or History of the US Since 1865 (HIS 136), Citizens & Governance (POL 101) or US Government & Civic Practices (POL 106), and Economics (ECO 101, 102, 103, or 105). Bilingual/Bicultural: Cross Cultural Teaching & Learning (TCH 110), History of Latin America (HIS 104), and Second-Year Spanish Part II (SPA 116).
English -Creative Writing -General English -Publishing Studies -Technical Writing & Rhetorics		2.00	2.88-3.67	Foreign language equivalent to ISU's Second-Year Language Part I (LAN 115), and American, British and Non-Western Literature courses. Review the transfer major academic page on IllinoisState.edu/Majors for additional recommended courses for each specific sequence.

Department, Major or Sequence	Required Courses for Admission	Minimum GPA to be Considered	Average Admitted Profile	Additional Recommended Courses <i>Complete prior to transferring for the purpose of efficient degree completion</i>
Geology -General Geology -Earth & Space Science Teacher Education -Environmental Systems Science and Sustainability		2.00	2.78-3.46	General Geology: General Chemistry I & II (CHE 140 & 141), Calculus I & II (MAT 145 & 146), and College Physics I & II (PHY 108 & 109) or Physics for Science & Engineering I & II (PHY 110 & 111). Earth & Space Science Education: Biological Diversity (BSC 196), Molecular & Cellular Basis of Life (BSC 197), Chemistry (CHE 110), Physics I & II (PHY 108 & 109), Psychology (PSY 110 or 111), and Educational Psychology (PSY 215). Environmental Systems Science & Sustainability: Introduction to Environmental System (GEO 100), World Geography (GEO 135), Microeconomics (ECO 101), United States Government and Civic Practices (POL 106), Calculus I (MAT 145), Biological Diversity (BSC 196), Molecular & Cellular Basis of Life (BSC 197), General Chemistry I (CHE 140), and Physics (PHY 105, 108, or 110).
Health Sciences -Community Health Promotion -Environmental Health -Health Information Management -Medical Laboratory Science -Safety -School Health Education		Environmental Health & Safety: 2.00 Health Information Management: 2.25 Community Health Promotion, Medical Lab Science, & Health Education: 2.50	Environmental Health & Safety: 2.31-3.15 Health Information Management: 2.75-3.44 Community Health Promotion, Medical Lab Science, & Health Education: 2.79-3.47	Community Health Promotion: Human Biology (BSC 145), Fundamentals of Human Nutrition (FCS 102), Medical Terminology (HSC 105), and Human Sexuality (SOC 123). Environmental Health: Microbiology & Society (BSC 160), General Chemistry I & II (CHE 140 & 141), Elementary Organic Chemistry (CHE 220), Human Anatomy & Physiology II with Lab (KNR 182/184), College Algebra (MAT 119), Principles of Geology (GEO 102), Fundamentals of Physics (PHY 105) or College Physics I (PHY 108), and Finite Mathematics (MAT 120) or Calculus I (MAT 145). Health Information Management: Medical Terminology (HSC 105), Structured Problem Solving Using the Computer (IT 168), Computer Application Programming (IT 178), and Human Anatomy & Physiology I & II (KNR 181 & 182). Medical Laboratory Science: Molecular & Cellular Basis of Life (BSC 197), General Chemistry I & II (CHE 140 & 141), Elementary Organic Chemistry (CHE 220), Microbiology & Society (BSC 160) or Microbiology (BSC 260), and Finite Mathematics (MAT 120), Precalculus (MAT 144), or Calculus I (MAT 145). Review the transfer major academic page on IllinoisState.edu/Majors for additional recommended electives. Safety: General Chemistry I & II (CHE 140 & 141), Human Anatomy & Physiology II (KNR 182), Finite Mathematics (MAT 120), Introduction to Manufacturing Processes (TEC 130), Fundamentals of Physics (PHY 105) or College Physics I (PHY 108), and Statistics (MQM 100 or ECO, GEO, POL, or PSY 138). School Health Education: Human Sexuality (SOC 123), Psychology (PSY 110 or 111), Educational Psychology (PSY 215), and Fundamentals of Human Nutrition (FCS 102), Medical Terminology (HSC 105), or Environmental Health 21 st Century (HSC 156).
