Board of Trustees
The Board of Trustees is the governing board for Illinois State University.

Members of the Board
Sarah Aguilar, Maroa
Kathy Bohn, Bloomington
Robert Dobski, Bloomington
Rocky Donahue, Orland Park
Julie Annette Jones, Chicago
Mary Ann Louderback, Cary
Robert Navarro, Plainfield
Sharon Rossmark, Northbrook

University Administrative Officers
Larry H. Dietz, President

Vice Presidents
Levester Johnson, Vice President for Student Affairs
Jan Murphy, Vice President for Academic Affairs and Provost
Daniel Stephens, Vice President for Finance and Planning
Pat Vickerman, Vice President for University Advancement

Academic Affairs Associate and Assistant Vice Presidents
Jana Albrecht, Associate Vice President for Enrollment Management
John Baur, Associate Vice President for Research and Graduate Studies
Sam Catanzaro, Associate Vice President for Academic Administration, Policy, and Faculty Affairs
Yojanna Cuenca-Carlino, Assistant Vice President for Academic Administration
Amy Hurd, Associate Vice President for Undergraduate Education
Alan Lacy, Associate Vice President for Academic Fiscal Management
Perry Schoon, Interim Associate Vice President for Global Education and Online Initiatives
Ani Yazedjian, Associate Provost
Mark Walbert, Associate Vice President for Academic Technologies

Deans
James Wolfinger, Dean, College of Education
Todd McLoda, Dean, College of Applied Science and Technology
Jean M.K. Miller, Dean, College of Fine Arts
Judy Neubrander, Dean, Mennonite College of Nursing
Ajay Samant, Dean, College of Business
Shari Zeck, Interim Dean, Milner Library
Diane Zosky, Interim Dean, College of Arts and Sciences
Notification of Rights Under FERPA for Postsecondary Institutions:
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

(1) The right to inspect and review the student's education records within 45 days of the day the University receives a request for access.

A student should submit to the University Registrar a written request that identifies the record(s) the student wishes to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

(2) The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

A student who wishes to ask the University to amend a record should write the University official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If the University decides not to amend the record as requested, the University will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

(3) The right to provide written consent before the University discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The University discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted as its agent to provide a service instead of using University employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the University.

Upon request, the University also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

(5) Illinois State University will, upon written request, disclose to the alleged victim of any crime of violence or a nonforcible sex offense, the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of the crime or offense, the information shall be provided, upon request, to the next of kin of the alleged victim.

Public Notification of Directory Information:
At its discretion, Illinois State University may provide “directory information” in accordance with the provisions of the Family Educational Rights and Privacy Act of 1974 (FERPA). Directory information is defined as that information which would not generally be considered harmful or an invasion of privacy if disclosed. Designated directory information at Illinois State University includes the following: student's name*, address (local and home), telephone listing (local and home), Illinois State University email address, date and place of birth, major field of study, dates of attendance, grade level, enrollment status (e.g. undergraduate or graduate, full-time or part-time), participation in officially recognized activities or sports, weight or height of members of athletic teams, target graduation date, degrees, honors and awards received, and the most recent educational agency or institution attended. Students may block the public disclosure of directory information by notifying the Office of the University Registrar in writing prior to the first day of classes.

Please consider very carefully the consequences of a decision to withhold directory information. A non-disclosure block will call for Illinois State University not to release any of this “directory information;” thus, any future requests for such information from non-institutional persons or organizations will be refused. Illinois State University will honor your request to withhold directory information but cannot assume responsibility to contact you for subsequent permission to release this information. Regardless of the effect upon you, Illinois State University assumes no liability as a result of honoring your instructions that such information be withheld.

Although the initial request may be filed at any time, requests for non-disclosure will be honored by the University until removed, in writing, by the student.

*The name included on the student's ISU application (the student's legal name) is the name used for directory information purposes. If a student has also entered a preferred name in the Campus Solutions and/or HR system, that preferred name will be used ONLY for specific internal University operations and will not be used as directory information. To change your name for directory information purposes, you must change your legal name in the system. Information on how to do this is available at the University Registrar website or by contacting the Registrar directly at (309) 438-2188. If you are also an employee, information on how to change your legal name for employment purposes, is available on the Human Resources website or by contacting them directly at (309) 438-8311. Questions regarding use of a preferred name should also be directed to the above offices.
The statements in this catalog are for informational purposes only and should not be construed as the basis of a contract between a student and Illinois State University. The course offerings and requirements of the University are continually under review and revision. Information regarding course changes will be available in the Offices of the University Registrar, the Provost, the colleges, major departments, and schools. It is especially important that each student note that it is his or her responsibility to be aware of current graduation requirements for a particular degree program.

Undergraduate Catalog Requirements
For a student who attends at least one term of each academic year, graduation requirements are specified in the Undergraduate Catalog for the year of entry to the University. If attendance is not continuous, a student must meet the requirements specified in the Undergraduate Catalog in effect when he or she reenters the University. If such a student continues in the curriculum chosen originally, the hours earned in meeting the requirements of the original program may typically apply to the hour requirement of a revised program. In some rapidly advancing fields, students may be required to repeat courses where content has changed significantly. In all instances, the University may adjust graduation requirements to ensure that each graduate of a teacher preparation curriculum meets the course requirements for an Illinois Teaching License.

A student who transfers from an Illinois public community college to this university will be placed in the catalog associated with their term of admission to Illinois State University. Advisors may request that a student be placed into an earlier catalog, up to two years prior to the assigned catalog, if it is in the student’s best interest.

Since University programs are constantly evaluated and improved, a student may graduate under new requirements published while he or she is in attendance at the University. A student who changes to new Undergraduate Catalog requirements, however, must meet all the requirements including General Education and graduation requirements, in that catalog. A catalog year begins the first day of summer session and ends the last day of the spring semester.

Academic Terminology
Academic Affairs: One of the four major divisions of the University, headed by the Vice President and Provost, that focuses on educational needs of students.

Academic Good Standing: A minimum cumulative grade point average of 2.00, which is required for continued enrollment in the University.

Academic Year: The period of time commencing with the fall semester (16 weeks) and continuing through the spring semester (16 weeks) and summer term (12 weeks).

Advanced Placement Program: Sponsored by the College Board, this program allows students to be awarded credit or exemptions from required courses based on test scores.

Alumni: Individuals who have attended or graduated from a particular college or university.

Audit: The completion of a course taken without credit. It does not count toward full-time student status for financial aid and other purposes.

Board of Trustees: The governing body for Illinois State University.

Campus Solutions: Student Information System software that supports registration and managing students’ progress toward their degrees.

Career: Campus Solutions term for undergraduate or graduate status.

Clinical Experience: Part of a program that allows for observation, participation, studies of individual pupils or clients, individual field work, and practicums both on and off campus.

College Level Examinations Program (CLEP): A program that allows students to receive credit by examination rather than completing coursework.

Credit Hour: A standard unit of measuring coursework; credit hours are assigned to a particular course and count toward graduation, except in remedial courses. Typically a course that meets for three hours a week is worth three credit hours.

Cross-listed Course: Cross-listed courses are offered by more than one department or school, but treated as one course for credit purposes. A cross-listed course will be considered as one course regardless of the department/school through which the student registered for the course. This is a general rule that applies to all cross-listed courses taken for any purpose.

Curriculum: A program of study covering the entire undergraduate or graduate career and designed to satisfy the requirements for a degree.

Dean: The highest administrative officer of a college.

Department Chairperson: An administrative officer holding faculty rank; responsible for the primary unit of academic organization.

Enrollment Status: Undergraduate students for fall and spring are considered full-time if they are enrolled 12.0 or more semester hours, half-time if they are enrolled fewer than 12.0 but at least 6.0 semester hours, and part-time if they are enrolled fewer than 6.0 semester hours. Undergraduate students for summer are considered full-time if they are enrolled 6.0 or more semester hours, half-time if they are enrolled fewer than 6.0 but at least 3.0 semester hours, and part-time if they are enrolled fewer than 3.0 semester hours.

Escrow Credit: The practice of holding the placement of courses until the successful completion of specified courses. For example, diploma school or Associate Degree nursing courses are “held in escrow” for the student until successful completion of three specified Nursing upper-division courses at Illinois State University.

Finance and Planning: One of the four major divisions of the University, headed by the Vice President for Finance and Planning, that focuses on financial management and planning.
General Education Program: Thirty-nine credit hours of integrated foundation courses that must be completed to obtain a baccalaureate degree.

Grade Point Average (GPA): The total number of grade points divided by the total graded semester hours attempted at Illinois State University.

Hold: A block that may prevent a student from receiving a service or performing an action. For example, a financial hold may result in a student not being allowed to register or receive a transcript. Campus Solutions refers to a hold as a “negative service indicator.”

Honors Program: A program designed to serve the needs of academically talented, high-achieving students.

Illinois Articulation Initiative (IAI): A statewide agreement among more than 100 public and selected private institutions, designed to facilitate transfer between colleges and universities within the state.

Illinois Board of Higher Education (IBHE): The board that oversees and coordinates all public higher education in Illinois.

Interdisciplinary: A program or course that spans two or more academic disciplines.

Matriculation: The point at which a student is formally admitted to the university and eligible to enroll in classes.

Midterm Grades: are collected for all new first-year students as well as for some other student groups to allow for early intervention to increase student success.

Milestone: Program requirements that are not credit-bearing but may serve as prerequisites for courses.

Nontraditional Student: A student who does not fit the typical profile of undergraduate students.

Office of University Registrar: An academic service unit that maintains academic records, awards transfer credit, provides enrollment verification, transcripts and course registration and confers degrees. Student questions can be answered in 107 Moulton.

Prerequisite: Specific requirements that must be completed prior to enrolling in a given class, program, or field of study.

Preview: A required two-day program held during the summer to orient new freshmen students and their families to campus.

Provost: The Vice President for Academic Affairs who is responsible for all academic matters.

School Director: An administrative officer holding faculty rank; responsible for the primary unit of academic organization.

Semester: A semester at Illinois State is the 16-week academic session offered each fall and spring.

Semester Hour: See “credit hour.”

Seventy-five (75) Hour Limit on Undeclared Student Status: Illinois State University requires all students to have a declared major upon completion of 75 hours of college-level coursework, including transfer credit.

Student Affairs: One of the four major divisions of the University, headed by the Vice President of Student Affairs, that focuses on personal and nonacademic needs of students.

Syllabus: A document describing the objectives, outcomes, assessment activities, and structure of a course.

Term: Campus Solutions term for “semester.”

 Transcript: The University’s official record of credit or degrees awarded, including the courses taken by a student and the grades received in each course.

Transfer Day Program: Specifically designated days for transfer students to meet with an academic advisor and to complete advance registration.

Unit: Campus Solutions term for “semester hour” and “credit hour.”

University Advancement: One of the four major divisions of the University, headed by the Vice President for University Advancement, that focuses on public outreach and fundraising.

University College: An academic unit that provides academic support to all students, advising all freshmen and undeclared students, and special populations of undergraduate students such as pre-professional students, international students, and student-athletes. University College provides academic support and tutoring to all students as well as programs and services that assist students in making the transition to the University. University College also oversees the Interdisciplinary Studies Major and Minor and the and University Studies Major.

Welcome Week: A variety of social activities scheduled at the beginning of the fall semester to integrate students into campus life.

Program and Course Explanations

Major: A cohesive combination of courses, including introductory, intermediate, and advanced coursework that designates a student’s primary area of specialization. Majors are designated on university transcripts.

Minor: A combination of courses designed to provide a cohesive introduction to an area of study beyond the major. Minors are designated on university transcripts upon receipt of degree.

Plan: Campus Solutions term for “major.”

Sequence: A subdivision of a major/minor in which there are specific requirements. Sequences of the same major or minor generally share a common core within a major or minor. Sequences are designated on university transcripts upon receipt of degree.

Subplan: Campus Solutions term for a “sequence.”
2019-2020 Catalog | Using the Catalog

**Concentration:** A subdivision of a major without specific requirements that is provided for advisement only. Concentrations are not designated on university transcripts. All in-formal curricular recommendations made by departments and schools (such as emphases, tracks, areas of study, specializations, etc.) should be considered concentrations. Concentrations are advisory only; no approval process is required.

**Combination Courses:** Course format that combines lecture and laboratory components in each class meeting.

**Contract:** Contract educational services, programs and courses are delivered through mutual contract to a business site for a specific cohort or business entity.

“Decimalized” **Course:** A course with different subtopics but standard learning outcomes. For example, History 104 may examine different regions. Campus Solutions replaces the decimal by an “A” so HIS 104.01 appears as HIS 104A01.

**Directed Research:** Course format used for independent study, thesis, and dissertation courses.

**Independent Study:** Intensive study in a special area of the student’s interest under the direction of a qualified member of the faculty. Each individual investigation is to culminate in a comprehensive written report and/or examination and/or artistic project. A maximum of six semester hours of independent study may be applied toward graduation.

**Institute:** Federal- and state-sponsored (or similar), short-term programs requiring treatment of subject matter of a special nature, often for special groups. Institutes are designated by the number 397.

**Internet Courses:** Courses delivered primarily over the internet either in real time (synchronously) or on the student’s schedule (asynchronously) but within a specified period of time.

**Professional Practice:** Professional Practice consists of one or more credit-generating, academic/career related, salaried or non-salaried work experiences. Professional Practice work sites are located on the Illinois State University campus and with business, industry, government, and other agencies and organizations outside the University. Professional Practice courses are designated by the numbers 198, 298, 398, 498, and 598.

**Seminar:** A regular meeting of students, under the guidance of a faculty member, in which each conducts research and exchanges information, problems, and results through informal lectures, reports, and discussions.

**Temporary Course:** Temporary courses are approved by the curriculum committees for a time period not to exceed three years. Temporary courses often are used to experiment with a new curricular design, to take advantage of the skills of a faculty member who will be at the University for a limited period, or to respond to particular interests of students. Temporary courses are designated by the numbers 189, 289, 389, 489, and 589. Temporary courses may not be required within a major or sequence.

**Topics Course:** An organization of subject matter and related learning experiences composed of identifiable subdivisions of topics. Each topic is of sufficient significance to be treated separately as a unit of instruction for an entire semester or term. The content of the course varies by semester.

**Workshop:** Intensive and applied work on special problems in one or more subject areas. Workshop opportunities are provided on special problems not covered in any regular University courses. Workshops are generally designated by the numbers 193, 293, 393, 429, and 493.

**Course Information**

The University operates on the semester plan. The credit value of all courses is stated in terms of semester hours. Ordinarily, a semester hour is assigned for a 50-minute class meeting per week for the semester; therefore, a course valued at three semester hours generally meets three periods weekly. In laboratory courses, at least two 50-minute periods per week are ordinarily required for each semester hour of credit.

**Course Availability:** Students should consult the Course Finder website [https://coursefinder.illinoisstate.edu](https://coursefinder.illinoisstate.edu) for course descriptions, prerequisites, and course offerings and My.IllinoisState.edu for class availability. Questions concerning scheduling of courses should be referred to the department chairperson or school director.

**Course Prerequisites:** Course prerequisites in effect at the time of publication are printed in this catalog. However, prerequisites may change over time and do not depend on catalog year. The registration system will enforce prerequisites in effect at the time of registration.

**Course Numbering**

Each course bears a distinguishing number for identification and indication of its academic level. The numbering system is as follows:

- **100-199:** Lower-division undergraduate courses, primarily for freshmen and sophomores.
- **200-299:** Upper-division undergraduate courses, primarily for juniors and seniors. A student normally should have completed at least 45 semester hours before enrolling in a course at this level.
- **300-399:** Advanced undergraduate courses. Open to juniors, seniors, and sometimes graduate students. A student normally should have completed at least 75 semester hours before enrolling in a course at this level.
- **400-499:** Graduate courses. Courses at this level are for graduate students. With approval from the instructor, the department chair/school director, and the Graduate School, advanced undergraduates may be permitted to enroll in 400-level courses for undergraduate credit only. Those credits will not apply to a graduate degree. Details are on the standard override form.

Seniors seeking to enroll in 400-level courses for graduate credit prior to graduation must first apply and be provisionally admitted to a graduate degree program at Illinois State. Additional rules and restrictions apply. See instructions for “Seniors Taking Graduate Courses for Graduate Credit” in the Admission to Master’s Programs section of the Graduate Catalog.

- **500-599:** Courses limited to advanced graduate or doctoral students.
Course Descriptions
https://Coursefinder.IllinoisState.edu

Course Finder provides the following information for each course: department/school/subject abbreviation, course number (three or five digits preceding the title); course title; and credit value in semester hours. Following the above information, a brief description of the course, any pre-requisites, restrictions on enrollment, and any special considerations are noted. A course prerequisite is knowledge or experience a student is required or recommended to have prior to enrolling in a course.

Terms Used In Course Descriptions

Also offered as: (cross-listed course) means that the specified courses are identical and are thus considered interchangeable in meeting all requirements. Credit can only be earned in one of the specified courses.
Concurrent registration required: (or recommended) means that concurrent registration in two courses is required (or recommended).
Consent of the department advisor: The advisor(s) of the department offering the course must give consent before a student may register for the course.
Consent of the department chair: The chairperson of the department offering the course must give consent before a student may register for the course.
Consent of the instructor: The course instructor must give consent before a student may register for the course.
Consent of the school director: The director of the school offering the course must give consent before a student may register for the course.
Formerly offered as: indicates a course previously offered under a different number or title. The course is interchangeable with the previous course number or title.
Includes clinical experience: indicates that certain Clinical Experiences in the student’s field are required in the course.
Junior standing: indicates that a student must be a Junior (60+ For registration purposes we allow hours in progress at Illinois State to count towards the 60 credit hours to satisfy prerequisites.
Materials charge optional: indicates a fee may be charged for course materials.
Multiple enrollments allowed: indicates that a course may be taken for credit more than once if different content is planned; however, there may be a maximum amount of credit specified for the course.
Not for credit if had: (course) means that content overlap exists between the specified courses and that students should not be able to count both toward graduation. Such courses are not, however, considered interchangeable in meeting all requirements.
Not for credit major/minor: means that the credit from this course may not be applied to the major or minor program requirements.
Variable credit courses: are those courses leading to differing number of credit hours. For example: Independent Studies (course number 287) have variable credit hours from 1-6. A Student should plan with the supervising faculty the number of hours to be sought in a variable credit course.

Accreditation
Illinois State University is accredited by the Higher Learning Commission, one of six regional accrediting bodies for higher education recognized by the United States Department of Education. For further information regarding this accreditation contact the Higher Learning Commission at 230 South LaSalle Street, Suite 7-500, Chicago, Illinois 60604-1411, phone (800) 621-7440 or (312) 263-0456; email info@hlcommission.org; or visit the Com-mission website at https://hlcommission.org. The teacher preparation unit and its programs are accredited by the National Council for Accreditation of Teacher Education, which, in 2013, consolidated with the Teacher Education Accreditation Council to become the Council for the Accreditation of Educator Preparation. Teacher preparation programs at Illinois State are also annually approved by the Illinois State Board of Education. Numerous programs of study at Illinois State hold discipline-based accreditation. A list of specialized accreditation bodies with which the University is associated is available at provost.illinoisstate.edu/planning/accreditation/program/. The University holds institutional memberships in the American Council on Education, the American Association of State Colleges and Universities, the American Association of Colleges for Teacher Education, and the Council of Graduate Schools.

Illinois State University Mission Statement
We at Illinois State University work as a diverse community of scholars with a commitment to fostering a small-college atmosphere with large-university opportunities. We promote the highest academic standards in our teaching, scholarship, public service and the connections we build among them. We devote all our resources and energies to creating the most supportive and productive community possible to serve the citizens of Illinois and beyond. Adopted by Academic Senate, May 7, 2008.

University Commitment to Diversity
Diversity is one of seven core institutional values underlying strategic planning and implementation of programs and services at Illinois State University. Goals and strategies for maintaining and increasing the diversity of students, faculty, and staff at Illinois State are articulated in the university strategic plan, Educate, Connect, Elevate: Illinois State. Illinois State affirms and encourages community and a respect for differences by fostering an inclusive environment characterized by cultural understanding, ethical behavior, and social justice. The University supports a diverse faculty and staff who mentor a diverse student population. The University endeavors to provide opportunities for all students, staff, and faculty to participate in a global society.

Office of Equal Opportunity and Access
Illinois State University, as an equal opportunity/affirmative action employer, complies with all applicable federal and state laws regarding affirmative action, nondiscrimination, and anti-harassment. Illinois State University is committed to a policy of equal opportunity for all persons and does not discriminate on the basis of race, color, religion, pregnancy, sex, national origin, sexual orientation, order of protection, gender identity and expression, ancestry, age, marital status, disability, genetic information, unfavorable military discharge, or status as a veteran in employment, educational programs and activities, or admissions. Inquiries regarding equal opportunity or affirmative action at Illinois State may be directed to the Office of Equal Opportunity and Access at (309) 438-3383.

Disclosure of Campus Security and Campus Crime Statistics
Illinois State University is committed to the safety and welfare of the campus community. Campus safety and security at Illinois State University is a shared responsibility. The best protection against campus crime is an aware, informed, and alert campus community (students, faculty, staff, and visitors) who report crime and suspicious behavior in a timely manner and use reason and caution during their daily activities. The Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act is a federal law that requires colleges and universities to disclose certain timely and annual information about campus crime and security policies. Information contained in the Annual Security Report includes criminal and fire statistics for the past three years of reports of incidents that occurred on campus, in certain off-campus buildings or property owned or controlled by the University, and on public property within or immediately adjacent to campus. The Annual Security Report also includes policies and statistics required by the federal Violence Against Women Act related to sexual assault, domestic violence, dating violence, and stalking. In addition, the Report contains information on other University policies and procedures related to campus security, emergency management, crime reporting, and other resources available to students. Effective fall of 2017, the University will also provide a report that includes information on campus sexual violence impacting the University community as required by the Illinois Preventing Sexual Violence in Higher Education Act. The Annual Security Report and Fire Safety is available on the Campus Safety and Security website at: Security.illinoisstate.edu. If you have any questions or would like to request a paper copy of the report, please contact the Illinois State University Police Department at (309) 438-8631.
Complaint Resolution
Federal regulations require institutions of higher education to make public contact information for filing complaints. The information below is intended to provide both institutional and external contact information to current and prospective students.

Harassment and discrimination:
The Office of Equal Opportunity and Access (EqualOpportunity.illinoisstate.edu) addresses all issues related to the policies and procedures for addressing discrimination and harassment. Refer to the Anti-Harassment and Non-Discrimination Policy Complaint Procedures for information on reporting and filing a complaint. [https://policy.illinoisstate.edu/conduct/1-2-1](https://policy.illinoisstate.edu/conduct/1-2-1)

Concerns regarding faculty:
When a student has an issue or complaint regarding a faculty member relating to an academic course or program the following steps are recommended:
1. Address the concern directly with the faculty member.
2. If the concern cannot be sufficiently addressed with the faculty member, the student should contact the Chair of the Department or Program Director.
3. If the concern cannot be sufficiently addressed with the Chair or Program Director, the student should contact the Office of the Dean of the College.
When addressing complaints with faculty, students are also encouraged to review the following documents:
- Code of Student Conduct [https://deanofstudents.illinoisstate.edu/conflict/conduct/code/](https://deanofstudents.illinoisstate.edu/conflict/conduct/code/)
- Academic Dishonesty (Plagiarism) [https://deanofstudents.illinoisstate.edu/conflict/conduct/code/academic.php](https://deanofstudents.illinoisstate.edu/conflict/conduct/code/academic.php)
- Grade Challenge Policy [https://provost.illinoisstate.edu/downloads/FinalCourseGradeChallengeProcedure.pdf](https://provost.illinoisstate.edu/downloads/FinalCourseGradeChallengeProcedure.pdf)

Concerns regarding staff members:
When a student has an issue or complaint regarding a staff member the following steps are recommended:
1. Address the concern directly with the staff member.
2. If the concern cannot be sufficiently addressed with the staff member, the student should contact the staff member’s direct supervisor.

Internal resource: Dean on Duty
All students have access to the Dean on Duty in the Dean of Students Office to ask for advice and assistance in navigating concerns and complaints. The Dean on Duty is available every Monday-Friday 8 a.m. – 4:30 p.m. for walk-ins or phone consultations in the Students Services Building, Room 387 or call 309-438-2008. [https://DeanofStudents.illinoisstate.edu/contact/dean](https://DeanofStudents.illinoisstate.edu/contact/dean)

External resources:
- The Higher Learning Commission, Illinois State University’s regional accreditor: [https://www.hlcommission.org](https://www.hlcommission.org)

Online or Distance Education Complaint Resolution:
Students enrolled in Online or Distance Education are encouraged to contact:
- The Technology Support Center for technical problems: [ITHelp.illinoisstate.edu](https://ITHelp.illinoisstate.edu).
- The instructor for academic concerns or referral to learning resources.
- The department chair or school director for concerns that cannot be resolved by the instructor or Technology Support Center.
If the issue cannot be resolved through the resources listed above, information regarding the complaint processes for each state of residence is listed in the Complaint Resolution section of the Illinois State Consumer Guide ([https://illinoisstate.edu/consumer-guide](https://illinoisstate.edu/consumer-guide)).

University Ethics Office
Any student, faculty, or staff member who believes they have witnessed a violation of the State Officials and Employees Ethics Act should report the violation immediately to the University Ethics Office at (309) 438-2339 or [ethics@illinoisstate.edu](mailto:ethics@illinoisstate.edu).
Academic Program Information
Illinois State University offers a variety of academic majors and minors. Academic degree programs and minors, listed by College, are outlined below.

University-Wide Programs
African-American Studies: undergraduate minor
African Studies: undergraduate minor
Children’s Studies: undergraduate minor
Civic Engagement and Responsibility: undergraduate minor
Cognitive Science: undergraduate minor
Ethnic Studies: undergraduate minor
European Studies: undergraduate minor; B.A.
Food Studies: undergraduate minor
Interdisciplinary Studies: undergraduate minor; B.A., B.S.
International Studies: undergraduate minor
Latin American and Latino/a Studies: undergraduate minor
Middle Eastern and South Asian Studies: undergraduate minor
Native American Studies: undergraduate minor
Peace and Conflict Resolution Studies: undergraduate minor
University Studies: B.A., B.S.
Urban Studies: undergraduate minor
Women’s and Gender Studies: undergraduate minor

Departmental and School Programs Listed by College
College of Applied Science and Technology
Agriculture: undergraduate minor, B.S., M.S.
Athletic Coaching: undergraduate minor
Athletic Training: B.S.
Computer Science: undergraduate minor, B.S.
Construction Management: B.S.
Criminal Justice Sciences: undergraduate minor, B.A., B.S., M.A., M.S.
Cybersecurity: B.S.
Engineering Technology: B.S.
Environmental Health: undergraduate minor, B.S.
Exercise Science: undergraduate minor, B.S.
Family and Consumer Sciences: undergraduate minor, B.A., B.S., M.A., M.S.
Fashion Design and Merchandising: B.A., B.S.
Food, Nutrition, and Dietetics: B.A., B.S.
Graphic Communications: B.S.
Health and Wellness Coaching: undergraduate minor
Health Information Management: B.S.
Health Promotion and Education: B.S., B.S.Ed.
Human Development and Family Science: B.A., B.S.
Industrial Technology: B.S.
Information Systems: undergraduate minor, B.S., M.S.
Interior Design: B.A., B.S.
Kinesiology and Recreation: M.S.
Medical Laboratory Science: B.S.
Military Science: undergraduate minor
Network and Telecommunications Management: B.S.
Physical Education: B.S., B.S.Ed.
Public Health: undergraduate minor
Recreation and Park Administration: undergraduate minor, B.S.
Sustainable and Renewable Energy: B.S.
Safety: undergraduate minor, B.S.
Technology: undergraduate minor, M.S.
Technology and Engineering Education: B.S.

College of Arts and Sciences
African-American Studies: undergraduate minor
African Studies: undergraduate minor
Anthropology: undergraduate minor, B.A., B.S., M.A., M.S.
Applied Economics: M.A., M.S.
Audiology: Au.D.
Biochemistry: B.S.
Biological Sciences: undergraduate minor, B.S., M.S., Ph.D.
Biological Sciences Teacher Education: B.S.
Chemistry: undergraduate minor, B.S., M.S.
Chemistry Education: M.S.C.E., M.C.E.
Children’s Studies: undergraduate minor
Civic Engagement and Responsibility: undergraduate minor
Classical Studies: undergraduate minor
Clinical-Counseling Psychology: M.A., M.S.
Cognitive Science: undergraduate minor
Communication: M.A., M.S.

Music: undergraduate minor, B.A., B.S., M.M.
Music Education: B.M.E., M.M.Ed.

Music Performance: B.M.
Theatre: undergraduate minor, B.A., B.S., M.F.A.
Theatre Studies, M.A., M.S.

**Mennonite College of Nursing**
Nursing: B.S.N., M.S.N., Ph.D.
Nursing Practice: D.N.P.
Illinois State University maintains a small college environment within a large university. We value personal attention for each and every student and our commitment to individuals begins with the recruitment and admission processes. Illinois State seeks a highly-motivated, academically well-prepared, and diverse student body. Admission to the University is competitive. Applying during the preferred filing period is encouraged as the University has the right to limit enrollment due to space availability in major programs and overall student capacity. Please refer to the Admissions website for more information and detailed dates and deadlines.

Criminal Activity and Disciplinary Disclosure
Illinois State University is committed to maintaining a safe and positive environment for all members of the University community. Therefore, at the time of application, applicants will be required to disclose information regarding criminal background. In addition, applicants must report misconduct that resulted in disciplinary separation from a previous school or university. These cases will be reviewed by the University prior to an admission decision being made. Such disclosure does not automatically disqualify an applicant. For additional information, please contact the Office of Admissions.

Beginning Freshman, also known as First Time in College (FTIC)
The following will classify a student as a new beginning freshman (FTIC):

1. A person who has never attended any college or university since graduating from high school. A student earning college hours while in high school will be classified as a new beginning freshman.
2. A person who enrolls at any college or university during the summer term immediately following high school graduation and then enrolls during the subsequent fall term at Illinois State University will be classified as a beginning freshman.
3. A person who graduates early from high school, attends a college or university during the spring term, and begins at Illinois State the following fall will be considered a beginning freshman if the high school transcript lists the graduation date as May or June.

Transfer Student
The following will classify a student as a transfer student:

1. A person who has enrolled at any college or university after graduating from high school, whether or not any work was completed (except for students who classify as beginning freshmen under number 2 or 3 under the Beginning Freshman section).
2. A person who graduates early from high school and attends a college or university during the spring term and begins at Illinois State the following fall will be considered a transfer student if the high school transcript lists the graduation date as December or January.

Admissions

https://IllinoisState.edu/Apply
https://IllinoisState.edu/Visit

Phone: (309) 438-2181
Toll free: (800) 366-2478

Illinois State University considers the following when making an admission decision:

- Grade point average
- ACT/SAT scores and subscores
- Applicants must also show successful completion of the following:
  - English – 4 years
  - Mathematics – 3 years of high school math: traditional (algebra, geometry, algebra II), or integrated math 1, 2, and 3
  - Natural science – 2 years with laboratories
  - Social science – 2 years
  - *Foreign language or fine arts – 2 years of one foreign language or 2 years of fine arts
  - Electives – 2 years

*NOTE: All students in the College of Arts and Sciences must satisfy a foreign language graduation requirement that may be met by: 3 years of the same foreign language in high school or completion of the second semester or higher of college-level foreign language with a passing grade or equivalent proficiency as determined by examination. Students who have completed one semester of college foreign language credit may elect to satisfy this requirement by studying abroad in an approved program in a non-English speaking country. American Sign Language may be used to fulfill this requirement by transfer credit or by proficiency.

General Equivalency Diploma in Lieu of High School Diploma
Applicants who use general equivalency diploma (GED) test results

Former Illinois State Student/Readmit
A person who wishes to return to Illinois State after one or more semesters away from campus and has not received their bachelor’s degree from another institution while away.

Visiting Student/Unclassified Undergraduate
A person who does not have a bachelor degree and desires to take classes at the University without working toward a degree.

International Student
A person who is neither a United States citizen nor a United States permanent resident.

Undocumented Student
A person who lives in the United States with no documentation stating U.S. citizenship or legal residency.

Program Specific Admission Criteria
Illinois State University regulates admission to designated programs when the number of students seeking admission exceeds the available educational resources of the department or school. Supplemental selection criteria for admission may need to be met for specific majors.

Freshman Admission
Applicants who use general equivalency diploma (GED) test results

2019-2020 Catalog I Admissions
in lieu of a high school diploma are required to submit GED test results reflecting the standard of 150 on four tests and a total score of 600 or better. Applicants must also submit ACT or SAT test scores.

Finalizing Admission
Admission decisions are conditional until high school graduation and academic preparation is verified on final transcripts. Admission may be revoked if satisfactory completion of minimum course specific requirements and graduation are not confirmed by the high school transcript.

Withholding information or giving false information to the University may make a student ineligible for admission to the University or subject to dismissal.

Transfer Admission
Illinois State considers the following when making admission decisions:

- Cumulative college grade point average and, for some academic programs, prerequisite college coursework. For these requirements, visit the following website: https://illinoisstate.edu/admissions/transfer/requirements/
- Good academic standing from last school attended.
- If fewer than 24 college semester hours completed at the time of application, high school courses, high school grade point average, and ACT/SAT scores.
- Proof of high school graduation or a passing score on GED exam, if requested.
- Optional: an academic personal statement explaining circumstances that affected collegiate academic performance.
- Illinois State requires all students to have a declared major upon completion of 75 hours. Due to this policy, transfer students are encouraged to apply to a major program of study. Transfer students with a high amount of transfer credit will be carefully reviewed and evaluated on a case by case basis for admissibility to the University and to their intended major.

Illinois State generally uses all grades shown on all college transcripts to determine an admission grade point average. However, for repeated courses, only the last repeated grade will be used in calculating the grade point average for admission. Remedial (non-credit) coursework is not used in calculating the admission GPA.

Finalizing Admission
Admission decisions are conditional until final transcripts are received and satisfactory completion of courses is confirmed. Admission may be revoked if this information is not verified by the final official transcript(s).

Withholding information or giving false information to the University may make a student ineligible for admission to the University or subject to dismissal.

Transferability of Course Credit
After admission to Illinois State, the Office of the University Registrar will determine how much transfer credit will be given and how it may be used to fulfill Illinois State’s curricular requirements. Transfer credit from community colleges is limited to 70 semester hours; credit from four-year colleges and universities is limited to 90 semester hours. Additional credit for military service may be considered.

Students who have completed an A.A. from any regionally accredited post secondary institution or the Illinois Articulation Initiative General Education Core Curriculum (IAI GECC) at an accredited, participating Illinois college or university will be considered to have met the Illinois State University General Education requirements.

Students who have completed an A.S. from an accredited, participating Illinois college or university must complete the IAI GECC either as part of their A.S. degree or by completing the GECC at ISU or by transfer credit. All distribution requirements of each GECC category must be followed; that is, both a humanities and a fine arts course must be completed and at least two different disciplines must be represented in Social and Behavioral Sciences.

Students who have completed an A.S. from any regionally accredited post-secondary institution inside the state of Illinois will be considered to have met the Illinois State University General Education requirements.

Students completing an A.A. or A.S. will also have junior class standing. Illinois State University accepts the AAT degree as a baccalaureate-oriented degree when the AAT degree includes the IAI transferable core. Visit https://itransfer.org

Transfer students who transfer credit from participating Illinois colleges or universities that satisfies some but not all requirements of the IAI GECC may satisfy Illinois State General Education requirements by completing requirements for the IAI GECC at Illinois State or by completing the University’s own General Education program. Other students must complete Illinois State’s General Education program.

Illinois State generally accepts transfer courses with earned grades of D. However, certain courses in some major programs may require a grade of C or better. When a student who pursues one of these majors transfers D grade course credit that is equated to an Illinois State course requiring a grade of C or better, the student will have to repeat the course to satisfy the major program requirements.

Second Bachelor’s Degree
A student who has already received one bachelor’s degree from Illinois State University or from another regionally accredited college or university may receive a second bachelor’s degree at Illinois State University upon completion of degree requirements. Students must meet the admission requirements for the major selected and meet appropriate deadlines. All college-level undergraduate coursework will be taken into consideration when computing an overall GPA for evaluation.

Second bachelor degree seeking students are required to fulfill degree requirements as listed in the catalog at the time of admission to the second bachelor degree program. The program of studies completed for the second degree must include at least 32 semester hours of coursework taken after the granting of the first degree, of which 30 hours must be taken in residence at Illinois State. At least 24 of the 32 hours completed toward the second degree must be at senior college-level (courses numbered 200 and above).

Former Illinois State Students Seeking Readmission
Students who have been absent from the University for one or more semesters must apply for readmission. Early application is encouraged as it may not be possible to offer readmission for the term requested due to space limitations. Readmitted students should consult the section on Undergraduate Catalog Requirements to determine which catalog should be used to determine graduation requirements.

Illinois State considers the following when making decisions on readmission:

- Students must have left Illinois State University in good
academic standing.

- If coursework is completed since leaving Illinois State, a minimum 2.00 GPA is required for all college coursework completed and good academic standing must be shown from the last institution attended. Please note that many majors require higher GPA standards and pre-requisite college coursework for admission. The student’s Illinois State University GPA is used to determine eligibility for any new major.

Visit https://illinoisstate.edu/admissions/returning/ to view the admission requirements for specific majors.

If on probation or dismissed, students may be considered for reinstatement or for the New Start readmission program. Supplemental information may be requested to determine eligibility.

Visit https://illinoisstate.edu/admissions/returning/ to learn more about these readmission options.

If dismissed for disciplinary reasons, students should contact the Office of Student Conduct and Conflict Resolution for disciplinary clearance. Readmission cannot be considered until clearance is given.

New Start Policy

Students who leave Illinois State in a degree program with less than a 2.00 cumulative grade-point average (GPA) may be considered for readmission through the New Start Policy. Applicants admitted through this policy will begin with a new cumulative GPA calculated from the point of their reentry.

Students may be considered for readmission through the New Start Policy after being away from the University for one full year (example: a student who last attended the University during the fall 2016 term may not be considered for reenrollment through the New Start Policy until the spring 2018 term) and only when the requirements of one of the following New Start categories are met: Nontraditional Student, Veteran, or Community College Transfer.

These categories are described in detail at: https://illinoisstate.edu/admissions/returning/

Students may exercise New Start only once. Such students will have “New Start” indicated on their transcript. New Start will affect only the cumulative GPA. All grades earned at Illinois State, regardless of when earned, will be used in the calculation of the major GPA, the minor GPA, and graduation honors. Students who are admitted through the New Start Policy will be admitted on academic probation and be required to participate in Project Success (see the Academic Policies and Practices section for further information).

Students who reenter under the New Start Policy must follow the Undergraduate Catalog in effect at the time of reentry. To be eligible for graduation, a student must earn at least 30 semester hours at Illinois State University after exercising New Start.

Visiting Student/Unclassified Admission

Individuals desiring to take a class or classes at Illinois State as a visitor without working toward a specific degree at Illinois State may be admitted as unclassified students. Applicants may be required to provide evidence showing prerequisite background for the course(s) desired. Unclassified students must maintain the same standard of performance as degree-seeking students. Unclassified students who wish to become candidates for a degree at some later time must apply for admission as a degree seeking student and must meet published requirements for admission into the desired program.

Students who hold a baccalaureate degree from a regionally accredited college or university are not eligible for the unclassified undergraduate status.

Adult Learner Program: All persons 25 years of age or older prior to the first day of class for any given semester may be considered for admission as an Adult Learner. Admission as an Adult Learner is an unclassified/non-degree seeking student status. Freshmen may be admitted without presenting ACT or SAT scores and without proof of high school diploma and/or GED. Transfer students may be admitted without submitting transcripts from schools previously attended if they have not been in attendance at a college or university two years prior to the semester for which they have applied. If attendance has been within two years, students must submit transcripts indicating a cumulative grade point average of 2.00 on a 4.00 scale and be in good standing at the last school attended. Adult Learners who, at some later time, wish to become candidates for a degree must complete a minimum of 12 semester hours at Illinois State, apply for admission as a degree seeking student, and meet university admission requirements for the desired program.

International Student Admission

Illinois State considers the following when making an admission decision:

- Freshman Admission:
  - Grade point average
  - English proficiency or ACT/SAT score

Applicants must also earn the equivalent of a U.S. high school diploma from a recognized international institution of secondary or high school level, or will do so prior to enrollment.

INTO Illinois State University

https://into.illinoisstate.edu

INTO Illinois State University Center offers the Academic English, International Year One, and Graduate Pathway programs for international students to improve their English language comprehension while preparing them to be successful, degree-seeking students at the University.

Transfer Admission

- Cumulative college grade point average, and for some academic programs, prerequisite college coursework; for these requirements, visit the following web-site: https://illinoisState.edu/transferprogramrequirements
  - Good academic standing from last school attended
  - If fewer than 24 college semester hours are completed at the time of application, high school grade point average
  - English proficiency

Illinois State requires all students to have a declared major upon completion of 75 hours. Due to this policy, transfer students are encouraged to apply to a major program of study. Transfer students with a high amount of transfer credit will be carefully reviewed and evaluated on a case by case basis for admissibility to the University and to their intended major.

Upon receipt of all necessary materials, the Office of Admissions will review the application file for an admission decision. Students who are admitted will be sent a Certificate of Eligibility (I-20) for Non-immigrant (F-1) student status with the notification of acceptance.
Eligibility:
International students must:

- Earn a total score of 79 on the internet based test (iBT) Test of English as a Foreign Language (TOEFL), a 550 on the paper based TOEFL or total score of 6.5 on the International English Language Testing (IELTS) assessment. International freshman students may substitute the ACT or SAT for the English proficiency exam. International transfer students may have the English proficiency exam requirement waived if they’ve acquired 60 semester hours while attending a college or university located in the U.S. and have been residing in the U.S. for at least one year at the time of admission.

Submit a declaration of finances showing source of support and official documentation of funds available for the first year’s expenses. Financial proof is required for all students seeking F-1 status.

International applicants who meet all other academic criteria for admission but whose scores do not meet the minimum standards for English proficiency may be admitted to a degree program. In such cases, students will be required to attend courses at the English Language Institute (ELI) at their own expense and remain in the program until their English proficiency has improved to a level required for University enrollment.

Finalizing Admission
Admission decisions are conditional until final transcripts and other supporting documents are received. Withholding information or giving false information to the University may make a student ineligible for admission to the University or subject to dismissal.

Special Admission Programs
The University may admit a limited number of applicants who show the potential for success in collegiate work but who do not meet all the regular admission standards. The special admissions programs are as follows:

Adult Learner Program
All persons 25 years of age or older prior to the first day of class for any given semester may be considered for admission as an Adult Learner. See the Visiting Student/Unclassified area of the Admission Policies section.

Concurrent Admissions Program (ConAp) for Army and Army Reserve Enlistees
The Concurrent Admission Program (ConAp) is a partnership between the Army Recruiting Command and over 1,900 participating colleges to mutually advance the goals of lifelong learning and postsecondary education for Future Soldiers. This program allows individuals enlisting in the Army or Army Reserve who are part of the Future Soldier program to declare their intent to enroll at a college or university at the time of their enlistment. The Future Soldier submits a College Referral and Intent to Enroll form to a ConAp college stating his/her intent to enroll during or after their enlistment. The college acknowledges the intent to enroll form and sends information about the college to the Future Soldier. The ConAp form provides guidelines about applying for admission, preparing for the academic experience, beginning college work during enlistment, and staying in touch with the college. Please note that individuals must apply to Illinois State by using the standard application process, and individuals must meet admission requirements in effect at the time of their enrollment. In addition, a DD214 showing honorable discharge is required as part of ISU’s application process.

Dual Enrollment Program
Offers qualified high school students an opportunity to take college-level classes. Dual Enrollment students are evaluated on a case-by-case basis. If admitted, they are given unclassified student status and are advised by University College. They cannot be full-time students while still in high school and must take classes offered on campus.

Talent Program
Applicants who demonstrate an outstanding talent in art, music, theatre, dance, forensics, or athletics.

Veterans Program
Applicants who were Illinois residents at the time of entrance into the Armed Forces, who present a discharge for other than dishonorable reasons showing completion of at least a one-year active tour of duty in the Armed Forces, and whose first attendance at a college or university after discharge is at Illinois State can be considered for admission through this program.

Inquiries regarding these programs should be directed to the Office of Admissions, 201 Hovey Hall, Illinois State University, Campus Box 2200, Normal, IL 61790-2200, (800) 366-2478 or https://Admissions.IllinoisState.edu and should specify the particular program of interest.

Immunization and Medical Requirements for all Students
All students admitted to Illinois State University are required, by College Immunization Code (77 Ill. Adm.Code 694), to provide documentation of the following:

- Two Measles, Mumps and Rubella (MMR) vaccines given on or after the first birthday for students born after January 1, 1957.
- A combination of 3 shots for DTP/Dtap/Td or Tdap. One must be a Tdap. One must be within the last ten years.
- One Meningococcal conjugate vaccine after the age of 16 for new students under the age of 22 as of the first day of class. (Meningitis B and Menomune do not meet this requirement).

All immunization dates must be signed/certified by a physician or public health official. All immunization records must be submitted in English.

Please note that a physical examination is not required. International students are required by University regulations to have TB screening within ten days of their arrival on campus. The Student Health Services also strongly recommends that all students have immunization against Hepatitis B (a series of three injections).

Information and further instructions for meeting the stated requirements will be pro-vided via future communication from Student Health Services for all incoming students. Student Health Services recommends completion of the immunization information as soon as possible. Students not in compliance with the immunization requirements by the 10th class of the first semester will have subsequent semester registrations blocked and be assessed an administrative non-compliance fee.

Further information can be obtained by calling Student Health Services at (309) 438-7559 or by visiting the website at https://HealthServices.IllinoisState.edu
Financial Aid
Students who attend the University may be eligible to receive financial aid in the form of loans, scholarships, tuition waivers, grants and employment. In addition to funds received through gift aid and loans, many Illinois State students seek employment to help cover expenses. Students interested in applying for financial assistance may contact the Financial Aid Office. [https://FinancialAid.IllinoisState.edu](https://FinancialAid.IllinoisState.edu)

All students are encouraged to apply for financial aid by completing the Free Application for Federal Student Aid (FAFSA). This application determines eligibility for state, federal and institutional financial aid, including federal student loans.

Financial aid counselors are available Monday through Friday from 8:00 a.m. to 4:30 p.m. In addition, you may access information on the Financial Aid Office website.

Institutional and Financial Assistance Information for Students
The law (the Higher Education Act of 1965, as amended, and regulation 34 CFR 668) requires Illinois State University to notify enrolled students and the parents of dependent enrolled students annually of the availability of the following information:

- your rights under the Family Education Rights and Privacy Act;
- your right to a deferment of repayment of your Federal Direct Loan for Peace Corps or volunteer service;
- financial aid available at Illinois State University;
- information about Illinois State University;
- the graduation rate of degree-seeking, full-time undergraduate students at Illinois State University;
- an annual campus security report; and,
- a report on athletic program participation and financial support data.

General Eligibility Criteria
To qualify for federal or state financial aid programs, you must:

- be a United States citizen or be an eligible non-citizen;
- submit the Free Application for Federal Student Aid (FAFSA) to the federal processor;
- be enrolled for a minimum of 6 hours (half-time status) per semester (Students not pursuing a degree or unclassified students are not eligible for financial aid, including loans); not be in default on a Perkins Loan or any federally guaranteed loan;
- not owe a repayment to a federal grant program;
- make satisfactory progress toward a degree as defined by Illinois State University (See Satisfactory Academic Progress); and
- be registered with Selective Service, if you are a male at least 18 years of age, born after 1959, and not currently an active member of the U.S. Armed Forces.

NOTE: A student may not receive federal or state financial aid from more than one institution at the same time.

Application Procedures
To be considered for financial aid at Illinois State University, you must complete and submit the Free Application for Federal Student Aid (FAFSA), or the Renewal FAFSA, based on the following time table:

- In September Renewal aid applicants will be sent an email notification for FAFSA on the Web if they provided a valid email address on the current year’s FAFSA.
- In October Complete the FAFSA on the website [https://fafsa.ed.gov](https://fafsa.ed.gov)
- The priority FAFSA filing date for Illinois State University is November 15 each year. The federal processor must receive your application by this date to insure your application receives full consideration for all financial aid programs. If your FAFSA is received after November 15, you will be considered for financial aid programs for which you are eligible and that have remaining funds.
- In October After you receive your Student Aid Report, you must review it for accuracy.

