Curricular Requirements/School Requirements

Music students are bound by the requirements in this Undergraduate Catalog and those found in the School of Music Student Handbook.

Admission Auditions

All students who intend to major in Music at Illinois State University are expected to have previous music experiences. Prior to acceptance as a Music major or minor, all students must pass a performance audition on their major instrument or voice. Information concerning admission auditions is available from the School of Music.

The following criteria will be used in determining whether a former Illinois State University B.M.E., B.A./B.S., and B.M. student will be re-admitted to the music major: (1) Successful re-audition or permission of the appropriate applied areas; (2) Permission of the appropriate degree advisor; (3) A 2.50 GPA in the theory/history core and applied music; (4) A history of success in lab ensemble and recital attendance. If a student does not meet all of these requirements, the academic advisors will recommend to the Director whether the student should be admitted. The School of Music Director will ultimately decide.

Piano Requirements

All students pursuing a music major or minor degree program are required to demonstrate a level of piano proficiency. All B.M. majors in the Piano Performance Sequence are required to demonstrate proficiency equivalent to that outlined for Functional Skills for Keyboard Majors (MUS 322). All B.M.E. majors (all sequences) and B.M. majors (Composition Sequence) are required to demonstrate proficiency equivalent to that outlined for Level IV of Group Instruction Piano (MUS 122A40). All B.M. majors (except Piano Performance Sequence and Composition Sequence) and B.A./B.S. majors (all sequences) are required to demonstrate proficiency equivalent to that outlined for Level III of Group Instruction Piano (MUS 122A30). All music minors are required to demonstrate proficiency equivalent to that outlined for Level II of Group Instruction Piano (MUS 122A20).

Major Performing Ensemble Requirements

All students pursuing a Music major or minor degree program are required to participate and earn a passing grade in a major music-performing organization each semester they are enrolled in the University until the ensemble requirement is completed for their chosen degree sequence. Only one ensemble per semester will be counted towards the requirements for the completion of any music degree program. The ensemble should relate to the student’s major applied area. Upon reaching junior status, the student should sign up for ensembles at the 200-level. Choral ensembles that fulfill the ensemble requirement are Concert Choir, Madrigal Singers, Women’s Choir (Belle Voix), and Men’s Glee. B.M.E. choral students must enroll in the Concert Choir for a minimum of four semesters. B.M. voice performance students are required to audition for Opera and Musical Theater productions sponsored by the School of Music. Instrumental ensembles that fulfill the ensemble requirement are Symphony Orchestra, Jazz Ensemble I or II, Wind Symphony, Marching Band, Symphonic Winds, Symphonic Band, and Guitar Ensemble. B.M.E. instrumental-band students must enroll in Marching Band a minimum of two semesters.

Special Provisions

A major opera role may be substituted for one choral ensemble by juniors and seniors upon written approval of the School Director in response to a written request signed by the student, the applied teacher, and the General or Artistic Director of the Illinois Festival Opera. B.M. Keyboard Performance students may satisfy up to four semesters of their major ensemble requirement by taking Accompanying (MUS 240).

Enrollment Limitations

Enrollment in some music courses is limited to those students who have had auditions or who have secured the permission of the appropriate coordinator. Information concerning these course enrollment limitations is available from the School of Music.

Musical Instrument Storage

In the event that students choose to store musical instruments on campus in any building operated by the University, they hereby waive any and all liability of the University and its employees for the loss of or damage to such musical instruments by any cause whatsoever, including, but not limited to, fire, water, windstorm, or any other casualty, theft, or dampness or dryness of the air.