History	<i>Under 60 hours</i> —No course requirements. <i>60 or more hours</i> —Cumulative GPA of 2.50 in 9 hours of the following core history courses: Western Civilization (HIS 101), Modern Western Civilization (HIS 102), History of the US to 1865 (HIS 135), or History of the US Since 1865 (HIS 136).	2.50	2.50-3.21	

Department, Major or Sequence	Required Courses for Admission	Minimum GPA to be Considered	Average Admitted Profile	Additional Recommended Courses <i>Complete prior to transferring for the purpose of efficient degree completion</i>
History-Social Sciences Teacher Education	<i>Under 60 hours</i> —No course requirements. <i>60 or more hours</i> —Cumulative GPA of 3.00 in 9 hours of the following core history courses: Western Civilization (HIS 101), Modern Western Civilization (HIS 102), History of the US to 1865 (HIS 135), or History of the US Since 1865 (HIS 136).	2.75	3.03-3.72	Economics—Micro or Macro (ECO 101 or 102), Psychology (PSY 110 or 111), Educational Psychology (PSY 215), Cultures of the World (ANT 185), World Geography (GEO 135) or Human Geography (GEO 142), Citizens & Government (POL 101) or US Government & Civic Practices (POL 106), and Introduction to Sociology (SOC 106) or Contemporary Social Problems in Global Perspectives (SOC 108).
Information Technology -Computer Science -Cybersecurity -Information Systems -Network & Telecommunications Management		Computer Science & Cybersecurity: 2.30 Information Systems & Network & Telecomm. Management: 2.20	Computer Science & Cybersecurity: 2.63-3.57 Information Systems & Network & Telecomm. Management: 2.48-3.33	Structured Problems Solving Using the Computer (IT 168), Statistics (MQM 100), Small Group Processes (COM 223), and two introductory programming courses in JAVA. Computer Science: Introduction to Data Structures (IT 179), Technical & Professional Writing I (ENG 249), and Calculus I & II (MAT 145 & 146). Review the transfer major academic page on IllinoisState.edu/Majors for additional recommended courses. Cybersecurity: Hardware & Software Concepts (IT 254), Fundamentals of Information Assurance & Security (IT 250), Data Communications (IT 276), Microeconomics (ECO 101), Elementary Discrete Mathematics (MAT 160), and Finite Mathematics (MAT 120) or Calculus I (MAT 145). Information Systems: Computer Application Programming (IT 178), Hardware & Software Concepts (IT 254), Data Communications (IT 276), Economics—Micro & Macro (ECO 101 & 102), Financial Accounting (ACC 131), Managerial Accounting (ACC 132), Elementary Discrete Mathematics (MAT 160), and Finite Mathematics (MAT 120) or Calculus I (MAT 145). Network & Telecommunications: Hardware & Software Concepts (IT 254), Data Communications (IT 276), Financial Accounting (ACC 131), Microeconomics (ECO 101), Finite Mathematics (MAT 120) or Calculus I (MAT 145), and Calculus II (MAT 146) or Elementary Discrete Mathematics (MAT 160).
Languages, Literatures & Cultures -French & Francophone Studies -French Teacher Education -German -German Teacher Education -Spanish -Spanish Teacher Education		2.00 Education: 2.75	2.51-3.58 Education: 2.76-3.40	French & French Education: Second-Year French Part I & II (FRE 115 & 116). German & German Education: Second-Year German Part I & II (GER 115 & 116). Spanish & Spanish Education: Second-Year Spanish Part I & II (SPA 115 & 116). Education: Child Growth & Development (TCH 210).
Mathematics -General Mathematics -Mathematics Teacher Education -Statistics	All Programs: Grades of “C” or better in Calculus I & II (MAT 145 & 146). Math Teacher Education: Grades of “C” or better in Calculus I & II (MAT 145 & 146), and a cumulative GPA of 2.80 in mathematics courses.	2.00 Mathematics Teacher Education: 2.80	2.46-3.21 Mathematics Teacher Education: 3.39-3.69	Calculus I, II, & III (MAT 145, 146, & 147), Elementary Linear Algebra (MAT 175), and Structured Problem-Solving Using the Computer (IT 168). General Mathematics: Writing in the Academic Disciplines (ENG 145). Mathematics Education: Psychology (PSY 110 or 111), Educational Psychology (PSY 215), and The Exceptional Learner (SED 101).