The income and asset information provided on the FAFSA determines your financial aid eligibility. Be sure to use Illinois State’s Title IV school code: 001692. There is no separate institutional application for financial aid at Illinois State. You will need to submit an additional application for summer aid (see Financial Aid for Summer Session).

Financial Aid for the Summer Session
If you are enrolled for at least six hours of coursework, you may apply for financial aid. The application form for the Summer Session will be available in the Forms and Publications section of the website [https://FinancialAid.IllinoisState.edu](https://FinancialAid.IllinoisState.edu) in early March. Data from your FAFSA will be used to determine your eligibility for aid for the summer session. Aid funds for the summer session are very limited. Direct Loan funds are available only if you have remaining loan eligibility for your class level.

Verification
The Department of Education’s regulations require the Financial Aid Office to verify the accuracy of financial data for some aid applicants. We call this process “verification.” If your application is selected for verification, you will be notified via email and asked to provide supporting documentation. A list of requested items will also be posted to your “To-Do List” in your Student Service Center. Responding to our requests for documentation in a timely fashion is important to avoid delays in processing your award notice and/or disbursing your financial aid.

Federal grants and benefits are considered “gift-aid” and do not need to be repaid. [https://financialaid.illinoisstate.edu/grants/](https://financialaid.illinoisstate.edu/grants/)
Scholarships—[https://financialaid.illinoisstate.edu/scholarships/](https://financialaid.illinoisstate.edu/scholarships/)
Loans—[https://financialaid.illinoisstate.edu/loans/](https://financialaid.illinoisstate.edu/loans/)

Financial Aid Disbursement
If your charges exceed your credits, you will have a leftover balance that will need to be paid. If the amount of financial aid exceeds charges, you will receive a refund of the balance. [https://studentaccounts.illinoisstate.edu/faq/#refunds](https://studentaccounts.illinoisstate.edu/faq/#refunds)
Satisfactory Progress
https://financialaid.illinoisstate.edu/satprog/
Satisfactory academic progress for federal and state financial programs is based on three measures:
- cumulative grade-point average,
- completion rate based on credit hours completed compared to attempted,
- and a maximum timeframe for degree completion.

Enrollment Changes and Financial Aid Eligibility
https://financialaid.illinoisstate.edu/changes/

Exit Information
https://financialaid.illinoisstate.edu/process/exit/
Before you graduate, or if your enrollment status drops below 6 hours per semester, you will be sent information concerning Direct Loan exit counseling, which outlines loan repayment, consolidation, and deferment options.
Honors Program

Director: Rocio Rivadeneyra
Honors Program Building
207 South Main Street
Campus Box 6100, Normal, IL 61790-6100
Phone: (309) 438-2559
https://honors.illinoisstate.edu

Honors Program Requirements

Honors Seminar: All students admitted to the Honors Program will take HON 102A17: Honors Mindset Seminar in their first semester. Successful completion of HON 102A17 (defined as earning a "B" or better) is required to continue in the Honors Program.

Grade Point Average: Honors students are required to maintain a 3.3 cumulative GPA. Students whose cumulative GPA falls between 3.00 and 3.29 will be placed on Honors Probation, which allows them the opportunity to raise their GPA while enjoying the benefits of the Honors Program. Students on Honors Probation have up to two semesters to raise their cumulative GPA to 3.30 or higher. While on probation, students must achieve at least a 3.30 semester GPA. Students who fail to meet these requirements or whose cumulative GPA falls below 3.00 will be academically ineligible to continue in the Honors Program.

Honors Participation: Honors students who have classes on campus are required to complete one Honors Learning Experience (https://honors.illinoisstate.edu/academics/honors_learning/) each semester. Honors experiences that are credit-generating may not be taken passing/not passing (P/NP) and must result in a grade of C or better. Students who complete multiple Honors Learning Experiences in one semester may “bank” one experience to use in a future semester. Only one Honors Learning Experience can be “in the bank” at a time. Honors experiences are not required in the summer; however, a summer Honors Learning Experience can be banked if the bank is “empty.” When students are completing a semester off campus, they are not required to complete an Honors Learning Experience. Off-campus semesters may include: study abroad, student teaching (registration in STT 399), fall semester of Professional Development School Internship, field-based semesters for special education (not practicum), full-time internships, or full-time clinical rotations (e.g., medical lab science). Students who do not complete an Honors Learning Experience and do not have one “banked” are placed on Honors Suspension for the following semester. Students lose the privilege of early registration during the Suspension semester. In order to regain good standing, students must complete an Honors Learning Experience during the Suspension semester. Students do not have to make up the missed experience. There is only one Suspension semester; if a student fails to complete an experience in a future semester, she or he will be ineligible to continue in the Honors Program.

Presidential Scholars: Students who were selected as Presidential Scholars as incoming freshmen are members of and must fulfill Honors Program requirements. In addition, Presidential Scholars complete a series of four unique Honors Seminars: HON 102A17 and a choice of three different versions of 202 Advanced Honors Seminar. Successful completion of these seminars, in addition to general university graduation requirements, is required for graduation. “Presidential Scholar” is noted on student transcripts and in the Commencement Booklet. Presidential Scholars wear silver cords at commencement.

Honors Program Graduation Designations

Honors Program Scholar: To achieve this designation, students must earn a minimum 3.30 cumulative GPA at the time of graduation; participate in the Honors Program a minimum of 3 semesters; successfully complete a minimum of three Honors Learning Experiences; and continue to complete an Honors Learning Experience each semester in the Honors Program through graduation. “Honors Program Scholar” is indicated on the transcript and in the Commencement Booklet. Honors Program Scholars wear red cords at commencement.

Honors in the Major: Students must be a member of the Honors Program in good standing at the time of graduation, which includes having a 3.30 cumulative GPA and completion of one Honors Learning Experience per semester in the program. Students must have a minimum 3.50 major GPA at the time of graduation. Departments and schools partner with the Honors Program to specify the types of Honors Learning Experiences required to achieve this designation. Requirements are available on the Honors Program website. “Honors in the Major” is noted on the transcript, in the Commencement Booklet, and on the diploma.

The previous grade(s) will not be removed from the student's transcript, and the credit hours from only the last attempt (with the exception of a WX) can be used toward meeting minimum hourly requirements. Students repeating a course to improve their GPA should be aware that many professional and graduate schools will not replace the grade nor the hours earned in the prior attempt.

Extended Student Absences
As a service to students, the Dean of Students Office can provide notification to instructors when students have been/will be absent from class(es) for three or more consecutive days and are unable to notify their instructors. Students are not required to report absences to the Dean of Students Office; the office serves as a resource to help students reach instructors. The student is responsible for providing verification of the absence to instructors, if requested. Only instructors have the authority to excuse students from class(es) or coursework. [https://deanofstudents.illinoisstate.edu/contact/absence/](https://deanofstudents.illinoisstate.edu/contact/absence/)

Course Repetition(s)
[https://registrar.illinoisstate.edu/registration/repetition.shtml](https://registrar.illinoisstate.edu/registration/repetition.shtml)

A student may apply for and receive two bachelor's degrees at the same time. To receive two degrees simultaneously, two different majors are required. The degrees may be the same (e.g., two B.A. degrees) or different (a B.A. degree and a B.S. degree). All specified major requirements for both degrees must be met as well as all general graduation requirements for both bachelor's degrees. A minimum of 150 credit hours is required to receive both degrees.

Course Load (Academic Load)
[https://registrar.illinoisstate.edu/registration/load.shtml](https://registrar.illinoisstate.edu/registration/load.shtml)

A full-time undergraduate student carries between 12 and 17 hours. Courses taken on an audit (AU) basis do not count toward full-time student status. For enrollment verification purposes, 12 hours is considered fulltime for undergraduate students. A student wishing to carry more than 17 hours in a semester (12 hours in summer) may seek permission to do so from the chairperson or director of his or her major department or school (or their designees). The granting of this permission will depend on the student's scholastic record. A freshman may not carry over 17 hours during his or her first semester.

A student considering enrolling in any classes, including extension or correspondence, at another college or university with concurrent registration at Illinois State University should consult with his or her advisor.
Second Bachelor’s Degree
A student who has already received one bachelor’s degree from Illinois State University or from another regionally accredited college or university may receive a second bachelor’s degree at Illinois State University upon completion of degree requirements. Students must meet the admission requirements for the major selected and meet appropriate deadlines.

Second bachelor degree seeking students are required to fulfill degree requirements as listed in the catalog at the time of admission to the second bachelor degree program. The program of studies completed for the second degree must include at least 32 semester hours of coursework taken after the granting of the first degree, of which 30 hours must be taken in residence at Illinois State. At least 24 of the 32 hours completed toward the second degree must be at senior college-level (courses numbered 200 and above).

Commencement
https://graduationservices.illinoisstate.edu

Degrees are conferred and diplomas awarded after the close of each semester and the summer session. Commencement exercises are held in December and May at the end of the semester. Undergraduate students completing degree requirements during the fall semester participate in commencement exercises in December; students completing degree requirements during the spring semester or at the close of the summer session following May commencement participate in commencement exercises in May. Undergraduate students who are eligible to graduate and want to walk across the stage in their commencement ceremony must answer YES on the Undergraduate Application for Graduation and submit it by the published deadline. An application must be on file and the graduation fee paid by the deadline to participate in the commencement ceremony.

Students participating in commencement will walk with the college in which their primary major resides. Interdisciplinary Studies and University Studies graduates will walk with the College of Education.

Diplomas
Diplomas are issued to students after completion of all degree requirements, including major(s), minor(s), general education, professional education, if applicable, and other specific degree requirements. Students completing requirements for two majors concurrently are eligible to receive only one degree. The degree awarded is based on the degree corresponding to the primary major. One diploma is issued to the student upon completion of both majors and all other degree requirements. Students who have earned simultaneous bachelor’s degrees will receive two diplomas. Majors are not printed on the diploma; however, all majors and minors are printed on the official transcript.

Honors Designations
https://graduationservices.illinoisstate.edu/students/student-honors.php

The following honors designations print on the diploma, as applicable: honor distinction (summa, magna, or cum laude), Honors Program Scholar with Distinction, and Honors in the Major. Diplomas are mailed to students approximately 8 to 10 weeks following graduation.

Tuition and Fees
https://studentaccounts.illinoisstate.edu/tuition/

Tuition, fees, on-campus housing charges and dining charges are determined by action of the Board of Trustees on a yearly basis. Tuition and fees other than health insurance are assessed at a per semester hour rate. Health insurance is assessed to all students enrolled for nine or more semester hours. Upon being first enrolled in a degree program at Illinois State University, tuition rates for undergraduate students will be locked for a four-year period. Certain degree programs qualify for the locked rate to be extended beyond the four-year period. Tuition and fees are subject to change by action of the Board of Trustees and the General Assembly. For additional information, refer to the Student Accounts website at https://StudentAccounts.illinoisstate.edu.

Summer Session Costs
The summer session costs for tuition and fees are assessed at a per semester hour rate. Students enrolled for six or more semester hours will be charged the current rate for health insurance.

Auditors
Students who take all courses as auditors without credit are charged at the current rate per semester hour for tuition and fees. Auditing a class does not count toward full-time student status for financial aid and other purposes.

Materials Charges
Material charges listed with individual course information on the Course Finder website https://coursefinder.illinoisstate.edu/ directory/ or at My.IllinoisState.edu in the registration system, are automatically charged to the student’s account. A student may supply his or her own materials and request the instructor, in writing, to reduce the materials charge.

Resident and Non-Resident Status
An applicant or enrolled student is classified either as a resident of Illinois, a non-resident, or a foreign student. Residency for tuition purposes is different from residency for voting, taxing purposes, or residency requirements of on-campus doctoral programs.

A student must be a U.S. citizen or have been approved for U.S. Permanent Resident status in order to be considered as an Illinois resident. An individual’s residency status is based on information from the admission application. A student who is not a resident of Illinois pays an out-of-state differential charge per credit hour. All other fees are the same for non-residents. A student under 18 years of age is considered a non-resident if the student’s parents are not legal residents of Illinois. A student over 18 years of age is considered a non-resident if the student is not a legal resident of Illinois. A student who begins as a non-resident may later qualify for resident status. Additionally, select students receive an alternate rate of tuition of 1.0 times the current in-state rate, including: students admitted from Iowa, Indiana, Kentucky, Michigan, Missouri and Wisconsin; students who meet the eligibility requirements (as set for the specific fall term in question) for our principal scholarship programs, namely the Presidential, University, Redbird, Transfer Student Scholarship, or Phi Theta Kappa Scholarship; students who are identified by a unit (College of Fine Arts, Forensics, Gamma Phi Circus) through their selective processes (audition, portfolio, etc.) based upon a specific talent. Guidelines for qualifying and special circumstances may be found on the University Registrar’s website Registrar.IllinoisState.edu. Personnel within the Office of the University Registrar are responsible for determining residency.

Payment of Tuition and Fees
https://studentaccounts.illinoisstate.edu/billing/due-dates.php

The University offers an installment plan for all charges for the current semester. Students will be automatically enrolled in the plan
Withdrawal and Reduction of Tuition and Fees
If a student drops a course or withdraws from Illinois State University, charges for tuition, mandatory fees, and outreach fees will be adjusted based on the date of the course drop or withdrawal. A registered student who officially withdraws from the University may receive a reduction of tuition and fees according to the schedule on the Student Accounts website: https:// studentaccounts.illinoisstate.edu/withdrawal/

The University may designate an abbreviated withdrawal policy for summer session, special courses, and short courses.

All notifications of withdrawal from the University must be in person with photo ID to the Registrar Service Center, 107 Moulton Hall, between 8 a.m. and 4:30 p.m., Monday through Friday, or in writing and addressed to Office of the University Registrar, Illinois State University, Campus Box 2202, Normal, IL 61790-2202, faxed to (309) 438-8652, or emailed from the student's Illinois State University email account to Registrar@IllinoisState.edu.

Changes in Schedule Policy
A student who drops a course will be charged according to the schedule on the Student Accounts website: https:// studentaccounts.illinoisstate.edu/withdrawal/

Insurance Fee
The student may receive a reduction of the insurance fee if the student demonstrates equal or better insurance coverage and completes the written application on or before the fifteenth calendar day after the first regularly scheduled class day. Visit Student Insurance office for specific information: https:// healthservices.illinoisstate.edu/insurance/
Pursuant to guidelines established by the University, part or all of a student’s tuition and fees may be reduced because of the student’s death or disability, extreme hardship, or institutional error.
A student may receive a reduction of all tuition and fees if the University declares him or her ineligible for enrolled status prior to the first day of regularly scheduled class.

For questions regarding changes to or cancellation of housing contracts, please visit https://housing.illinoisstate.edu

For questions regarding changes to or cancellation of a dining plan, please visit https://dining.illinoisstate.edu

Students or parents who believe that individual circumstances warrant exceptions from published policy may appeal to the Associate Vice President for Student Affairs.

University Grading System
Instructors assign a grade in each course for which the student is registered. The course instructor is responsible for correcting any error in grading.
University grades assigned to undergraduate courses are:
A Excellent
B Good
C Satisfactory
D Poor, But Passing
F Failing
  Assigned to students who are (1) enrolled in a course all semester but fail to earn a passing grade, or who (2) stop attending a class without officially withdrawing
WX Withdrawal
  Assigned to students who officially withdraw from a course before the dates specified in the withdrawal policy
CR Credit*
  Assigned to students who do satisfactory work in a course which is offered only on a Credit/No Credit basis
NC No Credit*
  Assigned to students who do not do satisfactory work in a course which is offered only on a Credit/No Credit basis
  *NOTE: Certain courses in the University are offered only on a Credit/No Credit (CR/NC) basis. These courses must be approved in advance by the Office of the Provost.
P Passing**
  Assigned to students who earn an A, B, or C grade in a course they have elected to take under the Passing/Not Passing (P/NP) option.
NP Not Passing**
  Assigned to students who do not earn an A, B, or C grade in a course they have elected to take under the Passing/Not Passing (P/NP) option.
  **NOTE: An undergraduate student, (except a first-semester freshman), who is not on academic probation may choose to register in some courses under the option that allows the student to be graded on the basis of P (Passing) or NP (Not Passing) rather than on the basis of A, B, C, D, or F grades.
The P/NP option is designed to encourage students to enroll in courses they otherwise would not take. Some courses, therefore, including those in a student’s major or minor, may not be taken on the P/NP option.
Exceptions include courses in the student’s major or minor field that are offered only as Credit/No Credit (CR/NC) courses. No more than six semester hours of work under the P/NP option may be taken each semester, with a maximum of 25 semester hours under the P/NP option presented for graduation. Although an entry of P (credit earned under the option) or NP (no credit earned under the option) will be entered on the student’s record, these entries are not used in computing the student’s GPA.
No Group 1 course in General Education may be taken under the P/NP option. If a General Education course is required by a student’s declared major, that course may not be taken P/NP; it must be taken for a grade.
Students who plan to enter graduate or professional schools should exercise caution in taking courses under the P/NP option because courses completed on a P/NP basis may adversely affect graduate admission opportunities. Such students should consult their academic advisor prior to taking courses on a P/NP basis.
A grade of P is recorded when the grade submitted by the instructor is A, B, or C. A grade of NP is recorded when the grade submitted by the instructor is D or F.
Students electing the P/NP option should do so as part of the regular registration process. Students may not elect the option after the tenth day of classes in the semester.
Students who have elected the P/NP option may return to the letter basis of grading before the last date for withdrawing from a course, as specified on the Office of the University Registrar’s website Registrar.IllinoisState.edu.

I Incomplete—An incomplete (I) will be assigned to a student who is doing passing work but finds it impossible, because of reasons beyond her or his control (such as illness), to complete the required work by the end of the term. The student must have attended class to within three weeks of the close of the semester or to within one week of the close of the summer session.
The instructor may specify the time by which the required work must be completed, which may be no later than the final class day of the corresponding term of the following academic year. For graduating students, an incomplete grade must be removed at least six weeks before December or May commencement or two weeks before August graduation. Students will not be allowed to graduate with an incomplete on their record.
The instructor should assign the Incomplete (I) grade during grade reporting for the term. The faculty member should determine and communicate to the student the date by which the remaining coursework must be completed. (The instructor can submit the School/Department Incomplete Grade Form found under Faculty & Staff Resources at Registrar.IllinoisState.edu and retain it for departmental records.) Once the student completes the remaining work, the instructor must submit a Grade Change Form to the Registrar’s Office. If the instructor fails to submit the appropriate Grade Change Form within one year of the assigned Incomplete grade, the Incomplete grade will lapse to an F. Exceptions to this policy may be granted by the University Registrar.

AU Audit—Important considerations: A class taken under the audit option does not count toward a degree; it does not count toward full-time student status for financial aid and other purposes, nor does it count toward total hours enrolled in determining registration priority. Students auditing a class will be charged all applicable tuition and
fees. An auditor is expected to attend regularly. A student may register as an auditor in a class or classes if space is available. To audit, a student must obtain a Request for Auditor Registration form from the Registrar Service Center or download the form at Registrar.IllinoisState.edu, request the instructor sign it and return the signed form to the Registrar Service Center by the published deadline.

**Grade Point Average**

In calculating major and cumulative Grade Point Average (GPA), the grade point equivalents are 4 for A, 3 for B, 2 for C, 1 for D, and 0 for all other grades. The 0 value of F is computed in the student’s GPA, the 0 value of grades I, AU, CR, NC, P, NP, M, and WX is not computed in the student’s GPA.

To be eligible for graduation, a student must have a minimum grade point average (GPA) of 2.00 (C) in all courses taken at Illinois State University for which grades of A, B, C, D, F are assigned. Certain majors may require a higher GPA for graduation. State licensure requirements in education majors mandate that no course in which a student receives a grade below a C can be used to fulfill a student’s required coursework in the program. Failures are considered in the total number of semester hours taken in computing the GPA.

The following table illustrates how grade points are counted to determine the GPA.

<table>
<thead>
<tr>
<th></th>
<th></th>
<th></th>
<th></th>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>POL 105</td>
<td>D</td>
<td>3</td>
<td>3</td>
<td>3</td>
<td>3</td>
</tr>
<tr>
<td>BSC 145</td>

<tr>
<td><strong>TOTALS</strong></td>
<td></td>
<td><strong>14</strong></td>
<td><strong>11</strong></td>
<td><strong>9</strong></td>
<td><strong>24</strong></td>
</tr>
</tbody>
</table>

The GPA is computed by dividing grade points earned by semester hours counted for GPA. In the case above, a GPA of 2.66 is calculated by dividing 24 (total grade points) by 9 (semester hours for GPA). Grades of WX, P, NP, CR, I, and NC do not affect the GPA.

**Class Standing**

Students in a bachelor’s degree program are classified as freshmen, sophomores, juniors, and seniors. A student must have completed 30 semester hours to be classified as a sophomore, 60 hours to be classified as a junior, and 90 hours to be classified as a senior. Students not working toward a degree at Illinois State are listed as Unclassified Students.

**Class Attendance**

The attendance regulation of the University is based on two principles. First, students are expected to attend class regularly; and second, students are primarily responsible to the instructor in matters pertaining to class attendance. Every student will be held responsible for class attendance and successful completion of academic work. Attendance regulations are intended to encourage student maturity and are based on the assumption that academic success is the student’s primary goal in college. Refer to University policies related to attendance:

- Equitable Treatment Of Students Participating In University Sponsored Activities
  https://policy.illinoisstate.edu/students/2-1-20.shtml
- Student Bereavement Policy
  https://policy.illinoisstate.edu/students/2-1-27.shtml
- Student Absences Due to Service as a Volunteer Emergency Worker—Student Absences Due to service as a Volunteer Emergency Worker
### CLEP General Examinations
Illinois State grants credit by examination toward General Education requirements for the College Level Examination Program under these guidelines: [https://policy.illinoisstate.edu/students/2-1-7.shtml](https://policy.illinoisstate.edu/students/2-1-7.shtml)

**Advanced Placement Program**

The Advanced Placement Program is sponsored by the College Board. The examinations are administered at designated high school testing centers. Students will be awarded credit or exemption as indicated.

A student who has taken Advanced Placement Program examinations should request that his or her scores be sent to the University Registrar at Illinois State University.

To request grade reports for Advanced Placement Examinations completed, a student should write to Advanced Placement Exams, Box 6671, Princeton, NJ 08541-6671. In making the request, the student should include name, sex, date of birth, the year in which the examination was taken, and the name and identification number of the college to which the grade report should be sent. Illinois State University’s identification number is 1319.

For more information on Advanced Placement Exams contact the College Board at: apcentral.collegeboard.com or call 888-225-5427.

**NOTES:**
Only the Biology AP exam satisfies the laboratory requirement in IAI.
# Dependent on how the sending institution categorized the course. Credit for a single exam must be in either humanities or social sciences, not split between the two.
**Language Proficiency Assessments**

Illinois State will accept certification via Language Testing International (LTI), an organization affiliated with the American Council on the Teaching of Foreign Languages (ACTFL). LTI provides certification for schools, universities, and other organizations for a growing list of over 100 languages. For further information see [https://www.languagetesting.com](https://www.languagetesting.com). Credit will be awarded per the chart below.

Additional information from the Department of Languages, Literatures, and Cultures about which assessment to take and the required score. [https://lan.illinoisstate.edu/academics/prospective-students/](https://lan.illinoisstate.edu/academics/prospective-students/)

International Baccalaureate Diploma Program

Sponsored by the International Baccalaureate Organization, the program is designed to prepare students for success in the University and beyond in a variety of subjects. A student who has participated in the International Baccalaureate® Diploma Programme should have his or her scores sent to the University Registrar at Illinois State University. For more information please see the International Baccalaureate® Organization website - [http://www.ibo.org/](http://www.ibo.org/).

The International Baccalaureate (IB) Diploma Program, offers high quality two year programs of study that lead to examinations. Assessments of the examinations are reported as a score via a diploma or individual subject certificates. Students with the appropriate scores will be awarded proficiency for specific International Baccalaureate Program work. In compliance with Illinois State statute, Illinois State University awards academic credit for International Baccalaureate scores of 4 and above. For a complete listing of IB exams and credit awarded, see the University Registrar's website at [https://Registrar.illinoisstate.edu](https://Registrar.illinoisstate.edu).

Bachelor of Science Graduation Requirement in Science, Mathematics and Technology (BS-SMT)

Students with a Bachelor of Science (B.S.) degree must have one additional science, mathematics, statistics, and/or technology course (beyond the General Education requirements) which must meet three criteria: (a) courses must be three semester hours or greater; (b) courses must list specific prerequisites from General Education courses in mathematics and/or science, approved natural science alternative courses, or courses in the quantitative reasoning category; and (c) course content must be mathematical, scientific, and/or technological, and must constitute a significant extension of the General Education courses that count as prerequisites.

The courses on the following list meet the graduation requirement for Science, Mathematics and Technology.

BS-SMT Courses: [https://coursefinder.illinoisstate.edu](https://coursefinder.illinoisstate.edu)

AGR 157 Soil Science
AGR 203 Agriculture and the Environment (Gen Ed)
AGR 271 Foods of Animal Origin
AGR 282 Anatomy and Physiology of Livestock and Companion Animals
AGR 315 Financial Management and Analysis of the Agribusiness Firm
AGR 363 Agricultural Statistics
BSC 145 Human Biology (Gen Ed)
BSC 160 Microbiology and Society (Gen Ed)
BSC 170 Genetics and Society (Gen Ed)
BSC 201 Ecology
BSC 202 Human Ecology (Gen Ed)
BSC 211 Economic Botany
BSC 219 Genetics
BSC 223 Ecology and Conservation of Plants
BSC 292 Invertebrate Zoology
BSC 295 Comparative Vertebrate Anatomy
BSC 333 Plant Diversity
CHE 141 General Chemistry II
CHE 204 Chemistry of Life (Gen Ed)
CHE 220 Elementary Organic Chemistry
CHE 230/231 Organic Chemistry I/Organic Chemistry Laboratory
ECO 138 Economic Reasoning Using Statistics (Gen Ed)
ECO 238 Using Regression and Econometric Methods
FIL 240 Business Finance
GEO 138 Maps and Geographic Reasoning (Gen Ed)
GEO 202 Evolution of the Earth (Gen Ed)
GEO 207 Natural Disasters (Gen Ed)
GEO 211 Earth’s Dynamic Weather (Gen Ed)
GEO 280 Mineralogy
HSC 201 Pathophysiology I
IT 115 Reasoning About Complex Systems (Gen Ed)
IT 165 Computer Programming for Scientists
KNR 282 Biomechanics of Human Movement
MAT 121 Applied Calculus (Gen Ed)
MAT 146 Calculus II (Gen Ed)
MAT 147 Calculus III
MAT 160 Elementary Discrete Mathematics
MAT 175 Elementary Linear Algebra
MQM 100 Statistical Reasoning (Gen Ed)
MQM 227 Operations Management
PHI 112 Language, Logic and Mathematics (Gen Ed)
PHY 109 College Physics II
PHY 111 Physics for Science and Engineering II
PHY 117 Numerical Reasoning in Nature and Technology (Gen Ed)
PHY 205 Origin of the Universe (Gen Ed)
PHY 206 Chaos and Complexity (Gen Ed)
PHY 207 Energy and the Environment (Gen Ed)
POL 138 Quantitative Reasoning in Political Science (Gen Ed)
PSY 138 Reasoning in Psychology Using Statistics (Gen Ed)
PSY 340 Statistics for the Social Sciences
SOC 275 Social Statistics
TEC 111 Fundamentals of Power Technology
TEC 143 Introduction to Electronics for Data Communication
TEC 313 Quality Systems for Technology

(Gen Ed) Courses also approved for General Education
AMALI Graduation Requirement

Students must have completed at least one course in AMALI (that is, cultures and traditions of Asia, the Middle East, Africa, Latin America, or Indigenous Peoples of the World), (formerly Global Studies) which must meet the following criteria: (a) the course focuses primarily upon facets of specific cultures from these regions or these cultures in general (a minimum of 75 percent of the course content must deal directly with the culture(s) from these regions); (b) exploration of the culture(s) is developed in a comparative perspective which helps the student understand and appreciate differences between the culture(s) under consideration and cultures and traditions of America; and (c) the course includes exposure to primary writings and artifacts from the culture(s).

(Gen Ed) - AMALI courses also approved for General Education
General Education provides students with a broad, common foundation of study upon which to build an undergraduate education. The program develops skills of oral and written communication, logical and scientific reasoning, and quantitative analysis. Courses in General Education explore ways of knowing in the various disciplines through examination of significant historical, social, cultural, and scientific issues. Students will take most General Education courses during their freshman and sophomore years, along with some courses in their major or other elective courses.

General Education Requirement Options

There are three ways to complete general education requirements for Illinois State University. These three general education programs have different requirements and affect only certain types of students.

I. The first way is to complete Illinois State University’s General Education Program. The General Education Program requires 13 courses (39 semester hours).

The following categories of students must complete the Illinois State University General Education Program requirements:

1. Beginning Freshmen (see Admissions section of this catalog for complete definition).
2. Students who were admitted as beginning freshmen at Illinois State University, who were readmitted and who have not completed a baccalaureate-oriented associate’s degree (A.A. or A.S.—the A.S. must include the complete IAI General Education Core Curriculum) from an Illinois public community college and are not eligible for an earlier catalog.
3. Transfer Students who have not completed a baccalaureate-oriented associate’s degree (A.A. or A.S.—the A.S. must include the complete IAI General Education Core Curriculum) from a regionally accredited post-secondary institution and who are not eligible to complete the Illinois Transferable General Education Core Curriculum described below.

II. The second way is to complete the Illinois Transferable General Education Core Curriculum available through the Illinois Articulation Initiative (IAI).

This program is a statewide agreement between participating public colleges and universities and some private schools that is designed to facilitate timely degree completion for students who transfer between institutions. The Illinois Transferable General Education Core Curriculum structure consists of 12 to 13 courses (37 to 41 semester credits) distributed among five subject areas. Completion of these courses at any participating institution satisfies general education requirements for Illinois State University. The IAI Transferable Core is presented in the section entitled General Education - Illinois Articulation Initiative (IAI). More information about this system and participating institutions can be found at the following website: iTransfer.org

The following categories of students may complete the Illinois Transferable General Education Core Curriculum:

1. Transfer students (See Admissions section of this catalog for a complete description) who began the Illinois Transferable General Education Core Curriculum at a participating IAI institution and transferred to Illinois State may choose to complete the program by enrolling in Illinois State approved IAI courses presented in the section entitled Illinois Articulation Initiative Courses at Illinois State. Transfer students should note, however, that IAI course availability may be limited.
2. Transfer students who have completed at least one transfer course that is articulated to an IAI core requirement.
3. Students who have completed the Illinois Transferable General Education Core Curriculum at a participating IAI institution are considered to have met Illinois State University’s General Education requirements.

III. There is also a third way in which general education requirements can be met.

Complete a baccalaureate-oriented Associates Degree (A.A. or A.S.) from a regionally accredited post-secondary institution. For those transferring from an Illinois college or university, the A.S. degree must include the complete IAI General Education Core Curriculum (GECC) or the student must complete the GECC to fulfill Illinois State’s General Education requirement.

Any transfer student may choose to complete Illinois State University’s General Education Program and should speak with an academic advisor regarding documentation of that change on their academic record.
General Education Program at Illinois State University

The General Education Program at Illinois State University is an integrated multi-disciplinary set of courses that focuses on the development of communication and problem-solving skills and abilities, such as persuasion, listening, and argumentation; logical and quantitative thinking; and understanding varying perspectives on issues. These skills and abilities provide an essential grounding for work in the student’s major as well as transferable skills that will be applied in a future career.

The complete General Education Program consists of 13 courses (39 semester hours), which is approximately one-third of the total credits required for graduation.

Because of laboratory or recitation requirements, some courses are listed as four or five credit hours in this catalog. All four or five hours will be credited toward graduation requirements, but only three hours will be credited in General Education for these courses.

Students will take most General Education courses during their freshman and sophomore years, along with some courses in their major or other elective courses. While some specific courses are important to take as part of preparation for a major (such as certain mathematics or science courses), the choice of which course to take in each category is a decision for students to make. Students are encouraged to choose courses that will give them the broadest possible foundation and to explore and challenge themselves through their course choices.

Codes used throughout the Illinois State University General Education Program include the following:

<table>
<thead>
<tr>
<th>Code</th>
<th>Category</th>
</tr>
</thead>
<tbody>

Students must comply with the following requirements:

- Complete the General Education Program through completion of at least 13 courses (39 semester hours), as designated in the program description.
- No Group 1 course may be taken under the P/NP option. If a General Education course is required by a major, that course may not be taken P/NP it must be taken for a grade.
- Students must complete at least one course from two different sciences. Certain majors require a Natural Science Alternative course that substitutes for a Natural Science course. See individual major requirements.
- Depending on their major students may be exempted from one General Education category (maximum of one course) because of disciplinary expertise gained in their major listed in the table to the right.

The Illinois State University General Education Program consists of 13 courses:

**Group 1 Courses (7 courses)**
These are courses that are specifically selected for first-year students and concentrate on developing skills in oral and written communication, critical analysis, and broad foundations for learning in the academic disciplines.

- A 2-course, first year sequence integrating composition, communication, critical thinking, and information fluency
- 1 course chosen from the Group 1 Mathematics category (M)
- 2 courses chosen from a four-course Natural Science category (NS) or Natural Science Alternative course (NSA) required by certain majors
- 1 course chosen from the United States Traditions category (UST)
- 1 course chosen from the Individuals and Civic Life category (ICL)

**Group 2 Courses (6 courses)**
These are courses suited for the first two years of college. Depending on a student’s major and interests, they may be taken in the first year. Some Group 2 courses have a Group 1 course as a prerequisite.

- 1 course chosen from the Fine Arts category (FA). Some courses may have prerequisites.
- 1 course chosen from the Humanities category (H). Some courses may have prerequisites.
- 1 course chosen from the Social Science category (SS). Some courses may have prerequisites.
- 1 course from the Language in the Humanities category (LH). All LH courses are writing-intensive and most require completion of English 101.
- 1 course from the Quantitative Reasoning category (QR). Most QR courses require completion of an appropriate course from the Mathematics category.
- 1 course from the Science, Math, and Technology category (SMT). Most courses require completion of at least one course from the Natural Sciences (NS) or Natural Science Alternative (NSA) categories.

**General Education Courses by Category**

**General Education Courses:**
https://coursefinder.illinoisstate.edu

**Communication and Composition (2 courses required)**
- ENG 101 Composition as Critical Inquiry
- ENG 101A01 Composition as Critical Inquiry
- COM 110 Communication as Critical Inquiry
- COM 110A01 Communication as Critical Inquiry: Classroom Communication-Teacher Education

**Mathematics (1 course required) [M]**
- MAT 113 Elements of Mathematical Reasoning
- MAT 113A01 Elements of Mathematical Reasoning: Math Principles
- MAT 120 Finite Mathematics
- MAT 130 Dimensions of Numerical Reasoning
- MAT 145 Calculus I

**Natural Sciences (2 courses required) [NS]**
Students must complete at least one course from two different sciences.
- BSC 101 Fundamental Concepts in Biology
- BSC 101A01 Fundamental Concepts in Biology: For Future Elementary Teachers
- CHE 102 Chemistry and Society
- GEO 102 Principles of Geology
- PHY 102 Atoms to Galaxies

Certain majors require a Natural Science Alternative course that substitutes for the courses above. See individual major requirements.

**Natural Science Alternatives [NSA]**
- BSC 196 Biological Diversity
- BSC 197 Molecular and Cellular Basis of Life
- CHE 110/112 Fundamentals of Chemistry and Laboratory
- CHE 140 General Chemistry I
- PHY 105 Fundamentals of Physics
- PHY 108 College Physics I
- PHY 110 Physics for Science and Engineering I

**United States Traditions (1 course required) [UST]**
- ENG/HIS 131 American Culture: Traditions and Texts
- FCS/HIS/SOC 112 American Family: Change and Diversity
- GEO 142 Human Geography
- HIS 135 History of the United States to 1865
- HIS 136 History of the United States Since 1865
- HIS/SOC 111 American Diversity: Contested Visions of the U.S. Experience
- LAL/SOC 109 Introduction to U.S. Latina/o Studies
Individuals and Civic Life (1 course required) [ICL]
- ANT 176 Culture, Power, and Civic Life
- CJS 102 Individuals, Society, and Justice
- COM/ENG 183 Rhetoric as Civic Literacy
- PHI 104 The Ideal of Democracy
- POL 101 Citizens and Governance
- POL 106 U.S. Government and Civic Practices
- SOC 106 Introduction to Sociology
- SOC 241 People in Places: Understanding and Developing Community

Fine Arts (1 course required) [FA]
- ART 155 Survey of Art I
- ART 156 Survey of Art II
- ART 176 Arts and Society: Visual Arts
- ART 275 World Arts: Visual Arts
- ART 282 Art History Abroad
- MUS 152 Experiencing Music
- MUS 153 Black Music I
- MUS 154 Black Music II
- MUS 157 History of Jazz
- MUS 176 Arts and Society: Music
- MUS 275 World Arts: Music - Non-Music Majors
- MUS 275A01 World Arts: Music - Music Majors
- THE 152 Experiencing Theatre
- THE 176A01 Arts and Society: Theatre
- THE 176A02 Arts and Society: Film
- THE 213 Theatre for Social Change
- THE 275A01 World Arts: Theatre
- THE 275A02 World Arts: Film

The following courses can be counted towards the Fine Arts category. A student must enroll in a sufficient number of ensemble courses for a total 3 hours to meet the 3 hour Fine Arts requirement.
- MUS 139A20 Percussion Ensemble
- MUS 139A21 African Drumming and Dance Ensemble
- MUS 139A70 Jazz Ensemble
- MUS 139A90 Madrigal Singers
- MUS 180 University Choir (Men’s and Women’s Glee)
- MUS 181A01 Marching Band (Big Red Marching Machine)
- MUS 181A02 Pep Band
- MUS 181A03 University Band
- MUS 181A05 Wind Symphony
- MUS 181A06 Symphonic Winds
- MUS 181A07 Symphonic Band
- MUS 181A08 Big Red Marching Machine Drumline

Courses with AMALI designation, indicating a focus on cultures of Asia, the Middle East, Africa, Latin America, or the indigenous peoples of the world. Students not satisfying the AMALI graduation requirement through a major course should choose one of these courses to fulfill an Illinois State University graduation requirement.

Humanities (1 course required) [H]

- ENG 110 English Literature and Its Contexts
- ENG 130 Survey of American Literature
- ENG 150 World Literature to the 14th Century
- ENG 160 Introduction to Studies in Women’s Writing
- ENG 165 Introduction to African-American Literature and Culture
- ENG 170 Foundations in Literature for Children
- ENG 229 Introduction to Literary Genres
- ENG 250 Literature of the Bible I
- ENG 251 Literature of the Bible II
- ENG 261 Women’s Literature in a Global Context
- ENG/LAN 206 Cultural Expressions in Social Contexts: Women of Asia, Latin America, and Africa
- HIS 101 Western Civilization to 1500
- HIS 102 Modern Western Civilization
- HIS 104 History of Asia, Middle East, Africa, Latin America, or Indigenous Peoples
- HIS 104A01 Africa
- HIS 104A02 East Asia
- HIS 104A03 Latin America
- HIS 104A04 The Middle East
- HIS 104A05 South and Southeast Asia
- HIS 104A06 Native Americans
- HIS 107 The Making of Europe
- HIS 285 History Study Abroad
- IDS 112 European Studies: Introduction to Europe
- IDS 133A09 Study Abroad: Argentina History, Culture and Society
- IDS 133A22 Study Abroad: Great Britain
- IDS 133A27 Study Abroad: History and Urban Life in Western Europe
- IDS 203 Nations and Narrations
- IDS 203A05 Africa
- IDS 203A10 East Asia
- IDS 203A15 Latin America
- PHI 101 Basic Issues in Philosophy
- PHI 150 Science and Human Culture
- PHI 202 Sex, Values, and Human Nature
- PHI 224 Meaning and Religious Belief
- PHI 238 Rights and Wrongs
- PHI 251 Visions of the Self: A Study of Minds and Persons

Language in the Humanities (1 course required) [LH]

- COM/ENG/LAN 128 Gender in the Humanities
- ENG 124 Film Style and Literature
- ENG/LAN 125 Literary Narrative
- LAN 125A01 Literary Narrative: Latin American Fiction
- FRE 116 Second Year French (Part II)
- GER 116 Second Year German (Part II)
- IDS 121 Texts and Contexts (see Interdisciplinary Studies for a list of course topics)
- IDS 212 European Studies: Europe Today
- IDS 254 Religions and Cultures
- ITA 116 Second Year Italian (Part II)
- JPN 116 Second Year Japanese (Part II)
- POR 116 Second Year Portuguese (Part II)
- SPA 116 Second Year Spanish (Part II)
- SPA 120 Introduction to Academic Spanish for Spanish Speakers

Quantitative Reasoning (1 course required) [QR]

Students pursuing a B.A. degree must complete the equivalent of LAN 115 or higher rather than one of these courses.

- BE/FIL 141 Personal Financial Literacy for the College Student
- ECO 138 Economic Reasoning Using Statistics
- GEO 138 Maps and Geographic Reasoning
- IT 115 Reasoning About Complex Systems
- MAT 121 Applied Calculus
- MAT 131 Geometric Reasoning: Geometry as Earth Measures
- MAT 146 Calculus II
- MAT 150 Fundamentals of Statistical Reasoning
- MQM 100 Statistical Reasoning
- PHI 112 Language, Logic, and Mathematics
- PHY 117 Numerical Reasoning in Nature and Technology
- POL 138 Quantitative Reasoning in Political Science
- PSY 138 Reasoning in Psychology Using Statistics

Courses with AMALI designation, indicating a focus on cultures of Asia, the Middle East, Africa, Latin America, or the indigenous peoples of the world. Students not satisfying the AMALI graduation requirement through a major course should choose one of these courses to fulfill an Illinois State University graduation requirement.
Science, Mathematics, and Technology (1 course required) [SMT]

- AGR 203 Agriculture and the Environment
- ANT 102 Human Origins: An Introduction to Biological Anthropology and Archaeology
- ANT 105 People and Food
- BSC 145 Human Biology
- BSC 160 Microbiology and Society
- BSC 170 Genetics and Society
- BSC 202 Human Ecology
- CHE 204 Chemistry of Life
- FCS/HSC/KNR 208 Dynamics of United States Contemporary Health Issues
- GEO 202 Evolution of the Earth
- GEO 207 Natural Disasters
- GEO 211 Earth's Dynamic Weather
- HSC 156 Environmental Health in the 21st Century: Meeting the Global Challenge
- IDS 265 Introduction to Cognitive Science: Computers, Minds, Brains, and Robots
- IT 140 Interacting in a Digital World
- IT 214 Social, Legal, and Ethical Issues in Information Technology
- PHY 205 Origin of the Universe
- PHY 206 Chaos and Complexity
- PHY 207 Energy and the Environment
- PHY 208 Astronomy and Space Science
- TEC 170 Energy for a Sustainable Future
- TEC 275 Technology and Quality of Life

Social Sciences (1 course required) [SS]

- AGR 201 Resources, Food, and Society: A Global Perspective
- ANT/ENG/LAN 143 Unity and Diversity in Language
- ANT 185 Cultures of the World: An Introduction to Cultural and Linguistic Anthropology AMALI
- ANT 197 Lost Continents and Alien Pyramids
- CJS 101 Introduction to Criminal Justice Sciences
- CSD 115 Human Communication: Speech, Language, and Hearing
- ECO 103 Individual and Social Choice
- FCS 222 Cultural Diversity in Dress AMALI
- FCS 224 Enduring Issues for Couples and Families
- GEO 135 World Geography AMALI
- GEO 235 Geography of Emerging Areas AMALI
- GEO 235A01 Geography of Emerging Areas: Africa AMALI
- GEO 235A02 Geography of Emerging Areas: Latin America AMALI
- GEO 235A04 Geography of Emerging Areas: Middle East AMALI
- GEO 235A07 Geography of Emerging Areas: Japan Field Explorations AMALI
- HSC 170 Safety and Society
- IDS 111 Peace Studies
- IDS 113 The Entrepreneurial Mindset
- POL 140 Introduction to the Politics of Africa, Asia, and Latin America AMALI
- PSY 110 Fundamentals of Psychology
- PSY/SOC 223 Social Psychology
- SOC 108 Contemporary Social Problems in Global Perspectives
- SOC 220 Global Social Change: An Introduction to Macrosociology AMALI
- WGS 120 Gender, Sex, and Power

AMALI Courses with AMALI designation, indicating a focus on cultures of Asia, the Middle East, Africa, Latin America, or the indigenous peoples of the world. Students not satisfying the AMALI graduation requirement through a major course should choose one of these courses to fulfill an Illinois State University graduation requirement.

General Education Program Courses:
https://coursefinder.illinoisstate.edu

Illinois State University offers several study abroad programs that feature a wide variety of General Education courses. Interested students should contact their academic advisor or the Office of International Studies and Programs.

General Education Program Assessment
Illinois State University is committed to continuous assessment of the General Education program in an effort to gain valuable information so that necessary improvements can be made to the curriculum. As a part of the General Education assessment process on our campus, students may be asked by a faculty member to anonymously submit a copy of their work to be included in the General Education Institutional Artifact Portfolio (IAP).

Submitting an artifact of student work for the General Education IAP will in no way affect a student’s final grade on the assignment. Faculty will grade the assignment independent of the General Education IAP system. Results from the General Education IAP process are reported in aggregate to the Council on General Education for the primary purpose of improving the General Education program. The artifacts provided for the General Education IAP are in no way linked to individual students. For the purpose of General Education assessment, the unit of analysis is the institution, not the individual student, faculty member, or class.
Transferring General Education Courses

Illinois Articulation Initiative

https://itransfer.org

The Illinois Articulation Initiative (IAI) is a statewide agreement among more than 100 public and some selected private four-year and two-year higher education institutions. The agreement is designed to facilitate students transferring between the colleges and universities in Illinois. The Illinois Transferable General Education Core curriculum consists of 12 to 13 courses (37 to 41 hours of credit) within a five-category designation.

The general requirements are as follows:

- Communication: 3 courses (9 credits)
- Humanities and Fine Arts: 3 courses (9 credits)
- Mathematics: 1 to 2 courses (3 to 6 credits)
- Physical and Life Sciences: 2 courses (7 to 8 credits)
- Social and Behavioral Sciences: 3 courses (9 credits)

IAI policy is presented on the website, iTransfer.org, and Illinois State University’s implementation requirements are published below. Students who transfer out of Illinois State will be held to the requirements of their transfer institution.

General Education Options for Transferring Students

New transfer students have the option of completing either Illinois State’s General Education program or the Illinois Transferable General Education Core Program (IAI).

NOTE: To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Transfer students who have satisfactorily completed at least one course within the Illinois Transferable General Education Core are allowed to complete this program by enrolling in approved IAI courses at Illinois State University. Students should note, however, that IAI course availability may be limited.

CLEP: Illinois State policies on CLEP credit will be used to meet Illinois Transferable General Education Core requirements.

Waivers in the Illinois Transferable General Education Core

If a student satisfactorily completes the objectives of a General Education Core area but earns fewer hours than required, the remaining hours for that area can be waived. However, students must complete the minimum of 12 courses, 37 hours, and the number of courses required in each area of the Core. Fractional hours can also be waived, but the minimum 37 hour total is still enforced.

For those students eligible to complete the Core, a transfer course articulated as an Illinois State University course approved for the Illinois Transferable General Education Core Curriculum will be applied toward the Core. Any course from a participating school approved by an IAI curriculum panel may be applied even if not articulated to an Illinois State course. Acceptance and placement of transfer credit as an elective from a non-participating IAI institution is only applicable to meet Illinois Transferable General Education Core (IAI) requirements at Illinois State University. Students should consult their academic advisor regarding the application for waivers. Effective May 1999, a student transferring to another institution, who has completed at least 37 semester hours, may request an audit, via a transcript request, of his or her records for completion of the Illinois Transferable General Education Core Curriculum. If complete, the University will certify completion of the Illinois Transferable General Education Core requirements on the Illinois State transcript.

Students transferring to Illinois State are required to fulfill all University graduation requirements.

Illinois Articulation Initiative Course Requirements:

Regardless of category placement, a student may count no more than two courses from a single discipline to fulfill the General Education Core Curriculum requirements. Only one course assigned to an IAI course number may be used to fulfill a requirement (For example, since HIS 104A01 and HIS 104A03 both carry the IAI number of H2 903N, only one may be used).

Illinois State University courses approved for the IAI General Education Core Curriculum are listed officially on the IAI website, https://itransfer.org. The following list of courses is provided for convenience only. Some courses may have been added or deleted since the publication of this catalog.

