General Department Information
The Finance Major provides a knowledge base and skills appropriate for a wide variety of functional and managerial activities, profit or nonprofit, which involve banking, corporate finance, insurance, investments, international finance, and real estate.

The Risk Management and Insurance Major provides skills and knowledge appropriate to a wide range of activities in the insurance and the financial services industries. The Insurance Major-Business Information Systems (BIS) Sequence is particularly appropriate for students preparing for careers in information systems within the insurance industry.

Academic Requirements:
All majors in the Department of Finance, Insurance and Law must meet the academic, admission, and transfer requirements of the College of Business. Non-majors must have the prerequisites, including the specified number of hours, to enroll in courses in the Department. Refer to the Structure of Business Programs section of the Undergraduate Catalog. https://illinoisstate.edu/catalog/

Departmental Honors Program Requirements
- Maintain a 3.30 overall Illinois State University GPA or 3.60 GPA in last 60 hours at Illinois State University
- Maintain a 3.50 major GPA
- Complete 9 hours of approved FIL honors coursework
- Complete either FIL 370, Educational Investment Fund, or FIL 299, Honors Independent Study
- Fulfill the general requirements for participation in the University Honors Program

Further details about the University Honors program are available at Honors.IllinoisState.edu.