Middle Level Teacher Education		2.70	3.08-3.70	Review the transfer major academic page on IllinoisState.edu/Majors for recommended courses.

Department, Major or Sequence	Required Courses for Admission	Minimum GPA to be Considered	Average Admitted Profile	Additional Recommended Courses <i>Complete prior to transferring for the purpose of efficient degree completion</i>
Music -Composition -Jazz Studies -Liberal Arts -Music Business -Music Education -Music Performance -Music Therapy	Classical audition is required for admissions.	2.00 Music Education: 2.75	2.97-3.60 Music Education: 2.79-3.57	Music Theory I, II, & III (MUS 101, 102, & 201), Group Instruction in Basic Musicianship I, II, III (MUS 107, 108, & 207). Review the transfer major academic page on IllinoisState.edu/Majors for recommended courses.
Nursing -RN to BSN <i>(Online Program)</i>	Admission by Mennonite College of Nursing. Please see Nursing.IllinoisState.edu/RN-BSN for the prerequisites and application procedures.	2.00	2.92-3.38	
Nursing -Prelicensure <i>Fall admission only</i> <i>(Application Period: September 1, 2019 – January 15, 2020 for Fall 2020 admission; students notified by March 15)</i>	A minimum of 55 credit hours completed prior to the start of the fall semester, with IAI completed or A.A. degree awarded. Grades of “C” or better in: Chemistry (CHE 110/112 or 140), Statistics (ECO or PSY 138 or MQM 100), Psychology (PSY 110), Lifespan Development (PSY 213), Microbiology and Society (BSC 160), Anatomy & Physiology I & II (BSC 181 & 182), Nutrition (FCS 102), Medical Terminology (HSC 105). *Microbiology (BSC 160) or A&P I (BSC 181) must be completed with a “C” or better by the application deadline—January 15, 2020.	2.50	3.77-4.00	
Philosophy		2.00	2.20-2.79	Basic Issues in Philosophy (PHI 101), and Introduction to Ethics (PHI 232).
Physical Education Teacher Education		2.50	2.84-3.57	Human Anatomy & Physiology I & II (KNR 181 & 182), Physics (PHY 105 or 108), and Educational Psychology (PSY 215) or Child Growth & Development (TCH 210).
Physics -Computational Physics -Engineering Physics -General Physics -Physics Teacher Education	Grade of “C” or better in Calculus I (MAT 145).	2.00 Physics Teacher Education: 2.50	2.80-3.50 Physics Teacher Education: 2.80-3.50	Physics for Science & Engineering I, II, & III (PHY 110, 111, & 112), Calculus I, II, & III (MAT 145, 146, & 147), and General Chemistry I (CHE 140). Computational: Elementary Linear Algebra (MAT 175). General & Engineering: General Chemistry II (CHE 141), and Elementary Linear Algebra (MAT 175). Physics Education: Fundamental Concepts in Biology (BSC 101), General Chemistry II (CHE 141), Introduction to Environmental Systems (GEO 100), Psychology (PSY 110 or 111), and Educational Psychology (PSY 215).
Politics & Government -Legal Studies -Political Science		Legal Studies: 3.25 Political Science: 2.00	Legal Studies: 3.34-3.46 Political Science: 2.33-3.23	US Government & Civic Practices (POL 106). Political Science: Quantitative Reasoning in Political Science (POL 138), Introduction to the Politics of Africa, Asia, & Latin America (POL 140), and Introduction to US Foreign Policy (POL 150) or Introduction to International Relations (POL 151).
Pre-Veterinary Medicine	Under 60 hours —No course requirements. 60 or more hours —Grade of “C” or better in: Biological Diversity (BSC 196), Molecular & Cellular Basis of Life (BSC 197), and General Chemistry I & II (CHE 140 & 141).	3.00	3.00-3.43	Introduction to Animal Science (AGR 170), College Physics I & II (PHY 108 & 109) or Physics for Science & Engineering I & II (PHY 110 & 111), Precalculus (MAT 144) or Calculus I (MAT 145), and Introductory Agricultural Economics (AGR 110), Introductory Horticulture (AGR 120), Introduction to Agricultural Engineering Technology (AGR 130), Principles of Agronomy (AGR 150), or Soil Science (AGR 157).