Communication (3 courses, 9 hours)

A grade of C or better required in C1 900, ENG 101, and C1 901R, ENG 145. For students with appropriate preparation, Illinois State will waive C1 900. A minimum of 12 courses and 37 semester hours is still required.

Realizing the Democratic Ideal: Teacher Education at Illinois State University

Illinois State University has a historic and enduring commitment to prepare teachers and other school personnel who will be responsive to the ethical and intellectual demands of a democratic society. To teach in a democracy is self-consciously to take up the challenge of improving the ethical and intellectual quality of our societal dialogue by including in it as many educated voices as possible.

The democratic ideal unites caring and knowing: the more voices we call into thoughtful dialogue, and the less fettered the mutual exchange among those voices becomes, the truer our convictions and conclusions will be. This is the foundation of a democratic society, and it is why Illinois State graduates aspire to teach everyone, especially those on the margins, those who have been or are in danger of being excluded.

This democratic conception of education informs all aspects of teacher education at Illinois State University. Graduates who are ready to meet the challenges and rewards of serving students in a democratic society embody the ethical and intellectual commitments of teaching and learning in order to realize the democratic ideal.

The ethical commitments are:
- Sensitivity toward the varieties of individual and cultural diversity
- Disposition and ability to collaborate effectively with others
- High regard for learning and seriousness of personal, professional, and public purpose
- Respect for learners of all ages, with special regard for children and adolescents.

The intellectual commitments are:
- Wide general knowledge and deep knowledge of the content to be taught
- Knowledge and appreciation of the diversity among learners
- Understanding of the factors that affect learning and appropriate teaching strategies
- Interest in and ability to seek out informational, technological, and collegial resources
- Contagious intellectual enthusiasm and courage enough to be creative.

Performance-Based Assessment System

Effective Fall 2002, the Council for Teacher Education implemented the Teacher Education Performance-Based Assessment System (PBA). This system meets accreditation standards, as stipulated by the Illinois State Educator Preparation and Licensure Board (ISEPLB) and the National Council for the Accreditation of Teacher Education (NCATE).

The performance-based assessment system is reviewed by the University Teacher Education Assessment Committee, which reports to the Council for Teacher Education. The Council for Teacher Education approves changes to the system.

The Performance Based Assessment system (PBA) establishes critical points at which candidates for teacher licensure will be assessed through three gateways:

Gateway 1: Admission to Professional Studies
- Teacher Education Orientation Workshop (PBA)
- ePortfolio Fundamentals Workshop (LiveText)
- Criminal Background Check(s) - All teacher candidates will be required to complete an annual Illinois State Police Fingerprint Criminal Background Check for Illinois State University. Results of this Criminal Background Check (CBC) must be submitted and on file in the Cecilia J. Lauby Teacher Education Center (DeGarmo Hall 56). Additionally, the schools in which the teacher candidate will complete their clinical experiences and student teaching assignment(s) will require their own criminal background check to be completed.
- Criminal History Check (Assessment of Legal and Ethical Conduct form)
- Major and cumulative GPA of 2.5 or higher
- Communication 110 with a grade of C or better
- English 101 with a grade of C or better
- 30 hours of coursework
- Safety Education Assessment
- Mandatory Reporter of Child Abuse Training
- Disposition Concerns Assessment
- Communication Concerns Assessment
- Department approval—given by advisors
- Early Childhood Education Majors only - TB Test

Gateway 2: Admission to Student Teaching
- Meet Gateway 1 requirements prior to beginning Gateway 2
- Major and cumulative GPA of 2.5 or higher
- ISBE State Content Test
- TB Test
- Clinical Experience Hours
- Disposition Concerns Assessments
- Communication Concerns Assessments
- Department approval
- Verified by the Teacher Education Center the semester prior to student teaching:
  - The Illinois Sexual Offender Registry
  - Clear Violence Against Youth Registry
- Oral Proficiency Interview (OPI—for Foreign Language Students only.)
2019-2020 Catalog | University-Wide Teacher Education

- Test of Academic Proficiency or SAT/ACT

**Gateway 3: Exit from Student Teaching**

- All education majors must meet the listed requirements in order to graduate and be recommended for licensure
- Student Teaching (with a grade of C or better)
- 50 clinical hours in diverse setting
- Disposition Concerns Assessments
- Communication Concerns Assessments
- Successful completion of the edTPA

The PBA system ensures that candidates possess the knowledge, skills, performances, and dispositions requisite for successful teaching careers. When Illinois State University recommends a candidate for teacher licensure, the entire university has participated in the preparation of that teacher.

Teacher candidates will be required to attend a workshop on this performance-based assessment early in their education program. At this workshop students will be provided with the information necessary to understand the requirements and how to monitor their progress. Failure to complete certain indicators at required times could delay progress in the intended major. Details regarding the performance-based system can be found at: education.illinoisstate.edu/teacher/gateways/orientation, the Teacher Education (PBA) Orientation Workshop website.

The Council for Teacher Education reserves the right to modify performance assessment indicators in response to state and national accreditation mandates to reflect current practice in the teaching profession. Teacher candidates should consult with their program advisors for specific requirements for their major on a regular basis.

**Teacher Education Programs Approved by the Illinois State Educator Preparation and Licensure Board (ISEPLB)**

The following is a list of education programs offered by Illinois State University which may lead to licensure.

For specific courses and program details, please consult the following website: https://education.illinoisstate.edu/academics/majors/

- Agriculture
- Art
- Business Education
- Dance Education
- Early Childhood Education
- Elementary Education
- English Language Arts
- French
- Family and Consumer Science
- German
- School Health Education
- Mathematics
- Middle Level Education
- Music
- Physical Education
- Science: Biology
- Science: Chemistry
- Science: Earth and Space
- Science: Physics
- Social Science: Geography
- Social Science: History
- Spanish
- Special Education: Specialist in Learning Behavior, Specialist in Low Vision and Blindness, Specialist in Deaf and Hard of Hearing
- Technology and Engineering Education
- Theatre

The Illinois State Board of Education (ISBE) grants teacher/school licenses in the State of Illinois. All teacher candidates who successfully complete an approved teacher education program at Illinois State University, pass appropriate licensure exams, and meet ISBE requirements will be recommended for licensure. This does not lead to licensure in other states. Teacher candidates are responsible for checking the requirements of the state in question.

**NOTE:** Endorsements are available at the graduate level for Chief School Business Official, Learning Behavior Specialist II, Library Information Specialist, Principal, Reading Specialist, School Psychologist, School Social Worker, Speech and Language Pathologist, and Superintendent. Each student who completes a bachelor’s degree program in an approved Teacher Education program, and who is recommended for licensure by the licensure officer at Illinois State University as having completed all requirements (General Education, Professional Education, field of study or area of specialization, and general teacher education requirements, and all other applicable degree requirements), is recommended for a teaching license in the State of Illinois. The Evaluations Office at Illinois State University will notify students as to the correct procedures for applying for the appropriate Illinois teaching license. In order to satisfy Illinois licensure requirements and Illinois State University’s Gateway System requirements, all candidates must pass a test of basic skills (reading, writing, language arts, and mathematics), a subject matter knowledge test, and the edTPA, which are administered by the Illinois State Educator Preparation and Licensure Board. Effective September 1, 2015, students will be assessed using the edTPA on teacher effectiveness and each candidate must complete and pass the edTPA as required by Illinois law (105ILCS5/21B-30(f)). Additional tests may be required for select licensure programs and additional endorsements.

Students who have already completed one or more non-teaching degrees and now seek admission to a teacher education program are advised to seek admission to the University as a candidate for a second bachelor’s degree. Subsequent transcript analysis may determine that a second degree is not required. In this instance, the student will be allowed to complete the requirements for licensure with-out completing the requirements of the second bachelor's degree.
Students who complete a bachelor’s degree program in Teacher Education at Illinois State University have their transcripts stamped “Student has completed a state and NCATE approved program in Teacher Education.” (NCATE is the National Council for Accreditation of Teacher Education.) This statement indicates that the program has received state approval and national accreditation. This status usually makes it easier to obtain a teaching license in another state.

General Education
As part of the entitlement program, the Illinois State Educator Preparation and Licensure Board will accept the same general education requirements for licensure as are accepted for graduation from that university.

Endorsements
The minimum requirements for all teaching fields and all endorsements are defined by the State of Illinois. One or more endorsements may be earned along with the completion of the teaching major by taking additional courses and a possible state test. Students should contact an advisor for information on requirements for endorsements.

Council for Teacher Education
The Council for Teacher Education is responsible for developing requirements for Teacher Education and for providing avenues of communication among all of the areas of the University concerned with teacher education.

Time Limit on Teacher Education Courses
In order to provide teacher candidates with current information and meet required standards, all undergraduate teacher education courses have a longevity of seven (7) years. Any teacher education program reserves the right not to accept any course older than seven years to fulfill the requirements of their program. If a course has been taken beyond a seven year period, the course may not count towards the education degree.

Dismissal from Programs
Teacher candidates who fail to comply with teacher education requirements may be dismissed. At the option of the department or school, teacher candidates dropped from the program may pursue a degree in their non-teaching major or be classified “undeclared.”

If a student is dismissed from a teacher education program they have a right to appeal this decision to the Council for Teacher Education. The appeal process is outlined under the heading “Rights and Responsibilities” on the website: https://education.illinoisstate.edu/teacher/clinical/rights.php

NOTE: Teacher candidates convicted of certain types of crimes may not be approved for licensure by the Illinois State Educator Preparation and Licensure Board.

Clinical Experiences in Teacher Education
A variety of clinical (pre-student teaching) experiences, as well as student teaching, are included in the teacher candidates professional preparation. Observations, small and large group instruction, tutoring, field experiences, and student teaching are included in the Clinical Experiences Program. The experiences offered prior to student teaching are integral parts of specific college courses.

Clinical experiences are provided in off-campus professional development schools, local schools, campus laboratory schools, agencies and other approved non-school settings. The Cecilia J. Lauby Teacher Education Center monitors and documents all clinical experiences. Teacher candidates will show verification of having completed clinical experiences commensurate with attaining local, state, and national standards. Teacher candidates must provide their own transportation to clinical experiences sites.

Candidates are required to provide documentation of meeting all State of Illinois, district, and university requirements in regard to criminal background checks BEFORE beginning any clinical experiences. Criminal background checks must remain current as of the last day of the clinical experience. Candidates should consult with clinical course faculty and the Cecilia J. Lauby Teacher Education Center well in advance of clinical experiences to determine specific requirements needed each semester.

The approximate number of clinical hours may be found with the appropriate course description in this Undergraduate Catalog. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend
- Observation (including field trips)
- Tutoring one-on-one contact
- Non-instructional assisting
- Small group instruction
- Whole class instruction
- Work with clinic client(s)
- Graduate practicum
- Professional meeting

Every program has a required set of clinical hours which will be completed in conjunction with specific courses. Of these pre-student teaching clinical hours, 50 hours must be in a diverse setting. Prior to beginning any clinical experience and student teaching, every teacher candidate must complete an annual Illinois State Police Fingerprint Criminal Background Check for Illinois State University. Results of this Criminal Background Check (CBC) must be submitted and on file in the Cecilia J. Lauby Teacher Education Center (56 DeGarmo Hall). Additionally, the schools in which the teacher candidate will complete their clinical experiences and student teaching assignment(s) may require their own criminal background check be completed.

Refer to the following website for details concerning diverse hours: https://education.illinoisstate.edu/teacher/clinical/diverse.php/
Student Teaching Requirements

During the student teaching semester the teacher candidate will be involved with directing the learning of pupils, participating in school and community activities, and assuming full responsibility for a group of learners supervised by a cooperating teacher. Student teaching assignments are made on the basis of the teacher candidate’s area of specialization. The number of semester hours required for student teaching varies with the teacher candidate’s program of study. The student teaching assignment is completed in the candidate’s major field of study and is the culminating experience in the teacher education program.

The following requirements must be met prior to participation in student teaching.

1. Approval for student teaching by the Director of The Cecilia J. Lauby Teacher Education Center. This approval will include verification of all of the following:
   a. Completion of pre-student teaching clinical experiences commensurate with the local, state, and national standards;
   b. An application for student teaching filed in The Cecilia J. Lauby Teacher Education Center at least 6 months prior to the planned student teaching semester;
   c. Satisfactory completion of prerequisite courses to STT 399. (See University-wide courses);
   d. Meeting all requirements for Admission to Professional Studies (Gateway 1) and Admission to Student Teaching (Gateway 2) as stated in the Performance-based Assessment System. All requirements for Admission to Student Teaching must be met by December 15 for student teaching during the spring semester and by July 15 for student teaching during the fall semester.

2. Approval for student teaching by the candidate’s major department chairperson or school director or designee. This approval may be based on the following criteria that the teacher candidate:
   a. has demonstrated content knowledge in the student’s major area of study;
   b. has a grade of C or better in all major coursework and all professional education coursework;
   c. has completed a minimum of 15 semester hours at Illinois State University;
   d. possesses professional knowledge necessary for performing teaching responsibilities;
   e. has performed at an acceptable level during the pre-student teaching clinical experiences;
   f. shows evidence of professional characteristics and interpersonal skills necessary for working with children and youth; and
   g. has completed all other departmental or school requirements, including a minimum major GPA (see major department or school for additional requirements).

Student Teaching Assignments

The University will assign student teachers to selected schools or professional development schools (PDS) in Illinois during regular semesters. Personnel of The Cecilia J. Lauby Teacher Education Center, in cooperation with the major department or school, secure the student teaching placement(s). Teacher candidates may not self-place and are responsible for their own living arrangements and transportation to and from the student teaching location. Student teachers are assigned only to classrooms that have regularly employed full time and fully qualified teachers. Assignments are not made to a school in which the teacher candidate or a family member is currently or has been employed. A student teacher may not receive a salary or an income for student teaching.

During the student teaching semester, the teacher candidate works with one or more cooperating teachers who are responsible for teaching a specific group or groups of pupils. These cooperating teachers, along with the University supervisors, have responsibility for guiding and evaluating the work of the student teachers. During this experience, the student teacher becomes a member of the school staff and the community in which he or she is working. Any student teacher who is unable to continue their student teaching assignment should consult with the Director of The Cecilia J. Lauby Teacher Education Center immediately. Any student with a disability who needs a reasonable accommodation to complete their student teaching assignment should contact the Office of Student Access and Accommodation Services as soon as possible at 350 Fell Hall, (309) 438-5853, or visit the website at https://studentaccess.illinoisstate.edu

The Director of The Cecilia J. Lauby Teacher Education Center, upon the recommendation of the college supervisor, chairperson or director of the student’s major department or school administrator, may remove a student from the assignment. A student teacher may be required to do additional coursework, engage in remedial activities, and/or complete an extended or additional student teaching experience until the candidate is sufficiently competent to be recommended for licensure.

Student teaching assignments begin and end on the dates indicated on the student teacher’s official notice of assignment. The student teacher is expected to follow the calendar of the school in which they are completing their student teaching assignment including vacations and school holidays. Changes in dates involved in an assignment must receive prior permission of the Director of The Cecilia J. Lauby Teacher Education Center.

To be recommended for licensure, a teacher education candidate must earn a grade of C or better in student teaching in order to meet all requirements for Gateway III: Exit from Student Teaching.

Graduation Requirement for All Teacher Education Majors

All teacher candidates must graduate with a minimum cumulative and major GPA of 2.50.
Licensure for Persons Who Have Been Convicted of a Crime

Entitlement for licensure is not an automatic procedure. The Undergraduate Evaluation Office will notify the Illinois State Board of Education when an Illinois State University candidate has completed all major degree requirements and all requirements identified in the Performance-Based Assessment System for all teacher education candidates. The Illinois State Board of Education makes the final decision in awarding a teaching license. Additional considerations may preclude Illinois licensure.

If the answer to any of the statements below is “yes,” the teacher candidate may not be eligible for licensure in the State of Illinois. All statements refer to offenses in Illinois or any other state.

1. Have you ever had a teaching license or certificate denied, suspended or revoked in any state or country?
2. Have you failed to file a tax return with the Illinois Department of Revenue, or failed to pay any tax, penalty, or interest owed or any final assessment of same for any tax as required by law administered by that Department that was not subsequently resolved to the Department’s satisfaction?
3. Have you ever been indicted as a perpetrator of child abuse or neglect by a state agency responsible for child welfare?
4. Are you in default on an Illinois student loan for which you have failed to establish a satisfactory repayment plan with the Illinois Student Assistance Commission?
5. Do you have a child support order and/or are more than 30 days delinquent in complying with a child support order?
6. Have you ever been convicted of any of the following:
   a. Felony
   b. Sex Offense
   c. Drug or narcotic offense
   d. Any other criminal offense in any state or federal court (other than minor traffic violations)

If the teacher candidate answered “yes” to any of the above, he or she must contact the Director of The Cecilia J. Lauby Teacher Education Center, 56 DeGarmo Hall, prior to application for Admission to Professional Studies.

Complaints Regarding Teacher Education Matters

For information on how to appeal department, college or university decisions regarding admission, retention, evaluation, and licensure relative to Teacher Education, please review the procedures found on the following website and contact the Director of the Cecilia J. Lauby Teacher Education Center, 56 DeGarmo Hall: education.illinoisstate.edu/teacher/clinical/appeals

All teacher education appeals will be reviewed by the Teacher Education Review Board/Council for Teacher Education.

Information about Student Teaching Courses (STT)

All STT Courses: https://coursefinder.illinoisstate.edu/directory/stt/

399 Student Teaching

1-16 sem. hrs.

Directing the learning of pupils; participating in school and community activities; assuming full responsibility for a group of learners supervised by a cooperating teacher. Student teaching assignments are made on the basis of the teacher candidate’s area of specialization. The teacher candidate’s transcript indicates the area in which student teaching was completed. Multiple enrollments are allowed.

Prerequisites for Student Teaching include: a minimum cumulative and major GPA which is established by each department or school, approval of department chair or school director, approval of the Director of The Cecilia J. Lauby Teacher Education Center, fifteen hours of coursework or equivalent at Illinois State, a grade of C or better in all major coursework, a grade of C or better in all professional coursework, completion of the second gateway Admission to Student Teaching which is part of the performance-based assessment system. All requirements for “Admission to Student Teaching” must be met by December 15th for student teaching during the spring semester and by July 15th for student teaching during the fall semester.

Other requirements as listed in the University-Wide Teacher Education section of this Undergraduate Catalog, including but not limited to: Gateway 3-Exit from Student Teaching:

- All education majors must meet the listed requirements in order to graduate and be recommended for licensure
- Student Teaching (grade of C or better)
- 50 Clinical Hours in a diverse setting
- Disposition/Communication Concerns Assessments
- Successful completion of the edTPA

Effective September 1, 2015 student teachers are assessed using the edTPA on teacher effectiveness and each candidate must complete and pass the edTPA as required by Illinois law (105ILCS5/21B-30(f)). Additional tests may be required for select licensure programs and additional endorsements.
Interdisciplinary Studies (IDS) 604
Director: Amy Hurd, Associate Provost for Undergraduate Education
401 Hovey Hall, Phone: (309) 438-7018

University-Wide Courses
These courses may be offered by any department or school of the University. For more information about IDS courses visit: https://coursefinder.illinoisstate.edu/directory/ids/

Illinois State University offers major and minor programs that allow students to synthesize knowledge that spans two or more academic disciplines. Each interdisciplinary program is directed by a faculty member. Faculty from across the University deliver courses within these programs. In addition, the University offers interdisciplinary (IDS) courses that transcend the boundaries of a single discipline.

The following courses, majors, minors, and requirements may apply and be available to students from a wide variety of majors and disciplines. These include:

Majors
- European Studies, B.A.
- Interdisciplinary Studies: B.A., B.S.
- University Studies: B.A., B.S.

Minors
- African-American Studies
- African Studies
- Children’s Studies
- Civic Engagement and Responsibility
- Cognitive Science
- Ethnic Studies
- European Studies
- Interdisciplinary Studies
- Latin American and Latino/a Studies
- Middle Eastern and South Asian Studies
- Native American Studies
- Peace and Conflict Resolution Studies
- Urban Studies
- Women’s and Gender Studies

University-Wide Majors
Majors in Interdisciplinary Studies and University Studies are not as clearly understood outside the university as traditional baccalaureate majors. These majors do not prepare a student for a specific professional career or graduate field, nor do they satisfy the requirements for teacher licensure. Because of their general nature, graduates may need to convince prospective employers or graduate schools that the degree preparation will enable them to succeed in a particular job or educational endeavor.

Major in European Studies
Program Co-Directors: Anthony Crumbaugh and J.M. van der Laan
Advisor: Ronald Gifford, Department of History
321 Schroeder Hall, Phone: (309) 438-8298
Email: rmgiff@illinoisstate.edu

Degree Offered: B.A.
A minimum of 38 and a maximum of 46 total hours are required to complete this major. The number of hours depends on the language level at which the student enters the program. Students with no previous language study begin with a 111 LAN course and must complete 46 hours. Students with two years of high school foreign language (or equivalent) usually begin with LAN 112 and must complete 42 hours beyond LAN 111. Students with three years of high school foreign language normally begin with LAN 115 and must complete 38 hours beyond 111 and 112.

- Proficiency equivalent to LAN 111-116, plus one 200-level LAN course required in a European language other than English
- Elective courses (18 hours) from the following list:
  - DAN 372
  - ECO 245, 245, 246
  - ENG 110, 213, 214, 216, 218, 219, 222, 241, 310, 311, 320, 324, 327, 329, 378, 386, 387, 388
  - ITA 221, 222
  - MUS 127, 176, 253, 254, 391, 392, 394, 395
  - PHI 222, 232, 233, 250, 254, 255, 350
  - THE 300, 370, 371, 376, 377
- Two of these elective courses (6 hours) must be History courses or POL 241
- Two elective courses (6 hours) must be in the arts and humanities (ART History, Dance, Literature, Music, Philosophy, Theatre)
- Two elective courses (6 hours) must be in an area of concentration approved by the academic advisor

- Study abroad in a European country for one semester is required. Study abroad during the summer session requires program approval. Under exceptional circumstances, a student may petition for exemption from this requirement.
- A 2.0 major GPA is required to graduate with this major. All required and elective courses must be completed with grades of C or better. This major does NOT require a second major in another department.
MAJOR IN EUROPEAN STUDIES
(B.A.)

General Education (min. 39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
_____   3   COM 110 Communication as Critical Inquiry
_____   3   ENG 101 or ENG 101A10 Composition as Critical Inquiry

Mathematics (1 course required)

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***

Language in the Humanities (1 course required)***
European Studies majors are exempt from this Gen Ed Category

Quantitative Reasoning (1 course required)

Science, Math, & Technology (1 course required)

Social Sciences (1 course required)***

Additional Graduation Requirements
_____/120 minimum total credit hours
_____/42 minimum senior college hours

AMALI requirement
***certain courses in General Education fulfill the AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.A. LAN 115 (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

Major (minimum of 38 credit hours)
_____   3   IDS 212 European Studies: Europe Today
_____   3   IDS 312 European Studies Senior Seminar

Take one of the following courses:
_____   3   IDS 112 European Studies: Introduction to Europe
_____   3   HIS 101 Western Civilization To 1500
_____   3   HIS 102 Modern Western Civilization
_____   3   HIS 107 The Making Of Europe

Take 18 credit hours in additional electives. Two of these elective courses (6 hours) must be History courses or POL 241, two courses (6 hours) must be in the arts and humanities (Art History, Dance, Literature, Music, Philosophy, Theatre), and two courses (6 hours) must be in an area of concentration approved by the academic advisor.
Consult with your academic advisor for list of courses.

Proficiency equivalent to LAN 111-116, plus one 200-level LAN course required in a European language other than English. A student who took foreign language in high school may be able to meet the requirement of completing one or more of the LAN 111-116 courses through proficiency credit awarded upon the completion of higher level LAN courses.

Study abroad in a European country for one semester is required. Study abroad during the summer session requires program approval. Under exceptional circumstances, a student may petition for exemption from this requirement.

A 2.0 major GPA is required to graduate with this major. All required and elective courses must be completed with grades of "C" or better. This major does NOT require a second major in another department; however, we recommend that students compliment the European Studies major with another major or minor from an assortment of disciplines: History; Languages, Literatures, & Cultures; Philosophy; Art History; English; Political Science; among others. Consult with your advisor.

Take 18 credit hours in additional electives. Two of these elective courses (6 hours) must be History courses or POL 241, two courses (6 hours) must be in the arts and humanities (Art History, Dance, Literature, Music, Philosophy, Theatre), and two courses (6 hours) must be in an area of concentration approved by the academic advisor.

Proficiency equivalent to LAN 111-116, plus one 200-level LAN course required in a European language other than English. A student who took foreign language in high school may be able to meet the requirement of completing one or more of the LAN 111-116 courses through proficiency credit awarded upon the completion of higher level LAN courses.

Study abroad in a European country for one semester is required. Study abroad during the summer session requires program approval. Under exceptional circumstances, a student may petition for exemption from this requirement.

A 2.0 major GPA is required to graduate with this major. All required and elective courses must be completed with grades of "C" or better. This major does NOT require a second major in another department; however, we recommend that students compliment the European Studies major with another major or minor from an assortment of disciplines: History; Languages, Literatures, & Cultures; Philosophy; Art History; English; Political Science; among others. Consult with your advisor.

Major in Interdisciplinary Studies

Program Coordinator: Amelia Noël-Elkins, University College
Phone: (309) 438-3217
Advisor: Patrick McNulty, University College
Phone: (309) 438-7604, Email: ids-programs@ilstu.edu
https://universitycollege.illinoisstate.edu/majors-minors/

Degrees Offered: B.A., B.S.

General Information

Under the Major in Interdisciplinary Studies, a student may construct one of three individualized programs of study that differ from the University’s regular major programs. These options use existing University courses and lead to the Bachelor of Arts or Bachelor of Science degree in Interdisciplinary Studies. Each sequence addresses a different set of educational objectives.

1. The Individualized Sequence of the Major in Interdisciplinary Studies allows a student to design, with the help of a faculty sponsor, a specialized program of study that is not offered by the University. This program is intended for the student whose specific interests cannot be accommodated within existing programs. Some topics recently chosen by students include East Asian Studies, Classical Civilization, Three-Dimensional Design, International Public Administration, and Theatre Management. The Individualized Sequence is often a second or auxiliary major but may be proposed as a primary major. Students who complete the Individualized Sequence will earn a Bachelor of Arts or Bachelor of Science degree and have their transcripts noted: “Plan: Interdisciplinary Studies; Sub-plan: Individualized Sequence; Theme: ___” (the theme specified on the plan of study).

2. The Multidisciplinary Studies Sequence of the Major in Interdisciplinary Studies is built around the offerings of two or more departments or schools. It is intended for the student who is seeking a baccalaureate degree without the specialization of a traditional major. The student chooses the focus of the program, with the help of a faculty advisor, by determining the departments or schools in which he or she wishes to pursue advanced work. Students who complete the Multidisciplinary Studies Sequence will earn a Bachelor of Arts or Bachelor of Science degree and have their transcripts noted: “Plan: Interdisciplinary Studies; Sub-plan: Multi-disciplinary Studies Sequence.”

3. The Human and Educational Services Sequence recognizes work that students have completed in working towards a teacher education degree. Completion of this degree program does not allow for recommendation for teacher licensure. Students in this program will earn a Bachelor of Arts or Bachelor of Science Degree and have their transcripts noted: “Plan: Interdisciplinary Studies; Sub-plan: Human and Educational Services Sequence.”

Admission Requirements for Individualized and Multidisciplinary Sequences

- Admission may be requested after the completion of 15 semester hours of coursework.

- Applicants should select an appropriate faculty sponsor. The proposed plan of study must be approved by the faculty sponsor, the Interdisciplinary Studies Major Committee, and the Office of the Provost.

Admission to Human and Educational Services Sequence

- Only those students who leave a teacher education major during their senior year will be eligible for admission into the Major in Interdisciplinary Studies; Human and Educational Services Sequence.

- Applicants to this program must be referred by their department or school advisor.

General Degree Requirements

- 120 semester hours
- Completion of General Education requirements
- 42 senior college (200 - 300 level) hours, 9 hours of which must be at the 300 level
- A 3.00 cumulative GPA at the time of application for Individualized and Multidisciplinary sequences
- A 2.50 at the time of application for Human Educational Services Sequence

Major in Interdisciplinary Studies—Individualized Sequence Requirements

- An approved plan of study from at least two academic departments or schools containing 36-55 hours

- Submission of a portfolio of relevant coursework documenting the accomplishment of learning objectives identified in the rationale submitted in support of the major proposal

Major in Interdisciplinary Studies—Multidisciplinary Studies Sequence Requirements

- An approved plan of study with a minimum of 36 hours from at least two departments or schools, including 12 senior-college hours (200 - 300 level) from each of 2 departments or schools and a maximum of 25 hours from any one of the departments or schools

- Submission of a portfolio of relevant coursework documenting the accomplishment of learning objectives identified in the rationale submitted in support of the major proposal

Major Interdisciplinary Studies—Human and Educational Services Sequence Requirements

- An approved plan of study which includes a minimum of 36 semester hours, of which at least 24 hours are at the 200 - 300 level.

- For students previously declared a Special Education and/or Teaching and Learning majors, these courses must include a minimum of 27 hours from Special Education and/or Teaching and Learning, as well as 9 hours of advisor-approved electives from departments outside of Special Education and Teaching and Learning. For students previously declared in other teacher education programs, an individual plan of study will be designed, consisting of a minimum of 27 hours required in an existing major as well as 9 hours of advisor approved electives.

Degrees Offered: B.A., B.S.

Admission Requirements
This degree program is intended for students who are admitted and enrolled at Illinois State University and who either are unable to meet the admission/retention requirements for majors with requirements above the University minimums, or who while performing successfully in their major, discover late in their program of study that they do not wish to pursue the career path that follows from their initial major and degree choice. In order to be admitted to the major, applicants must:

- have completed a minimum of sixty (60) hours and be in good academic standing with a GPA of 2.00 or higher, and
- complete an approved Plan of Study in collaboration with a program advisor

This degree is not available to second bachelor degree candidates.

Degree Requirements
- Completion of all graduation requirements for the B.A. or the B.S. degree as listed in this Undergraduate Catalog
- Completion of all course requirements as listed on the student’s approved Plan of Study (All changes to the initial Plan must be approved by the program advisor.)
- A minimum of 9 credit hours in the major taken at the 300 level
- General Studies Option
  - A concentration of a minimum of 18 hours in each of two different disciplines as approved in the Plan of Study, or
- Specialized Studies Option
  - A concentration of a minimum of 30 hours in one department or school as approved in the Plan of Study, or
- Liberal Studies Option
  - A concentration of a minimum of 36 hours bridging academic disciplines as approved in the Plan of Study

University-Wide Minors

Minor in African-American Studies
Co-director: Touré Reed, Department of History
328 Schroeder Hall, Phone: (309) 438-8120
Co-director: Doris Houston, School of Social Work
Phone: (309) 438-8075
Advisor: Ronald Gifford, Department of History
321 Schroeder Hall, Phone: (309) 438-8298
Email: rmgiff@illinoisState.edu
The Minor in African-American Studies provides an interdisciplinary approach to the examination of black politics and life in the United States. This program is designed to be of interest to students who want to explore the many contributions African-Americans have made to the political, historical, social, and artistic fabric of the United States. Students are required to take a core of two courses on African-American history and literature, as well as elective courses in the social sciences (History, Sociology, and Politics and Government) and in the humanities and fine arts (English, Music, and Theatre and Dance), and in interdisciplinary programs (including relevant course offerings in Interdisciplinary Studies and Women’s and Gender Studies).

- 18 hours required
- Required core (6 hours):
  - ENG 165 or 265
  - HIS 257 or 258
- Choose 4 courses (12 hours) from the electives below:
  - ENG 165, 265 (not including the required courses above)
  - ENG 365
  - HIS 111 or SOC 111
  - HIS 257 or 258 (not including the required courses above)
  - HIS 284, 315, 328
  - IDS 121A17, 121A37
  - MUS 153, 154, 157
  - POL 334
  - PSY 327A02
  - SOC 264
  - SWK 310
  - THE 154

Note: Other courses approved by the minor advisor may be counted toward the minor. Topics courses (e.g., HIS 309, SWK 330, WGS 391) are commonly used as electives for the minor but must be preapproved by the minor director and advisor. Please refer to specific departments or schools for further course information including prerequisites.

Minor in African Studies
Director: Agbenyega Adedze, Department of History
315 Schroeder Hall, Phone: (309) 438-8367
Email: adedze@illinoisState.edu
Advisor: Ronald Gifford, Department of History
321 Schroeder Hall, Phone: (309) 438-8298
Email: rmgiff@illinoisState.edu

A Minor in African Studies will complement a major in several disciplines. It is therefore designed as a multi-disciplinary program where the student will take courses in the social sciences, arts, and humanities (English; Geography; History; Languages, Literatures, and Cultures; Music; Politics and Government; Sociology/Anthropology; and Theatre and Dance). The Minor will provide students with a broad background in African history, societies, culture, and politics. The program is directed towards students with a view of visiting or working in Africa or those who are interested in government or
public service careers.
Requirements for the Minor in African Studies:
- 21 hours required
- 9 hours required (3 courses) from the following:
  - GEO 235A01, 250
  - HIS 104A01, 265, 266
  - POL 246
  At least two disciplines must be represented from this list.
- Choose 4 courses (12 hours) from the following electives:
  - ENG 206
  - GEO 235A01, 250
  - HIS 104A01, 265, 266
  - POL 246 (any of these six courses may count if not taken as part of required core)
  - ANT 185
  - LAN 206
  - MUS 139A21, 153, 154, 239A21
  - THE 271, 275

No more than 9 hours may be selected from the student's first or second major department or school

NOTE: Other courses approved by the minor advisor may be counted toward the minor. Please refer to specific departments or schools for further course information including prerequisites.
African Studies minors are encouraged to study abroad in Africa. There are a number of study abroad programs in which students can participate that range in length from a summer to a semester, or an entire academic year. Interested students should contact the Office of International Studies and Programs.

Minor in Children's Studies
Coordinator: Gregory Braswell Department of Psychology
Email: gsbrasw@ilstu.edu
Advisor: Allison Anson, University College
340 Fell Hall, Phone: (309) 438-7604
Email: alanson@IllinoisState.edu

The Minor in Children's Studies provides an opportunity for students to enhance their knowledge of children and child culture through interdisciplinary exploration of child-related issues. This program is designed to be of interest to students who wish to pursue child-related emphases in their major disciplines, such as education, children's literature, child psychology, children's history and culture, pediatrics, juvenile justice, or social work with children, or for those who wish to learn more about the subject of childhood from multidisciplinary frames of reference.
The minor will also provide a foundation for those students who intend to go to professional or graduate school to pursue child-centered research interests.
- A minimum of 24 hours, including:
  - FCS 112 or HIS 112 or SOC 112
  - One of the following:
    - FCS 101
    - PSY 301
    - TCH 210
- The remaining 18 hours must include a minimum of 2 courses from Group A and a minimum of 2 courses from Group B

Group A—Humanities and Fine Arts:
- ART 204, 208
- ENG 170, 271, 272, 370, 372, 373, 374, 375
- MUS 277, 278, 371
- DAN 229, 283
- THE 281, 282

Group B—Social Sciences:
- CJS 215
- CSD 115, 175
- FCS 231, 233, 250
- HIS 261, 262, 330
- POL 339
- PSY 213, 215, 302, 346
- SOC 262, 318
- TCH 233, 233A01

- With permission of the minor advisor the following categories of courses may be counted toward the minor; if arranged or offered through a department or school:
  - 3 hours of an internship with a child-related agency
  - 3 hours of an independent study on a child-related topic
  - 3 hours of a special topics course on a child-related topic

Note: Students may count no more than 9 hours from their major's department towards the completion of this minor.

Minor in Civic Engagement and Responsibility
Minor Coordinator: Dr. Cynthia Edmonds-Cady, School of Social Work
303 Rachel Cooper, Phone: (309) 438-5949
Email: cedmond@IllinoisState.edu
Minor Advisor: Wendi Whitman, University College
340 Fell Hall, Phone: (309) 438-7604
Email: wjwhitm@IllinoisState.edu
https://Communityengagement.IllinoisState.edu

In teaching civic engagement at Illinois State University, we strive to develop civically responsible individuals who embrace their membership in communities and society by owning social issues and working to be a part of the solution, which requires ethical and civic judgments and interventions when appropriate. Illinois State University's values (Educating Illinois) are at the core of this minor as students will prepare to participate in social change as well as develop an awareness of personal social responsibility. This minor is intended to prepare students to actively engage in their citizenship. The interdisciplinary minor is open to all students of any ideological viewpoint and can be positively matched with any major as a way to broaden the student's learning experience and career perspectives. A civically educated individual (1) gains a sense of self-awareness as a citizen, (2) actively participates in community service, (3) develops an appreciation of diversity, (4) comprehends the interdependence within communities, societies, and the world, (5) grows an understanding of the democratic process, (6) displays critical thinking within the arena of democratic conversations and social issues, (7) becomes effective at problem-solving and change, and (8) is able to personally integrate reflection on service, social issues, and
course content. This minor will provide students with opportunities to sharpen critical analysis, skill development, and personal reflection as well as substantive opportunities to study and perform civic engagement in their communities.

**Minor requirements:**
- 21 hours required
- Required core (9 hours):
  - IDS 125, 398A02
  - POL 101
- Choose 4 courses (12 hours) from the following (only one course at the 100 level can be taken):
  - CJS 102
  - COM 201, 270, 272, 274, 303, 304, 371, 375
  - EAF 228, 231, 235
  - FCS 328, 333
  - HIS 253, 272
  - PHI 104, 150, 234, 236, 240
  - POL 106, 150, 234, 236, 240
  - PSY 213, 302
  - SOC 241, 333
  - TEC 275
  - THE 154, 344

**NOTE:** Other courses approved by the minor coordinator may be counted toward the minor.

**NOTE:** No more than two elective courses (6 hours) can be taken in any single department or school.

**Concentration for Teacher Education Majors Interested in Urban Education**
The Minor in Civic Engagement and Responsibility offers a special concentration for teacher education majors who have an interest in urban education and pursuing careers in high-need schools. This entails a dedicated strand of courses that have a strong focus on diversity, multiculturalism, and the importance of creating community engaged classrooms. Many of these courses also offer activities and assignments that immerse the student into the urban context such as field trips and service-learning projects in urban schools and communities.

In consultation with their advisor, teacher education majors interested in urban teacher preparation are recommended to choose four courses (12 hours) from the following courses that have an urban education focus (only one course at the 100 level can be taken): BSC 307; CHE 161; CIS 102; EAF 228, 231, 235; GEO 307; HIS 290, 390; HSC 387; LAN 319; MAT 201, 223; PHY 353; PSY 213, 215, 302; SOC 109, 240; SPA 223, 244; TCH 110, 111, 204, 208, 212, 232, 233A01, 319.

Teacher education majors interested in urban teacher preparation courses with designated sections can refer to UTP Passport (TeacherPipeline.IllinoisState.edu) for updated course information.

**Directory of all courses:**
https://coursefinder.illinoisstate.edu/directory/

---

**Minor in Cognitive Science**
Director: Lana Kühle, Department of Philosophy
323H Stevenson Hall, Phone: (309) 438-7094
Email: lkuhle@IllinoisState.edu

Advisor: Patrick McNulty, University College
340 Fell Hall, Phone: (309) 438-7604
Email: pamcnul@IllinoisState.edu
https://Philosophy.IllinoisState.edu/academics/minor/cogsciminor

- A minimum of 24 hours required for the minor, depending on the emphasis chosen and the level of preparation of student. Programs must be planned in consultation with the director. Students are required to seek an advisor through the Director of Cognitive Science Studies.

- Required courses: One course is required of all students, IDS 265: Introduction to Cognitive Science: Computers, Minds, Brains, and Robots. Other requirements will be met by developing a planned course of study approved by the Cognitive Science Studies director. In consultation with the director, the student will choose an emphasis that is outside the student’s major and will fulfill the requirements of that emphasis.

**Emphases**

**Computer Science**
- IT 168, 179
- 2 courses (6 hours) from Groups A and/or B
- 1 course (3 hours) from Group B
- 2 elective courses (6 hours) from Groups C, D, E, or F

**Linguistics**
- PHI 112 or 210
- ENG 341
- 2 courses (6 hours) from Groups A and/or B
- 1 course (3 hours) from Group C
- 2 elective courses (6 hours) from Groups B, D, E, or F

**Philosophy**
- PHI 112 or 210
- PHI 251 or 253 or 315
- 2 courses (6 hours) from Groups A and/or B
- 1 course (3 hours) from Group D
- 2 elective courses (6 hours) from Groups B,C, E, or F

**Psychology**
- PSY 138 (recommended) or ECO 138 (acceptable)
- PSY 231
- 2 courses (6 hours) from Groups A and/or B
- 1 course (3 hours) from Group E
- 2 elective courses (6 hours) from Groups B, C, D, or F

**Course Groups:**

**Group A (Quantitative Skills)**
MAT 120, 145, 146, 175, 260, 350
PHI 112 or MAT 210
PSY 138 (recommended) or ECO 138

**Group B (Computer Science)**

**Minor in Ethnic Studies**
Program Co-Directors: Susan Kalter (susankalter@ilstu.edu), Archana Shekara (ashekar@ilstu.edu), and Li Zeng (lzeng@ilstu.edu)
Advisor: Susan Kalter, Department of English
424J Stevenson, Phone: (309) 438-8660

Ethnic Studies is the study of race and ethnicity in U.S. and transnational contexts. Students and faculty in this area examine how social categories like race, indigeneity, culture, ethnicity, and nation are conceptualized. They also familiarize themselves with the specific and comparative experiences both historical and contemporary of the major population groups that make up the United States. The program at Illinois State allows participants to examine regional, national, and global dimensions of these experiences.

Students in the minor must complete a minimum of 22 hours representing 8 courses as indicated from Groups I, II, and III; at least 4 courses must be above the 100-level. With consent of the faculty director/advisor, students may use departmental or IDS 287, 298, or 398 courses for one course in Group II and/or one course in Group III.

Students interested in pursuing a major in this area may arrange their program of study through either the Interdisciplinary Studies Major program or the University Studies program.

Minors are also available in three specific areas: African-American Studies; Latin American and Latino/a Studies; and Native American Studies.

A list of affiliated faculty and more information is available on the Ethnic Studies website.

**Group I - Ethnicity** (Students must complete at least 1 course)
- ANT 281, 302
- COM 272, 372
- POL 334
- SOC 264, 366

**Group II - Race and Ethnicity in the United States** (Students must complete at least 4 courses chosen from at least 2 departments or schools)
- ANT 272, 278, 280, 351, 384
- CJS 308
- CSD 375
- EAF 228, 231, 235
- ENG 165, 265, 266, 267, 365
- FCS 252
- GEO 306A22
- *HIS 104A06, 257, 258, 264, 284, 310, 315, 328; HIS/SOC 111
- *IDS 121A29, *121A37, *121A52
- MUS 153, 154, 157
- PSY 327, 327A01, 327A02
- SOC 109
- SWK 310
- TCH 110, 111, 207, 232, 319, 320, 321, 322
- THE 154

Note: Other courses with appropriate content for Group II may be approved by the faculty director/advisor. Courses in non-English-language U.S. literatures and cultures, if appropriate to the minor and the student’s focus as determined by the faculty director/advisor, will be approved.

**Group III – Global Contexts** (Students must complete at least 2 courses)
- AGR 201
- ANT 185, 283, 294, 303, 307, 308, 373
- ART 275, 303
- CJS 306, 369
- COM 320A01, 390A01
- ENG/LAN 206
- FCS 222
- GEO 142, 235, 250, 255, 306A26
- *IDS 121A31, *121A42, 133A02, 133A03, 133A04, 203
- CHI 115
- FRE 314, 325
- JPN 115, 116
- POR 115
- SPA 116, 244, 326, 327, 336
- MQM 349
- MUS 275, 356A01
- NUR 313
- PHI 207, 208
- POL 140, 240, 245, 246, 247, 340, 345, 349
- SOC 220, 318
- THE 271, 271A07, 275A01, 275A02, 374, 375

Note: Other courses with appropriate content for Group III may be approved by the faculty director/advisor. Courses in second-year language (and beyond) and courses in global English-language or non-English-language literatures and cultures, if appropriate to the minor and the student’s focus as determined by the faculty director/advisor, will be approved.

**Group IV - Floating Elective**
Students must complete at least one (1) additional course from
Minor in European Studies
Program Director: Kathryn Jasper
Department of History
Advisor: Ron Gifford, Department of History
301 Schroeder Hall, Phone: (309) 438-8298

The Minor in European Studies is interdisciplinary and international in scope. This minor will help prepare students for careers in multiple fields by providing a cohesive program of study in the arts, history, languages, and society of one or more European nations, or by providing a foundation for advanced study in one of several disciplines such as European Union Studies, Fine Arts, European Language and Literatures, European History, International Business, International Law, International Relations, or Journalism.

In this minor, students will complete six hours of core courses: IDS 112 (or HIS 101, 102, or 107) and IDS 212. Students are required to achieve proficiency in a European language other than English, equivalent to three semesters of university-level coursework. Students complete the minor requirements by selecting a minimum of six hours of electives from a list of approved university-wide courses. Study abroad in a European country is strongly recommended. The minor is versatile and can be customized to complement an individual student’s interests in various fields of study. At least four of the courses in the minor curriculum qualify for general education credit. This program will be supervised by the departments of History, Languages, Literatures, and Cultures, and the School of Art.

- 24 hours are required, including 6 hours at the 200 or 300-level
- Required courses (6 hours):
  - IDS 112 or HIS 101, 102, or 107
  - IDS 212
- Proficiency equivalent to LAN 111-115 required in a European language other than English (12 hours). A student who took foreign language courses in high school may be able to meet the requirement of completing one or more of the LAN 111-115 courses through proficiency credit awarded upon completion of high level LAN courses.
- 2 additional courses (6 hours) in an area of concentration required from the list of electives, at least 3 hours at the 200 - or 300-level
- Study abroad in Europe is strongly recommended
- A 2.0 major GPA is required to graduate with this minor. All required and elective courses must be completed with grades of C or better

Elective courses in groups:
- DAN 372
- ECO 245, 345, 346
- ENG 110, 213, 214, 216, 218, 219, 222, 241, 310, 311, 320, 324, 327, 329, 378
- FRE 209, 213, 214, 220, 223, 235, 305, 327, 328, 340, 341, 385
- GER 211, 213, 285, 310, 317, 385
- ITA 221, 222
- MUS 253, 254
- PHI 222, 232, 233, 250, 254, 255, 350
- POL 141, 241, 252, 255, 344, 351
- THE 300, 370, 376, 377

Email: ids-programs@IllinoisState.edu
https://universitycollege.illinoisstate.edu/majors-minors/

Illinois State University offers students the opportunity, under the Minor in Interdisciplinary Studies, to construct a program of study that differs from the University’s regular minor programs. The Individualized Requirements provide an interdisciplinary program that may be used to attain specific educational goals that cannot be accommodated by existing minors at Illinois State.

Minor in Interdisciplinary Studies; Individualized Sequence Requirements

Students who complete the Individualized Sequence will have their transcripts noted: “Plan: Interdisciplinary Studies Individualized; Theme: ______” (the theme specified on the plan of study).

- A 3.00 cumulative GPA at the time of application
- Approved plan of study from at least 2 academic departments/schools containing 18-24 hours
- Submission of a portfolio of relevant coursework documenting the accomplishment of learning objectives identified in the rationale submitted in support of the minor proposal

Procedure:

1. Admission to the Minor in Interdisciplinary Studies may be requested after the completion of 15 semester hours of coursework and before the completion of 75 semester hours
2. Applicants should select an appropriate faculty advisor. The proposed plan of study must be approved by the faculty advisor, the Interdisciplinary Studies Minor Committee, and the Office of the Provost

Directory of all courses:
https://coursefinder.illinoisstate.edu/directory/

Minor in International Studies

Director: Shari Zeck
Email: sszeck@IllinoisState.edu
Advisor: Priyanka Aich, University College
340 Fell Hall
Phone: (309) 438-7604
Email: paich@IllinoisState.edu

The Minor in International Studies is an interdisciplinary program that is designed to offer students an opportunity to enrich their thinking and experience as global citizens. It is a minor that can be tailored to enhance any major with international experience and study.

The minor includes foreign language study, courses focused on international and regional issues, and participation in a formal study abroad experience. Academic advisement is essential to this highly individualized program in order for students to make the best use of these opportunities.

