For further information on these minors and their advisors, please consult the Interdisciplinary Studies Program section of this Undergraduate Catalog.

Honors in the Major

Honors work in the Department of History has been designed to offer to qualified undergraduates the opportunity to develop an independent, individualized program of study while working closely with departmental faculty in the field of their special interest. Students who complete the requirements will graduate with Departmental Honors, which will be noted on their transcript and diploma.

Admission Requirements

To be admitted to the Honors Program, students must: (1) be members of the University Honors Program, and (2) have completed 45 hours, at least nine hours in history with a minimum GPA of 3.50 in History. Recommendation of at least one member of the departmental faculty is required as is the approval of the Departmental Honors Advisor. Students may also be invited to apply by a faculty member. In specific cases these requirements may be waived but only with the express approval of the Departmental Honors Advisor and the History Department Chairperson.

Honors Study Requirements

In order to graduate with distinction as a Departmental Honors Scholar in the Department of History, the student must complete (1) at least 6 hours of Honors work in the major - HON/HIS 299, HIS 301 (which require pre-approval from the Departmental Honors Advisor), (2) all university graduation requirements, (3) all regular requirements for the major, and (4) all University Honors requirements as outlined in the catalog. The Departmental Honors Advisor and the History Department Chairperson will regularly evaluate students in the program. Any student whose work does not meet the minimal standards of the program will not be allowed to continue.

Further details about the University Honors program are available at: Honors.IllinoisState.edu

History Programs

Degrees Offered: B.A., B.S.

Major in History

Admission to the History major, including the History-Social Sciences Teacher Education Sequence, may be restricted by the lack of available Department resources.

The Department of History encourages students seeking a bachelor's degree to develop both global and multidisciplinary approaches to the study of history and to apply these methods to their studies in other disciplines. To develop their skills in historical analysis and to learn to think critically about historical accounts, students complete HIS 100, 200, and 300. To acquire both a well-rounded and a global understanding of historical processes, students are required to take 6 hours each in the 3 fields of European, non-Western, and United States History.

The Department of History recognizes the value of language to the study of history from a global perspective. For this reason, the department recommends that all students majoring in history complete a Bachelor of Arts program. Those students majoring in history but choosing to pursue a Bachelor of Sciences program must complete a minor program.

B.A. students are encouraged to improve their career opportunities by minoring in another discipline. B.A. students not opting for a minor must choose an area of concentration by taking a minimum of 9 hours in any field other than history or foreign language; at least 3 of these hours must be in 200- or 300-level courses. B.A. students are encouraged to continue their language studies beyond the 12 hours required by the Bachelor of Arts.

B.A. and B.S. students in either the History (non-teaching) or History-Social Sciences Teacher Education Sequence must complete HIS 100 during their freshman year as History majors and should complete HIS 200 before enrolling in any 300-level History course. HIS 100 is limited to First-Semester Freshmen. Transfer students from outside ISU or from a different major at ISU will need to see the advisor. HIS 300 is a capstone course to be taken in the student's last full semester on campus. For students in the History-Social Sciences Teacher Education Sequence, this would be the semester just prior to student teaching.

Major in History, B.A.

- 6 hours of non-Western History listed in group 3 of "History Courses by Group for the Major." At least one of the non-Western electives must be at the senior level.
- HIS 100 is limited to First-Semester Freshmen, Transfer students from outside ISU or from a different major at ISU will need to see the advisor.
- Students are encouraged to complete a minor; but, if a minor is not selected, they must complete a 9-hour concentration in any field other than history or foreign language, with at least 3 hours at the 200-or 300-level.

Major in History, B.S.

B.S. students must also complete a minor.

History-Social Sciences Teacher Education Sequence

- HIS 100 is limited to First-Semester Freshmen. Transfer students from outside ISU or from a different major at ISU will need to see the advisor.

Clinical Experiences in Teacher Education

A variety of clinical (pre-student teaching) experiences, as well as student teaching, are included in the teacher candidates' professional preparation. Observations, small and large group instruction, tutoring, field experiences, and student teaching are included in the Clinical Experiences Program. The experiences offered prior to student teaching are integral parts of specific college courses. Clinical experiences are provided in off-campus professional development schools, local schools and campus laboratory schools, and agencies and other approved non-school settings. The Cecilia J. Lauby Teacher Education Center monitors and documents all clinical experiences. Teacher candidates will show verification of having completed clinical experiences commensurate with attaining local, state, and national standards. Teacher candidates must provide their own transportation to clinical experiences sites.

Candidates are required to provide documentation of meeting all State of Illinois, district, and university requirements in regard to criminal background checks BEFORE beginning any clinical experiences. Criminal background checks must remain current as of the last day of the clinical

experience. Candidates should consult with clinical course faculty and the Cecilia J. Lauby Teacher Education Center well in advance of clinical experiences to determine specific requirements needed each semester.

The approximate number of clinical hours associated with each course offering can be found with the appropriate course description. The following legend relates to the kind of activity related to a specific course.