Department, Major or Sequence	Required Courses for Admission	Minimum GPA to be Considered	Average Admitted Profile	Additional Recommended Courses <i>Complete prior to transferring for the purpose of efficient degree completion</i>
Psychology	<i>Under 30 hours</i> —No course requirements. <i>30 or more hours</i> —Grade of “C” or better in: Psychology (PSY 110 or 111), a transferrable lab science course, and one of the following math courses: Finite Math (MAT 120), Applied Calculus (MAT 121), Pre-Calculus (MAT 144) or Calculus I (MAT 145).	2.50	2.93-3.47	Basic Issues in Philosophy (PHI 101), Lifespan Development (PSY 213), Social Psychology (PSY 223), and Psychology of Personality (PSY 233). <i>75 or more hours—Limited admission.</i>
Recreation & Park Administration -Recreation Management -Therapeutic Recreation		2.00	2.35-3.09	Introduction to Leisure & Recreation (KNR 170) Therapeutic Rec: Medical Terminology (HSC 105), Psychology (PSY 110 or 111), Lifespan Development (PSY 213), and Human Physiology & Anatomy I (BSC or KNR 181).
Renewable Energy		2.50	2.93-3.43	Chemistry & Society (CHE 102), Economics—Micro & Macro (ECO 101 & 102), Earth’s Dynamic Weather (GEO 211), Finite Mathematics (MAT 120), Statistics (MQM 100), Fundamentals of Physics (PHY 105), and Psychology (PSY 110 or 111).
Social Work <i>Fall admission only (Application Period: September 1, 2019 – February 15, 2020 for Fall 2020 admission; students notified by April 1)</i>	<i>45 or more hours</i> —Grade of “C” or better in: Introduction to Social Work (SWK 170), Statistics (ECO 138, PSY 138, SOC 275, or MQM 100), and Human Biology (BSC 101, 145, or 170).	2.50	2.86-3.48	Cultures of the World (ANT 185), Individual & Social Choice (ECO 103), Psychology (PSY 110), Introduction to Sociology (SOC 106), and Citizens & Government (POL 101) or US Government & Civic Practice (POL 106). <i>Students are encouraged to earn A.A if transferring from a two-year school.</i>
Sociology		2.50	2.38-3.13	Introduction to Sociology (SOC 106), and 9 credits of 100-level Sociology electives. <i>Must earn a minimum C or better in SOC 106.</i>
Special Education -Deaf & Hard of Hearing -Learning & Behavior -Low Vision & Blindness		2.70	3.00-3.57	The Exceptional Learner (SED 101), Child Growth & Development (TCH 210), Psychology (PSY 110 or 111), Dimensions of Numerical Reasoning (MAT 130) or Math for Elementary Teachers I, and an IAI approved math (Math for Elementary Teachers II is preferred).
Technology -Computer Systems Technology -Engineering Technology -Graphic Communication -Technology & Engineering Education		2.00 Technology & Engineering Education: 2.50	2.45-3.40 Technology & Engineering Education: 3.02-3.26	Fundamentals of Physics (PHY 105) Computer Systems Technology, Engineering Technology, and Graphic Communication: Chemistry & Society (CHE 102), Finite Mathematics (MAT 120), Statistics (MQM 100), and Psychology (PSY 110 or 111). Technology & Engineering Ed: Psychology (PSY 110 or 111), Educational Psychology (PSY 215), and Trigonometry (MAT 108).
Theatre & Dance -Acting -Dance -Dance Teacher Education -Design/Production -Theatre & Film Studies -Theatre Teacher Education	Acting, Dance, & Dance Teacher Education: Audition required for admissions. Design/Production: Portfolio review & interview required for admissions. Theatre Teacher Education & Theatre & Film Studies: Interview required for admission.	2.00	2.52-3.63	Review the transfer major academic page on IllinoisState.edu/Majors for recommended courses for each specific sequence.