- 24 hours required, including LAN 115 or equivalent; 6-12 hours in Category A; 9-15 hours in Category B; and participation in a study abroad or alternative international experience.
- Participation is required in a 6-credit hour (or greater) study abroad experience sponsored by Illinois State University or alternative international experience approved prior to participation by the minor advisor. Courses taken while studying abroad may be counted toward the minor. Contact the International Studies Advisor for information on which courses offered in each program may be counted toward the minor.
- Up to 9 hours (excluding courses in Category A) taken in the minor may also be applied toward the student’s major. At least 9 hours of the minor must be at the 200-level or above.
- Additional foreign language study is strongly encouraged. Special emphasis should be placed on developing oral communication skills.

Category A—International Issues:
- 6-12 hours required. Courses in the student’s first major may not count toward category A requirements. A maximum of 2 courses from any 1 department or school may be taken.
- Choose from the following: AGR 201; ANT 176, 185; ART 275; CJS 369; COM 355, 369, 372; ECO 210, 245, 345; ENG 206, 255, 261; GEO 135; HIS 104, 230, 270; IDS 203; INB 225; LAN 206; MUS 275; POL 140, 150, 151, 251, 252, 254, 255, 344, 351, 358, 363; SOC 108, 366; THE 271, 275A01, 275A02; WGS 120, or other courses approved by the International Studies Advisor.

Category B—Regional Studies:
- 9-15 hours required. Only courses taken in 1 region listed below may be counted toward the minor. Many Illinois State University Study Abroad program courses count.

In addition to the courses listed below, any pertinent course on the history, literature, economic, social, or political structures of a foreign country, culture, or region may be counted toward the minor, provided it receives approval in advance from the International Studies advisor. The International Studies advisor will help students choose courses appropriate to their regional studies concentration and career objectives.

Latin America: GEO 235A02; HIS 263; SPA 116, 244, 305; POL 240, 340.
Europe: ART 372, 379, HIS 102, 229, 234, 237, 366; FRE 305; (FRE, GER, ITA, SPA) 116, GER 217; SPA 243, 305; POL 241, 242, 341.
Africa: GEO 250, HIS 266; POL 246.
South and Southwest Asia (Middle East, India, Pakistan, Sri Lanka): HIS 272; PHI 207, 208; POL 245, 247, 349.
East Asia: HIS 373, 375; JPN 116; PHI 208; POL 245, 345.
NOTE: Refer to specific departments or schools for further course information.

Minor in Latin American and Latino/a Studies (LAL)

Director: Dr. Maura Toro-Morn, Latin American and Latino/a Studies Program
328 Williams Hall, Phone: (309) 438-0097, Email: mitmorn@ilstu.edu
Advisor: 340 Fell Hall, Phone: (309) 438-7604
https://LatinoStudies.IllinoisState.edu

The goals of the Minor in Latin American and Latino/a Studies are (a) to provide students with key concepts, information, and a foundation of knowledge rooted in several academic disciplines; (b) to examine the social, political, and cultural challenges of Latin America and the Latino/a populations in the global community; and (c) to foster a multicultural, pluralistic, and multi-lingual environment by focusing on the interrelations between the United States, Latin America, and its descendant populations.
This program is student centered and flexible. Students are expected to complete coursework in a variety of disciplines and departments. All individual programs of study must be planned in consultation with the Latin American and Latino/a Studies advisor. To ensure the integrity of the interdisciplinary of the minor, students must complete coursework from a minimum of three departments.

- **21 hours required**
  - **Required courses (6 hours):**
    - LAL/SOC 109
    - HIS 104A03 or GEO 235A02 or SPA/POR/FRE 112
    - If a student can show he or she has earned language credit in an indigenous language, those credits will be accepted as well
    - Elective courses (15 hours) from:
      - ANT 303, 383
      - ENG 267
      - FRE 112, 115, 116
      - GEO 235A02
      - HIS 104A03, 263, 282, 283
      - IDS 203A15
      - LAL 287, 291, 398A01, 398A02
      - POL 240, 340
      - POR 111, 112, 115
      - PSY 327A01
      - SPA 112, 115, 116, 120, 233, 240, 244, 326, 327, 336
      - THE 375
      - Other courses with appropriate Latin American or Latino/a Studies content may be approved by the advisor:
        - ANT 273
        - SPA 305, 360, 385
        - TCH 319, 320, 321, 322
        - WGS 391

Students are strongly encouraged to study abroad in programs in Latin America and the Caribbean. See the Office of International Studies and Programs for information.

Note: Many courses are offered regularly. Please note that some courses are not available every semester.

### Minor in Middle Eastern and South Asian Studies

**Director:** Yusuf Sarfati, Department of Politics and Government
403D Schroeder Hall, Phone: (309) 438-5785
Email: ysarfat@IllinoisState.edu

**Advisor:** Erik Rankin, Department of Politics and Government
401 Schroeder Hall, Phone: (309) 438-3709
Email: etranki@IllinoisState.edu
https://POL.IllinoisState.edu/academics/undergraduate/minors/eastminor.php

The Minor in Middle Eastern and South Asian Studies provides an interdisciplinary approach to exploring the politics, society, cultures and economics of the countries in the Middle East and South Asia. This program is designed to be of interest to students who want to explore the socio-political-economic dynamics of the countries located in the region and their roles in the world. It also examines the impacts of the global politics, especially the US foreign policies, on the socio-political environment of this region.

**Courses:**
https://coursefinder.illinoisstate.edu/directory/

**Minor in Native American Studies**

**Director:** Susan Kalter, Department of English
424J Stevenson, Phone: (309) 438-8660
Email: susankalter@IllinoisState.edu
https://NativeStudies.IllinoisState.edu

The minor in Native American Studies is designed to familiarize students with the histories, literatures, cultures, and futures of the indigenous citizens of North America. It will be of interest to students who wish to explore the unique political and social relationship that the First Nations and their members hold with the United States. It provides students with key concepts, information, and a foundation of knowledge rooted in several academic disciplines. Faculty from the departments of English, History, Sociology and Anthropology, and the School of Theatre and Dance participate in this minor. Students are required to take an interdisciplinary core of four courses from three different departments and Interdisciplinary Studies. Two electives from
approved offerings by faculty in the field of Native American Studies may be selected as alternatives to the list of electives below.
- 18 hours required
- Required courses:
  - IDS 121A29
  - ANT 280 or 351 or 384
  - ENG 266
  - HIS 104A06 or HIS 310
- 6 hours of additional courses from the following:
  - ANT *280, *351, *384
  - HIS *104A06, *310
- In consultation with the director of the program, students may take an Independent Study (287); and/or Professional Practice (298/398) (may be on- or off-campus) and may apply 3 hours of either toward the minor.
*If not already taken to satisfy minor requirements.

Note: This program must be planned in consultation with the Native American Studies faculty director. With director approval, courses other than those listed above including courses in Native languages and other Native American Studies courses approved for transfer in from other accredited universities may be counted toward the minor.

A list of affiliated faculty and more information is available on the Native American Studies website: http://nativestudies.illinoisstate.edu. Departments participating in the minor are English, History, Sociology/Anthropology, and Theatre and Dance.

Directory of all courses:
https://coursefinder.illinoisstate.edu/directory/

Minor in Peace and Conflict Resolution Studies
Director: Noha Shawki, Politics and Government
403B Schroeder Hall, Phone (309) 438-3861
Email: nsshawk@IllinoisState.edu

Advisor: Amand Papinchock
340 Fell Hall, Phone: (309) 438-7604
https://POL.IllinoisState.edu/academics/undergraduate/minors/peace_conflict.php

The Minor in Peace and Conflict Resolution Studies is an interdisciplinary program that includes courses from eighteen departments. The Minor provides a comprehensive and in-depth approach to peace and conflict resolution theories and methods. Students are required to take an introductory course, as well as one course from each of four areas of inquiry (Social Justice, Violence Prevention and Conflict Resolution, Environmental Justice, and Globalization), while also specializing in one of these areas with two additional courses. The minor's capstone experience is a professional practice.

The Minor allows students to examine the causes and prevention of war, as well as the nature of violence, including social oppression, discrimination and marginalization. They also learn peace strategies to overcome persecution and transform society to attain a more just and equitable international community. The inquiry encompasses micro to macro perspectives. At the micro end of the spectrum, students investigate non-violent ethics and conflict management; interpersonal communication and relations; intergroup relations; and diversity and gender issues. At the macro level, students explore the dynamics of international conflict, as well as approaches to peace and world order; ethnic and socioeconomic justice; multiculturism; renewable economics; and biodiversity.

- 21 hours required
- Required core (3 hours):
  - IDS 111, includes 12-15 hours of practicum
- Electives (18 hours): Choose three courses from one group listed below and one course from each remaining group
  - Group A - Social Justice:
    - CJS 102
    - COM 272, 372
    - PHI 238
    - SOC 106, 108, 264, 366
    - WGS 120
  - Group B - Violence Prevention and Conflict Resolution:
    - CJS 307, 369
    - FCS 310
    - HIS 111, 112
    - IDS 254
    - POL 252, 255, 352
    - SOC 365
  - Group C - Environmental Justice:
    - AGR 201
    - BSC 202
    - GEO 135, 205, 235
    - HSC 156, 355
    - HIS 329
    - PHI 236
    - PHY 207
  - Group D - Globalization:
    - ANT 176
    - ECO 105
    - GEO 142
    - IDS 203
    - IB 225
    - MQM 349
    - POL 151, 254
    - SOC 241

Note: Students are encouraged to consult with the program co-directors and/or advisor regarding course selection.

Directory of all courses:
https://coursefinder.illinoisstate.edu/directory/

Minor in Urban Studies
Advisor: Alan Lessoff, Department of History
327 Schroeder Hall, Phone: (309) 438-8083
Email: ahlesso@ilstu.edu

The Minor in Urban Studies is an interdisciplinary minor sponsored by the Departments of Geography, Geology, and the Environment, History, Politics and Government, and Sociology/Anthropology in the College of Arts and Sciences. The program is designed for students who wish to learn about urban places from a social science perspective, although the minor will also benefit those with majors in the arts and humanities, business, education, social services, technology, design, and other fields. This program will provide a foundation, especially to those who wish to pursue careers in urban-related areas such as public administration, planning, design, preservation, public history, the environment, community development, and social services or to those who wish to

Directory of all courses:
https://coursefinder.illinoisstate.edu/directory/
pursue graduate study in these areas. The program’s features include required coursework in urban geography, history, political science, and sociology or anthropology. Students may choose from a range of elective courses, independent study with urban studies faculty, and an optional internship.

- 21 hours required
- Required core (12 hours):
  - GEO 336
  - HIS 322
  - POL 221 or 222
  - SOC 241 or 361
- Choose 9 elective hours from the following: Any core course not used to fulfill requirements or:
  - ANT 374, 375, 392
  - ECO 350
  - GEO 303, 304, 306A22, 331, 370
  - HIS 242, 258
  - POL 231, 232, 334
  - SOC 109, 260, 264, 333, 350, 362, 366
  - TCH 232
  - TEC 329
  - Up to 3 hours of internship, professional practice, or independent study contributing to the minor and approved in advance by the urban studies advisor
- Students may use up to 6 hours of courses from their major program to fulfill minor requirements
- Students in majors outside the College of Arts and Sciences may, with approval from the urban studies advisor, apply up to 6 hours of courses from their college—including from their major program—in lieu of courses in the above list of electives

Minor in Women’s and Gender Studies (WGS) 426
Acting Director: Kyle Ciani
237 Rachel Cooper, Phone: (309) 438-2947
Advisor Phone: (309) 438-2947
Email: WGSAdvisor@IllinoisState.edu
https://wgs.illinoisstate.edu

The minor in Women’s and Gender Studies enhances any undergraduate major by offering students an interdisciplinary curriculum that focuses on diverse experiences of women in both national and international contexts. The program provides a wide range of electives that offer students the conceptual tools to critically examine the meanings of gender and its intersections with race, sexuality, class/caste, coloniality and ability as they shape our ways of knowing, behaviors, and political identities. Curricular areas of emphasis include the study of feminist theories and methodologies, social justice and activism, LGBTQ studies, women’s histories, literatures, visual cultures, and politics.

Women’s and Gender Studies is an interdisciplinary minor that analyzes structures of power and systemic inequalities—grounded in gender and its intersections with other identity categories—as they are expressed in historical and contemporary struggles for social change. Women’s and Gender Studies is not only about learning facts and theories, but also about using our collective knowledge to become scholars, practitioners, leaders, and agents of social change. Courses encourage students to analyze the world in which they live, in order that they might act transform it.

- 21 hours required
- Required courses:
  - WGS 120
  - ENG 160 or 260 or 261 or 360
  - HIS 261 or HIS 262
  - PHI 246 or POL 338
- 9 hours of additional courses from:
  - ANT 270, 376
  - CIS 307, 339, 342
  - COM 128 or ENG 128 or LAN 128
  - ENG 206 or LAN 206
  - ENG 260, 261, 360 (if not already chosen to fulfill a requirement)
  - FCS 112 or HIS 112 or SOC 112
  - HIS 261 or 262 (if not chosen to fulfill requirement)
  - HIS 264, 330, 350
  - IDS 121A39
  - PHI 202
  - POL 225, 337, 338, 363
  - PSY 123 or SOC 123; PSY 305
  - SOC 264, 265, 311, 341, 342, 366
  - WGS 292, 390, 391, 392, 398

Queer Studies Concentration
The Women’s and Gender Studies Program also offers a Queer Studies Concentration. The Queer Studies Concentration is an option for students wanting to enhance their understanding of lesbian, gay, bisexual, transgender, queer, and intersex (LGBTQI+) issues or whose undergraduate curriculum or professional goals would be enriched by additional coursework in this emerging vibrant field. The concentration focuses on LGBTQI+ histories, political movements, aesthetics, arts, cultures, literatures, scholarship, contemporary experiences, and social formations. The Queer Studies Concentration is separate from the Women’s and Gender Studies minor and is not recognized on university transcripts.

- 12 hours required
- Required courses:
  - WGS 120, 292, 392
- 3 hours of additional courses from:
  - ANT 270
  - PHI 202
  - POL 337
  - PSY 123 or SOC 123

Note: Both the minor and concentration must be planned in consultation with the Women’s and Gender Studies director or advisor.

Women’s and Gender Studies Courses:

All Courses:
https://coursefinder.illinoisstate.edu/directory/
The College of Applied Science and Technology offers programs to prepare students for professional and technical positions in education, government, business, and industry. Five departments/schools in the College also offer teacher preparation programs. Faculty in the College are dedicated to the personal and academic development of their students as well as the discovery and application of theoretical knowledge and the advancement of professional practice in their respective areas. This is accomplished through a dynamic partnership of interdisciplinary learning, scholarship, and service that is built on a collaboration among students, faculty, and members of the professional community.

The College is comprised of six departments: Agriculture; Criminal Justice Sciences; Family and Consumer Sciences; Health Sciences; Military Science; and Technology and two schools: Information Technology and Kinesiology and Recreation.

The College offers graduate programs in Agriculture; Criminal Justice Sciences; Family and Consumer Sciences; Information Technology; Kinesiology and Recreation; and Technology. Descriptions and requirements of these programs may be found in the Graduate Catalog.
Honors in Agriculture

Departmental Honors in Agriculture is available to qualified juniors and seniors. The student completing the Honors Program graduation requirements will graduate “with Honors in Agriculture,” which will be indicated on the student’s official transcript and diploma.

Admission to the Honors Program in Agriculture requires a minimum of sixty (60) semester hours of post-secondary courses with a cumulative grade point average of 3.50 or higher on a 4.00 scale. In order to graduate as an Honors Graduate in Agriculture, a student must fulfill the general requirements for participation in the University Honors Program. Students must also have a cumulative grade point average of 3.70 or higher for all courses taken in the Department of Agriculture; successfully completed two in-course honors in 200-level or higher courses in the student’s technical area; successfully completed one in-course honors course in a 200-level or higher course offered outside the Department of Agriculture; and successfully completed a minimum of three credit hours of AGR 299, Independent Study. The Department of Agriculture offers in-course honors work in all its courses for students enrolled in the University Honors Program or in any departmental honors program. In-course work is offered at the discretion of the instructor. Further details about the University Honors program are available at Honors.IllinoisState.edu.

Agriculture (AGR) Program

Degree Offered: B.S.

Major in Agriculture (AGR)

Agribusiness Sequence
Agriculture Communication and Leadership Sequence
Agronomy Management Sequence
Animal Industry Management Sequence
Animal Science Sequence
Crop and Soil Science Sequence
Food Industry Management Sequence
Horticulture and Landscape Management Sequence
Pre-Veterinary Medicine Sequence
Agriculture Teacher Education Sequence

In meeting program requirements in the Department of Agriculture, the student should note that the courses are considered in areas, as follows:

General courses:
AGR 109, 198, 201, 203, 205, 302, 303, 398
Agribusiness:
AGR 110, 213, 214, 215, 216, 311, 312, 313, 314, 315, 317, 318, 319, 320, 324
Agricultural Education:
AGR 190, 295, 394, 395

Clinical Experiences in Teacher Education

A variety of clinical (pre-student teaching) experiences, as well as student teaching, are included in the teacher candidates professional preparation. Observations, small and large group instruction, tutoring, field experiences, and student teaching are included in the Clinical Experiences Program. The experiences offered prior to student teaching are integral parts of specific college courses. Clinical experiences are provided in off-campus professional development schools, local schools, campus laboratory schools, agencies and other approved non-school settings. The Cecilia J. Lauby Teacher Education Center monitors and documents all clinical experiences. Teacher candidates will show verification of having completed clinical experiences commensurate with attaining local, state, and national standards. Teacher candidates must provide their own transportation to clinical experiences sites.

Candidates are required to provide documentation of meeting all State of Illinois, district, and university requirements in regard to criminal background checks BEFORE beginning any clinical experiences. Criminal background checks must remain current as of the last day of the clinical experience. Candidates should consult with clinical course faculty and the Cecilia J. Lauby Teacher Education Center well in advance of clinical experiences to determine specific requirements needed each semester.

The approximate number of clinical hours associated with each course offering can be found with the appropriate course description. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- Observation (including field trips)
- Tutoring one-on-one contact
- Non-instructional assisting
- Small group instruction
- Whole class instruction
- Work with clinic client(s)
- Graduate practicum
- Professional meeting

Minor in Agriculture (AGR)

- 24 hours in Agriculture required

Required courses:
- AGR 109
- Two 100-level Agriculture courses

Major (min. 62 credit hours)

_____ 3  AGR 109  Introduction to the Agriculture Industry
_____ 3  AGR 110  Introductory Agricultural Economics
_____ 3  ACC 131  Financial Accounting (P: 12+ earned hours)
_____ 4  ECO 105  Principles of Economics
_____ 4  MAT 120  Finite Mathematics (P: C or better in MAT 119 or placement)

Take 1 of the following courses:
_____ 4/1  CHE 110/112  Fundamentals of Chemistry & Laboratory
_____ 4  CHE 140  General Chemistry I (P: C or better in MAT 119; or C or better in MAT 120 or 144 or 145 or conc. reg.)

Take 4 (12-14 credit hours) of the following courses:
_____ 3  AGR 120  Introductory Horticulture
_____ 3  AGR 130  Introduction to Agricultural Engineering Technology
_____ 4  AGR 150  Principles of Agronomy
_____ 4  AGR 157  Soil Science (P: CHE 102 or 110 or 140)
_____ 3  AGR 170  Introduction to Animal Science
_____ 3  AGR 205  Microcomputer Applications in Agriculture

Take 6 (18 credit hours) additional Agriculture electives:
At least 4 (12 credit hours) courses must be Agribusiness courses selected from: AGR 213, 214, 215, 216, 311, 312, 313, 314, 315, 317, 318, 319, 320, 324

Agribusiness electives:

Agriculture electives:

Take 4 (12 credit hours) additional electives from the College of Business and/or the Department of Economics:

— AGR 295, 394, and 395 do not count toward this major
— Non-business majors who desire to elect more than 30 hours of their coursework in business must meet all College of Business requirements for graduation. These students should register for additional courses only in person and with the written permission of the College of Business advisor.

MAJOR IN AGRICULTURE (B.S.)
AGRIBUSINESS SEQUENCE

Transfer Students

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents
_____   3   C2 900  COM 110  Communication as Critical Inquiry
_____   3   C1 900  ENG 101 or ENG 101A10  Composition as Critical Inquiry
_____   3   C1 901  ENG 145  Writing in the Academic Disciplines

Mathematics (1 course required)
_____  4   M1 906 MAT 120 Finite Math

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.
_____  4   P1 902 and P1 902L CHE 110/112 Fundamentals of Chemistry or P1 902L CHE 140 General Chemistry I

Humanities & Fine Arts (3 courses required)
At least 1 humanities and 1 fine arts course required

Social & Behavioral Sciences (3 courses required)
2 different disciplines must be represented
_____  3   S3 901  Macroeconomics
_____  3   S3 902  Microeconomics

Additional Graduation Requirements
_____ /120 minimum total credit hours
_____ /42 minimum senior college hours

AMALI requirement (1 course required)
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses. See major requirements for course options.

Major (min. 62 credit hours)
_____  3   AGR 109  Introduction to the Agriculture Industry
_____  3   AGR 110  Introductory Agricultural Economics

2 different disciplines must be represented

Additional Graduation Requirements

- /120 minimum total credit hours
- /42 minimum senior college hours

AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses. See major requirements for course options.

Major (min. 61 credit hours)

- 3 AGR 109 Introduction to the Agriculture Industry
- 3 AGR 170 Introduction to Animal Science
- 2 AGR 173 Working With Domestic Animals (P: AGR 170 or conc. reg.)
- 3 AGR 272 Agricultural Genetics
- 4 AGR 275 Introduction to Animal Nutrition (P: AGR 170)
- 3 AGR 282 Anatomy & Physiology of Livestock & Companion Animals I (P: AGR 170 and BSC 196 or 197)
- 3 AGR 283 Reproductive Physiology of Livestock
- 3 AGR 286 Behavior of Domestic Animals
- 3 AGR 380 Current Issues in the Livestock Industry (P: AGR 170, 173, 272, 275, 282, 283, 286; 75+ earned or in progress hours)

Take 1 of the following courses:

- 3 AGR 110 Introductory Agricultural Economics
- 3 AGR 120 Introductory Horticulture
- 3 AGR 130 Introduction to Agricultural Engineering Technology
- 4 AGR 150 Principles of Agronomy
- 4 AGR 157 Soil Science (P: CHE 102 or 110 or 140)

Choose 1 of the following options:

- 2 AGR 381A01 Livestock Industry: Beef Cattle (P: AGR 170, 173, 272, 275, 282, 283, 286, 380 or conc. reg.)
- 2 AGR 381A03 Livestock Industry: Swine (P: AGR 170, 173, 272, 275, 282, 283, 286, 380 or conc. reg.)
- 2 AGR 398 Professional Practice: Internship in Agriculture (P: 2.5 GPA; 8 hours of course work in intern area; approved application)

Choose 1 of the following options:

- 3 CHE 102 Chemistry & Society
- 4/1 CHE 110/112 Fundamentals of Chemistry & Laboratory
- 4/4 CHE 140 General Chemistry I (P: C or better in MAT 119; or C or better in MAT 120 or 144 or 145 or conc. reg.) AND CHE 141 General Chemistry II (P: CHE 140)

Choose 1 of the following options:

- 3 BSC 101 Fundamental Concepts in Biology
- 4/4 BSC 196 Biological Diversity AND BSC 197 Molecular & Cellular Basis of Life

Take 5 (15 credit hours) additional Agribusiness electives:
Please consult your academic advisor.

Take 8 credit hours of additional Animal Science electives:
Please consult your academic advisor.

MAJOR IN AGRICULTURE (B.S.)
ANIMAL SCIENCE SEQUENCE

General Education Program (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
_____ 3 COM 110 Communication as Critical Inquiry
_____ 3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

Mathematics (1 course required)
_____ 4 MAT 120 Finite Mathematics

Natural Science/Natural Science Alternatives (2 courses required)
 Students must complete 1 course from 2 different sciences. Please see major requirements for natural science options.

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***

Language in the Humanities (1 course required)***

Quantitative Reasoning for B.S. (1 course required)
Exempt for Agriculture majors

Science, Math, & Technology (1 course required)

Social Sciences (1 course required)***

Additional Graduation Requirements
_____ 42 minimum senior college hours
_____ 120 minimum total credit hours

AMALI requirement
***Certain courses in General Education fulfill the AMALI requirement. See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses. See major requirements for course options.

Major (min. 56 credit hours)
_____ 3 AGR 109 Introduction to the Agriculture Industry
_____ 3 AGR 170 Introduction to Animal Science
_____ 2 AGR 173 Working With Domestic Animals (P: AGR 170 or conc. reg.)
_____ 3 AGR 272 Agricultural Genetics
_____ 4 AGR 275 Introduction to Animal Nutrition (P: AGR 170)
_____ 3 AGR 282 Anatomy & Physiology of Livestock & Companion Animals I (P: AGR 170 and BSC 196 or 197)
_____ 3 AGR 283 Reproductive Physiology of Livestock
_____ 3 AGR 286 Behavior of Domestic Animals
_____ 3 AGR 380 Current Issues in the Livestock Industry (P: AGR 170, 173, 272, 275, 282, 283, 286; 75+ earned or in progress hours)

Take 1 of the following courses:
_____ 3 AGR 110 Introductory Agricultural Economics
_____ 3 AGR 120 Introductory Horticulture
_____ 3 AGR 130 Introduction to Agricultural Engineering Technology
_____ 4 AGR 150 Principles of Agronomy
_____ 4 AGR 157 Soil Science (P: CHE 102 or 110 or 140)

Choose 1 of the following options:
_____ 2 AGR 381A01 Livestock Industry: Beef Cattle (P: AGR 170, 173, 272, 275, 282, 283, 286, 380 or conc. reg.)
_____ 2 AGR 381A02 Livestock Industry: Swine (P: AGR 170, 173, 272, 275, 282, 283, 286, 380 or conc. reg.)
_____ 2 AGR 398 Professional Practice: Internship in Agriculture (P: 2.5 GPA; 8 hours of course work in intern area; approved application)

Choose 1 of the following options:
_____ 4/1 CHE 110/112 Fundamentals of Chemistry & Laboratory
_____ 4/4 CHE 140 General Chemistry I (P: C or better in MAT 119; or C or better in MAT 120 or 144 or 145 or conc. reg.) AND CHE 141 General Chemistry II (P: CHE 140)

Choose 1 of the following options:
_____ 5 CHE 220 Elementary Organic Chemistry (P: CHE 112 or 141)
_____ 3/1 CHE 230 Organic Chemistry I (P: CHE 141) AND CHE 231 Organic Chemistry Laboratory (P: CHE 141; conc. reg. in CHE 230)

Take 1 of the following courses:
_____ 3 CHE 242 Basic Biochemistry (P: 1 semester of organic chemistry)
_____ 3 CHE 342 General Chemistry I (P: C or better in CHE 232 or 1 year of organic chemistry)

Take 1 of the following courses:
_____ 4 BSC 196 Biological Diversity
_____ 4 BSC 197 Molecular & Cellular Basis of Life

Take 1 of the following courses:
_____ 4 MAT 120 Finite Mathematics (P: C or better in MAT 119 or placement)
_____ 4 MAT 144 Precalculus (P: C or better in MAT 119 & 108 or placement)
_____ 4 MAT 145 Calculus I (P: C or better in MAT 144 or placement)

Take 4 credit hours of additional Animal Science electives:
Please consult your academic advisor.

Horticulture and Landscape Management Sequence

**General Education (39 credit hours)**
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

**Communication and Composition (2 courses required)**
- 3 COM 110 Communication as Critical Inquiry
- 3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

**Mathematics (1 course required)**
- 4 MAT 120 Finite Mathematics

**Natural Science/Natural Science Alternatives (2 courses required)**
Students must complete 1 course from 2 different sciences. Please see major requirements for science options.

**United States Traditions (1 course required)**

**Individuals & Civic Life (1 course required)**

**Fine Arts (1 course/3 credit hours required)***

**Humanities (1 course required)***

**Language in the Humanities (1 course required)***

**Quantitative Reasoning for B.S. or LAN 115 for B.A. (1 course required)**
Exempt for Horticulture & Landscape Management majors

**Science, Math, & Technology (1 course required)**

**Social Sciences (1 course required)***

**Additional Graduation Requirements**
- 120 minimum total credit hours
- 42 minimum senior college hours

**AMALI requirement**
***certain courses in General Education fulfill the AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

**B.S. Science, Math, & Technology (1 course required)**
See the B.S. — SMT Requirement section of the catalog or the Course Finder website for a list of courses. See major requirements for course options.
- 4 AGR 157 Soil Science

**Major (min. 59 credit hours)**
- 3 AGR 109 Introduction to the Agriculture Industry
- 3 AGR 110 Introductory Agricultural Economics
- 3 AGR 120 Introductory Horticulture
- 3 AGR 130 Introduction to Agricultural Engineering Technology
- 4 AGR 157 Soil Science (P: CHE 102 or 110 or 140)
- 3 ACC 131 Financial Accounting (P: 12+ earned hours)
- 4 ECO 105 Principles of Economics
- 3 FIL 185 Legal, Ethical, & Social Environment of Business (P: 15+ earned hours; ECO 103 or 105)
- 4 MAT 120 Finite Mathematics (P: C or better in MAT 119 or placement)

**Choose 1 of the following options:**
- 4/1 CHE 110/112 Fundamentals of Chemistry & Laboratory
- 4 CHE 140 General Chemistry I (P: C or better in MAT 119; or C or better in MAT 120 or 144 or 145 or conc. reg.)

**Take 1 of the following courses; AGR 150 preferred:**
- 4 AGR 150 Principles of Agronomy
- 4 BSC 196 Biological Diversity
- 4 BSC 197 Molecular & Cellular Basis of Life

**Take 4 (12 credit hours) additional Agriculture electives:**
(AGR 252, 253, 254, 255, 256, 257, 260, 262, 352, 353, 355, 356)
- 252
- 253
- 254
- 255
- 256
- 257
- 260
- 262
- 352
- 353
- 355
- 356

**Take 3 (9 credit hours) additional electives from the College of Business and/or the Department of Economics:**

**Major (min. 71 credit hours)**

- 3 AGR 109 Introduction to the Agriculture Industry
- 3 AGR 170 Introduction to Animal Science
- 2 AGR 173 Working With Domestic Animals (P: AGR 170 or conc. reg.)
- 3 AGR 272 Agricultural Genetics
- 4 AGR 275 Introduction to Animal Nutrition (P: AGR 170)
- 3 AGR 282 Anatomy & Physiology of Livestock & Companion Animals I (P: AGR 170 and BSC 196 or 197)
- 3 AGR 283 Reproductive Physiology of Livestock
- 3 AGR 286 Behavior of Domestic Animals
- 3 AGR 380 Current Issues in the Livestock Industry (P: AGR 170, 173, 272, 275, 282, 283, 286; 75+ earned or in progress hours)
- 4 BSC 196 Biological Diversity
- 4 BSC 197 Molecular & Cellular Basis of Life
- 4 CHE 140 General Chemistry I (P: C or better in MAT 119; or C or better in MAT 120 or 144 or 145 or conc. reg.)
- 4 CHE 141 General Chemistry II (P: CHE 140)
- 3 CHE 230 Organic Chemistry I (P: CHE 141)
- 1 CHE 231 Organic Chemistry Laboratory (P: CHE 141; conc. reg. in CHE 230)

**Take 1 of the following courses:**
- 3 AGR 110 Introductory Agricultural Economics
- 3 AGR 120 Introductory Horticulture
- 3 AGR 130 Introduction to Agricultural Engineering Technology
- 4 AGR 150 Principles of Agronomy
- 4 AGR 157 Soil Science (P: CHE 102 or 110 or 140)

**Choose 1 of the following options:**
- 2 AGR 381A01 Livestock Industry: Beef Cattle (P: AGR 170, 173, 272, 275, 282, 283, 286, 380 or conc. reg.)
- 2 AGR 381A03 Livestock Industry: Swine (P: AGR 170, 173, 272, 275, 282, 283, 286, 380 or conc. reg.)
- 2 AGR 398 Professional Practice: Internship in Agriculture (P: 2.5 GPA; 8 hours of course work in intern area; approved application)

**Take 1 of the following courses:**
- 3 CHE 242 Basic Biochemistry (P: 1 semester of organic chemistry)
- 3 CHE 342 General Biochemistry I (P: C or better in CHE 232 or 1 year of organic chemistry)

**Take 1 of the following courses:**
- 4 BSC 196 Biological Diversity
- 4 BSC 197 Molecular & Cellular Basis of Life

**Choose 1 of the following options:**
- 5/5 PHY 108 College Physics I AND PHY 109 College Physics II (P: PHY 108 or 110)
- 4/4 PHY 110 Physics for Science & Engineering I (P: MAT 145 or conc. reg.) AND PHY 111 Physics for Science & Engineering II (P: PHY 110 and MAT 146 or conc. reg.)

**Take 1 of the following courses:**
- 4 MAT 144 Precalculus (P: C or better in MAT 119 & 108 or placement)
- 4 MAT 145 Calculus I (P: C or better in MAT 144 or placement)

**Take 4 credit hours of additional Animal Science electives:**
Please consult your academic advisor.

Criminal Justice Sciences (CJS)  525
441 Schroeder Hall, (309) 438-7626
https://CriminalJustice.IllinoisState.edu
Chairperson: Brent Teasdale

General Department Information
The purpose of the Criminal Justice Sciences program is to provide the student with a system orientation to the field of Criminal Justice. Study in Criminal Justice involves the application of the principles of Criminal Justice and the related behavioral and social sciences to problems and issues in the field of Criminal Justice. The program focuses on the building of knowledge in the areas of policing, courts, and corrections from a social science perspective. Students develop a knowledge base for an in-depth understanding of human behavior and the kinds of problems and circumstances that often result in criminality. Finally, the program provides students with the opportunity to gain necessary skills in the area of interviewing, program development, community organization, planning and research to function in a professional position in the field of Criminal Justice.

Program Admission Requirements for New and Continuing Students
Admission to this academic program is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission and the application and selection process, visit IllinoisState.edu/Majors or contact the undergraduate advisor for the intended major.

The Department of Criminal Justice Sciences reserves the right to maintain a balanced enrollment.

a. This may restrict the numbers of freshmen, transfer students, and continuing students who wish to be Criminal Justice Sciences majors.

b. Most Criminal Justice Sciences courses are restricted to Criminal Justice Science majors.

Retention Requirements
Criminal Justice Sciences majors must maintain a cumulative GPA of at least 2.40 every semester. If, at any given time, a student’s GPA falls below a 2.40 that student may be removed from the major and reclassified as Undeclared. After a student is reclassified as Undeclared, all rights as a major are forfeited, including the right to be eligible to do the Criminal Justice Sciences internship. Students who have been reclassified must meet regular admission requirements to be eligible for readmission to the major.

Honors in Criminal Justice Sciences
The Department offers honors study in Criminal Justice Sciences to highly qualified students who will pursue an individualized program of study. The Honors Program enables the student to focus on topics of the student’s own choosing in close consultation with a Criminal Justice Sciences Department faculty member.

Students must also fulfill the general education requirements for participation in the University’s Honors Program. Successful completion of the Honors Program will provide the designation of Honors in Criminal Justice Sciences upon graduation. The University will note the Honors designation on official transcripts and the diploma. Requirements include being in good standing with the Honors Program and are reviewed at the end of the final semester. These requirements include:

1) 3.30 cumulative GPA
2) 3.50 major GPA
3) Fulfill Honors Program participation requirements: One (1) Honors Learning Experience per semester in the program, including the final semester. Please note: students are not required to complete an Honors Learning Experience when they are off-campus
4) Complete three (3) Honors Learning Experiences in CJS courses, which may include:
   • Honors Section
   • Honors Contracts for in-class honors
   • Honors Research
   • Honors Explorations (a maximum of 2)
5) Complete an Honors Capstone Experience, which may include:
   • Honors Independent Study (299)
   • Honors Thesis (HON 395)

Students interested in participating in the Honors Program should inquire about admission in the Office of the Department of Criminal Justice Sciences. Further details about the University Honors program are available at Honors.IllinoisState.edu.

Criminal Justice Sciences Programs
Degrees Offered: B.A., B.S.

Students seeking enrollment in CJS 398A01 and 398A02 must complete necessary paperwork for application to the internship which will be received during mandatory meetings set by the Internship Coordinator. To be eligible, the student must have: (1) completed 60 semester hours, (2) an overall and major GPA of 2.00 at the time referrals are made. Students who have significant professional experience in the criminal justice system or related field, may apply for an exemption to the internship requirement. If approved, students must take 6 hours of coursework approved by the academic advisor. Students eligible for an internship will, with the assistance of the internship coordinator, choose an agency from a list of approved agencies. Students may also participate in out-of-state internships.

Minor in Criminal Justice Sciences

- 21 hours required
- Required courses: CJS 101, 200, 201, 207, 208
- 6 hours of electives selected, with the approval of an academic advisor, from the Department of Criminal Justice Science’s course offerings

Note: Space in Criminal Justice Sciences courses is limited for non-majors. Please see the department website for specific criteria for admission and retention to the minor

FAMILY AND CONSUMER SCIENCES (FCS)  506
110 Turner Hall, (309) 438-2517
Fax: (309) 438-5659
https://FCS.IllinoisState.edu
Email: FCS@IllinoisState.edu
Interim Chairperson: Jeff Clark

General Department Information
Family and Consumer Sciences is a profession committed to improving the quality of life for individuals and families. The mission of the department is educating tomorrow’s professionals through excellent teaching, innovative research, and meaningful service to enrich lives, strengthen families, and build resilient communities. The Department serves undergraduate and graduate majors specializing in fields such as interior design, human development, family life education, nutrition and dietetics, fashion design and merchandising, and family and consumer sciences teacher education. The undergraduate programs of the department are accredited by the American Association of Family and Consumer Sciences.

Honors in Family and Consumer Sciences
The Department offers honors work in each Family and Consumer Sciences program to highly qualified students. Candidates must be full-time students, declared Family and Consumer Sciences majors, and have an overall 3.30 GPA. Honors requirements include completion of at least 3 in-course honors at the 200-level or above. Honors students may also pursue Honors in the Major. This would involve at least 2 Honors projects taken in the Department and the completion of FCS 299, culminating in a substantial research project. The Department also offers in-course honors work in all courses for students enrolled in the University Honors Program or in any departmental honors program. In-course honors work is offered at the discretion of the instructor. For further information, contact the departmental advisor. All Family and Consumer Sciences honors students must fulfill the general requirements for participation in the University Honors Program. Further details about the University Honors program are available at https://Honors.IllinoisState.edu

Family and Consumer Sciences Programs
Degrees Offered: B.A., B.S.

Admission Requirements for Family and Consumer Sciences Majors (Non-Teacher Education Options):
A student may enter a major or minor in the Department of Family and Consumer Sciences as a freshman, transfer student, or as a change of major at Illinois State University. Students should contact the Family and Consumer Sciences undergraduate advisor for minimum GPA requirements and/or other admission requirements. Options in the Department of Family and Consumer Sciences are in high demand and admissions are based on a combination of student qualifications and course capacities.

Major in Family and Consumer Sciences (FCS)
Degrees Offered: B.A., B.S.

General Sequence
Students in the General Sequence in the Family and Consumer Sciences major receive a broad education which prepares them for general careers in a variety of settings that enhance the lives of individuals, their families, communities and organizations. Those who study family and consumer sciences at a professional level acquire the knowledge and skills to help people make informed decisions to safeguard their health and optimize their quality of life. Students are provided opportunities to develop the knowledge, skills, attributes, and behaviors needed in a diverse and global society. Students will find this degree beneficial to developing their own unique professional career path. Students are encouraged to consider completing a minor.

Family and Consumer Sciences Teacher Education Sequence
Selective Admission-Retention Requirements
Selective Admission: All Family and Consumer Sciences Education students planning to become licensed teachers must apply for and be admitted to the University’s Professional Studies program. (See the University-Wide Teacher Education Program section of this Undergraduate Catalog.) Upon applying for admission each Family and Consumer Sciences student must have verified the following:

1. A minimum GPA of 2.50 overall and in all Family and Consumer Sciences courses including Professional Education courses.
2. A positive recommendation for Admission to Professional Studies by all Family and Consumer Sciences faculty. See the departmental advisor for procedure.
3. An interview with the Family and Consumer Sciences Education Coordinator.

Selective Retention: In order to receive departmental approval for a student teaching assignment the student must verify the following:

1. Maintain a minimum GPA of 2.50 in all courses and in all Family and Consumer Sciences courses including Professional Education courses.
2. Completion of FCS 200, or the equivalent for transfer students.

Part of the endorsement program leading to licensure by the State of Illinois for teaching Family and Consumer Sciences courses grades 6-12. “Nutrition, Wellness, and Hospitality” designation.

See the Family and Consumer Sciences advisor for information about courses that count towards additional Family and Consumer Sciences designations. See the Professional Studies Admission-Retention program found in the University-Wide Professional Studies Program Requirements for admission and retention standards. Also
see the Family and Consumer Sciences Selective Admission- 
Retention Requirements section of this Undergraduate 
Catalog.

Clinical Experiences in Teacher Education
A variety of clinical (pre-student teaching) experiences, as 
well as student teaching, are included in the teacher 
candidates professional preparation. Observations, small and 
large group instruction, tutoring, field experiences, and 
student teaching are included in the Clinical Experiences 
Program. The experiences offered prior to student teaching 
are integral parts of specific college courses. Clinical 
experiences are provided in off-campus professional 
development schools, local schools, campus laboratory 
schools, agencies and other approved non-school settings. 
The Cecilia J. Lauby Teacher Education Center monitors and 
documents all clinical experiences. Teacher candidates will 
show verification of having completed clinical experiences 
commensurate with attaining local, state, and national 
standards. Teacher candidates must provide their own 
transportation to clinical experiences sites. 
Candidates are required to provide documentation of 
meeting all State of Illinois, district, and university 
requirements in regard to criminal background checks 
BEFORE beginning any clinical experiences. Criminal 
background checks must remain current as of the last day of 
the clinical experience. Candidates should consult with 
clinical course faculty and the Cecilia J. Lauby Teacher 
Education Center well in advance of clinical experiences to 
determine specific requirements needed each semester. 
The approximate number of clinical hours associated with 
each course offering can be found with the appropriate 
course description in this Undergraduate Catalog. The 
following legend relates to the type and kind of activity 
related to a specific course.

Clinical Experiences Legend
- Observation (including field trips)
- Tutoring one-on-one contact
- Non-instructional assisting
- Small group instruction
- Whole class instruction
- Work with clinic client(s)
- Graduate practicum
- Professional meeting

Major in Fashion Design and Merchandising
Degrees Offered: B.A., B.S.
The Fashion Design and Merchandising program at Illinois 
State University offers two sequences: Fashion Design and 
Merchandising Sequence, and Fashion Design and 
Merchandising Accelerated Sequence.

Fashion Design and Merchandising Sequence
The Fashion Design and Merchandising (FDM) program 
prepares students for careers in the global apparel and 
textile industry including apparel design and production, 
merchandising, textile product quality control, and historic 
costume and textile preservation. Computer-aided design 
(CAD) programs, pattern making and design, visual retailing 
software, merchandising process simulation, textile quality 
testing, and sustainability are incorporated into classes.
The FDM program offers courses in textiles, fashion trend 
and industry analysis, social and psychological aspects of 
clothing and behavior, fashion history, economics of fashion, 
fashion merchandising, fashion design, apparel production, 
fashion-related marketing and management and 
sustainability.
Within the FDM program, students can select either the 
Fashion Merchandising option or the Fashion Design and 
Product Development option. FDM students have the 
opportunity to participate in study tours inside and outside of 
the United States to locations such as New York and 
California, as well as various locations in Europe. The tours 
provide students the opportunity to learn about various firms 
within the textiles and apparel industry.

Fashion Design and Merchandising Accelerated Sequence
Program Admission Requirements for New and Continuing 
Students: High achieving students with a cumulative GPA of 
3.20 or higher may apply to the accelerated sequence one 
year before completion of their undergraduate degree. 
This sequence allows students to take up to 12 hours of 
approved graduate courses that will count for both the 
undergraduate and graduate program in Fashion Design and 
Merchandising/Family and Consumer Sciences. Students can 
then apply to the Family and Consumer Sciences graduate 
program in the spring of their senior year. Enrollment in the 
Accelerated Sequence does not guarantee final admission 
into the Family and Consumer Sciences graduate program. 
For additional information on minimum requirements for 
admission and the application and selection process, visit 
IllinoisState.edu/Majors.

- For students interested in Fashion Merchandising, a 
  Business Administration or Communication minor is 
  recommended; for students interested in Fashion 
  Design/Product Development, an Art History, Theatre, or 
  Business Administration minor is recommended; for 
  students interested in Fashion Journalism, a 
  Communication minor is recommended; for students 
  interested in Museum Curator/Conservator, a minor in 
  History or Art History is recommended.
Major in Food, Nutrition and Dietetics

Degrees Offered: B.A., B.S.

The Food, Nutrition and Dietetics (FND) program at Illinois State University offers four sequences: Dietetics Sequence, Dietetics Accelerated Sequence, Food and Nutrition Management Sequence, and Food Nutrition Management Accelerated Sequence.

Dietetics Sequence

The Dietetics sequence is a Didactic Program in Dietetics (DPD) which is accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND) of the Academy of Nutrition and Dietetics. The program prepares students for dietetic internships and careers in promoting optimal health by incorporating positive food choices and nutrition strategies which influence the overall well-being of individuals and communities. This sequence provides the first step for students wanting to become a registered dietitian (R.D.). To become an R.D., students must apply for an ACEND-accredited dietetic internship after graduation, and, upon completion, are eligible to take the registration examination. An ACEND Verification Statement of DPD Completion will be given to students completing this sequence. This official statement is required for graduates to begin an ACEND-accredited dietetic internship after acceptance, and for other professional applications requiring verification of DPD completion. The Didactic Program in Dietetics (DPD) at Illinois State University is currently accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND) of the Academy of Nutrition and Dietetics. ACEND is recognized by the United States Department of Education and can be contacted at 120 South Riverside Plaza, Suite 2190, Chicago, IL 60606-6995, (312) 899-0040, Ext 5400.

Dietetics Accelerated Sequence

Program Admission Requirements for New and Continuing Students: High achieving students with a cumulative GPA of 3.20 or higher may apply to the accelerated sequence one year before completion of their undergraduate degree. This sequence allows students to take up to 12 hours of approved graduate courses that will count for both the undergraduate and graduate programs in Dietetics Sequence. Students: high achieving students with a cumulative GPA of 3.20 or higher may apply to the accelerated sequence one year before completion of their undergraduate degree. This sequence allows students to take up to 12 hours of approved graduate courses that will count for both the undergraduate and graduate programs in Food and Nutrition Management Accelerated Sequence.

Food and Nutrition Management Accelerated Sequence

Program Admission Requirements for New and Continuing Students: High achieving students with a cumulative GPA of 3.20 or higher may apply to the accelerated sequence one year before completion of their undergraduate degree. This sequence allows students to take up to 12 hours of approved graduate courses that will count for both the undergraduate and graduate programs in Food and Nutrition Management Accelerated Sequence.

Food and Nutrition Management Sequence

The Food and Nutrition Management sequence prepares students for careers in the growing food industry by combining business and management principles with food service and hospitality skills. This sequence requires fewer science courses (no organic and biochemistry) and more business and food-related courses than the dietetics sequence. Consumers spend about 50 percent of their food dollars in restaurants, cafeterias, fast-food franchises, at work, or at school. Food systems managers organize these operations and make sure the foods are attractive, nutritious, and safely prepared. Popular career options include restaurant manager, cafeteria manager, catering, and corporate, hospital, long-term care, or school food service manager. Employment opportunities also exist with companies that produce food, food ingredients, or processing equipment, and food safety inspection, food sales, marketing, and business management.

Major in Human Development and Family Science

Degrees Offered: B.A., B.S.

Students majoring in Human Development and Family Science will find rewarding careers working to improve the lives of individuals, families, and communities. Human Development and Family Science graduates are prepared to enter a variety of service-oriented fields. Graduates may work in a variety of settings including nonprofit organizations, child care centers, preschools, private educational settings, parent/family life education, residential facilities, camp settings, colleges and universities (non-teaching positions), state, local, and federal government agencies, and hospitals and other organizations/businesses serving the needs of children and families.

The Human Development and Family Science undergraduate program provides a foundation for advanced graduate study in child life, family science, child/human development, social work, marriage and family therapy, psychology, counseling, gerontology, early intervention, occupational therapy and religious studies.
Major in Interior Design
Degrees Offered: B.A., B.S.
The Interior Design (ID) program at Illinois State University offers two sequences: Interior Design Sequence, and Interior Design Accelerated Sequence, which is a pathway to the Family and Consumer Sciences graduate program.

Interior Design Sequence
The Interior Design program prepares students to design innovative, functional, supportive, and responsible interior environments that positively impact the quality of life within a global market. The curriculum develops students’ skills and knowledge in design, sketching and technical drawing, space planning, interior construction and building systems, materials specifications, historical interiors, building codes and accessibility guidelines. Sustainability issues and universal design are emphasized. The program is accredited by the Council for Interior Design Accreditation (CIDA) and focuses on the broad range of specialties within commercial interior design. Course content is based on the knowledge and skills needed to pass the National Council for Interior Design Qualification certification exam. To be licensed in the State of Illinois, graduates of a 4-year CIDA-accredited program must have a minimum of two years professional work experience and pass the National Council for Interior Design Qualification (NCIDQ) Examination. Passage of this exam also qualifies the individual for professional membership in interior design organizations such as International Interior Design Association (IIDA) and American Society of Interior Designers (ASID).

Interior Design Accelerated Sequence
Program Admission Requirements for New and Continuing Students: High achieving students with a cumulative GPA of 3.20 or higher may apply to the accelerated sequence one year before completion of their undergraduate degree. This sequence allows students to take up to 12 hours of approved graduate courses that will count for both the undergraduate and graduate program in Interior Design/Family and Consumer Sciences. Students can then apply to the Family and Consumer Sciences graduate program in the spring of their senior year. Enrollment in the Accelerated Sequence does not guarantee final admission into the Family and Consumer Sciences graduate program. For additional information on minimum requirements for admission and the application and selection process, visit IllinoisState.edu/Majors.

Minor in Family and Consumer Sciences
A minor in Family and Consumer Sciences complements many majors from business to humanities. Students may take courses from a number of different Family and Consumer Sciences disciplines or focus on one particular area of interest.

B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)

FCS Major—General Sequence Option 1 (54 credit hours)

3 FCS 100 Introduction to Family & Consumer Sciences
3 FCS 101 Human & Family Development
3 FCS 102 Fundamentals of Human Nutrition
3 FCS 104 Environmental Design Elements: Studio
3 FCS 113 Principles of Food Preparation
3 FCS 200 Problem Solving & Research Methods in Family & Consumer Sciences (P: FCS 100)
3 FCS 222 Cultural Diversity in Dress (P: COM 110 and ENG 101)
3 FCS 226 Fashion Trend & Industry Analysis
3 FCS 231 Parenting (P: FCS 101)
3 FCS 232 Resource Management for Individuals & Families (P: FCS 101)
3 FCS 242 Drafting for Interior Design
2 FCS 300 Professional Leadership in Family & Consumer Sciences (P: FCS 200; conc. reg. with first FCS 398)
1 FCS 398 Professional Practice: Family & Consumer Sciences (P: FCS 200; 2.0 GPA; 75+ earned hours; conc. reg. with FCS 300 if first time taken; consult academic advisor for add. req.)

Take 18 additional credit hours of Family and Consumer Sciences electives (9 must be at the 300-level) from the following:

FCS Major—General Sequence Option 2 (55 credit hours)

3 FCS 100 Introduction to Family & Consumer Sciences
3 FCS 200 Problem Solving & Research Methods in Family & Consumer Sciences (P: FCS 100)
2 FCS 300 Professional Leadership in Family & Consumer Sciences (P: FCS 200; conc. reg. with first FCS 398)
1 FCS 398 Professional Practice: Family & Consumer Sciences (P: FCS 200; 2.0 GPA; 75+ earned hours; conc. reg. with FCS 300 if first time taken; consult academic advisor for add. req.)

Take 18 credit hours from one of the FCS discipline areas: Fashion Design and Merchandising; Food, Nutrition and Dietetics; Human Development and Family Science; or Interior Design

Consult with your academic advisor to select appropriate courses.

FCS Major—General Sequence Option 2 (55 credit hours)

Take 28 additional credit hours of Family and Consumer Sciences electives (9 hours must be at the 300-level) from the following:

Family and Consumer Sciences Courses:

All Courses: https://coursefinder.illinoisstate.edu/directory/
MAJOR IN FAMILY AND CONSUMER SCIENCES
General Sequence (B.S. or B.A.)
Complete Option 1 OR Option 2
Transfer Students
Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents
3 C2 900 COM 110 Communication as Critical Inquiry
3 C1 900 ENG 101 or ENG 101A10 Composition as Critical Inquiry
3 C1 901 ENG 145 Writing in the Academic Disciplines

Mathematics (1 course required)
Please see major requirements for mathematics options

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.

Humanities & Fine Arts (3 courses required)
At least 1 humanities and 1 fine arts course required

Social & Behavioral Sciences (3 courses required)
2 different disciplines must be represented
3 S6 900 PSY 110 Fundamentals of Psychology

Additional Graduation Requirements
120 minimum total credit hours
42 minimum senior college hours

AMALI requirement
***certain courses in General Education fulfill the AMALI requirement
Please see major requirements for AMALI options

Recommended electives: FCS 222, 334, 365, 368, 369, 371; MQM 328

Note: To graduate in this sequence, a student must take at least
one course for graduate credit during the senior year. Up to 12
hours of approved graduate courses may be taken that will count
for both the undergraduate and graduate program. The student
must consult with an advisor and the instructor prior to the start of
each new course to ensure approval.

All Courses:
https://coursefinder.illinoisstate.edu/directory/
FAMILY AND CONSUMER SCIENCES
MAJOR IN FOOD, NUTRITION AND DIETETICS
Dietetics Sequence (B.S. or B.A.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
_____ 3 COM 110 Communication as Critical Inquiry
_____ 3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

Mathematics (1 course required)

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.
_____ 4/1 CHE 110/112 Fundamentals of Chemistry & Lab

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)**

Humanities (1 course required)**

Language in the Humanities (1 course required)**

Quantitative Reasoning (1 course required)

Science, Math, & Technology (1 course required)
_____ 4 BSC 160 Microbiology & Society

Social Sciences (1 course required)**
Please see major requirements for social science options

Additional Graduation Requirements
_____/120 minimum total credit hours
_____/42 minimum senior college hours

AMALI requirement
** certain courses in General Education fulfill the AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.
FAMILY AND CONSUMER SCIENCES

MAJOR IN FOOD, NUTRITION AND DIETETICS

Dietetics Sequence (B.S. or B.A.)

Transfer Students

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents

- 3 C2 900 COM 110 Communication as Critical Inquiry
- 3 C1 900 ENG 101 or ENG 101A10 Composition as Critical Inquiry
- 3 C1 901 ENG 145 Writing in the Academic Disciplines

Mathematics (1 course required)
Please see major requirements for mathematics options

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.

- 4 P1 902 CHE 110 Fundamentals of Chemistry
- 1 P1 902L CHE 112 Fundamentals of Chemistry Lab

Humanities & Fine Arts (3 courses required)
At least 1 humanities and 1 fine arts course required

Social & Behavioral Sciences (3 courses required)
2 different disciplines must be represented

- 3 S6 900 PSY 110 Fundamentals of Psychology
- 3 S3 901 Macroeconomics
- 3 S3 902 Microeconomics

Additional Graduation Requirements

- /120 minimum total credit hours
- /42 minimum senior college hours

AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

- 4 BSC 160 Microbiology OR
- 5 CHE 220 Organic Chemistry

Major (min. 71 credit hours)

- 3 FCS 100 Introduction to Family & Consumer Sciences
- 3 FCS 102 Fundamentals of Human Nutrition
- 3 FCS 113 Principles of Food Preparation
- 3 FCS 200 Problem Solving & Research Methods in Family & Consumer Sciences (P: FCS 100)
- 3 FCS 217 Nutrition Through the Life Cycle (P: FCS 102)
- 3 FCS 219 Nutrition Counseling & Assessment** (P: FCS 217)
- 2 FCS 300 Professional Leadership in Family & Consumer Sciences (P: FCS 200; conc. reg. with first FCS 398)
- 3 FCS 311 Community Nutrition (P: FCS 102)
- 4 FCS 312 Medical Nutrition Therapy (P: FCS 219)
- 3 FCS 316 Food Science (P: FCS 113; CHE 110 and 112)
- 4 FCS 317 Nutrition & Metabolism (P: BSC 160; FCS 102; KNR 182)
- 3 FCS 318 Food Service Management (P: FCS 113)
- 4 FCS 319 Quantity Foods (P: FCS 113)
- 1 FCS 398 Professional Practice: Family & Consumer Sciences (P: FCS 200; 2.0 GPA; 75+ earned hours; conc. reg. with FCS 300 if first time taken; consult academic advisor for add. req.)
- 4 BSC 160 Microbiology & Society (P: COM 110; ENG 101; MAT 113, 120, 130, or 145)
- 4 CHE 110 Fundamentals of Chemistry
- 1 CHE 112 Fundamentals of Chemistry Laboratory (P: CHE 110 or conc. reg.)
- 5 CHE 220 Elementary Organic Chemistry (P: CHE 112 or 141)
- 3 CHE 242 Basic Biochemistry (P: 1 semester of organic chemistry)
- 3 KNR 182 Human Anatomy & Physiology II
- 3 MQM 220 Business Organization & Management (P: ECO 101 or 103 or 105; 60 hours completed)

Take 1 of the following courses:

- 3 PSY 110 Fundamentals of Psychology
- 4 PSY 111 Introduction to Psychology

Take 1 of the following courses:

- 3 ECO 103 Individuals & Social Choice (P: COM 110 or ENG 101 or conc. reg.)
- 4 ECO 105 Principles of Economics

Family and Consumer Sciences Courses:  
https://coursefinder.illinoisstate.edu/directory/fcs/

All Courses:  
https://coursefinder.illinoisstate.edu/directory/  

AMIALI requirement
See the AMIALI Requirement section of the catalog or the Course Finder
website for a list of courses.

B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder
website for a list of courses.
FAMILY AND CONSUMER SCIENCES
MAJOR IN FOOD, NUTRITION AND DIETETICS
Food and Nutrition Management Accelerated Sequence (B.S. or B.A.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
_____  3  COM 110  Communication as Critical Inquiry
_____  3  ENG 101 or ENG 101A10  Composition as Critical Inquiry

Mathematics (1 course required)

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.
_____  4/1  CHE 110/112  Fundamentals of Chemistry & Lab

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***

Language in the Humanities (1 course required)***

Quantitative Reasoning (1 course required)
_____  3  MQM 100

Science, Math, & Technology (1 course required)
_____  4  BSC 160  Microbiology & Society

Social Sciences (1 course required)***

Additional Graduation Requirements
_____/120 minimum total credit hours
_____/42 minimum senior college hours

AMALI requirement
***certain courses in General Education fulfill the AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

Major (62 credit hours)

FAMILY AND CONSUMER SCIENCES Courses:
https://coursefinder.illinoisstate.edu/directory/fcs/

All Courses:
https://coursefinder.illinoisstate.edu/directory/

Note: To graduate in this sequence, a student must take at least one course for graduate credit during the senior year. Up to 12 hours of approved graduate courses may be taken that will count for both the undergraduate and graduate program. The student must consult with an advisor and the instructor prior to the start of each new course to ensure approval.
FAMILY AND CONSUMER SCIENCES
MAJOR IN FOOD, NUTRITION AND DIETETICS
Food and Nutrition Management Accelerated Sequence (B.S. or B.A.)

Transfer Students

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents
_____ 3 C2 900 COM 110 Communication as Critical Inquiry
_____ 3 C1 900 ENG 101 or ENG 101A10 Composition as Critical Inquiry
_____ 3 C1 901 ENG 145 Writing in the Academic Disciplines

Mathematics (1 course required)
Please see major requirements for mathematics options
_____ 3 M1 902 MQM 100 Statistical Reasoning

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.
_____ 4 P1 902 CHE 110 Fundamentals of Chemistry
_____ 1 P1 902L CHE 112 Fundamentals of Chemistry Lab

Humanities & Fine Arts (3 courses required)
At least 1 humanities and 1 fine arts course required
______
______
______

Social & Behavioral Sciences (3 courses required)
2 different disciplines must be represented
_____ 3 S3 901 Macroeconomics
_____ 3 S3 902 Microeconomics
______

Additional Graduation Requirements
_____ 120 minimum total credit hours
_____ 42 minimum senior college hours

AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

Major (62 credit hours)

Major courses:

_____ 3 FCS 100 Introduction to Family & Consumer Sciences
_____ 3 FCS 102 Fundamentals of Human Nutrition
_____ 3 FCS 113 Principles of Food Preparation
_____ 3 FCS 200 Problem Solving & Research Methods in Family & Consumer Sciences (P: FCS 100)
_____ 3 FCS 213 Food Planning, Marketing, & Cost Controls (P: FCS 113)
_____ 3 FCS 214 The Hospitality Industry
_____ 3 FCS 217 Nutrition Through the Life Cycle (P: FCS 102)
_____ 2 FCS 300 Professional Leadership in Family & Consumer Sciences (P: FCS 200; conc. reg. with first FCS 398)
_____ 3 FCS 316 Food Science (P: FCS 113; CHE 110 and 112)
_____ 3 FCS 318 Food Service Management (P: FCS 113)
_____ 4 FCS 319 Quantity Foods (P: FCS 113)
_____ 3 FCS 320 Special Topics in Food & Hospitality (P: FCS 214; may be repeated if content is different)
_____ 3 FCS 337 Restaurant Operations (P: FCS 113, 213, and 214)
_____ 1 FCS 398 Professional Practice: Family & Consumer Sciences (P: FCS 200; 2.0 GPA; 75+ earned hours; conc. reg. with FCS 300 if first time taken; consult academic advisor for add. req.)
_____ 3 ACC 131 Financial Accounting (P: 12+ earned hours)
_____ 4 BSC 160 Microbiology & Society (P: COM 110; ENG 101; MAT 113, 120, 130, or 145)
_____ 4 CHE 110 Fundamentals of Chemistry
_____ 1 CHE 112 Fundamentals of Chemistry Laboratory (P: CHE 110 or conc. reg.)
_____ 4 ECO 105 Principles of Economics
_____ 3 MQM 100 Statistical Reasoning (P: MAT 120, 121, 144, or 145)
_____ 3 MQM 220 Business Organization & Management (P: ECO 101 or 103 or 105; 60 hours completed)

Recommended electives: AGR 271, 285; FIL 185; HSC 350; MKT 230, 231

Note: To graduate in this sequence, a student must take at least one course for graduate credit during the senior year. Up to 12 hours of approved graduate courses may be taken that will count for both the undergraduate and graduate program. The student must consult with an advisor and the instructor prior to the start of each new course to ensure approval.

FAMILY AND CONSUMER SCIENCES
MAJOR IN HUMAN DEVELOPMENT AND
FAMILY SCIENCE (B.S. or B.A.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
- 3 COM 110 Communication as Critical Inquiry
- 3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

Mathematics (1 course required)

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***

Language in the Humanities (1 course required)***

Quantitative Reasoning (1 course required)

Science, Math, & Technology (1 course required)

Social Sciences (1 course required)
Exempt for Human Development & Family Science

Additional Graduation Requirements
- 120 minimum total credit hours
- 42 minimum senior college hours

AMALI requirement
***certain courses in General Education fulfill the AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

Major (min. 51 credit hours)
- 3 FCS 100 Introduction to Family & Consumer Sciences
- 3 FCS 101 Human & Family Development
- 3 FCS 200 Problem Solving & Research Methods in Family & Consumer Sciences (P: FCS 100)
- 3 FCS 224 Enduring Issues for Couples & Families (P: COM 110 and ENG 101)
- 3 FCS 231 Parenting (P: FCS 101)
- 3 FCS 232 Resource Management for Individuals & Families (P: FCS 101)
- 3 FCS 252 Multicultural Family Studies (P: FCS 101)
- 2 FCS 300 Professional Leadership in Family & Consumer Sciences (P: FCS 200; conc. reg. with first FCS 398)
- 3 FCS 310 Family Crisis (P: 45+ earned hours)
- 3 FCS 333 Family & Consumer Public Policy (P: 45+ earned hours)
- 1 FCS 398 Professional Practice: Family & Consumer Sciences (P: FCS 200; 2.0 GPA; 75+ earned hours; conc. reg. with FCS 300 if first time taken; consult academic advisor for add. req.)

Take 1 of the following courses:
- 3 FCS 308 Organization & Administration of Early Childhood Programs (P: FCS 250)
- 3 FCS 335 Family Life Education Methods (P: FCS 231; 45+ earned hours)

Take 2 (6-8 credit hours) of the following development electives:
- 4 FCS 250 Development & Guidance of Preschool Children (P: FCS 101)
- 4 FCS 251 Development & Guidance of Infants & Toddlers (P: FCS 101)
- 3 FCS 254 Issues & Development in Middle Childhood (P: FCS 101)
- 3 FCS 304 Adolescence & Emerging Adulthood in the Cultural Context (P: FCS 101 and 200; 45+ earned hours)
- 3 FCS 305 Families in Later Life (P: 45+ earned hours)
- 3 FCS 307 Advanced Child Development Applications (P: FCS 250 or 251 or 254)

Take 2 (6 credit hours) of the following content electives:
- 3 FCS 306 Psychosocial Care of Children & Families in Healthcare Environments (P: FCS 231 or 250 or 251 or 254)
- 3 FCS 309 Couple Relationships (P: FCS 200)
- 3 FCS 363 Bereavement, Grief & Loss (P: FCS 231; FCS 310 or 364; 60+ earned hours)
- 3 FCS 364 Helping & Communication Skills for FCS Professions (P: FCS 101)
- 3 FCS 395 Sexuality & Family Life (P: FCS 101 and 224)

Take 6 additional credit hours of Family & Consumer Sciences or related field electives:
Please consult with your academic advisor.

All Courses:
https://coursefinder.illinoisstate.edu/directory/
### Illinois Articulation Initiative (min. 37 credit hours)

To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

- **Communication and Composition (3 courses required)**
  - A grade of C or better required in ENG 101 and 145 or equivalents
  - 3 C2 900 COM 110 Communication as Critical Inquiry
  - 3 C1 900 ENG 101 or ENG 101A10 Composition as Critical Inquiry
  - 3 C1 901 ENG 145 Writing in the Academic Disciplines

### Mathematics (1 course required)

Please see major requirements for mathematics options

### Physical & Life Sciences (2 courses/7-8 hours required)

Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.

### Humanities & Fine Arts (3 courses required)

At least 1 humanities and 1 fine arts course required

### Social & Behavioral Sciences (3 courses required)

2 different disciplines must be represented

### Additional Graduation Requirements

- **/120 minimum total credit hours**
- **/42 minimum senior college hours**

### AMALI requirement

See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

### B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)

See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

### Major (min. 51 credit hours)

- 3 FCS 100 Introduction to Family & Consumer Sciences
- 3 FCS 101 Human & Family Development
- 3 FCS 200 Problem Solving & Research Methods in Family & Consumer Sciences (P: FCS 100)
- 3 FCS 224 Enduring Issues for Couples & Families (P: COM 110 and ENG 101)
- 3 FCS 231 Parenting (P: FCS 101)
- 3 FCS 232 Resource Management for Individuals & Families (P: FCS 101)
- 3 FCS 252 Multicultural Family Studies (P: FCS 101)
- 2 FCS 300 Professional Leadership in Family & Consumer Sciences (P: FCS 200; conc. reg. with first FCS 398)
- 3 FCS 310 Family Crisis (P: 45+ earned hours)
- 3 FCS 333 Family & Consumer Public Policy (P: 45+ earned hours)
- 1 FCS 398 Professional Practice: Family & Consumer Sciences (P: FCS 200; 2.0 GPA; 75+ earned hours; conc. reg. with FCS 300 if first time taken; consult academic advisor for add. req.)

**Take 1 of the following courses:**

- 3 FCS 308 Organization & Administration of Early Childhood Programs (P: FCS 250)
- 3 FCS 335 Family Life Education Methods (P: FCS 231; 45+ earned hours)

**Take 2 (6-8 credit hours) of the following development electives:**

- 4 FCS 250 Development & Guidance of Preschool Children (P: FCS 101)
- 4 FCS 251 Development & Guidance of Infants & Toddlers (P: FCS 101)
- 3 FCS 254 Issues & Development in Middle Childhood (P: FCS 101)
- 3 FCS 304 Adolescence & Emerging Adulthood in the Cultural Context (P: FCS 101 and 200; 45+ earned hours)
- 3 FCS 305 Families in Later Life (P: 45+ earned hours)
- 3 FCS 307 Advanced Child Development Applications (P: FCS 250 or 251 or 254)

**Take 2 (6 credit hours) of the following content electives:**

- 3 FCS 306 Psychosocial Care of Children & Families in Healthcare Environments (P: FCS 231 or 250 or 251 or 254)
- 3 FCS 309 Couple Relationships (P: FCS 200)
- 3 FCS 363 Bereavement, Grief & Loss (P: FCS 231; FCS 310 or 364; 60+ earned hours)
- 3 FCS 364 Helping & Communication Skills for FCS Professions (P: FCS 101)
- 3 FCS 395 Sexuality & Family Life (P: FCS 101 and 224)

**Take 6 additional credit hours of Family & Consumer Sciences or related field electives:**

Please consult with your academic advisor.

General Department Information

Honors in Health Sciences
The Department offers honors study to qualified students who will pursue an individualized course of study. To qualify, students must be declared majors in the Department, have completed 30 hours of credit, and have and maintain a minimum cumulative 3.50 GPA; and have and maintain a 3.50 GPA in the major. To graduate with Departmental Honors, students must be a member of the University Honors Program and complete 12 credit hours of honors work in Health Sciences courses selected from at least two of the following options: Honors Undergraduate Research, Honors Independent Study, in-course Honors, or Honors Undergraduate Teaching Assistant. Students interested in the Honors Program must contact the departmental advisor to complete an orientation and planning meeting. Further details about the University Honors program are available at: Honors.IllinoisState.edu.

Minor in Health and Wellness Coaching
The Minor in Health and Wellness Coaching provides students with a foundation in coaching knowledge and skills and will complement studies in various majors. Students who aspire to work with people one-on-one and to help them reach their health goals may be particularly interested in this minor. Completion of the minor will prepare students for health and wellness coaching certifications and advanced study.

Requirements:
No more than 9 hours taken in the minor may count toward a major plan of study.

Note: Other courses approved by the director of the minor may be counted toward the minor.

Environmental Health Programs
https://HealthSciences.IllinoisState.edu/environmental

New and Internal Transfer Requirements: Admission to this academic program is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission and the application and selection process, visit IllinoisState.edu/Majors or contact the undergraduate advisor for the intended program.

Standards for Progress in the Minor: Students must maintain a minimum cumulative GPA of 2.50 to progress in the minor.

- 21 hours required
- Required core courses (15 hours):
  - FCS 102
  - HSC 207, 296, 298A04, 377
  - KNR 113, 303

- No more than 9 hours taken in the minor may count toward a major program of study.

Minor in Public Health
The Minor in Public Health is designed to prepare students in core competencies needed by professionals working on population-based health issues. Public health professionals work to improve the quality and length of life in diverse communities by preventing health problems before they occur. They do this through supporting healthy environments, promoting the adoption of healthy lifestyles, preventing injuries, and preserving and protecting important resources that support human health. Public health is an interdisciplinary field built upon knowledge in environmental health, health behavior/promotion, epidemiology, medicine and other areas of study. This minor provides students with a foundation in key public health courses and, in combination with various majors, can create opportunities for employment in public health settings and graduate study in a Master of Public Health program or other health disciplines.

New and Internal Transfer Admission
Requirements: Admission to this academic program is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission and the application and selection process, visit IllinoisState.edu/Majors or contact the undergraduate advisor for
the intended major.
Internal transfer students must have a minimum cumulative GPA of 2.00 and should schedule an appointment with the departmental academic advisor for information.

**Standards for Progress in the Major:** Students must maintain a cumulative GPA of 2.00 or higher and earn grades of C or better in all Health Sciences courses to be retained in the major.

**Accreditation:** The Environmental Health program is accredited by the National Environmental Health Science and Protection Accreditation Council, www.ehacoffice.org.

**Minor in Environmental Health**
- 30 total hours required
- 15 hours in Health Sciences required
- Required courses (9 hours):
  - HSC 145, 156, 249 or 258A01
- Elective courses (6 hours):
  - HSC 248, 249 (if not used to satisfy other requirements), 252, 254, 257, 258A01 (if not used to satisfy other requirements), 322, 350
- Required courses outside of Health Sciences: (a minimum of 15 hours):
  - CHE 140, 141
  - MAT 120 or 145

**NOTE:** The prerequisites for HSC 249 are CHE 220 and KNR 182; the prerequisites for HSC 258A01 are BSC 160 or 260.

**NOTE:** CHE 140, MAT 120, 145, and HSC 156 are General Education courses.

**Health Promotion and Education Program**
https://HealthSciences.IllinoisState.edu/education

**Degrees Offered:** B.S., B.S. in Ed.

Health Promotion Specialists and Health Educators work with people in schools and community settings. They promote positive health behaviors by giving presentations, planning and implementing programs, preparing instructional materials, assessing community and individual health needs, teaching and training, coordinating community/school efforts, health coaching, advocating for healthy policies, leading coalitions, and acting as a resource person. Every Health Promotion and Education major completes a core of 12 hours and either a sequence in School Health Education or Community Health Promotion.

**New Freshmen, New and Internal Transfer Admission Requirements:**
New freshmen and transfer students desiring admission to the Health Promotion and Education (HPE) program must meet the admission requirements established by the University. Those students wishing to be admitted into the School Health Education sequence of HPE must apply for and be admitted into the University Professional Studies program. (See the University-Wide Teacher Education section in this Undergraduate Catalog.) Students currently enrolled at the University who wish to change their major to HPE must have a minimum cumulative GPA of 2.50, though this minimum GPA does not guarantee admission. Transfer students and internal transfer students should schedule an appointment with the departmental academic advisor for information.

**Standards for Progress in the Major:** School Health Education Sequence: All students should have a projected program plan completed in consultation with the departmental academic advisor. A minimum cumulative and major GPA of 2.50 is required for admission to Student Teaching as well as for retention in the HPE major. Admission to Professional Studies is contingent upon meeting admission requirements to University-wide Teacher Education and recommendation of the HPE faculty and the School Health Education Coordinator.

**Community Health Promotion Sequence:** All students should have a projected program plan completed in consultation with the departmental academic advisor. A minimum cumulative and major GPA of 2.50 and grades of C or better in all 60 credit hours required by the major are required for retention in the Community Health Promotion program as well as for enrollment in Professional Practice, HSC 398A02.

**Clinical Experiences in Teacher Education**
A variety of clinical (pre-student teaching) experiences, as well as student teaching, are included in the teacher candidates professional preparation. Observations, small and large group instruction, tutoring, field experiences, and student teaching are included in the Clinical Experiences Program. The experiences offered prior to student teaching are integral parts of specific college courses. Clinical experiences are provided in off-campus professional development schools, local schools, campus laboratory schools, agencies and other approved non-school settings. The Cecilia J. Lauby Teacher Education Center monitors and documents all clinical experiences. Teacher candidates will show verification of having completed clinical experiences commensurate with attaining local, state, and national standards. Teacher candidates must provide their own transportation to clinical experience sites. Candidates are required to provide documentation of meeting all State of Illinois, district, and university requirements in regard to criminal background checks BEFORE beginning any clinical experiences. Criminal background checks must remain current as of the last day of the clinical experience. Candidates should consult with clinical course faculty and the Cecilia J. Lauby Teacher Education Center well in advance of clinical experiences to determine specific requirements needed each semester. The approximate number of clinical hours associated with each course offering can be found with the appropriate course description in this Undergraduate Catalog. The following legend relates to the type and kind of activity related to a specific course.

**Clinical Experiences Legend**
- Observation (including field trips)
- Tutoring one-on-one contact
- Non-instructional assisting
- Small group instruction
- Whole class instruction
- Work with clinic client(s)
- Graduate practicum
- Professional meeting

**Accreditation**
The School Health and Promotion Education curriculum is accredited by the National Council for Accreditation of Teacher Education (NCATE). The Community Health Promotion curriculum
has been approved through combined review of two professional organizations.

Major in Health Promotion and Education

School Health Education Sequence
This sequence is part of the program leading to a 9-12 secondary endorsement.

Community Health Promotion Sequence

Health Information Management Program
https://HealthScience.IllinoisState.edu/info-management
Degree Offered: B.S.

Health information managers are professionals responsible for the management of health data and health information systems in health care organizations and organizations that use health data. They ensure data quality; code and classify data; maintain data security and privacy; design, implement and manage health information systems (both manual and electronic); evaluate medical care data to monitor quality and risk; and manage support personnel.

Major in Health Information Management

The Health Information Management (HIM) major program offers two sequences to students who are seeking to earn a Bachelor of Science degree in Health Information Management. The sequences are the HIM On-Campus Sequence and the RHIT-HIM Online Sequence.

HIM On-Campus Sequence
This sequence is designed for and restricted to students who are taking HIM courses on campus.

New Freshmen, New and Internal Transfer Admission Requirements: Admission to this academic program is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered for admission include, but are not limited to: courses completed, cumulative GPA, and hours completed. For additional information on minimum requirements for admission and applications selection process, visit IllinoisState.edu/Majors or contact the undergraduate advisor for the intended major.

Retention in the HIM On-Campus Sequence
To be retained in the HIM major a student must:

- Be in good academic standing in the University with a minimum cumulative 2.25 GPA
- Have a grade of C or better in the following courses, or their equivalents, to enroll in the HIM professional courses: HSC 105 and KNR 181 and 182
- Earn grades of C or better in all HIM major courses

RHIT-HIM Online Sequence
This sequence is designed for and restricted to students who have completed an associate degree program in health information technology (HIT) and are currently certified as Registered Health Information Technicians (RHIT). The Sequence is designed to give these students an opportunity to earn a Bachelor of Science Degree in Health Information Management in six semesters. All HIM courses will be delivered online via distance learning. Students will be expected to complete one course each semester.

Admission and Retention in the RHIT-HIM Online Sequence: To be admitted and retained in the RHIT-HIM Online Sequence, a student must:

- Be admitted to Illinois State University
- Be a graduate of an associate degree program in health information technology accredited by the Commission on the Accreditation of Health Informatics and Information Management Education (CAHIIM)
- Be currently certified as a Registered Health Information Technician
- Complete the Associate Degree in Arts (A.A.) or an Associate Degree in Science (A.S.) or the Illinois Transferable General Education Core Curriculum
- Maintain a minimum cumulative 2.25 GPA for retention in the HIM major
- Earn grades of C or better in all HIM major courses.

Course Requirements in the RHIT-HIM Online Sequence
A grade of C or better is required in all HIM courses for retention in the major.

Health information technology courses are held as Proficiency Credit for the student until successful completion of three consecutive semesters of Health Information Management upper-division courses from: HSC 326, 327, 328, 329, or 330. Once these courses have been successfully completed with a grade of C or better through enrollment, thirty-three (33) credit hours are placed on the student’s transcript as Proficiency Credit for the following Health Information Management courses: HSC 105, 201, 202, 204, 210, 212, 213, 230, and 298A03; KNR 181 and KNR 182.

Accreditation and Credentialing: The HIM Program is accredited by the Commission on Accreditation of Health Informatics and Information Management (www.cahiim.org). Graduates of the program are eligible and expected to write the national registry examination. Successful completion of the registry examination leads to the Registered Health Information Administrator (RHIA) professional designation.

Criminal Background Check: All Health Information Management students enrolling in HSC 298A03 and HSC 398A03 are required to pass a criminal background check. The complete policy is outlined in the Health Information Management Student Handbook.

Medical Laboratory Science Program
https://HealthSciences.IllinoisState.edu/lab-science
Degree Offered: B.S.

Medical laboratory scientists work as a part of the medical team. They analyze body fluids and perform tests using highly specialized equipment to diagnose diseases and monitor treatment. They are largely employed in hospitals and private clinical laboratories and industry. Graduates of the program are eligible for national certification.
New Freshmen and New and Internal Transfer Admission 
Requirements: Admission to this academic program is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission and the application and selection process, visit IllinoisState.edu/Majors or contact the undergraduate advisor for the intended program.

Standards for Progress in the Major: MLS majors must earn grades of C or better in all courses required by the major, including prerequisites, and maintain a minimum cumulative GPA of 2.50 or better to be retained in the program.

Professional Practice in Medical Laboratory Science
Professional Practice is provided off-campus in clinical facilities affiliated with the University. The experience involves technical instruction in clinical hematology, chemistry, blood banking, microbiology and other aspects of laboratory medicine. Students are responsible to provide their own transportation and housing during the Professional Practice experience. Students apply for acceptance into the clinical experience during the spring of the junior year. Students must have maintained a cumulative 2.50 GPA and have received a grade of C or better in all required courses to be eligible for professional practice.

See the Medical Laboratory Science Student Handbook for more information and a current list of professional practice locations.

Criminal Background Check: All Medical Laboratory Science students entering Professional Practice are required to pass a criminal background check. The complete policy is outlined in the Medical Laboratory Science Student Handbook.

Immunizations: Evidence of immunity and/or proof of immunization against several viral agents is required for students entering professional practice. See the policy outlined in the Medical Laboratory Science Student Handbook for details.

Major in Medical Laboratory Science
A.A.S. to B.S. Degree:
Persons possessing an Applied Associate of Science degree in clinical (medical) laboratory technology from an Illinois community college may complete a B.S. through the Illinois Articulation Initiative. To qualify, students must be certified as a medical laboratory technician by the American Society for Clinical Pathology or by American Medical Technologists. Qualified students are awarded proficiency credit for some of the A.A.S. courses. Interested students should contact the Medical Laboratory Science program director for details.

Accreditation: The Medical Laboratory Science program is accredited by the National Accrediting Agency for Clinical Laboratory Sciences, www.naacls.org, 5600 N. River Road, Ste. 720, Rosemont, IL 60018, phone (773) 714-8880.

Safety Program
https://HealthSciences.IllinoisState.edu/safety

Degree Offered: B.S.

Safety professionals apply principles drawn from such disciplines as technology, the sciences, management, communication, health, and education to reduce the risk of harm to people, property and the environment. Safety professionals have the knowledge and skills to identify, evaluate, and cost-effectively control or prevent the hazards that can produce harm to people, property and the environment. Successful safety professionals are effective communicators with strong “people skills.” Safety professionals are employed in a variety of public and private sector assignments, including manufacturing, insurance, construction, government, and consulting.

New Freshmen, New and Internal Transfer Admission 
Requirements: Admission to this academic program is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission and the application and selection process, visit IllinoisState.edu/Majors or contact the undergraduate advisor for the intended program.

Students currently enrolled at Illinois State who wish to change their major to Safety must have a minimum GPA of 2.00. Students should see the department academic advisor for information.

Standards for Progress in the Major: Students must earn grades of C or better in Health Sciences courses required by the major and maintain a minimum cumulative GPA of 2.00 for retention in the program. All students should have a projected plan of study completed in consultation with the departmental academic advisor.

Major in Safety

Minor in Safety

— 22 hours in Health Sciences required
— Required courses (10 hours): HSC 170, 271, 381

_____ 3 HSC 355 Environmental Health Decision Processes (P: HSC 145 and 156; 90+ earned hours)
_____ 9 HSC 398A01 Professional Practice: Environmental Health Internship (P: consent of program director)
_____ 4 BSC 160 Microbiology & Society (P: COM 110; ENG 101; MAT 113, 120, 130, or 145)
_____ 4 CHE 140 General Chemistry I (P: C or better in MAT 119; or C or better in MAT 120 or 144 or 145 or conc. reg.)
_____ 4 CHE 141 General Chemistry II (P: CHE 140)
_____ 5 CHE 220 Elementary Organic Chemistry (P: CHE 112 or 141)
_____ 3 KNR 182 Human Anatomy & Physiology II
_____ 1 KNR 184 Human Anatomy & Physiology Laboratory II (P: conc. reg. in KNR 182)
_____ 3 MAT 119 College Algebra (P: CR for MAT 104 or placement)

Take 5 courses (15 credit hours) additional Group 1 electives:
Only two courses from HSC 271, 362, and 378 can be used for the major.
Please consult your academic advisor.

Take 1 additional course from Group 2 electives:
(CHE 215, 242, 280; ECO 255; GEO 102, 276, 336; HIS 240; HSC 381, 383)
Please consult your academic advisor.

Take 1 of the following courses:
_____ 4 PHY 105 Fundamentals of Physics
_____ 5 PHY 108 College Physics I

Take 1 of the following courses:
_____ 4 MAT 120 Finite Mathematics
_____ 4 MAT 145 Calculus I (P: C or better in MAT 144 or placement)

‡ Please consult with your academic advisor regarding standard substitutions for HSC 204.

HEALTH SCIENCES
ENVIRONMENTAL HEALTH MAJOR (B.S.)

Transfer Student

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents
___ 3 C2 900 COM 110 Communication as Critical Inquiry
___ 3 C1 900 ENG 101 or ENG 101A10 Composition as Critical Inquiry
___ 3 C1 901 ENG 145 Writing in the Academic Disciplines

Mathematics (1 course required)
Please see major requirements for mathematics options
___ 4 M1 906 MAT 120 Finite Math or M1 900-1 MAT 145 Calculus I

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.
___ 4 P1 902L CHE 140 General Chemistry I or P1 900L PHY 105 Fundamentals of Physics or PHY 108 College Physics I

Humanities & Fine Arts (3 courses required)
At least 1 humanities and 1 fine arts course required

Social & Behavioral Sciences (3 courses required)
2 different disciplines must be represented

Additional Graduation Requirements
___/120 minimum total credit hours
___/42 minimum senior college hours

AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.
___ 4 CHE 141 General Chemistry II

Major (min. 77 credit hours)
 ___ 3 HSC 145 Environmental Health Practice
 ___ 3 HSC 156 Environmental Health in the 21st Century
 ___ 3 HSC 204A02 Health Data Analysis: Environmental Health & Health Information Management
 ___ 3 HSC 249 Environmental Toxicology (P: MAT 120 or 145; CHE 140, 141, and 220 or conc. reg.; HSC 145; KNR 182)

Major (71 credit hours)

_____  6  HSC 326
_____  6  HSC 327
_____  6  HSC 328
_____  6  HSC 329
_____  6  HSC 330
_____  3  HSC 398A05 (3 hours)

_____  33 semester hours earned as Proficiency Credit
Health Information Technology courses are held as Proficiency Credit for the student until successful completion of three consecutive semesters of Health Information Management upper division courses from: HSC 326, 327, 328, 329, or 330. Once these courses have been completed with a grade of C or better through enrollment, thirty-three (33) credit hours are placed on the student’s transcript as Proficiency Credit for the following Health Information Management courses: HSC 105, 201, 202, 204, 210, 212, 213, 230, and 298A03; KNR 181 and KNR 182.

A grade of C or better is required in all HIM courses for retention in the major

____ 3  HSC 263 Introduction to Clinical Immunology (P: BSC 197; CHE 140 and 141; conc. reg. in HSC 261 and 262; 45+ earned hours)
____ 2  HSC 301 Introduction to Coagulation & Hemostasis (P: C or better in HSC 261)
____ 3  HSC 302 Introduction to Clinical Biology (P: HSC 262)
____ 4  HSC 308 Introduction to Clinical Microbiology (P: BSC 160 or 260; HSC 263)
____ 3  HSC 312 Clinical Chemistry II (P: HSC 262; MAT 120, 144, or 145)
____ 2  HSC 315 Clinical Parasitology & Mycology (P: HSC 308)
____ 1  HSC 316 Medical Laboratory Science: Research Design (P: conc. reg. in HSC 261, 262, and 263)
____ 2  HSC 317 Clinical Hematology II (P: HSC 261 and 301)
____ 2  HSC 318 Clinical Microbiology II (P: BSC 160 or 260; and HSC 308)
____ 3  HSC 319 Clinical Immunohematology II (P: HSC 260)
____ 2  HSC 325 Laboratory Education & Management (P: HSC 260, 261, and 262)
____ 4  BSC 197 Molecular & Cellular Basis of Life
____ 4  CHE 140 General Chemistry I (P: C or better in MAT 119; or C or better in MAT 120 or 144 or 145 or conc. reg.)
____ 4  CHE 141 General Chemistry I (P: C or better in MAT 119; or C or better in MAT 120 or 144 or 145 or conc. reg.)
____ 5  CHE 220 Elementary Organic Chemistry (P: CHE 112 or 141)

Take the following Professional Practice: Medical Lab Science courses:
(P: C or better in HSC 260, 261, 262, 263, 301, 302, & 308 within last 7 years)
____ 2  HSC 398A22 PP: Biochemistry
____ 1  HSC 398A23 PP: Serology
____ 1  HSC 398A24 PP: Urinalysis & Body Fluids
____ 2.5  HSC 398A27 PP: Hematology
____ 2.5  HSC 398A29 PP: Immunohematology

Take 1 of the following Professional Practice: Medical Laboratory Science courses:
____ 3  HSC 398A28 PP: Microbiology
____ 3  HSC 398A25 PP: Microbiology Simulation

Take 8 additional credit hours of Medical Laboratory Science electives:
(BSC 170, 181 (or KNR 181), 182, (or KNR 182), 196, 203, 219, 220, 283; CHE 215, 242, PHY 105, 108) Please consult your academic advisor.
____ __

Take 1 of the following courses:
____ 4  MAT 120 Finite Mathematics (P: C or better in MAT 119 or placement)
____ 4  MAT 144 Precalculus (P: C or better in MAT 108 & 119 or placement)
____ 4  MAT 145 Calculus I (P: C or better in MAT 144 or placement)

Take 1 of the following courses:
____ 4  BSC 160 Microbiology & Society (P: COM 110; ENG 101; MAT 113, 120, 130, or 145)
____ 4  BSC 260 Microbiology (P: BSC 196 and 197; CHE 220 or 230 and 231 or conc. reg.)

Strongly recommended courses: HSC 105 and 204A02

Note: This major may require more hours than indicated due to prerequisites or lack of prior skill.

## MAJOR IN SAFETY (B.S.)

### General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

### Communication and Composition (2 courses required)
- 3 COM 110 Communication as Critical Inquiry
- 3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

### Mathematics (1 course required)
- 4 MAT 120 Finite Mathematics

### Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.
- 4 CHE 140 General Chemistry I
- 4/5 PHY 105 Fundamentals of Physics OR PHY 108 College Physics I

### United States Traditions (1 course required)

### Individuals & Civic Life (1 course required)

### Fine Arts (1 course/3 credit hours required)***

### Humanities (1 course required)***

### Language in the Humanities (1 course required)***

### Quantitative Reasoning (1 course required)
Please see major requirements for quantitative reasoning options.

### Science, Math, & Technology (1 course required)
Exempt for Safety majors

### Social Sciences (1 course required)***
- 3 HSC 170 Safety & Society

### Additional Graduation Requirements
- /120 minimum total credit hours
- /42 minimum senior college hours

### AMALI requirement
**Certain courses in General Education fulfill the AMALI requirement.
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

### B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.
- 4 CHE 141 General Chemistry II

(HSC 272, 383, 384)
Please consult your academic advisor.

### Take 1 of the following courses:
- 4 PHY 105 Fundamentals of Physics
- 5 PHY 108 College Physics I

### Take 1 of the following courses (P: MAT 120 or 145):
- 3 ECO 138 Economic Reasoning Using Statistics
- 3 GEO 138 Maps & Geographic Reasoning
- 3 MQM 100 Statistical Reasoning
- 3 POL 138 Quantitative Reasoning in Political Science
- 3 PSY 138 Reasoning in Psychology Using Statistics

† HSC 204A02 may substitute for this requirement but it is not a General Education course.

### Recommended electives based on career goals (variable):
BSC 160, CHE 220, ENG 145A13 or 249, FIL 250, HSC 145, 156, KNR 181, 282, 342**

**KNR 181, 182, and 282 are prerequisites for KNR 342

HEALTH SCIENCES

MAJOR IN SAFETY

Transfer Students

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents
___ 4  C2 900  COM 110  Communication as Critical Inquiry
___ 3  C1 900  ENG 101 or ENG 101A10  Composition as Critical Inquiry
___ 3  C1 901  ENG 145  Writing in the Academic Disciplines

Mathematics (1 course required)
Please see major requirements for mathematics options
___ 4  M1 902  MAT 120  Finite Math or M1 900-1  MAT 145  Calculus I or M1 902  ECO 138  Economic Reasoning Using Statistics or M1 902  MQM 100  Statistical Reasoning

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.
___ 4  P1 902L  CHE 140  General Chemistry I or P1 900L  PHY 105  Fundamentals of Physics

Humanities & Fine Arts (3 courses required)
At least 1 humanities and 1 fine arts course required

Social & Behavioral Sciences (3 courses required)
2 different disciplines must be represented

Additional Graduation Requirements

___/120 minimum total credit hours
___/42 minimum senior college hours

AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.
___ 4  CHE 141  General Chemistry II

Major (77 credit hours)

___ 3  HSC 170  Safety & Society (P: COM 110 or ENG 101 or conc. reg.)
___ 3  HSC 248  Occupational Health
___ 3  HSC 271  Safety Technology
___ 3  HSC 359  Industrial Hygiene (P: HSC 248; MAT 118, 120, or 145)
___ 3  HSC 362  Ergonomics (P: MAT 120 or 145; PHY 105 or 108; HSC 204 or MQM 100 or ECO 138 or GEO 138 or POL 138 or PSY 138)
___ 3  HSC 370  Safety Training Development (P: HSC 381)
___ 3  HSC 372  Accident/Incident Investigation, Records, & Evaluation (P: HSC 381; MAT 120 or 145; PHY 105 or 108)
___ 3  HSC 376  Disaster Preparedness (P: CHE 110 and 112 or CHE 140 or BSC 145)
___ 3  HSC 380  Fire Protection & Prevention (P: HSC 381; PHY 105 or 108)
___ 4  HSC 381  Occupational Safety & Health Act (P: HSC 170 and 271; CHE 140)
___ 3  HSC 382  Improving Safety Performance (P: HSC 370 and 204A02 or MQM 100 or ECO 138 or GEO 138 or POL 138 or PSY 138)
___ 3  HSC 385  System Safety (P: MQM 100 or ECO 138 or GEO 138 or POL 138 or PSY 138)
___ 9  HSC 398A04  Professional Practice: Safety (P: HSC 359 and 381; 6 hours from HSC 272, 290, 292, 295, 296, 298, 299; 3 hours from HSC 272, 290, 292, 295, 296, 298, 299, 304; minimum 2.0 major and cumulative GPA)
___ 4  CHE 140  General Chemistry I (P: C or better in MAT 119; or C or better in MAT 120 or 144 or 145 or conc. reg.)
___ 4  CHE 141  General Chemistry II (P: CHE 140)
___ 3  KNR 182  Human Anatomy & Physiology II
___ 4  MAT 120  Finite Mathematics (P: C or better in MAT 119 or placement)
___ 3  TEC 130  Introduction to Manufacturing Processes

Take 1 (6 credit hours) additional Safety electives:
(HSC 272, 383, 384)
Please consult your academic advisor.

Take 1 of the following courses:
___ 4  PHY 105  Fundamentals of Physics
___ 5  PHY 108  College Physics I

Take 1 of the following courses** (P: MAT 120 or 145):
___ 3  ECO 138  Economic Reasoning Using Statistics
___ 3  GEO 138  Maps & Geographic Reasoning
___ 3  MQM 100  Statistical Reasoning
___ 3  POL 138  Quantitative Reasoning in Political Science
___ 3  PSY 138  Reasoning in Psychology Using Statistics

Recommended electives based on career goals (variable):
BSC 160, CHE 220, ENG 145A13 or 249, FIL 250, HSC 145, 156, KNR 181, 282, 342**

‡ HSC 204A02 may substitute for this requirement but it is not a General Education course.

Recommended electives based on career goals (variable):
BSC 160, CHE 220, ENG 145A13 or 249, FIL 250, HSC 145, 156, KNR 181, 282, 342**

**KNR 181, 182, and 282 are prerequisites for KNR 342

Health Sciences Courses:
https://coursefinder.illinoisstate.edu/directory/hsc/

All Courses:
https://coursefinder.illinoisstate.edu/directory/
The School of Information Technology (IT) offers four degree programs: Computer Science, Cybersecurity, Information Systems, and Network and Telecommunications Management. All IT majors require substantial interpersonal written and verbal communication skills as well as technical computing skills. The curricula have a strong practical emphasis on the application of computing solutions to real world problems. Practical skills and applications are balanced with exposure to the theoretical knowledge base that underlies the field of computing.

All programs prepare a student for a computing career, but there are important differences in the context of the work to be performed, the types of problems to be solved, and the types of systems to be designed and built. Computer Science focuses on algorithm development and writing programs that others will use. Cybersecurity focuses on all aspects of information assurance, including protecting networks, servers, databases, and private information. Information Systems focuses on integrating hardware and software authored by others into a coherent system to fulfill a business purpose. Network and Telecommunications Management prepares students to build and optimize networks for best performance.

Starting positions for Computer Science and Information Systems include such job titles as programmer or programmer/analyst. Cybersecurity graduates will take jobs as security analysts, while Network and Telecommunications titles include network administrator and network technician.

Department minors are intended to help majors in other departments focus on specific skills and electives which are relevant for their career needs. Minors are available in Information Systems and in Computer Science.

Academic Requirements: For any student who enrolls in a course in the School of Information Technology, a grade of C or better is required in all prerequisite courses. For majors, only courses in which the student has received a grade of C or better may be counted toward the hours required in the major, including supporting requirements.

A student cannot pursue a double major in any two programs in the School of Information Technology. Also, a student cannot pursue both a major and a minor in Information Technology.

Admission Requirements: A student may enter a major or minor in the School of Information Technology as a new freshman, a transfer student, or as a change of major at Illinois State University. Students should contact the Information Technology undergraduate advisor or University Admissions for minimum admission requirements.

Transfer Students: Proficiency with the Java programming language is expected in 200-and 300-level Information Technology courses and is usually obtained by completing IT 168 and one of IT 178, 179 or 275.

Honors in Information Technology
The School offers honors work in all programs to highly qualified juniors and seniors. Candidates must have a 3.30 overall GPA and a 3.50 GPA in Information Technology. Honors requirements involve honors course work and the preparation of a substantial research paper or the completion of a significant project prepared under the guidance of a faculty advisor. Further details about the University Honors program are available at Honors.IllinoisState.edu.

Professional Practice
Each degree program requires a practical experience that may be satisfied by a directed project or an internship. An internship experience is the usual way for students to satisfy this requirement. IT 191 (1 hour) is required and prepares students for fulfilling this requirement. It is recommended that IT 191 be taken no later than the sophomore year.

The six (6) hours of Professional Practice credit counted toward the major will be graded. Any additional Professional Practice credit will be earned on a CR/NC basis. A maximum of 16 hours of Professional Practice credit (IT 391, 398) may be applied toward graduation. Students may not register for IT 398 during the last semester of their studies.

Minor in Cognitive Science
The School of Information Technology participates in the Minor in Cognitive Science program. Several courses offered by the School contribute to the minor. For further information, please consult the School undergraduate advisor as well as the section entitled “Interdisciplinary Studies Programs” in this Undergraduate Catalog.

Computer Science Programs
Degree Offered: B.S.

Major in Computer Science
This degree is designed for students who wish to pursue a comprehensive study of computer science that blends theory, abstraction, and design in a variety of traditional and current areas. The Computer Science major prepares students to solve modern computing problems by providing a strong background in theory, design, hardware, and systems along with significant software development experience in multiple languages on multiple operating systems. It would also prepare students to pursue graduate studies in Computer Science. The Computer Science major is accredited by the Computing Accreditation Commission of ABET, at www.abet.org.

General Computer Science Sequence
The General Computer Science sequence is designed for students who wish to pursue a broad education in computer science. A minor is not required.

Web Computing Sequence
The Web Computing sequence is designed for students who wish to study computer science with special emphasis on Web, mobile, and cloud computing. A minor is not required.

Preparation for Graduate Study: The General Computer Science sequence of the Computer Science major should be selected by those students interested in traditional Computer Science graduate programs. Any student interested in graduate school should discuss options with faculty and an academic advisor during the junior year.
Minor in Computer Science
This minor provides a solid foundation for using the computer as a tool in any discipline and may be of particular interest to majors in mathematics or the natural sciences. It provides an opportunity for students to gain knowledge in a specialized area such as graphics, parallel processing, or artificial intelligence.
- 22 hours required: IT 168, 179, 225, 226, 261, 279
- 1 course from: IT 326, 327, 328, 340, 356, 384, 388

Cybersecurity Program
Degree Offered: B.S.

Major in Cybersecurity
The Cybersecurity Major is designed to give students the knowledge and tools necessary for protecting information and information systems. The major provides education for protecting the confidentiality, availability, and integrity of information using technology, people, and policy. A minor is not required. Any student interested in graduate school should discuss options with faculty and an academic advisor during their junior year.

Information Systems Programs
Degree Offered: B.S.

Major in Information Systems
The Information Systems (IS) Major is designed to prepare professionals in Information Systems including such areas as systems analysis and design. This degree focuses on the use of computer technology and information management methods to solve business problems. This requires an understanding of both the organizational context of the problem and the technologies, methodologies, and tools typically utilized. There are three sequences within this program: the Integration of Enterprise Systems Sequence, the Systems Development/Analyst Sequence, and the Web Application Development Sequence.

The Integration of Enterprise Systems Sequence is designed for students who wish to pursue both technical and practical skills in large-scale, multi-platform enterprise computing systems. The Systems Development/Analyst Sequence provides breadth and depth in analysis and design techniques preparing students to work in a variety of information technology environments, while the Web Application Development Sequence emphasizes the development of Web/Internet-based business information systems. The Information Systems program is accredited by the Computing Accreditation Commission of ABET, at www.abet.org.

Preparation for Graduate Study: The Information Systems major offers excellent preparation for a number of computer and management information systems master’s programs. Students interested in an MBA program may want to combine this major with a Business Administration minor. Any student interested in graduate school should discuss options with faculty and an academic advisor during their junior year.

Integration of Enterprise Systems Sequence
The Integration of Enterprise Systems Sequence is designed for students who are interested in the areas of software development, project management, and application integration using large enterprise computing systems. This sequence provides in-depth knowledge regarding the integration of business applications on a large enterprise computing system. A minor is not required.

Systems Development/Analyst Sequence
The Systems Development/Analyst Sequence is designed for the student who will seek a position as an Information Systems professional developing business-oriented information systems. This sequence provides in-depth knowledge of analysis and design techniques along with electives in emerging technologies. A minor is not required.

Web Application Development Sequence
The Web Application Development Sequence is designed to give students a background for developing information systems in a Web/Internet-based environment. This sequence provides in-depth knowledge of Web development techniques and supporting technologies, along with related emerging technologies. A minor is not required.

Minor in Information Systems
The Information Systems Minor is designed for people who will use computers as tools in their chosen profession or provide limited computer support for their work group.
- A minimum of 22 hours required
- Required courses: IT 168, 178, 254, 261, 262
- 1 course from: IT 250, 276, 341, 353, 367, 368, 378
- 3-4 hours of an IT 200 or 300-level course

Network and Telecommunications Management Program
Degree Offered: B.S.

Major in Network and Telecommunications Management
Network and Telecommunications Management is concerned with network technology, information systems, computer technology, business practices, and policy issues involved in data, image, video and voice transmission. This program prepares undergraduate students to enter the industry in entry-level positions with adequate preparation to assume management positions once work experience is gained. Graduates will possess an in-depth technical understanding of computer networks and telecommunication systems as well as an appreciation of the economic and public policy issues that are important in the design and development of local and wide area networks, and national and multinational telecommunication systems. A minor is not required.

MAJOR IN COMPUTER SCIENCE

General Computer Science Sequence (B.S.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
- 3 COM 110 Communication as Critical Inquiry
- 3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

Mathematics (1 course required)
- 4 MAT 145 Calculus I

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences. Please see major requirements for science options

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***

Language in the Humanities (1 course required)***

Quantitative Reasoning (1 course required)
- 4 MAT 146 Calculus II

Science, Math, & Technology (1 course required)
Exempt for General Computer Science majors

Social Sciences (1 course required)***

Additional Graduation Requirements
- 120 minimum total credit hours
- 42 minimum senior college hours

AMALI requirement
***certain courses in General Education fulfill the AMALI requirement See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses. See major requirements for course options.

Major (min. 83 credit hours)
- 4 IT 168 Structured Problem Solving Using the Computer (P: MAT 104)
- 3 IT 179 Introduction to Data Structures (P: C or better in IT 168)
- 1 IT 180 C++ Programming (P: C or better in IT 179)
- 1 IT 191 Introduction to IT Professional Practice (P: C or better in IT 168)
- 3 IT 214 Social, Legal, & Ethical Issues in Information Technology (P: ENG 101, COM 110)
- 3 IT 225 Hardware & Software Concepts (P: C or better in IT 178 or 179 or conc. reg.)
- 3 IT 261 Systems Development I (P: C or better in IT 170, 178, or 179; 277; C or better in IT 254 or 225 or conc. reg.)
- 3 IT 279 Algorithms & Data Structures (P: C or better in IT 180 or 226; MAT 160 or 260 or conc. reg. in MAT 260)
- 3 IT 326 Principles of Software Engineering (P: C or better in IT 178 & 261)
- 3 IT 327 Concepts of Programming Languages (P: C or better in IT 179)
- 3 IT 328 Introduction to the Theory of Computation (P: C or better in IT 279)
- 3 IT 378 Database Processing (P: C or better in IT 261)
- 3 IT 383 Principles of Operating Systems (P: C or better in IT 225; IT 180 or 226)
- 3 IT 386 Introduction to Networking & Parallel & Distributed Computing (P: C or better in IT 179 & 225)
- 6 IT 398 Professional Practice
- 3 COM 223 Small Group Processes
- 3 ENG 249 Technical & Professional Writing I (P: ENG 101)
- 4 MAT 145 Calculus I (P: C or better in MAT 144 or placement)
- 4 MAT 146 Calculus II (P: C or better in MAT 145)
- 4 MAT 260 Discrete Mathematics (P: C or better in MAT 146)

Take 9 credit hours additional General Computer Science electives from the following: IT 244, 276, 326, 330, 340, 345, 351, 353, 356, 367, 382, 384, 385, 388 (6 of the 9 hours must be from: IT 326, 340, 355, 356, 367, 382, 384, 388)

Take 1 of the following courses:
- 4 MAT 350 Applied Probability Models (P: C or better in MAT 147)
- 3 MQM 100 Statistical Reasoning (P: MAT 120, 121, 144, or 145)

Take 2 (8 credit hours) of the following lab science courses:
- 4 BSC 196 Biological Diversity
- 4 BSC 197 Molecular & Cellular Basis of Life
- 4 CHE 140 General Chemistry I (P: C or better in MAT 119, 120, 144, or 145 or conc. reg. in MAT 120, 144, or 145)
- 4 CHE 141 General Chemistry II (P: C or better in CHE 140)
- 4 PHY 110 Physics for Science & Engineering I (P: MAT 145 or conc. reg.)
- 4 PHY 111 Physics for Science & Engineering II (P: PHY 110; MAT 146 or conc. reg.)

Allowable Substitutions for Required Courses:
Acceptable substitution for 3 hours of IT 398 is 3 hours of IT 391
Acceptable substitution for 6 hours of IT 398 is 3 hours of IT 391 and 3 additional hours from IT 244, 276, 326, 330, 340, 345, 351, 353, 356, 367, 382, 385, 388 (if not used to satisfy other requirements)

### INFORMATION TECHNOLOGY

#### MAJOR IN COMPUTER SCIENCE

### Web Computing Sequence (B.S.)

**Transfer Students**

**Illinois Articulation Initiative (min. 37 credit hours)**

To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

**Communication and Composition (3 courses required)**

A grade of C or better required in ENG 101 and 145 or equivalents

- 3 C2 900 COM 110 Communication as Critical Inquiry
- 3 C1 900 ENG 101 or ENG 10A110 Composition as Critical Inquiry
- 3 C1 901 ENG 145 Writing in the Academic Disciplines

**Mathematics (1 course required)**

Please see major requirements for mathematics options
- 4 M1 900-1 MAT 145 Calculus I or M1 900-2 MAT 146 Calculus II or M1 902 MQM 100 Statistical Reasoning

**Physical & Life Sciences (2 courses/7-8 hours required)**

Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.

- 4 L1 910L BSC 196 Biological Diversity or BSC 197 Molecular & Cellular Basis of Life
- 4 P1 902L CHE 140 General Chemistry I or P2 900L PHY 110 Physics for Science & Engineering

**Humanities & Fine Arts (3 courses required)**

At least 1 humanities and 1 fine arts course required

- - -
- - -
- - -

**Social & Behavioral Sciences (3 courses required)**

2 different disciplines must be represented

- - -
- - -
- - -

**Additional Graduation Requirements**

- 4/120 minimum total credit hours
- 4/42 minimum senior college hours

**AMALI requirement**

See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

**B.S. Science, Math, & Technology (1 course required)**

See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

### Major (min. 83 credit hours)

- 4 IT 168 Structured Problem Solving Using the Computer (P: MAT 104)
- 3 IT 179 Introduction to Data Structures (P: C or better in IT 168)
- 1 IT 180 C++ Programming (P: C or better in IT 179 or consent of the school advisor)
- 1 IT 191 Introduction to IT Professional Practice (P: C or better in IT 168)
- 3 IT 214 Social, Legal, & Ethical Issues in Information Technology (P: ENG 101, COM 110)
- 3 IT 225 Hardware & Software Concepts (P: C or better in IT 178 or 179)
- 3 IT 261 Systems Development I (P: C or better in IT 170, 178, 179; C or better in IT 254 or 225 or conc. reg.)
- 3 IT 279 Algorithms & Data Structures (P: C or better in IT 226; MAT 160 or 260 or conc. reg. in MAT 260)
- 3 IT 326 Principles of Software Engineering (P: C or better in IT 179 and 261)
- 3 IT 327 Concepts of Programming Languages (P: C or better in IT 179)
- 3 IT 328 Introduction to the Theory of Computation (P: C or better in IT 279)
- 3 IT 353 Web Development Technologies (P: C or better in IT 261)
- 3 IT 354 Advanced Web Application Development (P: C or better in IT 353)
- 3 IT 358 Mobile & Cloud Computing (P: C or better in IT 353)
- 3 IT 378 Database Processing (P: C or better in IT 261)
- 3 IT 383 Principles of Operating Systems (P: C or better in IT 225, 226)
- 3 IT 386 Introduction to Networking and Parallel and Distributed Computing (P: C or better in IT 179 and 225)
- 6 IT 398 Professional Practice
- 3 COM 223 Small Group Processes
- 3 ENG 249 Technical & Professional Writing I (P: ENG 101)
- 4 MAT 145 Calculus I (P: C or better in MAT 144 or placement)
- 4 MAT 146 Calculus II (P: C or better in MAT 145)
- 4 MAT 260 Discrete Mathematics (P: C or better in MAT 146)

**Take 1 of the following courses:**

- 4 MAT 350 Applied Probability Models (P: C or better in MAT 147)
- 3 MQM 100 Statistical Reasoning

**Take 2 (8 credit hours) of the following lab science courses:**

- 4 BSC 196 Biological Diversity
- 4 BSC 197 Molecular & Cellular Basis of Life
- 4 CHE 140 General Chemistry I (P: C or better in MAT 119, 120, 144, or 145 or conc. reg. in MAT 120, 144, or 145)
- 4 CHE 141 General Chemistry II (P: C or better in CHE 140)
- 4 PHY 110 Physics for Science & Engineering I (P: MAT 145 or conc. reg.)
- 4 PHY 111 Physics for Science & Engineering II (P: PHY 110; MAT 146 or conc. reg.)

#### Allowable Substitutions for Required Courses:

Acceptable substitution for 3 hours of IT 398 is 3 hours of IT 391
Acceptable substitution for 6 hours of IT 398 is 3 hours of IT 391 and 3 additional hours from IT 244, 276, 330, 340, 345, 351, 356, 367, 382, 385, 388 (if not used to satisfy other requirements)

INFORMATION TECHNOLOGY
MAJOR IN CYBERSECURITY (B.S.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
3 COM 110 Communication as Critical Inquiry
3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

Mathematics (1 course required)
4 MAT 120 Finite Mathematics or MAT 145 Calculus I

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***

Language in the Humanities (1 course required)***

Quantitative Reasoning (1 course required)
3 ECO 138 or MQM 100 or PSY 138

Science, Math, & Technology (1 course required)
Exempt for Cybersecurity majors

Social Sciences (1 course required)***

Additional Graduation Requirements
120 minimum total credit hours
42 minimum senior college hours

AMALI requirement
***certain courses in General Education fulfill the AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

Major (min. 79 credit hours)
4 IT 168 Structured Problem Solving Using the Computer (P: MAT 104)
1 IT 191 Introduction to IT Professional Practice (P: C or better in IT 168)
3 IT 214 Social, Legal, & Ethical Issues in Information Technology (P: ENG 101, COM 110)
3 IT 225/IT 254 Computer Organization (P: C or better in IT 178 or 179) or Hardware & Software Concepts (P: C or better in IT 168)
3 IT 250 Fundamentals of Information Assurance & Security (P: C or better in IT 178)
3 IT 261 Systems Development I (P: C or better in IT 170, 178 or 179; C or better in IT 254 or 225 or conc. reg.)
3 IT 262 Information Technology Project Management (P: IT 261 or conc. reg.)
3 IT 276 Data Communications (P: C or better in IT 168; C or better in IT 225 or 254 or conc. reg.)
3 IT 351 Practical Cryptography & Trusted Systems (P: C or better in IT 250 or 226, 276)
3 IT 357 Tools & Techniques in Information Assurance & Security (P: C or better in IT 250, 276)
3 IT 359 Tools & Techniques in Penetration Testing (P: C or better in IT 250, 276)
3 IT 360 Security Incident & Event Management & Forensics (P: C or better in IT 250, 276)
3 IT 377 Practical Telecommunications Networking (P: C or better in IT 276)
3 IT 378 Database Processing (P: C or better in IT 261)
6 IT 398 Professional Practice
3 COM 223 Small Group Processes
3 ECO 101 or ECO 102 Principles of Microeconomics or Principles of Macroeconomics
3 ENG 249 Technical & Professional Writing I (P: ENG 101)
4 MAT 120/MAT 145 Finite Mathematics (P: C or better in MAT 119 or placement) or Calculus I (P: C or better in MAT 144 or placement)
4 MAT 160 Elementary Discrete Mathematics (P: C or better in MAT 120 or 145)
3 MQM 220 Business Organization & Management (P: ECO 101 or 103 or 105; 60+ earned hours)

Take 1 of the following courses:
3 IT 170 Scripting Languages & Automation (P: C or better in IT 168)
3 IT 178 Computer Application Programming (P: C or better in IT 168 or 177)
3 IT 179 Introduction to Data Structures (P: C or better in IT 168)

Take 2 (6 credit hours) of the following courses:
3 IT 330 Introduction To Enterprise Computer Systems (P: C or better in IT 225 or 254)
3 IT 353 Web Development Technologies (P: C or better in IT 261)
3 IT 355 Secure Software Development (P: C or better in IT 250, 276)
3 IT 369 Topics In Cybersecurity
3 IT 370 Server Management (P: C or better in IT 377)
3 IT 376 Wireless & Mobile Network Security (P: C or better in IT 276)
3 IT 381 Network Design & Analysis (P: C or better in IT 373, 377)

Take 1 of the following courses:
3 ECO 138 Economic Reasoning Using Statistics (P: MAT 120, 130, or 145)
3 MQM 100 Statistical Reasoning (P: MAT 120, 121, 144, or 145)
3 PSY 138 Reasoning in Psychology Using Statistics (P: C or better in MAT 120, 121, 144, or 145)

Allowable Substitutions for Required Courses:
Acceptable substitution for 3 hours of IT 398 is 3 hours of IT 391
Acceptable substitution for 6 hours of IT 398 is 3 hours of IT 391 and 3 hours from IT 330, 353, 355, 363, 369, 370, 376, 381 (if not used to satisfy other requirements)

#### Allowable Substitutions for Required Courses:
Acceptable substitution for 3 hours of IT 398 is 3 hours of IT 391
Acceptable substitution for 6 hours of IT 398 is 3 hours of IT 391 and 3 hours from IT 244, 250, 344, 345, 363, 367, 368, (if not used to satisfy other requirements)
INFORMATION TECHNOLOGY MAJOR  
INTEGRATION OF ENTERPRISE SYSTEMS  
SEQUENCE (B.S.), Transfer Students

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents
– 3 C2 900 COM 110 Communication as Critical Inquiry
– 3 C1 900 ENG 101 or ENG 101A10 Composition as Critical Inquiry
– 3 C1 901 ENG 145 Writing in the Academic Disciplines

Mathematics (1 course required)
Please see major requirements for mathematics options
– 4 M1 906 MAT 120 Finite Math or M1 900-1 MAT 145 Calculus I or M1 902 ECO 138/PSY 138/MQM 100 Statistics

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.

Humanities & Fine Arts (3 courses required)
At least 1 humanities and 1 fine arts course required

Social & Behavioral Sciences (3 courses required)
2 different disciplines must be represented
– 3 S3 901 Macroeconomics
– 3 S3 902 Microeconomics

Additional Graduation Requirements
– 120 minimum total credit hours
– 42 minimum senior college hours

AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.
– 4 MAT 160 Elementary Discrete Mathematics

**Take 2 (6 credit hours) additional Web Application Development electives:**
(IT 244, 330, 341, 344, 345, 367, 368, 377) Please consult with your academic advisor.

**Take 1 of the following courses:**
- 3 ECO 138 Economic Reasoning Using Statistics (P: MAT 120, 130, or 145)
- 3 MQM 100 Statistical Reasoning (P: MAT 120, 121, 144, or 145)
- 3 PSY 138 Reasoning in Psychology Using Statistics (P: C or better in MAT 120, 121, 144, or 145)

**Take 1 of the following courses:**
- 3 CDM 227 Organizational & Professional Speaking
- 3 ENG 249 Technical & Professional Writing I (P: ENG 101)

**Take 1 of the following business electives:**
- 3 ACC 132 Managerial Accounting (P: ACC 131)
- 3 ECO 225 Labor Economics & Labor Problems (P: ECO 101 & 102, or 105)
- 3 ECO 239 Managerial Economics (P: ECO 101 or 105; C or better in MAT 121 or 145; MQM 100 or ECO/GEO/PSY/PSY 138)
- 3 ECO 245 The International Economy (P: ECO 101 or 105)
- 3 FIL 240 Business Finance (P: 60+ earned hours; ACC 132, ECO 105, MQM 100 or ECO/GEO/PSY/PSY 138)
- 3 MKT 230 Introduction to Marketing Management (P: ECO 101 & 102 or 103 or 105; 60+ earned hours)

**Allowable Substitutions for Required Courses:**
Acceptable substitution for 3 hours of IT 398 is 3 hours of IT 391
Acceptable substitution for 6 hours of IT 398 is 3 hours of IT 391 and 3 hours from IT 244, 330, 341, 344, 345, 367, 368, 377 (if not used to satisfy other requirements)

WEB APPLICATION DEVELOPMENT SEQUENCE
(B.S.), Transfer Students

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents
___ 4  M1 906 MAT 120 Finite Math or M1 900-1 MAT 145 Calculus I or M1 902 ECO 138/PSY 138/MQM 100 Statistics

Mathematics (1 course required)
Please see major requirements for mathematics options
___ 4  MAT 120/MAT 145 Finite Mathematics (P: C or better in MAT 119 or placement) or Calculus I (P: C or better in MAT 144 or placement)

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.

Humanities & Fine Arts (3 courses required)
At least 1 humanities and 1 fine arts course required

Social & Behavioral Sciences (3 courses required)
2 different disciplines must be represented
___ 3  S3 901 Macroeconomics
___ 3  S3 902 Microeconomics

Additional Graduation Requirements
/120 minimum total credit hours
/42 minimum senior college hours

AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

KINESIOLOGY AND RECREATION (KNR)  512
250 McCormick, (309) 438-8661
https://KinRec.IllinoisState.edu
Director: Dan Elkins

Admission/Retention Requirements: A student may be admitted to the Exercise Science Major, Physical Education Teacher Education Major or the Recreation and Park Administration Major as a new freshman, as a transfer student, or as a change of major at Illinois State University. New freshmen who meet the University’s admission standards may elect to become a major in the School of Kinesiology and Recreation. Retention of students will be determined by the student’s cumulative GPA and other specified criteria required for the major. All courses required in each major must be completed with a grade of C or better.

Honors in Kinesiology and Recreation
Majors in the School of Kinesiology and Recreation with superior academic records are invited to apply for admission to the School Honors Program. The program provides an opportunity for a scholastically gifted student to pursue personal interests through an independent honors project. Students successfully completing the Honors Program will receive the designation of Honors in Kinesiology and Recreation upon graduation. The student’s official academic transcript and diploma will be so noted.

Admission Requirements:
- Be a declared Athletic Training, Physical Education Teacher Education, Exercise Science, or Recreation and Park Administration major with at least 30 and not more than 90 hours of coursework completed, including at least 6 hours of KNR courses
- Have a minimum 3.30 overall GPA
- Submit an application form to the School of Kinesiology and Recreation Honors advisor

Honors Program Requirements:
- Fulfill the general requirements for participation in the University Honors Program
- Successfully complete a minimum of 3 hours of School of Kinesiology and Recreation Honors courses
- Successfully complete KNR 295: Honors Seminar
- Initiate and complete a research project in KNR 299: Honors Independent Study (variable, 3-6 hours) under the direction of a faculty mentor in the student’s major/sequence
- Maintain a minimum 3.30 overall GPA

Further details about the University Honors program are available at Honors.IllinoisState.edu

Professional Practice/Student Teaching
Internship and cooperative education experiences are available at all levels in Exercise Science (298, 398), and in Recreation and Park Administration (298, 398). Students may earn from 1-16 hours. No more than 16 hours may be applied toward graduation. Professional Practice experiences are supervised work experiences in businesses, agencies, organizations, and institutions and are either paid or unpaid. For further information, contact the Professional Practice coordinator in your major.

Student Teaching in Physical Education requires being accepted into the Teacher Education program at Illinois State University. Students are placed in schools with physical education cooperating teachers at the elementary, middle school, and/or secondary school levels as required for teacher licensure. Student teachers are supervised by Physical Education faculty supervisors. The Physical Education Student Teaching Coordinator arranges for all student teaching placements.

Exercise Science Program
Degree Offered: B.S.

Major in Exercise Science
Program Admission Requirements for New and Continuing Students: Admission to this academic program is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission and the application and selection process, visit IllinoisState.edu/Majors or contact the undergraduate advisor for the intended major.

Credentialing Opportunities: There is no single professional credential or certification that is necessary to pursue a career in Exercise Science. However, there are a number of optional credentialing opportunities that students are encouraged to examine. Coursework in this major is focused on the content areas needed for certification preparation by several organizations in this professional field of study. Students graduating in this major can strengthen their professional credentials by pursuing a variety of different certifications offered by organizations such as the American College of Sports Medicine and the National Strength and Conditioning Association. Students interested in learning more about these recommended certification options should consult the Exercise Science Program Director in the School of Kinesiology and Recreation for further information.

Students in the Exercise Science major must complete one of the following sequences.

Allied Health Professions Sequence
Standards for Progress in the Major: Once admitted to either sequence within the Exercise Science major, the student must maintain a minimum 2.50 cumulative GPA. A student falling below the required 2.50 GPA will be placed on probation for one semester. If after one semester the 2.50 GPA has not been re-established, the student will be dropped from the Exercise Science major. A student who has been thus dropped from the Exercise Science major may reapply for admission to the major after raising his or her GPA to the required standard. The student who is not readmitted after one semester of probation and has a minimum 2.00 GPA will have the option of entering the Kinesiology Studies Sequence.

Health and Human Performance Sequence
Standards for Progress in the Major: Once admitted to either sequence within the Exercise Science major, the student must maintain a minimum 2.50 cumulative GPA. A student falling below the required 2.50 GPA will be placed on probation for one semester. If after one semester the 2.50 GPA has not been re-established, the student will be dropped from the Exercise Science major. A student who has been thus dropped from the Exercise Science major may reapply for admission to the major after raising his or her GPA to
the required standard. The student who is not readmitted after one semester of probation and has a minimum 2.00 GPA will have the option of entering the Kinesiology Studies Sequence. A student must have a minimum 2.50 cumulative GPA and have completed all major courses with a grade of C or better to participate in the senior internship (KNR 398A11 Professional Practice: Internship in Exercise Science). Students seeking to take Option 2 (12 hours of advanced coursework in lieu of KNR 378A10 and KNR 398A11) must apply for approval of this option at the start of the semester in which they are registered to take KNR 298.10. The application must include a statement as to why the review committee should allow the student entry into this option, and it must also speak to what steps the student has taken to prepare for academic study beyond the B.S. in Exercise Science. Examples of such preparation might include indications of pre-requisites completed, observation hours completed, completion of research statistics or methods courses, applications to graduate or professional schools, etc. Applications for this option will be considered by a committee of Exercise Science faculty.

Minor in Exercise Science
- 24 total hours required
- 10 hours in core courses: KNR 181, 182, 240, 280
- 11 hours in sequence courses:
  - KNR 298A10, 307, 309
  - One of KNR 311 or 313
- 3 hours minimum selected from:
  - KNR 282, 286, 303, 310

Physical Education Program
Degrees Offered: B.S., B.S. in Education

Major in Physical Education
The Physical Education program consists of two sequences. The Physical Education Teacher Education Sequence requires a minimum cumulative GPA of 2.50 for admission and retention. The Kinesiology Studies Sequence requires a minimum cumulative GPA of 2.00 for admission and retention. All physical education major courses must be completed with a grade of C or better.

Kinesiology Studies Sequence (B.S.)
The Kinesiology Studies sequence is not available for direct admission. Contact the department or undergraduate advisor for more information. A student has the opportunity to select from a series of Physical Education courses to develop a plan of study. Students in the Kinesiology Studies Sequence must have earned a minimum cumulative 2.00 GPA.

Kinesiology Studies Sequence
- 43 min. hours required
- 2-3 hours in an introductory course:
  - KNR 113, 156, 164 or 188
- PHY 105 (4 hrs) or 108 (5 hrs)
- 18 hours in core courses:
  - KNR 181, 182, 254, 257, 280, *282
- 19-20 hours of Kinesiology courses
  - A minimum of 9 hours must be upper-division courses
  - 6 hours must be at the 300-level

*KNR 282 requires PHY 105 or 108 which can be used as a General Education Natural Science Alternative option.

Graduation requirements: all required major courses must be completed with a grade of C or better

Standards for Progress in the Major: After being officially admitted to the Kinesiology Studies Sequence, the student must maintain a minimum cumulative 2.00 GPA.

Physical Education Teacher Education Sequence (PETE) (B.S. in Ed.)
The PETE program for undergraduate majors leads to a professional educator license with K-12 endorsement. All PETE majors planning on becoming licensed teachers must apply for and be admitted to the University’s Teacher Education Program. (See the University-Wide Teacher Education Program section of this Undergraduate Catalog.)

Program Admission Requirements for New and Continuing Students: Admission to this academic program is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission and the application and selection process, visit IllinoisState.edu/Majors or contact the undergraduate advisor for the intended major.

Once accepted, the teacher candidate must meet all teacher education requirements, including, but not limited to: courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission and the application and selection process, visit IllinoisState.edu/Majors.

Once an applicant is accepted into the PETE Program, the teacher candidate must:
1. maintain a minimum cumulative GPA of 2.50 and a minimum major GPA of 2.50 each semester;
2. complete a projected program plan for graduation with the academic advisor for PETE; and
3. be admitted to Professional Studies through the College of Education.

Standards for Progress in the PETE Program:
1. To progress through the program in a timely manner, the teacher candidate must continuously maintain a minimum cumulative 2.50 GPA and a minimum major 2.50 GPA to remain academically eligible.
2. A teacher candidate falling below the minimum GPA, cumulative or major, will be placed on academic probation within the School of Kinesiology and Recreation for one semester. If after one semester the 2.50 cumulative and/or major GPA has not been reestablished, the teacher candidate will be removed from the PETE Program. A student who is not readmitted after one semester of probation, but has a minimum 2.00 GPA, will have the choice to enter the Physical Education (general) Sequence or select another major on campus.
3. The student may submit an application to the program after reestablishing the minimum academic requirements. Acceptance into the program is competitive. (See Admission Requirements for New and Continuing Students.)
4. A student who has not been retained in the PETE program may appeal for reconsideration to the Physical Education Teacher Education Selection and Retention Committee, providing...
Minor in Athletic Coaching
Students wishing to minor in Athletic Coaching must apply through the School of Kinesiology and Recreation on My.IllinoisState.edu in February. The number of students admitted to the minor each year is limited and highest priority will be given to the most qualified applicants.
- Minimum of 20 hours in Kinesiology and Recreation required
- Required courses (minimum of 8 hours):
  - KNR 205, 207
  - One of KNR 180 or 260
- Elective courses (12 hours): KNR 254, 257, 306, 317, 320, 382

Certification Opportunity: Students have the opportunity to qualify for the coaching certification.

Recreation and Park Administration Program
Degree Offered: B.S.

Students may obtain advising material related to Recreation and Park Administration (RPA) in the School’s main office. The Kinesiology and Recreation academic advisor will assist students with planning and completing an academic plan of study. All major courses in RPA must be completed with a grade of C or better.

Major in Recreation and Park Administration

Program Admission Requirements for New and Continuing Students: Admission to this academic program is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: cumulative GPA, hours completed, and written responses on the application. For additional information on minimum requirements for admission and the application and selection process, visit IllinoisState.edu/Majors or contact the undergraduate advisor for the intended major.

Standards for Progress in the Major: A student must have a minimum 2.00 cumulative GPA and have completed all required courses with a grade of C or better.

Recreation Management Sequence
Certification Opportunity: Students graduating from this program are immediately eligible to sit for the examination to become a Certified Park and Recreation Professional.

Therapeutic Recreation Sequence
Certification Opportunity: Students graduating from the Therapeutic Recreation Sequence who have met all the National Council for Therapeutic Recreation Certification (NCTRC) requirements (major and recommended courses including an approved internship) should be eligible to apply to sit for the examination to become a Certified Therapeutic Recreation Specialist. Certification requirements are subject to change so students are strongly advised to obtain the latest certification requirements from NCTRC.

Minor in Recreation and Park Administration
- 24 hours required
- Required courses: KNR 170, 171, 270, 271, 370, 376, 380
- 3 hours of courses selected from: KNR 275, 351, 354, 371, 374, 382

Military Science Program

General Department Information
Reserve Officer Training Corps (ROTC) is designed to be completed concurrently with the student’s academic degree. Students can complete the first two years of ROTC with absolutely no military service obligation. Veterans, National Guardsmen, Army Reservists, and students who complete a four week leadership course at Fort Knox, Kentucky receive constructive credit for the first two years (6 credit hours) of ROTC, and can complete the ROTC program in as few as two school years. Freshmen through senior ROTC courses are offered every semester. These academic courses progress from introducing the student to the Army’s mission and organization, studying leadership principles and traits, to teaching students the duties and responsibilities required of officers in the twenty-first century. Each class has a leadership laboratory that meets once a week. At lab, freshmen through senior students train on basic military skills and receive the opportunity to develop leadership skills through hands-on application. Some of the skills learned during lab include rappelling, water survival training, rifle marksmanship, first aid and CPR, map reading and land navigation, and basic tactics.

Enrolled students in the ROTC program will also have the opportunity to compete for and participate in cultural exchange programs, military internships, and professional internships with several government agencies in the varying fields such as criminal justice, nursing, and information technology. In addition to regular on-campus training and activities, ROTC offers exciting and challenging weekend field training exercises during the school year. Trips include a staff ride, an orientation visit to Fort Knox, Kentucky, and trips to local National Guard training areas to practice marksmanship, land navigation, and tactical skills.

Financial Aid: Military Science students can receive outstanding financial aid through Federal and State Army ROTC scholarships. Federal ROTC scholarships are awarded for a four, three, or two-year period. Students compete at the national level for these scholarships. Each scholarship can pay up to the full tuition and fees each semester, provides a book allowance of $1,200 a year, and a tax free monthly living allowance of $300 for freshmen to $500 for seniors, depending on scholarship status.

State ROTC tuition waivers are awarded by the Professor of Military Science at Illinois State University. The Redbird Battalion awards up to forty of these scholarships each semester to students in the ROTC program.

Extracurricular Activities: Several clubs complement the ROTC academic curriculum, and help students enjoy their college experience more. Ranger Club trains intensively on military skills such as land navigation, patrolling, and rappelling. They sponsor the annual Ranger Challenge competition in which a group of ten cadets are tested on individual and team military skills. The Illinois State University Ranger Challenge team competes with other university ROTC Ranger Challenge teams from around the geographical region in an intercollegiate competition.

Rifle Club fires .22 caliber and precision air rifles weekly at an indoor rifle range. They also participate in marksmanship competitions with other university ROTC programs during the school year, with the opportunity to compete at the National Collegiate level.

The Redbird Color Guard presents the national colors at home football and basketball games, as well as other local community events.

Career Opportunities: Students who complete the ROTC program receive a commission as a second lieutenant in the Army after graduation. The student has the option of serving in the National Guard or Army Reserve as a part time career, or on active duty in the Regular Army as a full time profession. ROTC graduates can also receive a minor in Military Science by applying through the Military Science Department.

Lieutenants in the Army lead soldiers, while managing equipment, vehicle fleets, and financial resources. New lieutenants are routinely put in charge of and lead groups of up to fifty soldiers shortly after college graduation. Officer career specialties in the Army are as diverse as those found in the civilian sector. Some of the seventeen specialties students can request as an Army officer include: Engineering, Personnel Management, Nursing, Signal Corps, Finance, Transportation, Medical Service Corps, Military Police, and Aviation. Except for the health professions, an officer’s specialty in the Army does not have to be related to his or her academic degree in college.

New lieutenants who go into the Regular Army serve on active duty for three or four years, and may then transfer into the reserves. Lieutenants commissioned in the National Guard or Army Reserve can opt to serve their entire tour in the Reserves.
**Minor in Military Science**

Admission into the Military Science Minor program is by permission of the Department Chairperson following a special interview concerning eligibility and entry requirements. Interested students should make arrangements for an interview as early as possible but not later than the second semester of their sophomore year.

- 35 hours required
- Prerequisites (4 hours):
  - MSC 111 and 112
  - Or satisfactory completion of Army Reserve Officers’ Training Corps (ROTC) Leadership Training Course (may be taken for credit as MSC 203)
  - Or proficiency as approved by the Military Science Department Chairperson
- Required courses (12 hours): MSC 220, 221, 240, 241
  - History (3 hours): HIS 278 or 279
  - Written Communications (3 hours): ENG 145, 247 or 249
  - Human Behavior (3 hours) from the following:
    - PSY 110 or 111
    - SOC 106
  - Computer Literacy (3 hours): IT 140, 150, or 155
  - Math Reasoning (3 hours): MAT 113, 120, or 121
  - Physical Education (4 hours): KNR 146

General Department Information
The mission of the Department of Technology is to prepare individuals to become technology-oriented professionals and leaders in organizations and society. Students in the Department of Technology are required to select one of the following majors: Construction Management, Engineering Technology, Graphic Communications, Industrial Technology, Renewable Energy, or Technology and Engineering Education.

Honors in Technology
The Department of Technology offers honors work in the different departmental programs to majors who have completed 60 semester hours with a cumulative 3.50 GPA. Students interested in the program should see the departmental advisor. Requirements for honors in the Technology Honors Program are available in the departmental office, 215 Turner Hall. Further details about the University Honors program are available at Honors.IllinoisState.edu.

Major in Construction Management
Degree Offered: B.S.
Construction Management is an interdisciplinary curriculum that provides a background in construction means and methods, business administration, communication skills, architectural and engineering fundamentals, applied science, and mathematics. The goal of the major is to prepare construction professionals capable of managing projects to completion from construction documents prepared by design professionals. Coursework emphasizes the allocation of labor, equipment, and material to construction projects in order to achieve completion at maximum efficiency of time and cost. The program focus is on production and management capabilities. The Construction Management major is accredited by the American Council on Construction Education (ACCE). Graduates are prepared to assume leadership positions in residential, commercial and specialty construction. Initial employment may include field supervision, project management, estimating, and scheduling. Positions are also available in related areas such as code enforcement, construction financing, product sales, quality control, and safety management.

Major in Engineering Technology
Degree Offered: B.S.
Engineering Technology is a multidisciplinary curriculum that provides experiences in the following areas: Automation, Product Design, Process Control, Plastic Materials, Quality Management, and/or Technical Project Management. The goal of the major is to prepare professionals capable of managing projects and processes in government and private enterprise settings. Coursework emphasizes the management of people, processes, and materials through hands-on activities. Initial employment opportunities include: project management, process control, production management, product design, quality control support, and technical sales. The Engineering Technology program is accredited by the Association of Technology, Management, and Applied Engineering (ATMAE).

Major in Graphic Communications
Degree Offered: B.S.
Graphic Communications graduates become technical, creative and management professionals in a variety of markets. The curriculum blends digital media and print media technology. Students are involved in hands-on projects to design and produce media that incorporate photography, video, 3D animation, augmented reality, and printing technology. Graduates develop highly marketable skills in product management, project management and business. Two concentrations within the graphic communications major may be pursued for more in-depth study: (1) marketing graphics technology, or (2) web content management. The Graphic Communications Technology Program is accredited by the Accrediting Council for Collegiate Graphic Communications (ACCGC).

Major in Industrial Technology
Degree Offered: B.S.

Computer Systems Technology Sequence
Computer Systems Technology is an interdisciplinary curriculum that provides a background in computer technology, software, programming, information imaging, and other industry-related technologies. The goal is to prepare professionals for the management and supervision of technical computer systems in industrial settings. Coursework emphasizes the use of computer systems to provide students with a diverse technical and professional background in communications, networking, interfacing, and electronic principles related to a variety of computer systems. Computer Systems Technology is accredited by the Association of Technology, Management, and Applied Engineering (ATMAE).

Major in Sustainable and Renewable Energy
Degree Offered: B.S.
The Major in Sustainable and Renewable Energy is an interdisciplinary program that prepares students for careers in renewable energy and related industries, including wind energy, solar power, biofuels, and energy management. The curriculum is designed to provide students with a broad understanding of energy management concepts and the roles played by renewable resources. Students will develop expertise in an interdisciplinary core of subjects fundamental to renewable energy as well as more in-depth studies in a related minor.
Major in Technology and Engineering Education
Degree Offered: B.S.
Technology and Engineering Education includes: (1) a study of the concepts practiced in modern technological systems of energy utilization, communication, production, and transportation, and engineering-related fields; (2) the development of cognitive, psychomotor, and affective skills in these five areas related to the use of tools, materials, processes, resources, techniques, scientific principles, work (skill and organization), and products as well as their impacts on society; and (3) the professional competencies of planning, executing and evaluating instruction.
The following requirements are part of the entitlement program leading to endorsement at the secondary 6-12 grade levels. Initial employment opportunities include: Junior High/ Middle School Technology and Engineering Teacher (middle school endorsement also requires PSY 302 and TCH 233), High School Technology and Engineering Teacher, Vocational/Trade School Teacher, School District Technology Coordinator, Community/Junior College Instructor, Industrial Trainer/ Instructor. A cumulative and major GPA of 2.50 is required for student teaching and graduation. The Technology and Engineering Education Program is accredited by the Illinois State Board of Education (ISBE) and NCATE/CTTE.
If technology majors want an endorsement for middle school, PSY 302 and TCH 233 are required.

Clinical Experiences in Teacher Education
A variety of clinical (pre-student teaching) experiences, as well as student teaching, are included in the teacher candidates professional preparation. Observations, small and large group instruction, tutoring, field experiences, and student teaching are included in the Clinical Experiences Program. The experiences offered prior to student teaching are integral parts of specific college courses. Clinical experiences are provided in off-campus professional development schools, local schools, campus laboratory schools, agencies and other approved non-school settings. The Cecilia J. Lauby Teacher Education Center monitors and documents all clinical experiences. Teacher candidates will show verification of having completed clinical experiences commensurate with attaining local, state, and national standards. Teacher candidates must provide their own transportation to clinical experiences sites.
Candidates are required to provide documentation of meeting all State of Illinois, district, and university requirements in regard to criminal background checks BEFORE beginning any clinical experiences. Criminal background checks must remain current as of the last day of the clinical experience. Candidates should consult with clinical course faculty and the Cecilia J. Lauby Teacher Education Center well in advance of clinical experiences to determine specific requirements needed each semester.
The approximate number of clinical hours associated with each course offering can be found with the appropriate course description in this Undergraduate Catalog. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend
- Observation (including field trips)
- Tutoring one-on-one contact
- Non-instructional assisting
- Small group instruction
- Whole class instruction
- Work with clinic client(s)
- Graduate practicum
- Professional meeting

Minor in Technology
- 21 hours required through advisement
- 6 of the 21 hours required must be upper level coursework
- No more than 9 hours from the major program of study may be applied to the minor

Allowable substitutions for Technology Majors:
- Acceptable substitutions for CHE 102 are CHE 110 and 112, or 140
- Acceptable substitution for HSC 385 is HSC 271
- Acceptable substitutions for MAT 120 are MAT 121, 144 or 145
- Acceptable substitution for MQM 100 is ECO 138
- Acceptable substitutions for PHY 105 are PHY 108 or 110
- Acceptable substitution for TEC 270 is MQM 220
- Acceptable substitutions for TEC 330 are ACC 131 and ACC 132

TECHNOLOGY

MAJOR IN CONSTRUCTION MANAGEMENT (B.S.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
_____ 3 COM 110 Communication as Critical Inquiry
_____ 3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

Mathematics (1 course required)
_____ 4 MAT 120 Finite Mathematics

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.
_____ 3 CHE 102 Chemistry & Society
_____ 4 PHY 105 Fundamentals of Physics

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***

Language in the Humanities (1 course required)***

Quantitative Reasoning (1 course required)
_____ 3 MQM 100 Statistical Reasoning

Science, Math, & Technology (1 course required) Exempt for Construction Management majors

Social Sciences (1 course required)***
_____ 3 PSY 110 Fundamentals of Psychology

Additional Graduation Requirements
_____/120 minimum total credit hours
_____/42 minimum senior college hours

AMALI requirement
***certain courses in General Education fulfill the AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

Major (90 credit hours)
_____ 1 TEC 100 Professional Development in Technology
_____ 3 TEC 117 Construction Graphics
_____ 3 TEC 120 Introduction to Building Construction
_____ 2 TEC 121 Construction Methods
_____ 3 TEC 123 Construction Documents & Quantily Takeoff (P: C or better in TEC 120)
_____ 3 TEC 217 Building Information Modeling (P: TEC 117)
_____ 3 TEC 222 Mechanical & Electrical Systems for Buildings (P: C or better in TEC 120; MAT 120; and PHY 105)
_____ 3 TEC 223 Field Engineering (P: C or better in TEC 120; MAT 120)
_____ 3 TEC 224 Soils & Foundations (P: C or better in TEC 120 and 121)
_____ 2 TEC 226 Construction Contracts & Law (P: C or better in TEC 120)
_____ 3 TEC 229 Cost Estimating (P: TEC 117, 123, 222, and 224)
_____ 3 TEC 270 Managing Technological Systems (P: PSY 110 or conc. reg.; 45+ earned hours)
_____ 3 TEC 292 Construction Materials Technology (P: MAT 120 or conc. reg.)
_____ 3 TEC 325 Construction Scheduling (P: TEC 117, 123, 222, and 224.)
_____ 3 TEC 326 Construction Finance & Accounting (P: ACC 131; ECO 101 and 102; MAT 120)
_____ 3 TEC 327 Design of Building Structures (P: TEC 292; MAT 120; PHY 105)
_____ 3 TEC 329 Sustainable Buildings and Urban Development (P: TEC 120 and min. 45 hours completed)
_____ 3 TEC 394 Construction Management & Administration (P: TEC 226, 229, 325; TEC 398 or 800 hours documented construction experience)
_____ 3 ACC 131 Financial Accounting (P: 12+ earned hours)
_____ 3 CHE 102 Chemistry & Society
_____ 3 ECO 101 Principles of Microeconomics
_____ 3 ECO 102 Principles of Macroeconomics
_____ 3 FIL 185 Legal, Ethical, & Social Environment of Business (P: ECO 101; ECO 102 (may be taken concurrently) (or ECO 105) or ECO 103; 15+ earned hours)
_____ 3 HSC 272 Construction Safety (P: MAT 120)
_____ 4 MAT 120 Finite Mathematics (P: C or better in MAT 119 or placement)
_____ 3 MKT 230 Introduction to Marketing Management (P: ECO 103 or 105 (ECO 101 and 102)
_____ 3 MQM 100 Statistical Reasoning (P: MAT 120, 121, 144, or 145)
_____ 4 PHY 105 Fundamentals of Physics
_____ 3 PSY 110 Fundamentals of Psychology

Take 5 additional credit hours of Construction Management electives: (TEC 111, 225, 240, 322, 324, 328, 398 (3 hours only))
Please consult with your academic advisor.

TECHNOLOGY

MAJOR IN GRAPHIC COMMUNICATION (B.S.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
_____ 3 COM 110 Communication as Critical Inquiry
_____ 3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

Mathematics (1 course required)
_____ 4 MAT 120 Finite Mathematics

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.
_____ 3 CHE 102 Chemistry & Society
_____ 4 PHY 105 Fundamentals of Physics

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***
_____  __

Language in the Humanities (1 course required)***
_____  __

Quantitative Reasoning (1 course required)
_____  3 MQM 100 Statistical Reasoning

Science, Math, & Technology (1 course required)
Exempt for Graphic Communications majors

Social Sciences (1 course required)***
_____  3 PSY 110 Fundamentals of Psychology

Additional Graduation Requirements
_____/120 minimum total credit hours
_____/42 minimum senior college hours

AMALI requirement
***certain courses in General Education fulfill the AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S. — SMT Requirement section of the catalog or the Course Finder website for a list of courses.
_____ 3 TEC 313 Quality Systems for Technology

Major (78 credit hours)
______ 1 TEC 100 Professional Development in Technology
______ 3 TEC 116 Introduction to Technical Drawing & Constraint-Based Solid Modeling
______ 3 TEC 150 Graphic Communications Technology
______ 3 TEC 151 Introduction to Computer Systems Technology
______ 3 TEC 152 Digital Media Applications
______ 3 TEC 250 Graphic Media Composition (P: TEC 150)
______ 3 TEC 253 Image Capture & Editing (P: TEC 150)
______ 3 TEC 257 Print Media Production (P: TEC 150)
______ 3 TEC 270 Managing Technological Systems (P: PSY 110 or conc. reg.; 45+ earned hours)
______ 3 TEC 313 Quality Systems for Technology (P: MQM 100; MAT 120; 8+ hours of TEC courses)
______ 3 TEC 317 Computer-Aided Rendering & Animation (P: TEC 116 or 217)
______ 3 TEC 320 Project Management (P: TEC 270; 60+ earned hours)
______ 3 TEC 330 Applied Economic Analysis for Technologists (P: MAT 120; 6 credit hours of 200-level TEC courses)
______ 3 TEC 352 Prepress Technology (P: TEC 250)
______ 3 TEC 354 Print Production Planning & Profitability (P: TEC 257; MAT 120)
______ 3 TEC 356 Graphic Communications Business Practices (P: TEC 257)
______ 3 TEC 358 E-Publishing Management (P: TEC 152 and 250)
_____ 3 CHE 102 Chemistry & Society
______ 4 MAT 120 Finite Mathematics (P: C or better in MAT 119 or placement)
______ 3 MQM 100 Statistical Reasoning (P: MAT 120, 121, 144, or 145)
_____ 4 PHY 105 Fundamentals of Physics
_____ 3 PSY 110 Fundamentals of Psychology

Take 3 (9 credit hours) additional courses from one of the following concentrations:
Marketing Graphics Technology: TEC 350, 351, 353
Web Content Management: TEC 283, 319, 378
Please consult with your academic advisor.

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents

- 3 C2 900 COM 110 Communication as Critical Inquiry
- 3 C1 900 ENG 101 or ENG 101A10 Composition as Critical Inquiry
- 3 C1 901 ENG 145 Writing in the Academic Disciplines

Mathematics (1 course required)
Please see major requirements for mathematics options

- 4 M1 906 MAT 120 Finite Math

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.

- 3 or 4 P1 902 CHE 102 Chemistry and Society or P1 900L PHY 105 Fundamentals of Physics

Humanities & Fine Arts (3 courses required)
At least 1 humanities and 1 fine arts course required

- - -

Social & Behavioral Sciences (3 courses required)
2 different disciplines must be represented

- 3 S6 900 PSY 110 Fundamentals of Psychology

Additional Graduation Requirements

- /120 minimum total credit hours
- /42 minimum senior college hours

AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

- -

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

- 3 TEC 313 Quality Systems for Technology

Major (75 credit hours)

- 1 TEC 100 Professional Development in Technology
- 3 TEC 143 Introduction to Electronics for Data Communications
- 3 TEC 151 Introduction to Computer Systems Technology
- 3 TEC 243 Computer Networking Systems
- 3 TEC 244 Digital Electronics (P: MAT 120)
- 3 TEC 245 Applications of Operating Systems (P: TEC 151 or conc. reg.)
- 3 TEC 270 Managing Technological Systems (P: PSY 110 or conc. reg.; 45+ earned hours)
- 3 TEC 283 Information & Imaging Technologies (P: C or better in TEC 151)
- 3 TEC 284 Technical Computer Applications (P: TEC 143 and 283 or conc. reg.)
- 3 TEC 313 Quality Systems for technology (P: MQM 100; MAT 120; 8+ hours of TEC courses)
- 3 TEC 319 Graphical Software Interfaces (P: C or better in TEC 283)
- 3 TEC 320 Project Management (P: TEC 270; 60+ earned hours)
- 3 TEC 330 Applied Economic Analysis for Technologists (P: MAT 120; 6 credit hours of 200-level TEC courses)
- 3 TEC 378 E-Commerce (P: TEC 283)
- 3 TEC 383 Telecommunications Technology (P: TEC 243 or IT 254)
- 3 TEC 390 Computer Systems Applications (P: TEC 270; PHY 105; 9 credit hours of senior college Computer Systems Technology courses)
- 3 CHE 102 Chemistry & Society
- 4 MAT 120 Finite Mathematics (P: C or better in MAT 119 or placement)
- 3 MQM 100 Statistical Reasoning (P: MAT 120, 121, 144, or 145)
- 4 PHY 105 Fundamentals of Physics
- 3 PSY 110 Fundamentals of Psychology

Take 12 additional credit hours of Computer Systems Technology electives:
(TEC 116, 152, 216, 250, 348, 358, 370, 398 (3 hours); IT 168, 178, 254, 261, 262)
Please consult with your academic advisor.

Technology Courses:
https://coursefinder.illinoisstate.edu/directory/tec/

All Courses:
https://coursefinder.illinoisstate.edu/directory/
The College of Arts and Sciences provides the opportunity for a liberal education in addition to the attainment of career-oriented skills. The College includes the Departments of Chemistry; Communication Sciences and Disorders; Economics; English; Geography, Geology, and the Environment; History; Languages, Literatures, and Cultures; Mathematics; Philosophy; Physics; Politics and Government; Psychology; Sociology-Anthropology; and the Schools of Biological Sciences; Communication; and Social Work; as well as the programs in Latin American and Latino/a Studies, African-American Studies, and Women’s and Gender Studies. The College offers the core of the General Education Program required of all undergraduates, a wide range of academic major and minor programs for meeting baccalaureate degree requirements, master’s programs in most disciplines, and doctoral programs in Audiology, Biological Sciences, English Studies, Mathematics, and Psychology. Course offerings span the humanities, social and behavioral sciences, natural sciences, and mathematics.

Foreign Language Requirement: All graduates of the College of Arts and Sciences must satisfy a foreign language graduation requirement that may be met by: 3 years of one foreign language in high school or successful completion of the second semester or higher of college-level foreign language with a passing grade or equivalent proficiency as determined by examination. Students who have successfully completed one semester of college foreign language credit may elect to satisfy this requirement by studying abroad in an approved program in a country whose main language is the same as the one studied in college. American Sign Language may also be used to fulfill this requirement by transfer credit or by proficiency.

Arts and Sciences Programs
The College of Arts and Sciences participates in the Major in Interdisciplinary Studies, Major in European Studies, and the minors in African-American Studies; African Studies; Children’s Studies; Civic Engagement and Responsibility; Classical Studies; Cognitive Science; East Asian Studies; Environmental Studies; Ethnic Studies; European Studies; Interdisciplinary Studies; Latin American and Latino/a Studies; Middle Eastern and South Asian Studies; Native American Studies; Peace and Conflict Resolution Studies; Religious Studies; Urban Studies; and Women’s and Gender Studies. For further information, please consult the section entitled “Interdisciplinary Studies Programs” in this Undergraduate Catalog.
Latin American and Latino/a Studies (LAL) 467

Minor in Latin American and Latino/a Studies
Director: Dr. Maura Toro-Morn, Latin American and Latino/a Studies Program
328 Williams Hall, Phone: (309) 438-0097
mitmorn@ilstu.edu
Advisor: Ryan Gray, Sociology and Anthropology
Schroeder 344, Phone: (309) 438-8669
krgray2@ilstu.edu
https://LatinoStudies.IllinoisState.edu

The goals of the Minor in Latin American and Latino/a Studies are (a) to provide students with key concepts, information, and a foundation of knowledge rooted in several academic disciplines; (b) to examine the social, political, and cultural challenges of Latin America and the Latino/a populations in the global community; and (c) to foster a multicultural, pluralistic, and multilingual environment by focusing on the interrelations between the United States, Latin America, and its descendant populations.

This program is student centered and flexible. Students are expected to complete coursework in a variety of disciplines and departments. All individual programs of study must be planned in consultation with the Latin American and Latino/a Studies advisor. To ensure the integrity of the interdisciplinary of the minor, students must complete coursework from a minimum of three departments.

- 21 hours required
- Required courses (6 hours):
  - LAL/SOC 109
  - HIS 104A03 or GEO 235A02 or SPA/POR/FRE 112
    If a student can show he or she has earned language credit in an indigenous language, those credits will be accepted as well
- Elective courses (15 hours) from:
  - ANT 303, 383
  - ENG 267
  - FRE 112, 115, 116
  - GEO 235A02
  - HIS 104A03, 263, 282, 283
  - IDS 203A15
  - LAL 287, 291, 398A01, 398A02
  - POL 240, 340
  - POR 111, 112, 115
  - PSY 327A01
  - SPA 112, 115, 116, 120, 233, 240, 244, 326, 327, 336
  - THE 375
    Other courses with appropriate Latin American or Latino/a Studies content may be approved by the advisor:

- ANT 273
- SPA 305, 360, 385
- TCH 319, 320, 321, 322
- WGS 391

Students are strongly encouraged to study abroad in programs in Latin America and the Caribbean. See the Office of International Studies and Programs for information.

NOTE: Many courses are offered regularly. Please note that some courses are not available every semester.

Latin American and Latino/a Studies Courses visit:
https://coursefinder.illinoisstate.edu/directory/lal/

All Courses:
https://coursefinder.illinoisstate.edu/directory/
Women’s and Gender Studies (WGS) 426

Minor in Women’s and Gender Studies

Acting Director: Kyle Ciani
237 Rachel Cooper, Phone: (309) 438-2947
Advisor Phone: (309) 438-2947
WGSAdvisor@IllinoisState.edu
https://wgs.illinoisstate.edu

The minor in Women’s and Gender Studies enhances any undergraduate major by offering students an interdisciplinary curriculum that focuses on diverse experiences of women in both national and international contexts. The program provides a wide range of electives that offer students the conceptual tools to critically examine the meanings of gender and its intersections with race, sexuality, class/caste, coloniality and ability as they shape our ways of knowing, behaviors, and political identities. Curricular areas of emphasis include the study of feminist theories and methodologies, social justice and activism, LGBTQ studies, women’s histories, literatures, visual cultures, and politics. Women’s and Gender Studies is an interdisciplinary minor that analyzes structures of power and systemic inequalities grounded in gender and its intersections with other identity categories as they are expressed in historical and contemporary struggles for social change. Women’s and Gender Studies is not only about learning facts and theories, but also about using our collective knowledge to become scholars, practitioners, leaders, and agents of social change. Courses encourage students to analyze the world in which they live, in order that they might act transform it.

- 21 hours required
- Required courses:
  - WGS 120
  - ENG 160 or 260 or 261 or 360
  - HIS 261 or HIS 262
  - PHI 246 or POL 338
- 9 hours of additional courses from:
  - ANT 270, 376
  - CJS 307, 339, 342
  - COM 128 or ENG 128 or LAN 128
  - ENG 206 or LAN 206
  - ENG 260, 261, 360 (if not already chosen to fulfill a requirement)
  - FCS 112 or HIS 112 or SOC 112
  - HIS 261 or 262 (if not chosen to fulfill requirement); HIS 264, 330, 350
  - IDS 121A39
  - PHI 202
  - POL 225, 337, 338, 363
  - PSY 123 or SOC 123; PSY 305
  - SOC 264, 265, 311, 341, 342, 366

Queer Studies Concentration: The Women’s and Gender Studies Program also offers a Queer Studies Concentration. The Queer Studies Concentration is an option for students wanting to enhance their understanding of lesbian, gay, bisexual, transgender, queer, and intersex (LGBTQI+) issues or whose undergraduate curriculum or professional goals would be enriched by additional coursework in this emerging vibrant field. The concentration focuses on LGBTQI+ histories, political movements, aesthetics, arts, cultures, literatures, scholarship, contemporary experiences, and social formations. The Queer Studies Concentration is separate from the Women’s and Gender Studies minor and is not recognized on university transcripts.

- 12 hours required
- Required courses:
  - WGS 120, 292, 392
- 3 hours of additional courses from:
  - ANT 270
  - PHI 202
  - POL 337
  - PSY 123 or SOC 123

Note: Both the minor and concentration must be planned in consultation with the Women’s and Gender Studies director or advisor.

Women’s and Gender Studies Courses:
https://coursefinder.illinoisstate.edu/directory/wgs/

All Courses:
https://coursefinder.illinoisstate.edu/directory/
General Biology Sequence
Majors selecting this sequence will receive broad training in biology. This sequence is designed for students seeking careers in any area of biology. This sequence will also prepare students for graduate studies in the Biological Sciences and/or post-baccalaureate professional schools.

Conservation Biology Sequence
Biological Sciences majors selecting this sequence will receive broad training in conservation biology. This sequence is designed for students seeking careers in the conservation of natural ecosystems and their organisms (all levels of biodiversity). The coursework will also prepare students for graduate studies in conservation biology, and for internships and entry-level positions in conservation-oriented non-governmental organizations, state and federal government organizations, and environmental consulting firms.

Physiology, Neuroscience and Behavior Sequence
Majors selecting this sequence will receive broad training in physiology, neuroscience and behavior. This sequence is designed for students seeking careers that involve basic scientific and applied aspects of behavior, physiology and neuroscience. This sequence will also prepare students for graduate studies in neuroscience, physiology and animal behavior and related fields, and, with additional coursework, students can meet the requirements to apply to veterinary and health professional schools.

Plant Biology Sequence
Majors selecting this sequence receive broad training in plant biology. This sequence is designed for students seeking jobs with industries, the government and nonprofit organizations working with plants. This sequence will also prepare students for graduate studies in plant biology. Research and internships enhance future prospects for employment and acceptance to graduate programs; hence students are strongly encouraged to pursue individual work via one of the following: 2 hours of BSC 287 Independent Study, 2 hours of BSC 398 Professional Practice (398 Biology, or 398A02 Internship in Public Outreach), or at least 3 hours of BSC 290 Research in Biological Sciences. Students are also encouraged to do a formal senior thesis (for more information see https://Biology.IllinoisState.edu/undergrad/thesis).

Zoology Sequence
Majors selecting this sequence will receive broad training in Zoology. This sequence is designed for students seeking careers that involve working with animals. This sequence will also prepare students for graduate studies in Zoology and related fields (e.g., Entomology, Physiology, Wildlife Biology), and, with additional coursework, students can meet the requirements to apply to veterinary and health professional schools.
Minor in Biological Sciences

Biological Sciences Sequence:

- 24 hours in Biological Sciences required
- Required courses: BSC 196 and 197
- At least 12 of the elective hours must be 200- or 300-level courses.

NOTE: BSC 101 and 307 may not be used as electives in the minor.

Major in Molecular and Cellular Biology

The Molecular and Cellular Biology major provides a solid foundation in the study of molecular and cellular processes within the context of medical and societal applications.

Honors in Molecular and Cellular Biology

In order to graduate with honors in Molecular and Cellular Biology, a student must complete (1) all regular requirements for the Molecular and Cellular Biology Major; (2) Mathematics through 2 semesters of calculus; (3) 12 hours of Honors credit in Biological Sciences with a grade of A or B in each; (4) 3 hours of BSC 299; (5) 1 hour of BSC 303 Senior Thesis; and (6) have at the time of graduation a cumulative GPA of at least 3.30 and at least 3.50 in Biological Sciences courses.

Major in Biological Sciences Teacher Education

The Biological Science Teacher Education major is designed to prepare students to teach secondary science.

Program Admission Requirements for New and Continuing Students

Admission to this academic program is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission and the application process, visit IllinoiState.edu/Majors or contact the undergraduate advisor for the intended major.

Standards for Progress in the Major

Before being admitted to the University Professional Studies program (see the University Wide Teacher Education Program requirements in this Undergraduate Catalog), the Biological Sciences Teacher Education major must meet school requirements for admission. Students should consult the Teacher Education advisor for information and updated requirements.

To progress through the program in a timely manner, the teacher candidate must continuously maintain a minimum cumulative 2.50 GPA and a minimum major 2.50 GPA to remain academically eligible. In order to receive teaching licensure in the state of Illinois, majors must earn a grade of C or better in all courses required for state licensure.

Clinical Experiences in Teacher Education

A variety of clinical (pre-student teaching) experiences, as well as student teaching, are included in the teacher candidates professional preparation. Observations, small and large group instruction, tutoring, field experiences, and student teaching are included in the Clinical Experiences Program. The experiences offered prior to student teaching are integral parts of specific college courses. Clinical experiences are provided in off-campus professional development schools, local schools and campus laboratory schools, agencies and other approved non-school settings. The Cecilia J. Lauby Teacher Education Center monitors and documents all clinical experiences. Teacher candidates will show verification of having completed clinical experiences commensurate with attaining local, state, and national standards. Teacher candidates must provide their own transportation to clinical experiences sites.

Candidates are required to provide documentation of meeting all State of Illinois, district, and university requirements in regard to criminal background checks BEFORE beginning any clinical experiences. Criminal background checks must remain current as of the last day of the clinical experience. Candidates should consult with clinical course faculty and the Cecilia J. Lauby Teacher Education Center well in advance of clinical experiences to determine specific requirements needed each semester.

The approximate number of clinical hours associated with each course offering can be found with the appropriate course description in this Undergraduate Catalog. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- Observation (including field trips)
- Tutoring one-on-one contact
- Non-instructional assisting
- Small group instruction
- Whole class instruction
- Work with clinic client(s)
- Graduate practicum
- Professional meeting

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.
_____  4  BSC 201  Ecology

Major (min. 60 credit hours)
38 hours required in Biology
_____  4  BSC 196*  Biological Diversity
_____  4  BSC 197*  Molecular & Cellular Basis of Life
_____  4  BSC 201*  Ecology (P: BSC 196 & 197)
_____  3  BSC 203  Cell Biology (P: BSC 196 & 197; CHE 110 & 112 or 141)
_____  1  BSC 204  Biological Investigations (P: BSC 196 & 197)
_____  3  BSC 219  Genetics (P: BSC 196 & 197)
_____  3  BSC 305  Biological Evolution (P: BSC 196 & 197; 45+ earned hours)

Take 16 credit hours of additional General Biology electives:
At least two courses must have labs. Please consult your academic advisor.

Choose one of the following options:
_____  4/1  CHE 110/112  Fundamentals of Chemistry & Laboratory
_____  4/4  CHE 140  General Chemistry I (P: C or better in MAT 119; or C or better in MAT 120 or 144 or 145 or conc. reg.) AND CHE 141 General Chemistry II (P: CHE 140)

Choose one of the following options:
_____  5  CHE 220  Elementary Organic Chemistry (P: CHE 112 or 141)
_____  3/1  CHE 230  Organic Chemistry I (P: CHE 141) AND CHE 231 Organic Chemistry Laboratory (P: CHE 141; conc. reg. in CHE 230)

Choose one of the following options:
_____  4/4  MAT 120  Finite Mathematics (P: C or better in MAT 119 or placement) AND MAT 121 Applied Calculus† (P: C or better in MAT 119 & 120)
_____  4/4  MAT 145  Calculus I (P: C or better in MAT 144 or placement) AND MAT 146 Calculus II† (P: C or better in MAT 145)

Take one of the following courses:
_____  4  PHY 105  Fundamentals of Physics
_____  5  PHY 108  College Physics I
_____  4  PHY 110  Physics for Science & Engineering I (P: MAT 145 or conc. reg.)

* Biological Science courses with a lab
† ECO 138 or PSY 138 may substitute for MAT 121 or 146

— BSC 202, 307 and Biological Sciences courses below 195 may not be used in the major.
— A minimum of 12 hours in Biological Sciences courses must be completed at Illinois State University.

Biological Sciences Courses:
https://coursefinder.illinoisstate.edu/directory/bsc/

All Courses:
https://coursefinder.illinoisstate.edu/directory/
MAJOR IN BIOLOGICAL SCIENCES

GENERAL BIOLOGY SEQUENCE, (B.S.)

Transfer Students

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents
_____ 3 C2 900 COM 110 Communication as Critical Inquiry
_____ 3 C1 900 ENG 101 or ENG 101A10 Composition as Critical Inquiry
_____ 3 C1 901 ENG 145 Writing in the Academic Disciplines

Mathematics (1 course required)
Please see major requirements for mathematics options
_____ 4 M1 906 MAT 120 Finite Math or M1 900 MAT 121 Applied Calculus or M1 900-2 MAT 145 Calculus I or M1 900-2 MAT 146 Calculus II or M1 902 ECO/PSY 138 Econ Reasoning Using Statistics

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least one course must have a lab.
_____ 4 L1 901L BSC 196 Biological Diversity or BSC 197 Molecular/Cellular Basis of Life
_____ 4 P1 902 and P1 902L CHE 110/112 Fundamentals of Chemistry or P1 902L CHE 140 General Chemistry I or P1 900L PHY 108 College Physics I or P2 900L PHY 110 Physics for Science & Engineering I

Humanities & Fine Arts (3 courses required)
At least one humanities and 1 fine arts course required

Social & Behavioral Sciences (3 courses required)
Two different disciplines must be represented

Additional Graduation Requirements
_____/120 minimum total credit hours
_____/42 minimum senior college hours

College of Arts & Sciences language requirement

AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)

B.S. Science, Math, & Technology (1 course required)
Please see major requirements for science, math, & technology options. See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

Major (min. 58 credit hours)

37 hours in Biology required

- 4 BSC 196 Biological Diversity
- 4 BSC 197 Molecular & Cellular Basis of Life
- 1 BSC 204 Biological Investigations (P: BSC 196 & 197)
- 4 BSC 212 Principles of Botany (P: BSC 196 or AGR 150; BSC 197)
- 3 BSC 219 Genetics (P: BSC 196 & 197)
- 3 BSC 365 Bioenergy Plant/Microbe Biology & the Environment (P: BSC 201 or 203 or 212 or 219 or 260)

Take 1 additional Conceptual Group elective:
(BSC 201*, 203, 260*, 305)

- __________

Take 2 additional Plant Group electives:
(BSC 211*, 223*, 330*, 333*, 346)

- __________
- __________

Take additional Plant Biology electives to total 37 Biology hours:
Please consult your academic advisor.

- __________
- __________
- __________
- __________

Choose 1 of the following options:

- 4/1 CHE 110/112 Fundamentals of Chemistry & Laboratory
- 4/4 CHE 140 General Chemistry I (P: C or better in MAT 119; or C or better in MAT 120 or 144 or 145 or conc. reg.) AND CHE 141 General Chemistry II (P: CHE 140)

Choose 1 of the following options:

- 5 CHE 220 Elementary Organic Chemistry (P: CHE 112 or 141)
- 3/1 CHE 230 Organic Chemistry I (P: CHE 141) AND CHE 231 Organic Chemistry Laboratory (P: CHE 141; conc. reg. in CHE 230)

Choose 1 of the following options:

- 4/4 MAT 120 Finite Mathematics (P: C or better in MAT 119 or placement) AND MAT 121 Applied Calculus (P: C or better in MAT 119 & 120)
- 4/4 MAT 145 Calculus I (P: C or better in MAT 144 or placement) AND MAT 146 Calculus II (P: C or better in MAT 145)

Take 1 of the following courses:

- 4 PHY 105 Fundamentals of Physics
- 5 PHY 108 College Physics I
- 4 PHY 110 Physics for Science & Engineering I (P: MAT 145 or conc. reg.)

Students must complete 5 Biological Science courses with a lab (*)
‡ ECO 138, GEO 138, or PSY 138 may substitute for MAT 121 or 146.

- BSC 202, 307 and Biological Sciences courses below 195 may not be used in the major.
- A minimum of 12 hours in Biological Sciences courses must be completed at Illinois State University.

https://coursefinder.illinoisstate.edu/directory/
MAJOR IN BIOLOGICAL SCIENCES
ZOOLOGY SEQUENCE (B.S.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
3 COM 110 Communication as Critical Inquiry
3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

Mathematics (1 course required)
Please see major requirements for math options.

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences. Please see major requirements for science options.

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***

Language in the Humanities (1 course required)***

Quantitative Reasoning (1 course required)
Please see major requirements for quantitative reasoning options

Science, Math, & Technology (1 course required)
Exempt for Zoology majors

Social Sciences (1 course required)***

Additional Graduation Requirements
120 minimum total credit hours
42 minimum senior college hours
College of Arts & Sciences language requirement

AMALI requirement
***certain courses in General Education fulfill the AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

Major (min. 60 credit hours)
37 hours in Biology required

Take two (7 credit hours) additional organismal Zoology electives:
(BSC 286, 292*, 296, 301*, 396*)
At least one course must have a lab. Please consult your academic advisor.

Take two (7 credit hours) additional functional Zoology electives:
(BSC 283*, 295*, 311, 327, 343, 345, 367*)
At least one course must have a lab. Please consult your academic advisor.

Take additional Biology electives to achieve the 37 hour minimum in Biological Sciences.
At least one course must have a lab. Please consult your academic advisor.

Choose one of the following options:

4/1 CHE 110/112 Fundamentals of Chemistry & Laboratory
4/4 CHE 140 General Chemistry I (P: C or better in MAT 119; or C or better in MAT 120 or 144 or 145 or conc. reg.) AND CHE 141 General Chemistry II (P: CHE 140)

Choose one of the following options:

3/1 CHE 220 Elementary Organic Chemistry (P: CHE 112 or 141)
3/1 CHE 230 Organic Chemistry I (P: CHE 141) AND CHE 231 Organic Chemistry Laboratory (P: CHE 141; conc. reg. in CHE 230)

Choose one of the following options:

4/4 MAT 120 Finite Mathematics (P: C or better in MAT 119 or placement) AND MAT 121 Applied Calculus (P: C or better in MAT 119 & 120)
4/4 MAT 145 Calculus I (P: C or better in MAT 144 or placement) AND MAT 146 Calculus II (P: C or better in MAT 145)

Take one of the following courses:

4 PHY 105 Fundamentals of Physics
5 PHY 108 College Physics I
4 PHY 110 Physics for Science & Engineering I (P: MAT 145 or conc. reg.)

* Biological Science courses with a lab
‡ ECO 138, GEO 138, or PSY 138 may substitute for MAT 121 or 146.

</tr>
</tbody>
</table>

Take one of the following courses:

4            | MAT 120 Finite Mathematics (P: C or better in MAT 119 or placement) |
| 4            | MAT 145 Calculus I (P: C or better in MAT 144 or placement) |

Take one of the following courses:

4            | PHY 105 Fundamentals of Physics |
| 5            | PHY 108 College Physics I |

Take one of the following courses:

3            | ECO 138 Economic Reasoning Using Statistics (P: MAT 120 or 130 or 145) |
| 3            | GEO 138 Quantitative Reasoning in the Geosciences (P: MAT 120 or 130 or 145) |
| 3            | PSY 138 Reasoning in Psychology Using Statistics (P: C or better in MAT 120 or 121 or 144 or 145) |

Professional Education requirements (26 credit hours):

3            | PSY 215 Educational Psychology (P: PSY 110 or 111) |
| 2            | TCH 212 The Teaching Profession in Secondary Schools (P: 45+ earned hours; 2.5 major & cum. GPA; ENG 101, COM 110) |
| 3            | TCH 216 Principles & Practices for Teaching & Learning in Secondary Schools (P: TCH 212; 2.5 major & cum. GPA) |
| 3            | TCH 219 Integrating Multiple Literacies & Technology Across the Secondary Curriculum (P: TCH 212, 216; 2.5 major & cum. GPA) |
| 12           | STT 399A03 Student Teaching in Biological Science |

Take one of the following courses (P: 45+ earned hours):

3            | EAF 228 Social Foundations |
| 3            | EAF 231 Introduction to Philosophy of Education |
| 3            | EAF 235 Historical Foundations |

* Biological Science courses with a lab
† Admission to Professional Studies required
   A minimum of 12 hours in Biological Sciences courses must be completed at Illinois State University.
   BSC 202 and Biological Sciences courses at the 100 level may not be used as electives in the major with the exceptions of BSC 161, 182, 196 and 197.

CHEMISTRY (CHE) 416
214 Julian Hall, (309) 438-7661
https://Chemistry.IllinoisState.edu
Chairperson: Craig C. McLauchlan

General Department Information
The Department of Chemistry is on the Approved Program list of the American Chemical Society. Contact the department for specific certification requirements.

Honors in the Major: Chemistry Biochemistry; Chemistry; Chemistry Teacher Education
Students in the Honors Program can choose to pursue various designations to earn upon graduation, including Honors in the Major. By completing Honors, students will:

- engage in an enriched and extended learning experience;
- develop as scholars and gain an edge over their peers by choosing a rigorous preparation in their field of study;
- be recognized in the Commencement Book, transcript, and on the diploma.

Students earn this designation at graduation; requirements, including being in good standing with the Honors Program, are reviewed at the end of the final semester:

1. 3.30 cumulative GPA
2. 3.50 major GPA
3. Fulfill Honors Program participation requirements: one Honors Learning Experience per semester in the program, including the final semester (students are not required to complete an Honors Learning Experience when they are off-campus).
4. Complete two Honors Learning Experiences in CHE courses, specifically:
   - Honors selections of CHE 140 and 141 or an Honors Contract in a CHE course at the 200 level or higher.
   - Completion of four of the following courses with an Honors Contract in one course: CHE 301, 302, 315, 344, 350, 362, 372, 380, CHE/PHY 318.
5. Complete an Honors Capstone Experience, specifically:
   - 5 hours of CHE 290/299 (of which at least 3 hours are CHE 299) that culminates in a research presentation at a university, regional, or national and/or international conference or symposium.

Further details about the University Honors Program are available at: Honors.IllinoisState.edu.

Chemistry Programs
Degrees Offered: B.S.

Major in Chemistry
- 45 hours required in Chemistry, including at least 37 hours in courses numbered 200 or higher
- Chemistry electives: The department strongly recommends that students take at least 6 hours of advanced electives in chemistry. Advising options for various career objectives are available from the department office and on the department website.
- A course in the major may not be taken more than twice unless the course description states "Multiple enrollments are allowed." An exception may be requested once during a student's undergraduate career if the GPA in the major plan and the overall GPA is 2.00 or higher.
- A grade of C or better is required in all the following Chemistry courses: CHE 140, 141, 215, 216, 230, 231, 232, 250, 251, 342, 360, 361
- Students completing this degree program with a grade of C or better in all required Chemistry courses will earn an American Chemical Society Certified Degree.

Chemistry Teacher Education Sequence
- 49 hours required in Chemistry, including at least 39 hours in courses numbered 200 or higher. A Teacher Education student must complete the option described as part of the entitlement program leading to endorsement: secondary 9-12.
- A course in the major may not be taken more than twice unless the course description states "Multiple enrollments are allowed." An exception may be requested once during a student's undergraduate career if the GPA in the major plan and overall GPA is 2.00 or higher.
- A grade of C or better is required in the following Chemistry courses:
  - CHE 140, 141, 215, 216, 230, 231, 232, 250, 251, 342, 360, 361
- For teaching licensure, a grade of C or better is required in all endorsement areas (including calculus, physics, and science competency courses), Chemistry, and Professional Education courses.
- Students completing the Chemistry Teacher Education Sequence must have a 2.50 or higher GPA in Chemistry, a 2.50 or higher GPA in Professional Education courses, and a cumulative GPA of 2.50 or higher.
- The following course is strongly recommended: SED 344.
- Students successfully completing this sequence will earn an American Chemical Society Certified Degree.

Pedagogy Emphasis Sequence
- 49 hours required in Chemistry, including at least 39 hours in courses numbered 200 or higher. The Pedagogy Emphasis sequence does not lead to licensure in the State of Illinois
- 32 hours of core Chemistry courses required:
- 9 hours of Chemistry teacher education courses required:
  - CHE 161, 301 (3 hours), 302
- 6 hours of advanced courses required, selected from the following:
  - CHE 315, 344, 350, 362
- 2 advanced laboratory courses required, selected from the following: CHE 316, 343, 351, 363. One hour of undergraduate research (CHE 290 or 299) may substitute for one of these courses
- MAT and PHY requirements (a minimum of 16 hours, which
must be completed before enrollment in CHE 360):
- MAT 145 and 146
- PHY 110 and 111 or PHY 108 and 109
  PHY 110 and 111 are the preferred option; if PHY 108 and 109 are taken instead, the hours of MAT and PHY total 18.
- Professional Education requirements (25 hours): EAF 228 or 231 or 235; PSY 110, 215; TCH 212, 216, 219; STT 399A73 (8 hours). NOTE: PSY 110 is a prerequisite for PSY 215
- Science competency courses (11 hours):
  - BSC 197
  - PHY 205; or equivalent
- A course in the major may not be taken more than twice unless the course description states “Multiple enrollments are allowed.” An exception may be requested once during a student’s undergraduate career if the GPA in the major plan and overall GPA is 2.00 or higher.
- A grade of C or better is required in the following Chemistry courses:
  - CHE 140, 141, 215, 216, 230, 231, 232, 250, 251, 342, 360, 361
- A grade of C or better is required in all areas (including calculus, physics, and science competency courses), Chemistry, and Professional Education courses.
- Students completing the Chemistry Pedagogy Emphasis sequence must have a 2.50 or higher GPA in Chemistry, a 2.50 or higher GPA in Professional Education courses, and a cumulative GPA of 2.50 or higher.
- The following course is strongly recommended: SED 344.

Clinical Experiences in Teacher Education
A variety of clinical (pre-student teaching) experiences, as well as student teaching, are included in the teacher candidates professional preparation. Observations, small and large group instruction, tutoring, field experiences, and student teaching are included in the Clinical Experiences Program. The experiences offered prior to student teaching are integral parts of specific college courses. Clinical experiences are provided in off-campus professional development schools, local schools, campus laboratory schools, agencies and other approved non-school settings. The Cecilia J. Lauby Teacher Education Center monitors and documents all clinical experiences. Teacher candidates will show verification of having completed clinical experiences commensurate with attaining local, state, and national standards. Teacher candidates must provide their own transportation to clinical experiences sites. Candidates are required to provide documentation of meeting all State of Illinois, district, and university requirements in regard to criminal background checks BEFORE beginning any clinical experiences. Criminal background checks must remain current as of the last day of the clinical experience. Candidates should consult with clinical course faculty and the Cecilia J. Lauby Teacher Education Center well in advance of clinical experiences to determine specific requirements needed each semester.

The approximate number of clinical hours associated with each course offering can be found with the appropriate course description in this Undergraduate Catalog. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend

- Observation (including field trips)
- Tutoring one-on-one contact
- Non-instructional assisting
- Small group instruction
- Whole class instruction
- Work with clinic client(s)
- Graduate practicum
- Professional meeting

MINOR IN CHEMISTRY
- 21 hours required in Chemistry, including at least 13 hours in courses numbered 200 or higher excluding CHE 204
- Required courses:
  - CHE 140, 141
  - CHE 215 and 216 or 250 and 251
  - CHE 220 or 230 and 231

Biochemistry Program
Degree Offered: B.S.

Major in Biochemistry
- 45 hours required in Chemistry, including at least 37 hours in courses numbered 200 or higher
- Biochemistry electives: The department strongly recommends that students take at least 6 hours of advanced electives. Advising options for various career objectives are available from the department office and on the department website.
- A course in the major may not be taken more than twice unless the course description states “Multiple enrollments are allowed.” An exception may be requested once during a student’s undergraduate career if the GPA in the major plan and overall GPA is 2.00 or higher.
- A grade of C or better is required in the following Chemistry courses:
  - CHE 140, 141, 215, 216, 230, 231, 232, 250, 251, 342, 360, 361
- Students completing this degree program with a grade of C or better in all required Chemistry courses will earn an American Chemical Society Certified Degree.

MAJOR IN CHEMISTRY (B.S.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
- 3 COM 110 Communication as Critical Inquiry
- 3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

Mathematics (1 course required)
- 4 MAT 145 Calculus I

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.
- 4 PHY 110 Physics for Science & Engineering I†
- 4 CHE 140 General Chemistry I

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***

Language in the Humanities (1 course required)***

Quantitative Reasoning (1 course required)
- 4 MAT 146 Calculus II

Science, Math, & Technology (1 course required)
Exempt for Chemistry majors

Social Sciences (1 course required)***

Additional Graduation Requirements
- 120 minimum total credit hours
- 42 minimum senior college hours
- College of Arts & Sciences language requirement

AMALI requirement
***: certain courses in General Education fulfill the AMALI requirement See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.
- 4 CHE 141 General Chemistry II

Major (min. 61 credit hours)

45 hours in Chemistry required
- 4 CHE 140 General Chemistry I (P: C or better in MAT 119; or C or better in MAT 120 or 144 or 145 or conc. reg.)
- 4 CHE 141 General Chemistry II (P: CHE 140)
- 3 CHE 215 Analytical Chemistry (P: C or better in CHE 141 and 230)
- 1 CHE 216 Analytical Chemistry Laboratory (P: CHE 215 or conc. reg.)
- 3 CHE 230 Organic Chemistry I (P: CHE 141)
- 1 CHE 231 Organic Chemistry Laboratory (P: CHE 141; conc. reg. in CHE 230)
- 3 CHE 232 Organic Chemistry II (P: CHE 230)
- 2 CHE 233 Organic Chemistry Laboratory II (P: CHE 231; conc. reg. in CHE 232)
- 3 CHE 250 Fundamentals of Inorganic Chemistry (P: C or better in CHE 230)
- 1 CHE 251 Fundamentals of Inorganic Chemistry Laboratory (P: CHE 250 or conc. reg.)
- 3 CHE 342 General Biochemistry I (P: C or better in CHE 232 or 1 year of organic chemistry)
- 3 CHE 360 Physical Chemistry I (P: C or better in CHE 141; PHY 109 or 111; MAT 146; 8+ earned hours in senior college CHE or PHY)
- 1 CHE 361 Physical Chemistry Laboratory I (P: CHE 360 or conc. reg.)
- 4 MAT 145 Calculus I (P: C or better in MAT 144 or placement)
- 4 MAT 146 Calculus II (P: C or better in MAT 145)
- 4 PHY 110† Physics for Science & Engineering I (P: MAT 145 or conc. reg.)
- 4 PHY 111† Physics for Science & Engineering II (P: PHY 110 and MAT 146 or conc. reg.)

Take 9 credit hours of additional Chemistry electives from the following courses: (CHE 315, 344, 350, 362)

Required corresponding Chemistry labs:
- 1 CHE 316‡ Instrumental Analysis Laboratory (P: C or better in CHE 216; 315 or conc. reg.)
- 2 CHE 343‡ Biochemistry Laboratory (P: CHE 242 or 342 or conc. reg.)
- 1 CHE 351‡ Advanced Inorganic Chemistry Laboratory (P: CHE 251; 350 or conc. reg.)
- 1 CHE 363‡ Physical Chemistry Laboratory II (P: C or better in CHE 361; 362 or conc. reg.)

† CHE 290, 299, 398A01 or 398A50 may substitute for one of these courses
‡ PHY 108 and 109 may substitute for PHY 110 and 111.

A grade of C or better is required in all the following Chemistry courses: CHE 140, 141, 215, 216, 230, 231, 232, 250, 251, 342, 360, 361

MAJOR IN CHEMISTRY
TEACHER EDUCATION SEQUENCE (B.S.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
- 3 COM 110 Communication as Critical Inquiry
- 3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

Mathematics (1 course required)
- 4 MAT 145 Calculus I

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.
- 4 PHY 110† Physics for Science & Engineering I
- 4 CHE 140 General Chemistry I

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***

Language in the Humanities (1 course required)***

Quantitative Reasoning (1 course required)
- 4 MAT 146 Calculus II

Science, Math, & Technology (1 course required)
Exempt for Chemistry majors

Social Sciences (1 course required)***
- 3 PSY 110 Fundamentals of Psychology

Additional Graduation Requirements
- 120 minimum total credit hours
- 42 minimum senior college hours
- College of Arts & Sciences language requirement

AMALI requirement
* Certain courses in General Education fulfill the AMALI requirement. See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.
- 4 CHE 141 General Chemistry II

Additional courses outside of CHE (27 credit hours):
- 4 BSC 197 Molecular & Cellular Basis of Life
- 4 GEO 100 Introduction to Environmental Systems
- 4 MAT 145 Calculus I (P: C or better in MAT 144 or placement)
- 4 MAT 146 Calculus II (P: C or better in MAT 145)
- 4 PHY 110† Physics for Science & Engineering I (P: MAT 145 or conc. reg.)
- 4 PHY 111† Physics for Science & Engineering II (P: PHY 110 and MAT 146 or conc. reg.)
- 3 PHY 205 Origin of the Universe (P: MAT 113, 130, 120, or 145)

Professional Education requirements (25 credit hours):
- 3 PSY 110 Fundamentals of Psychology
- 3 PSY 215 Educational Psychology (P: PSY 110 or 111)
- 3 TCH 212 The Teaching Profession in Secondary Schools (P: 45+ earned hours; 2.5 major & cum. GPA; ENG 101, COM 110)
- 3 TCH 216 Principles & Practices for Teaching & Learning in Secondary Schools (P: TCH 212; 2.5 major & cum. GPA)
- 3 TCH 219 Integrating Multiple Literacies & Technology Across the Secondary Curriculum (P: TCH 212, 216; 2.5 major & cum. GPA)
- 8 STT 399A73 Student Teaching in Chemistry

Take one of the following courses (P: 45+ earned hours):
- 3 EAF 228 Social Foundations
- 3 EAF 231 Introduction to Philosophy of Education
- 3 EAF 235 Historical Foundations

* CHE 290 or 299 may substitute for one of these courses.
† PHY 108 and 109 may substitute for PHY 110 and 111.

A grade of C or better is required in the following Chemistry courses: CHE 140, 141, 215, 216, 230, 231, 232, 250, 251, 342, 360, 361.

SED 344 is strongly recommended.

All Courses: https://coursefinder.illinoisstate.edu/directory/
MAJOR IN CHEMISTRY

TEACHER EDUCATION SEQUENCE (B.S.)

Transfer Students

Illinois Articulation Initiative (min. 37 credit hours)

To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents

- 3 C2 900 COM 110 Communication as Critical Inquiry
- 3 C1 900 ENG 101 or ENG 101A10 Composition as Critical Inquiry
- 3 C1 901 ENG 145 Writing in the Academic Disciplines

Mathematics (1 course required)
Please see major requirements for mathematics options

- 4 M1 900-1 MAT 145 Calculus I (College-level Calculus I)

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least one course must have a lab.

- 4 P1 902L CHE 140 General Chemistry I
- 4 L1 910L BSC 197 Molecular & Cellular Basis of Life

Humanities & Fine Arts (3 courses required)
At least one humanities and 1 fine arts course required

Required courses outside of CHE (27 credit hours):

- 4 BSC 197 Molecular & Cellular Basis of Life
- 4 GEO 100 Introduction to Environmental Systems
- 4 MAT 145 Calculus I (P: C or better in MAT 144 or placement)
- 4 MAT 146 Calculus II (P: C or better in MAT 145)
- 4 PHY 110† Physics for Science & Engineering I (P: MAT 145 or conc. reg.)
- 4 PHY 111† Physics for Science & Engineering II (P: PHY 110 and MAT 146 or conc. reg.)
- 3 PHY 205 Origin of the Universe (P: MAT 113, 130, 120, or 145)

Professional Education requirements (25 credit hours):

- 3 PSY 110 Fundamentals of Psychology
- 3 PSY 215 Educational Psychology (P: PSY 110 or 111)
- 2 TCH 212 The Teaching Profession in Secondary Schools (P: 45+ earned hours; 2.5 major & cum. GPA; ENG 101, COM 110)
- 3 TCH 216 Principles & Practices for Teaching & Learning in Secondary Schools (P: TCH 212; 2.5 major & cum. GPA)
- 3 TCH 219 Integrating Multiple Literacies & Technology Across the Secondary Curriculum (P: TCH 212, 216; 2.5 major & cum. GPA)
- 8 STT 399A73 Student Teaching in Chemistry

Take one of the following courses (P: 45+ earned hours):

- 3 EAF 228 Social Foundations
- 3 EAF 231 Introduction to Philosophy of Education
- 3 EAF 235 Historical Foundations

* CHE 290 or 299 may substitute for one of these courses.
† PHY 108 and 109 may substitute for PHY 110 and 111.

A grade of C or better is required in the following Chemistry courses: CHE 140, 141, 215, 216, 230, 231, 232, 250, 251, 342, 360, 361.

SED 344 is strongly recommended.

https://coursefinder.illinoisstate.edu/directory/che/

All Courses: https://coursefinder.illinoisstate.edu/directory/

Additional Graduation Requirements

- 120 minimum total credit hours
- 42 minimum senior college hours
- College of Arts & Sciences language requirement

AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

- 4 CHE 141 General Chemistry II

Major (min. 101 credit hours)

49 credit hours in Chemistry required

- 4 CHE 140 General Chemistry I (P: C or better in MAT 119; or C or better in MAT 120 or 144 or 145 or conc. reg.)
- 4 CHE 141 General Chemistry II (P: CHE 140)
- 2 CHE 161 Introduction to Teaching Science Seminar (P: B or better in CHE 140)
- 3 CHE 215 Analytical Chemistry (P: C or better in CHE 141 and 230)
- 1 CHE 216 Analytical Chemistry Laboratory (P: CHE 215 or conc. reg.)
- 3 CHE 230 Organic Chemistry I (P: CHE 141)
- 1 CHE 231 Organic Chemistry Laboratory (P: CHE 141; conc. reg. in CHE 230)
- 3 CHE 232 Organic Chemistry II (P: CHE 230)
- 2 CHE 233 Organic Chemistry Laboratory II (P: CHE 231; conc. reg. in CHE 232)
- 3 CHE 250 Fundamentals of Inorganic Chemistry (P: C or better in CHE 230)
- 1 CHE 251 Fundamentals of Inorganic Chemistry Laboratory (P: CHE 250 or conc. reg.)
- 3 CHE 301 Teaching of Chemistry (P: C or better in TCH 216 or PSY 215 or conc. reg.)
- 4 CHE 302 Student Teaching & Professional Seminar (P: CHE 301; conc. reg. in STT 399A73)
- 3 CHE 342 General Biochemistry I (P: C or better in CHE 232 or 1 year of organic chemistry)
- 3 CHE 360 Physical Chemistry I (P: C or better in CHE 141; PHY 109 or 111; MAT 146; 8+ earned hours in senior college CHE or PHY)
- 1 CHE 361 Physical Chemistry Laboratory I (P: CHE 360 or conc. reg.)

Take 6 credit hours of additional electives:
(CHE 315, 344, 350, 362)

Take 2 courses (2-3 credit hours) of additional laboratory electives*:
(CHE 316, 343, 351, 363)

* CHE 290 or 299 may substitute for one of these courses.
Major in Biochemistry (B.S.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
____  3  COM 110 Communication as Critical Inquiry
____  3  ENG 101 or ENG 101A10 Composition as Critical Inquiry

Mathematics (1 course required)

____  4  CHE 141 General Chemistry II

Major (75 credit hours)

45 hours in Chemistry required
____  4  CHE 140 General Chemistry I (P: C or better in MAT 119; or C or better in MAT 120 or 144 or 145 or conc. reg.)
____  4  CHE 141 General Chemistry II (P: CHE 140)
____  3  CHE 215 Analytical Chemistry (P: C or better in CHE 141 and 230)
____  1  CHE 216 Analytical Chemistry Laboratory (P: CHE 215 or conc. reg.)
____  3  CHE 230 Organic Chemistry I (P: CHE 141)
____  1  CHE 231 Organic Chemistry Laboratory (P: CHE 141; conc. reg. in CHE 230)
____  3  CHE 232 Organic Chemistry II (P: CHE 230)
____  2  CHE 233 Organic Chemistry Laboratory II (P: CHE 231; conc. reg. in CHE 232)
____  3  CHE 250 Fundamentals of Inorganic Chemistry (P: C or better in CHE 230)
____  1  CHE 251 Fundamentals of Inorganic Chemistry Laboratory (P: CHE 250 or conc. reg.)
____  3  CHE 342 General Biochemistry I (P: C or better in CHE 232 or 1 year of organic chemistry)
____  2  CHE 343 Biochemistry Laboratory (P: CHE 242 or 342 or conc. reg.)
____  3  CHE 344 General Biochemistry II (P: B or better in CHE 242 or C or better in CHE 342)
____  3  CHE 360 Physical Chemistry I (P: C or better in CHE 141; PHY 109 or 111; MAT 146; 8+ earned hours in senior college CHE or PHY)
____  1  CHE 361 Physical Chemistry Laboratory I (P: CHE 360 or conc. reg.)
____  3  CHE 372 Physical Biochemistry (P: C or better in CHE 342 & 360)
____  1  CHE 373 Physical Biochemistry Laboratory (P: C or better in CHE 361; CHE 372 or conc. reg.)
____  4  BSC 196 Biological Diversity
____  4  BSC 197 Molecular & Cellular Basis of Life
____  3  BSC 203 Cell Biology (P: BSC 196 & 197; CHE 110 & 112 or 141)
____  3  BSC 219 Genetics (P: BSC 196 & 197)
____  4  MAT 145 Calculus I (P: C or better in MAT 144 or placement)
____  4  MAT 146 Calculus II (P: C or better in MAT 145)
____  4  PHY 110† Physics for Science & Engineering I (P: MAT 145 or conc. reg.)
____  4  PHY 111† Physics for Science & Engineering II (P: PHY 110 and MAT 146 or conc. reg.)

Take one of the following courses:
____  3  CHE 315 Instrumental Analysis (P: C or better in CHE 215 and 360)
____  3  CHE 350 Advanced Inorganic Chemistry (P: C or better in CHE 232 and 250; MAT 146; PHY 109 or 111)

Take one of the following lab courses:
____  1  CHE 316‡ Instrumental Analysis Laboratory (P: C or better in CHE 216; 315 or conc. reg.)
____  1  CHE 351‡ Advanced Inorganic Chemistry Laboratory (P: CHE 251; 350 or conc. reg.)

‡ CHE 290, 299, 398A01 or 398A50 may substitute for one of these courses.
† PHY 108 and 109 may substitute for PHY 110 and 111.

A grade of C or better is required in the following Chemistry courses: CHE 140, 141, 215, 216, 230, 231, 232, 250, 251, 342, 360, 361.

Interdisciplinary Minors
The School of Communication participates in a number of interdisciplinary minors at the University. Coursework offered by the School contributes to the following minors: Civic Engagement and Responsibility, Cognitive Science, Ethnic Studies, and International Studies. For further information on these minors and their advisors, please consult the Interdisciplinary Studies Programs section in this Undergraduate Catalog.

Honors in Communication
The School of Communication offers students an opportunity to demonstrate outstanding achievement in the study of communication by means of participation in the School Honors Program. The School also offers in-course honors work in all its courses at the discretion of the instructor for students enrolled in the Honors Program. Qualified students are encouraged to inquire about admission by contacting the School Honors coordinator. Further details about the University Honors program are available at Honors.IllinoisState.edu.

Communication Studies Programs
Degrees Offered: B.A., B.S.

Major in Communication Studies
Students must complete one of the following sequences:
  -- Interpersonal Sequence
  -- Organizational and Leadership Communication Sequence
  -- Political Communication Sequence

Minor in Communication Studies
  -- 21 hours required
  -- Required courses: COM 111, 297
  -- A minimum of 6 hours must be at the 300-level (excluding 398)
  -- 15 hours of electives selected from:

Mass Media Program
Degrees Offered: B.A., B.S.

Major in Mass Media
Mass Media majors must complete one of the following sequences:
  -- Radio Sequence
  -- Management, Promotion and Sales Sequence
  -- Television Production Sequence
  -- Interactive Media Sequence

Minor in Mass Media
  -- 19 hours required
  -- Required courses: COM 101 (1 hour), 160 and 161
  -- 12 hours of electives from:
  -- Students may include a maximum of 3 hours of 398 toward their elective requirements

Public Relations Program
Degrees Offered: B.A., B.S.

Major in Public Relations
  -- Students are encouraged to have a minor or second major in a department or school outside the School of Communication

For more information about the School of Communication majors and minors, including descriptions, career options, and student opportunities, visit: https://Communication.IllinoisState.edu

Communication Courses visit:
https://coursefinder.illinoisstate.edu/directory/com/

All Courses:
https://coursefinder.illinoisstate.edu/directory/

Journalism Program
Degrees Offered: B.A., B.S.

Major in Journalism
  -- Journalists are encouraged to complete a minor or second major in a department/school other than Communication
### MAJOR IN COMMUNICATION STUDIES
#### INTERPERSONAL SEQUENCE (B.A. or B.S.)

**General Education (39 credit hours)**
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

**Communication and Composition (2 courses required)**
- 3 COM 110 Communication as Critical Inquiry
- 3 ENG 101 or ENG 101A Communication as Critical Inquiry

**Mathematics (1 course required)**

**Natural Science/Natural Science Alternatives (2 courses required)**
Students must complete 1 course from 2 different sciences.

**United States Traditions (1 course required)**

**Individuals & Civic Life (1 course required)**

**Fine Arts (1 course/3 credit hours required)**

**Humanities (1 course required)**

**Language in the Humanities (1 course required)**

**Quantitative Reasoning (1 course required)**
Exempt for Communication Studies majors

**Science, Math, & Technology (1 course required)**

**Social Sciences (1 course required)**

### Additional Graduation Requirements
- **/120 minimum total credit hours**
- **/42 minimum senior college hours**
- **College of Arts & Sciences language requirement**

**AMALI requirement**
*Certain courses in General Education fulfill the AMALI requirement.
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

**B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)**
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

Chairperson: Ann Beck

Minor in Cognitive Sciences
The Department of Communication Sciences and Disorders participates in the degree program for the Minor in Cognitive Science. Several courses offered by the Department contribute to the minor. For further information, please consult the Department advisor as well as the section entitled “Interdisciplinary Studies Programs” in this Undergraduate Catalog.

Communication Sciences and Disorders Programs
Degree Offered: B.S.

Program Admission Requirements for New and Continuing Students
Admission to this academic program is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission and the application and selection process, visit IllinoisState.edu/Majors or contact the undergraduate advisor for the intended major.

Standards for Progress in the Major
In order to remain in the major, students must attain a 3.00 GPA in the following four courses: CSD 155, 175, 210, and 215. An average grade below 3.00 in these courses will result in the student being withdrawn from the Communication Sciences and Disorders major. Any student who falls into this category will be advised of this by the department advisor.

Honors in the Major
Honors in the major in communication sciences and disorders is available to qualified students. Students are eligible to earn this designation at graduation if they are in good standing with the Honors Program and have completed the following requirements by the end of their final semester: (1) Have achieved a cumulative GPA of 3.30, (2) Have a major GPA of 3.50 in communication sciences and disorders, (3) Have fulfilled Honors Program participation requirements (one Honors Learning Experience per semester in the program, including the final semester), (4) Completed two Honors Learning Experiences in CSD (complete Honors Contracts in two separate CSD courses at the 300 level), and (5) Complete an Honors Capstone Experience (an Honors Independent Study or Honors Thesis for 3 credit hours). Further details about the University Honors program are available at Honors.IllinoisState.edu.

Major in Communication Sciences and Disorders
This is a pre-professional program designed to provide students with foundational knowledge, skills, and professional dispositions needed to succeed in further studies in Communication Sciences and Disorders and other career opportunities. A master’s degree is the entry-level degree for the field of speech language pathology. A clinical doctorate is the entry-level degree for the field of audiology. These advanced degrees are required for the American Speech-Language-Hearing Association’s Certificate of Clinical Competence and Illinois Licensure. Additionally, students completing the Master’s Program in speech language pathology will be eligible for the Illinois Educator License.

Clinical Observation Experiences
In accordance with the American Speech Language Hearing Association, students must obtain a minimum of 25 hours of clinical observation before beginning any clinical practicum experiences. Although some of these clinical observation hours are acquired in various undergraduate coursework, students are responsible for documenting completion of these observation hours. Students will be introduced to the options for acquiring clinical observation experiences in CSD 218. Furthermore, students will be instructed in methods of tracking and documenting these hours.

Minor in Communication Sciences and Disorders
21 hours required in Communication Sciences and Disorders
— Required courses: CSD 155, 175, 210, 215
Electives cannot include practicum courses.

NOTE: Students taking this minor will not qualify for certification in speech language pathology or audiology.

Assessment
Majors in Communication Sciences and Disorders are expected to participate in the assessment process as one of the requirements for an undergraduate degree in this department.

ECONOMICS (ECO)  420
425 Stevenson Hall, (309) 438-8625
https://Economics.IllinoisState.edu
Chairperson: David Cleeton

Honors in Economics
Candidates for honors must fulfill the general requirements for participation in the University Honors Program and must be Economics majors with a GPA of 3.30 overall and 3.75 or higher in Economics courses. Students will be expected to complete six hours of coursework designated as honors coursework within the Department of Economics. These could include ECO 101 and 102 honors, or 2 in-course honors at the 200- or 300-level. In-course honors requires individual negotiation with the faculty member teaching the course. In addition, the achievement of honors requires the writing of a substantial original paper. The student will enroll in Honors Independent Study and will receive help from an assigned faculty member. At the end of the semester the student will make an oral presentation of the paper. One copy of the original paper will be kept in the Department office and be available for inspection. Honors credit will show on the official transcript and will be stated on the diploma. Further details about the University Honors program are available at Honors.IllinoisState.edu.

Economics Programs
Degrees Offered: B.A., B.S.

Admission Requirements
Students will be admitted into the Economics department’s programs from a pool of qualified applicants on the basis of individual qualifications. Students are admitted to the major or minor in Economics on a competitive and selective basis. The number of students admitted may vary from year to year depending on program capacity and qualifications of students in the pool. The Department of Economics reserves the right to maintain a balanced enrollment. For more information on admission to the Economics major go to https://economics.illinoisstate.edu/undergrad/

Major in Economics

General Economics Sequence
- A grade of C or better must be earned in each of the required courses
- A minimum of 15 senior hours in Economics courses must be completed at Illinois State University. The Department Chairperson may grant exemptions to students whose cumulative GPA is 3.00 or higher

Note: MQM 100 may be substituted for ECO 138

Concentrations in the General Economics Sequence
The General Economics Sequence is an excellent complement to a variety of other majors or customized sets of courses. Majors completing the General Economics Sequence may elect (but are not required to elect) one of the following concentrations. Although no specific courses are required for these concentrations, recommended courses for each are listed below:
1. Electricity, Natural Gas, and Telecommunications
   Economics electives: ECO 235, 236, 239, 320, and 335 plus ACC 131 and 132; ENG 249; and FIL 240, 242 and 247.
2. Graduate School Preparation
   ENG 249; and MAT 146, 147, 175, 350 and 356.
3. Human Resources
   Economics electives: ECO 225, 326 plus ENG 249; MQM 323 and 324; and PSY 230.
4. International Economics
   Economics electives: ECO 245, 245 and 346 plus ENG 249; INB 225; MQM 350; POL 151 and proficiency in a foreign language.
5. Pre-Law
   Economics electives: ECO 220, 235, 320 and 335 plus COM 202; ENG 249; FIL 185; and POL 215.
6. Public Policy
   Economics electives: ECO 236, 255, 340, 350, plus ENG 249; and POL 232, 312.

Managerial Economics Sequence
The Managerial Economics Sequence is designed for students who desire a more focused degree in Economics that combines the core skills in the discipline with a fundamental understanding of basic business tools including accounting, finance, and data management.
- A grade of C or better must be earned in each of the required courses
- A minimum 2.50 major GPA in the required courses in the sequence
- A minimum of 15 senior hours in Economics courses must be completed at Illinois State University. The Department Chairperson may grant exemptions to students whose cumulative GPA is 3.00 or higher.

Minor in Economics
- 18 hours in Economics required
- Required courses: ECO 101 and 102
- ECO 103 may not be counted toward the minor

MAJOR IN ECONOMICS
GENERAL ECONOMICS SEQUENCE (B.A. or B.S.)

Transfer Students

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents
   _____  3   C2 900  COM 110 Communication as Critical Inquiry
   _____  3   C1 900  ENG 101 or ENG 101A10 Composition as Critical Inquiry
   _____  3   C1 901  ENG 145 Writing in the Academic Disciplines

Mathematics (1 course required)
Please see major requirements for mathematics options
   _____  4   M1 900 MAT 121 Applied Calculus or M1 900-1 MAT 145
   Calculus I or M1 902 ECO 138/MQM 100 Statistics

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.
   _____   ___   ______________________________________________

Humanities & Fine Arts (3 courses required)
At least 1 humanities and 1 fine arts course required
   _____   ___   ______________________________________________
   _____   ___   ______________________________________________
   _____   ___   ______________________________________________

Social & Behavioral Sciences (3 courses required)
2 different disciplines must be represented
   _____  3   S3 901 Principles of Macroeconomics
   _____  3   S3 902 Principles of Microeconomics
   _____   ___   ______________________________________________

Additional Graduation Requirements
   ____/120 minimum total credit hours
   ____/42 minimum senior college hours
   _____ College of Arts & Sciences language requirement

AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.
   _____   ___   ______________________________________________

B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.
   _____   ___   ______________________________________________

Major (min. of 35 credit hours)
   _____  3   ECO 101  Principles of Microeconomics
   _____  3   ECO 102  Principles of Macroeconomics
   _____  3   ECO 138  Economic Reasoning Using Statistics (P: MAT 120, 130, or 145)
   _____  3   ECO 238  Using Regression & Econometric Methods (P: ECO 101 and 102; ECO 138 or MQM 100)
   _____  3   ECO 240  Intermediate Microeconomic Theory (P: ECO 101 and 102; ECO 138 or MQM 100; C or better in MAT 121 or 145)
   _____  3   ECO 241  Intermediate Macroeconomic Theory (P: ECO 101 and 102; ECO 138 or MQM 100; C or better in MAT 121 or 145)
   _____  1   ECO 300  Senior Project (P: C or better in ECO 240 and 241; to be taken conc. with a 300-level Economics course)

Take 4 (12 credit hours) additional senior college General Economics electives:
At least one elective must be at the 300-level to be taken conc. with ECO 300. Please consult your academic advisor.
   _____   ___   ______________________________________________
   _____   ___   ______________________________________________
   _____   ___   ______________________________________________
   _____   ___   ______________________________________________

Take 1 of the following courses:
   _____  4   MAT 121 Applied Calculus† (P: C or better in MAT 119 & 120)
   _____  4   MAT 145 Calculus I (P: C or better in MAT 144 or placement)

Refer to the General Economics Department Information section (previous page) for General Economics Sequence Concentrations.

A grade of C or better must be earned in each of the required courses.

A minimum of 15 senior hours in Economics courses must be completed at Illinois State University. The Department Chairperson may grant exemptions to students whose cumulative GPA is 3.00 or higher.

All Courses:
https://coursefinder.illinoisstate.edu
Interdisciplinary Minors
The Department of English participates in a number of interdisciplinary minors at the University. Coursework offered by the Department contributes to the following minors: African Studies, African-American Studies, Children’s Studies, Civic Engagement and Responsibility, Cognitive Science, Ethnic Studies, European Studies, International Studies, Latin American and Latino/a Studies, Middle Eastern and South Asian Studies, Native American Studies, and Women’s and Gender Studies; and also the Minor in Religious Studies in the Department of Philosophy. For further information on these minors and their advisors, please consult the Interdisciplinary Studies Programs and Department of Philosophy sections in this Undergraduate Catalog.

Honors in English
The Department of English offers honors work to qualified students. Honors work includes intensive study in a special area of the student’s major or minor. Each individual project is to culminate in a comprehensive written report and/or examination. Honors work is open only to resident students who have achieved superior academic records and who have demonstrated the ability to profit from independent study. Further details about the University Honors program are available at: https://honors.illinoisstate.edu

English Programs
Degree Offered: B.A. (All English majors and students in the Teacher Education Sequence)
Admission to the English major may be affected and restricted by the lack of available Department resources in times of oversubscription.

Major in English

Creative Writing Sequence

Publishing Studies Sequence
— 2.75 GPA in English courses taken at Illinois State University required

Technical Writing and Rhetorics Sequence
This sequence is designed to prepare students for careers in technical and professional writing in the private and public sector, including corporate, nonprofit, and governmental organizations.
— 2.0 major GPA in English courses taken at Illinois State University
— Grade of C or better in ENG 100 is required

English Teacher Education Sequence
— Admission to the English Teacher Education Sequence is limited and is based on cohort space availability and competitiveness of the applicant.
— A 3.00 GPA in the major, a 2.5 cumulative GPA, a grade of C or better in all required major courses, and adherence to all application procedures and deadlines is required for admission to Professional Studies and Student Teaching. Deadlines and information about application forms and procedures for admission to Professional Studies and Student Teaching are available from the Council for Teacher Education and on the English Department website and are strictly enforced.
— Completion of entitlement program leading to licensure: secondary 9-12
— Required courses for licensure and accreditation (18 hours): ENG 194, 243, 246, 283, 296, and 297. ENG 194, 296 and 297 must be completed with a grade of C or better; these courses include 35 clock-hours of state-mandated pre-student teaching Clinical Experiences.

Minor in English
— 18 hours in English required, exclusive of ENG 101 and courses in the teaching of English (291, 295, 296, 297, 395)
— Required courses:
  — 3 hours of literature selected from ENG 110, 130, 150
  — 3 hours of writing selected from ENG 246, 247A01, 247A02, 247A03, 248, 249, 347, 349
  — 3 hours of language selected from ENG 241, 243, 244, 245, 310, 341, 342
  — 9 hours of electives selected from ENG 160, 165, 229, 250, 251, 260, 261, 271, 272, 308, 360, 365, 370
    (courses that were not selected from the literature, writing, or language course lists can also serve as electives)
  — At least 12 of the 18 hours must be at the 200- through 300-level.
Minor in Teaching English to Speakers of Other Languages (TESOL)
Students enrolling in this program must have at least two years of a foreign language or equivalent at the college level in the case of a native speaker of English, or demonstrated proficiency in English at a level commensurate with the student’s role as a language model and instructor in the case of a non-native speaker of English.
- 18 hours required
- Required courses:
  - ENG 341, 343, 344, 345, and 346
  - 3 hours selected from:
    - ENG 241, 243, 310, 342, 440
    - COM 370
- Elective practicum ENG 394

Approval for Teaching English as a Second Language
Students of both graduate and undergraduate standing may obtain an Illinois State Approval for Teaching English as a Second Language by fulfilling the following requirements: (1) fulfill Teacher Education requirements of either the Standard Elementary and/or High School License, (2) complete the 18 hours of required coursework as listed in the minor in TESOL above, and (3) obtain 100 clock hours of ESL Clinical Experience or three months of teaching experience in English as a Second Language at the appropriate level. This practical experience may be obtained by enrolling in ENG 394.

Clinical Experiences in Teacher Education
A variety of clinical (pre-student teaching) experiences, as well as student teaching, are included in the teacher candidates professional preparation. Observations, small and large group instruction, tutoring, field experiences, and student teaching are included in the Clinical Experiences Program. The experiences offered prior to student teaching are integral parts of specific college courses. Clinical experiences are provided in off-campus professional development schools, local schools and campus laboratory schools, agencies and other approved non-school settings. The Cecilia J. Lauby Teacher Education Center monitors and documents all clinical experiences. Teacher candidates will show verification of having completed clinical experiences commensurate with attaining local, state, and national standards. Teacher candidates must provide their own transportation to clinical experiences sites.

Candidates are required to provide documentation of meeting all State of Illinois, district, and university requirements in regard to criminal background checks BEFORE beginning any clinical experiences. Criminal background checks must remain current as of the last day of the clinical experience. Candidates should consult with clinical course faculty and the Cecilia J. Lauby Teacher Education Center well in advance of clinical experiences to determine specific requirements needed each semester.

The approximate number of clinical hours associated with each course offering can be found with the appropriate course description in this Undergraduate Catalog. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend
- Observation (including field trips)
- Tutoring one-on-one contact
- Non-instructional assisting
- Small group instruction
- Whole class instruction
- Work with clinic client(s)
- Graduate practicum
- Professional meeting

Minor in Writing
Courses taken for the Writing Minor may not count for the English Major.
- 24 hours required
- 6 hours selected from ENG 227, 246, 249
- ENG 396 (3 hours)
- 15 hours of electives selected from ENG 145, 239, 243, 244, 247A01, 247A02, 247A03, 248, 283, 347A01, 347A02, 347A03, 348, 349, 350, 351, 353, 391, 392, 398
- Electives may include any of the above courses, and up to six hours in writing courses from other departments/schools: COM 165, 166, 265, 268, 269, 321, 385

MAJOR IN ENGLISH

TEACHER EDUCATION SEQUENCE (B.A.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
_____  3  COM 110  Communication as Critical Inquiry
_____  3  ENG 101 or ENG 101A10  Composition as Critical Inquiry

Mathematics (1 course required)

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***

Language in the Humanities (1 course required)***
Exempt for English majors

LAN 115 for B.A. (1 course required)
_____  4  LAN 115  Second-Year Language Part I

Science, Math, & Technology (1 course required)

Social Sciences (1 course required)***
_____  3  PSY 110  Introduction to Psychology

Additional Graduation Requirements
_____/120 minimum total credit hours
_____/42 minimum senior college hours

AMALI requirement
***Certain courses in General Education fulfill the AMALI requirement. See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.A. LAN 115 (1 course required)
_____  4  LAN 115  Second-Year Language Part I

Major (72 credit hours)

ENG requirements (46 credit hours—exclusive of ENG 101)
_____  3  ENG 100  Introduction to English Studies
_____  1  ENG 102  Introduction to English Studies Proseminar (P: conc. reg. in ENG 100)
_____  3  ENG 194  Introduction to English Education (P: C or better in ENG 100; ENG 102 or conc. reg.)
_____  3  ENG 243  The Grammatical Structure of Language
_____  3  ENG 246  Advanced Composition (P: C or better in ENG 100 or 145)
_____  3  ENG 283  Rhetorical Theory & Applications (P: ENG 102; C or better in ENG 100)
_____  3  ENG 296  The Teaching of Literature (P: C or better in ENG 194 and TCH 216; completion of approved literature class)
_____  3  ENG 297  The Teaching of Writing (P: C or better in ENG 243, 246, and 296)
_____  3  ENG 300  Senior Seminar (P: ENG 102; C or better in ENG 100; senior standing)
_____  3  ENG 375  Young Adult Literature (P: 45+ earned hours)

Take one British literature elective:
(ENG 110, 213, 214, 216, 217, 218, 219, 222, 311, 320, 321, 322, 324, 329, 378)

Take one American literature elective:
(ENG 130, 165, 231, 232, 233, 234, 236, 265, 266, 267, 328, 332, 336, 365)

Take one of the following courses:
_____  3  ENG 241  Growth & Structure of the English Language
_____  3  ENG 310  History & Development of the English Language (P: 45+ earned hours)

Take one non-Western literature elective:
(ENG 206A01, 206A02, 206A03, 206A04, 255, 261, 266, 352, 374)

Take two (6 credit hours) additional English electives at the 200 or 300-level: Please consult with your major academic advisor.

Professional Education requirements (36 credit hours)
_____  3  PSY 215  Educational Psychology (P: PSY 110 or 111)
_____  2  TCH 212  The Teaching Profession in Secondary Schools (P: 45+ earned hours; 2.5 major & cum. GPA; ENG 101, COM 110)
_____  3  TCH 216  Principles & Practices for Teaching & Learning in Secondary Schools (P: TCH 212; 2.5 major & cum. GPA)
_____  3  TCH 219  Integrating Multiple Literacies & Technology Across the Secondary Curriculum (P: TCH 212, 216; 2.5 major & cum. GPA)
12  STT 399A09  Student Teaching in English

Take one of the following courses (P: 45+ earned hours):
_____  3  EAF 228  Social Foundations
_____  3  EAF 231  Introduction to Philosophy of Education
_____  3  EAF 235  Historical Foundations

‡ Admission to Professional Studies required

Required courses for licensure and accreditation (18 hours): ENG 194, 243, 246, 283, 296, and 297. ENG 194, 296 and 297 must be completed with a grade of C or better; these courses include 35 clock-hours of state-mandated pre-student teaching Clinical Experiences.

Honors in the Major
The Department of Geography, Geology, and the Environment invites qualified Geography, Geology, and Environment (ESSS) majors to distinguish themselves by earning Honors through approved coursework and independent study. Students who enroll in the Honors program will have the opportunity to work closely with selected faculty. Those students who complete the requirements will graduate with Departmental Honors, which will be indicated on their transcript and diploma. Further details about the University Honors program are available at Honors.IllinoisState.edu.

Admissions Requirements
Students majoring in the Geography, Geology, and the Environment Department may be admitted to the Departmental Honors Program if they have (1) completed at least 45 hours of college-level courses, (2) a cumulative GPA of 3.30 and at least 3.50 in the major, and (3) are a member of the University Honors Program.

Honors Study Requirements
In order to graduate with honors in the Geography, Geology, and the Environment Department, a student must complete (1) all university graduation requirements, (2) all regular requirements for the major, (3) at least 12 hours of Honors work in the major, including at least 3 hours of Honors Independent Study (GEO 299) with the other 9 hours distributed among in-course honors in Geography for Geography majors or Geology for Geology, or Environmental Systems and Science and Sustainability (ESSS) majors, (4) maintain a cumulative GPA of at least 3.30 and at least 3.50 in the major, and (5) apply to the Honors Office during the first month of the graduation semester for Honors Degree designation.

Geography Programs
Degrees Offered: B.A., B.S.

Major in Geography
Advisor: Jill Freund Thomas
(309) 438-8403
Email: jfthoma@ilstu.edu

Programs must be planned in consultation with the program advisor.

- All Geography majors should consult with the program advisor concerning appropriate elective coursework in related fields. The faculty also recommends that students consider participating in a Study Abroad program as a means of experiencing different cultural settings.

- Elective Geography, Geology, and the Environment courses: a minimum of 21 hours required. 15 hours must be at the 300 level. 1 course (3 hours) must be a regional class (see below)
  - Geography regional course options:
    GEO 235A01, 235A02, 235A04, 265, 306A15, 306A22, 306A26
  - Other elective Geography course options:
    GEO 235A01, 235A02, 235A04, 265 (if not already taken), 304, 305, 306A15, 306A22, 306A26 (if not already taken); 308, 310, 311, 315, 334, 336, 341, 342, 344, 351, 370
  - Other elective course options: GEO 361, 380, 382
  - Students must earn a grade of C or better in all required courses to be eligible to participate in GEO 398

Geography Teacher Education Sequence
Advisor: Jill Freund Thomas
(309) 438-8403
Email: jfthoma@ilstu.edu

- Part of entitlement program leading to teacher licensure with a secondary 6-12 endorsement. Student must plan program in consultation with an advisor
- A 2.75 GPA in the major and overall is required for admission to Student Teaching. Deadlines for admission to Professional Studies and Student Teaching are available from the Cecilia J. Lauby Teacher Education Center.

Clinical Experiences in Teacher Education
A variety of clinical (pre-student teaching) experiences, as well as student teaching, are included in the teacher candidates professional preparation. Observations, small and large group instruction, tutoring, field experiences, and student teaching are included in the Clinical Experiences Program. The experiences offered prior to student teaching are integral parts of specific college courses. Clinical experiences are provided in off-campus professional development schools, local schools, campus laboratory schools, agencies, and other approved non-school settings. The Cecilia J. Lauby Teacher Education Center monitors and documents all clinical experiences. Teacher candidates will show verification of having completed clinical experiences commensurate with attaining local, state, and national standards. Teacher candidates must provide their own transportation to clinical experiences sites.

Candidates are required to provide documentation of meeting all State of Illinois, district, and university requirements in regard to criminal background checks BEFORE beginning any clinical experiences. Criminal background checks must remain current as of the last day of the clinical experience. Candidates should consult with clinical course faculty and the Cecilia J. Lauby Teacher Education Center well in advance of clinical experiences to determine specific requirements needed each semester. The approximate number of clinical hours associated with each course offering can be found with the appropriate course description in this Undergraduate Catalog. The following legend relates to the kind of activity related to a specific course.

Clinical Experiences Legend
- Observation (including field trips)
- Tutoring one-on-one contact
- Non-instructional assisting
- Small group instruction
- Whole class instruction
- Work with clinic client(s)
Graduate practicum
Professional meeting

Minor in Geography
- 21 hours in Geography required
- Required courses:
  - GEO 100
  - GEO 135 or 142

Geology Programs
Degrees Offered: B.S.

Major in Geology
Advisor: Dr. Dave Malone
(309) 438-2692
Email: dhmalon@ilstu.edu

Traditional Sequence
- Students must complete all core courses with a grade of C or better to be able to enroll in GEO 395

Earth and Space Science Teacher Education Sequence
Advisor: Paul Meister
(309) 438-7479
Email: pameist@ilstu.edu
- A 2.50 GPA in the major and overall is required for admission to Professional Studies and a 2.75 GPA for admission to Student Teaching. Deadlines for admission to Professional Studies and Student Teaching are available from the Cecelia J. Lauby Center for Teacher Education.

Minor in Geology
- 22 hours in Geology required
- Required courses: GEO 102, 202 and 203

Major in Environmental Systems and Science and Sustainability (ESSS)
Degrees Offered: B.S.
Advisor: Jill Freund Thomas
(309) 438-8403
jthoma@ilstu.edu
Students are encouraged to pursue a minor in Biological Sciences or Chemistry or Physics or Mathematics. ESSS students may not minor in the existing Environmental Studies Minor program.

Minor in Environmental Studies
The Minor in Environmental Studies is a multidisciplinary program that is available to students in any undergraduate major. The mission of the Environmental Studies Minor Program is to increase awareness of the interrelationships that exist between humans and the natural environment.

Students will broaden their understanding of environmental issues as well as connections between human-made and natural environments. Knowledge and skills acquired through the program will help prepare students for further academic studies or for an environment-related career. Students should plan their minor program with the assistance of the Environmental Studies advisor.
- 25 hours required
- Required courses:
  - GEO 100, 205, PHI 236
- Take two courses from the following:
  - AGR 157, 201, 203, 234
  - BSC 196, 202
  - GEO 207, 211, 276
  - PHY 207
- Take one course from the following:
  - AGR 225
  - ANT 273
  - COM 274
  - ECO 236, 255
  - HSC 156
  - PHI 250
  - POL 236
  - SOC 240
  - TEC 160, 170
- Take 2 courses from the following:
  - ANT 375
  - BSC 201, 211, 212, 223, 280, 311, 375, 376
  - CHE 251, 220
  - GEO 334, 341, 344, 360, 361, 380, 382
  - HSC 249, 252, 257, 322, 355
  - SOC 302, 330
- Students may choose to pursue one environmentally-based independent study or one environmentally-based internship to fulfill up to 3 credits toward the minor. Prior approval of the Advisor of the Minor in Environmental Studies is required for the student to receive credit for this experience toward fulfilling the requirements for the minor. Arrangement for supervision of the internship experience must be handled through the student’s major department.
- No more than 9 hours may be selected from the student’s major department.

_____ 3 GEO 135 World Geography

B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

Major (82 credit hours)

GEO (40 credit hours):
_____ 4 GEO 100 Introduction to Environmental Systems
_____ 3 GEO 135 World Geography
_____ 3 GEO 138 Maps & Geographic Reasoning (P: MAT 120, 130, or 145)
_____ 3 GEO 142 Human Geography
_____ 1 GEO 204 Career Preparation in Geography I
_____ 3 GEO 205 Environment, Resources, and Sustainability
_____ 3 GEO 261 Teaching Social Science in a Geographical Context (P: 45+ earned hours)
_____ 1 GEO 292 Career Preparation in Geography II (P: GEO 204; 45+ earned hours)
_____ 3 GEO 300 Cartography
_____ 4 GEO 303 Introduction to Geographic Information Systems (P: GEO 138 or 30+ earned hours)
_____ 3 GEO 307 Teaching Geography/Earth Science (P: C or better in TCH 216; 8+ earned hours of Geography or Geology)

Take one regional geography elective:
(GEO 235A01, 235A02, 235A04, 265, 306A15, 306A22, 306A26)

Take two (6 credit hours) additional 300-level Geography electives:
(GEO 304, 305, 308, 310, 311, 315, 334, 336, 341, 342, 344, 351, 370; GEO 306A15, 306A22, 306A26 [if not used to fulfill regional geography elective])

Required courses outside of GEO (min. 16 credit hours):
_____ 4 ECO 105 Principles of Economics
_____ 3 SOC 106 Introduction to Sociology

Take one of the following courses:
_____ 3 POL 101 Citizens & Governance
_____ 3 POL 106 U.S. Government & Civic Practices

Take one of the following courses:
_____ 3 HIS 101 Western Civilization to 1500
_____ 3 HIS 102 Modern Western Civilization

Take one of the following courses:
_____ 3 HIS 135 History of the United States to 1865
_____ 3 HIS 136 History of the United States since 1865

Professional Education requirements (26 credit hours):
_____ 3 PSY 215 Educational Psychology (P: PSY 110 or 111)
_____ 2 TCH 212 The Teaching Profession in Secondary Schools (P: 45+ earned hours; 2.5 major & cum. GPA; ENG 101, COM 110)
_____ 3 TCH 216 Principles & Practices for Teaching & Learning in Secondary Schools (P: TCH 212; 2.5 major & cum. GPA)
_____ 3 TCH 219 Integrating Multiple Literacies & Technology Across the Secondary Curriculum (P: TCH 212, 216; 2.5 major & cum. GPA)
_____ 12 STT 399A18 Student Teaching in Geography

Take one of the following courses (P: 45+ earned hours):
_____ 3 EAF 228 Social Foundations
_____ 3 EAF 231 Introduction to Philosophy of Education
_____ 3 EAF 235 Historical Foundations

‡ Admission to Professional Studies required

Geography-Geology Courses:

MAJOR IN GEOGRAPHY

GEOGRAPHY TEACHER EDUCATION SEQUENCE
(B.A., B.S.) - Transfer Students

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents

   3 C2 900 COM 110 Communication as Critical Inquiry
   3 C1 900 ENG 101 or ENG 101A10 Composition as Critical Inquiry
   3 C1 901 ENG 145 Writing in the Academic Disciplines

Mathematics (1 course required)
Please see major requirements for mathematics options

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.

   4 P1 909 GEO 100 Earth Systems Science

Humanities & Fine Arts (3 courses required)
At least one humanities and 1 fine arts course required

   3 H2 904 HIS 135 or H2 905 HIS 136
   3 H2 901 HIS 101 or H2 902 HIS 102

Social & Behavioral Sciences (3 courses required)
Two different disciplines must be represented

   3 S4 900N GEO 135 World Geography
   3 S7 900 SOC 106 Intro to Sociology
   3 S6 900 PSY 110 Fundamentals of Psychology

Additional Graduation Requirements

   120 minimum total credit hours
   42 minimum senior college hours
   College of Arts & Sciences language requirement

AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

   3 GEO 135 World Geography

B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

Major (82 credit hours)

GEO (40 credit hours):

   4 GEO 100 Introduction to Environmental Systems
   3 GEO 135 World Geography
   3 GEO 138 Maps & Geographic Reasoning (P: MAT 120, 130, or 145)
   3 GEO 142 Human Geography
   1 GEO 204 Career Preparation in Geography I
   3 GEO 205 Environment, Resources, and Sustainability
   3 GEO 261 Teaching Social Science in a Geographical Context (P: 45+ earned hours)
   1 GEO 292 Career Preparation in Geography II (P: GEO 204; 45+ earned hours)
   3 GEO 300 Cartography
   4 GEO 303 Introduction to Geographic Information Systems (P: GEO 138 or 30+ earned hours)
   3 GEO 3071 Teaching Geography/Earth Science (P: C or better in TCH 216; 8+ earned hours of Geography or Geology)

Take one regional geography elective:
(GEO 235A01, 235A02, 235A04, 265, 306A15, 306A22, 306A26)

Take two (6 credit hours) additional 300-level Geography electives:
(GEO 304, 305, 308, 310, 311, 315, 334, 336, 341, 342, 344, 351, 370; GEO 306A15, 306A22, 306A26 [if not used to fulfill regional geography elective])

Required courses outside of GEO (16 credit hours):

   4 ECO 105 Principles of Economics
   3 SOC 106 Introduction to Sociology

Take one of the following courses:

   3 POL 101 Citizens & Governance
   3 POL 106 U.S. Government & Civic Practices

Take one of the following courses:

   3 HIS 101 Western Civilization to 1500
   3 HIS 102 Modern Western Civilization

Take one of the following courses:

   3 HIS 135 History of the United States to 1865
   3 HIS 136 History of the United States since 1865

Professional Education requirements (26 credit hours):

   3 PSY 215 Educational Psychology (P: PSY 110 or 111)
   2 TCH 212 The Teaching Profession in Secondary Schools (P: 45+ earned hours; 2.5 major & cum. GPA; ENG 101, COM 110)

All Courses:
https://coursefinder.illinoisstate.edu/directory/
MAJOR IN GEOLOGY
TRADITIONAL SEQUENCE
(B.S.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
_____  3  COM 110  Communication as Critical Inquiry
_____  3  ENG 101 or ENG 101A  Composition as Critical Inquiry

Mathematics (1 course required)
_____  4  MAT 145  Calculus I

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.
_____  4  CHE 140  General Chemistry I
_____  4-5  PHY 108  College Physics I or PHY 110  Physics for Science & Engineering I

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***

Language in the Humanities (1 course required)***

Quantitative Reasoning (1 course required)
_____  4  MAT 146  Calculus II

Science, Math, & Technology (1 course required)
Exempt for General Geology majors

Social Sciences (1 course required)***

Additional Graduation Requirements
_____/120 minimum total credit hours
_____/42 minimum senior college hours
_____  College of Arts & Sciences language requirement

AMALI requirement
***Certain courses in General Education fulfill the AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.
_____  3  GEO 202  Evolution of Earth

Major (64-66 credit hours)

_____  3  GEO 202  Evolution of Earth
_____  3  GEO 203  Minerals, Rocks, Fossils, & Maps
_____  4  GEO 280  Mineralogy (P: GEO 203; CHE 140)
_____  4  GEO 285  Igneous & Metamorphic Petrology (P: GEO 280)
_____  4  GEO 290  Structural Geology (P: GEO 203)
_____  3  GEO 295  Sedimentology (P: GEO 203)
_____  3  GEO 296  Stratigraphy (P: GEO 295)
_____  6  GEO 395  Field geology (P: C or better in GEO 280, 285, 290, 295, and 296)
_____  4  CHE 140  General Chemistry I (P: C or better in MAT 119; or C or better in MAT 120 or 144 or 145 or conc. reg.)
_____  4  CHE 141  General Chemistry II (P: CHE 140)
_____  4  MAT 145  Calculus I (P: C or better in MAT 144 or placement)
_____  4  MAT 146  Calculus II (P: C or better in MAT 145)

Take one additional Geology applied quantitative elective:
(GEO 360, 361, 362, 363, 364)

Choose one of the following options:
_____  5/5  PHY 108  College Physics I AND PHY 109 College Physics II (P: PHY 108 or 110)
_____  4/4  PHY 110  Physics for Science & Engineering I (P: MAT 145 or conc. reg.) AND PHY 111 Physics for Science & Engineering II (P: PHY 110 and MAT 146 or conc. reg.)

Take 7 credit hours of additional Geology electives:

Geography-Geology Courses:
https://coursefinder.illinoisstate.edu/directory/geo/

All Courses:
https://coursefinder.illinoisstate.edu/directory/

https://coursefinder.illinoisstate.edu/directory/

Major (81 credit hours)

Major (81 credit hours)

Environmental Systems Analysis (40 credit hours)

Track A—Generalist Track:
2 courses from: BSC 202, 211, 223, 280, 311, 375, 376, CHE 215 (216 lab may also be taken), 220, 360, 361 (361 lab may also be taken), 362 (363 lab may also be taken), GEO 276, 306, 314, 318, 341, 344, 360, 361, 380, 382, PHY 318 or CHE 318
2 courses from: ANT 273, 375, COM 274, ECO 236, 255, GEO 317, 334, PHI 250, 310, POL 236, 252, SOC 241, 302, 330
1 course from GEO 304, 305, 308, IT 165 or 166

Track B—Water Resources:
5 courses BSC 311, 375, GEO 276, 314, 317, 318, 39, 360, 361

Track C—Environmental Systems Analysis:
IT 165 or 166
4 courses from: BSC 311, CHE 215 (216 lab may also be taken), 360 (361 lab may also be taken), 362 (363 lab may also be taken), GEO 304, 305, 306, 308, 314, 319, PHY 318 or CHE 318

Track D—Nature and Society:
1 course from: ENG 145A13, COM 268, 274
4 courses from: ANT 273, 375, ECO 236, 255, GEO 317, 334, PHI 250, 310, PHY 207, POL 236, 252, SOC 241, 302, 330
MAJOR IN ENVIRONMENTAL SYSTEMS SCIENCE AND SUSTAINABILITY
(B.S.) - Transfer Students

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents
___ 3 C2 900 COM 110 Communication as Critical Inquiry
___ 3 C1 900 ENG 101 or ENG 101A10 Composition as Critical Inquiry
___ 3 C1 901 ENG 145 Writing in the Academic Disciplines

Mathematics (1 course required)
Please see major requirements for mathematics options
___ 4 M1 900-1 MAT 145 Calculus I or M1 900-2 MAT 146 Calculus II

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.
___ 4 P1 902L CHE 140 General Chemistry I
or P1 900L PHY 108 College Physics I

Humanities & Fine Arts (3 courses required)
At least 1 humanities and 1 fine arts course required

Social & Behavioral Sciences (3 courses required)
2 different disciplines must be represented
___ 3 S4 900N GEO 135 World Geography

Additional Graduation Requirements
___ /120 minimum total credit hours
___ /42 minimum senior college hours
___ College of Arts & Sciences language requirement

AMALI requirement
***certain courses in General Education fulfill the AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.
___ 3 GEO 202 Evolution of Earth

Geography-Geology Courses:
https://coursefinder.illinoisstate.edu/directory/geo/

All Courses:
https://coursefinder.illinoisstate.edu/directory/

Major (81 credit hours)

- 4 BSC 196 Biological Diversity
- 4 BSC 197 Molecular And Cellular Basis Of Life
- 4 BSC 201 Ecology (P: BSC 196 and 197)
- 4 CHE 140 General Chemistry I (P: Grade of C or better in MAT 119; or grade of C or better or concurrent registration in MAT 118 or 120 or 144 or 145; or consent of the Department of Chemistry)
- 3 ECO 101 Principles Of Microeconomics
- 4 GEO 100 Introduction to Environmental Systems
- 3 GEO 202 Evolution Of The Earth
- 3 GEO 205 Environment, Resources, and Sustainability
- 3 GEO 238 Statistics for Geographers I
- 1 GEO 293 Career Preparation in Environmental Systems (P: 75 hours or consent of instructor)
- 4 GEO 303 Introduction to Geographic Information Systems (P: Min. 30 hrs or GEO 138 or consent of instructor)
- 4 GEO 398A02 Professional Practice: Internship in Environmental Systems
- 4 MAT 145 Calculus I
- 3 PHI 236 Values And The Environment
- 3 POL 106 United States Government And Civic Practices

Take 1 of the following courses:
___ 3 GEO 135 World Geography
___ 3 GEO 142 Human Geography

Take 1 of the following courses:
___ 4 PHY 105 Fundamentals Of Physics
___ 5 PHY 108 College Physics I (P: 2 years of high school algebra or equivalent)
___ 4 PHY 110 Physics For Science And Engineering I (P: MAT 145 or concurrent registration)

Take 2 of the following courses:
___ 4 CHE 141 General Chemistry II (P: CHE 140)
___ 4/4 IT 165 Computer Programming For Scientists (P: Grade of C or better in MAT 145)
or IT 166 Python Programming for Science and Data Analysis (P: Grade of C or better in MAT 121 or 145 or GEO 238 or consent of the school advisor)
___ 4 MAT 146 Calculus II
___ 5/4 PHY 109 College Physics II (P: PHY 108 or 110) or PHY 111 Physics for Science & Engineering II (P: PHY 110; MAT 146 or concurrent registration)

Complete 5 courses (min. 15 hrs) from one single track:

Track A—Generalist Track:
2 courses from: BSC 202, 211, 223, 280, 311, 375, 376, CHE 215 (216 lab may also be taken), 220, 360 (361 lab may also be taken), 362 (363 lab may also be taken), GEO 276, 306, 314, 318, 341, 344, 360, 361, 380, 382, PHY 318 or CHE 318
2 courses from: ANT 273, 375, COM 274, ECO 236, 255, GEO 317, 334, PHI 250, 310, POL 236, 252, SOC 241, 302, 330
1 course from GEO 304, 305, 308, IT 165 or 166

Track B—Water Resources:
5 courses BSC 311, 375, 376, GEO 276, 314, 317, 318, 319, 360, 361

Track C—Environmental Systems Analysis:
IT 165 or 166
4 courses from: BSC 311, CHE 215 (216 lab may also be taken), 360 (361 lab may also be taken), 362 (363 lab may also be taken), GEO 304, 305, 306, 308, 314, 319, PHY 318 or CHE 318

Track D—Nature and Society:
1 course from: ENG 145A13, COM 268, 274
4 courses from: ANT 273, 375, ECO 236, 255, GEO 317, 334, PHI 250, 310, PHY 207, POL 236, 252, SOC 241, 302, 330

https://History.IllinoisState.edu
Chairperson: Ross Kennedy

Interdisciplinary Minors
The Department of History participates in a number of interdisciplinary minors and one interdisciplinary major at the University. Coursework offered by the Department contributes to the Major in European Studies and the following minors: African-American Studies; African Studies; Classical Studies; European Studies; Latin American and Latino/a Studies; Middle Eastern and South Asian Studies; Native American Studies; Urban Studies; and Women’s and Gender Studies. For further information on these minors and their advisors, please consult the Interdisciplinary Studies Program section of this Undergraduate Catalog.

Honors in the Major
Honors work in the Department of History has been designed to offer to qualified undergraduates the opportunity to develop an independent, individualized program of study while working closely with departmental faculty in the field of their special interest. Students who complete the requirements will graduate with Departmental Honors, which will be noted on their transcript and diploma.

Admission Requirements
To be admitted to the Honors Program, students must: (1) be members of the University Honors Program, and (2) have completed 45 hours, at least nine hours in history with a minimum GPA of 3.50 in History. Recommendation of at least one member of the departmental faculty is required as is the approval of the Departmental Honors Advisor. Students may also be invited to apply by a faculty member. In specific cases these requirements may be waived but only with the express approval of the Departmental Honors Advisor and the History Department Chairperson.

Honors Study Requirements
In order to graduate with distinction as a Departmental Honors Scholar in the Department of History, the student must complete (1) at least 6 hours of Honors work in the major - HON/HIS 299, HIS 301 (which require pre-approval from the Departmental Honors Advisor), (2) all university graduation requirements, (3) all regular requirements for the major, and (4) all University Honors requirements as outlined in the catalog. The Departmental Honors Advisor and the History Department Chairperson will regularly evaluate students in the program. Any student whose work does not meet the minimal standards of the program will not be allowed to continue.

Further details about the University Honors program are available at: Honors.IllinoisState.edu

History Programs
Degrees Offered: B.A., B.S.

Major in History
Admission to the History major, including the History-Social Sciences Teacher Education Sequence, may be restricted by the lack of available Department resources.

The Department of History encourages students seeking a bachelor’s degree to develop both global and multidisciplinary approaches to the study of history and to apply these methods to their studies in other disciplines. To develop their skills in historical analysis and to learn to think critically about historical accounts, students complete HIS 100, 200, and 300. To acquire both a well-rounded and a global understanding of historical processes, students are required to take 6 hours each in the 3 fields of European, non-Western, and United States History.

The Department of History recognizes the value of language to the study of history from a global perspective. For this reason, the department recommends that all students majoring in history complete a Bachelor of Arts program. Those students majoring in history but choosing to pursue a Bachelor of Sciences program must complete a minor program.

B.A. students are encouraged to improve their career opportunities by minoring in another discipline. B.A. students not opting for a minor must choose an area of concentration by taking a minimum of 9 hours in any field other than history or foreign language; at least 3 of these hours must be in 200- or 300-level courses. B.A. students are encouraged to continue their language studies beyond the 12 hours required by the Bachelor of Arts.

B.A. and B.S. students in either the History (non-teaching) or History-Social Sciences Teacher Education Sequence must complete HIS 100 during their freshman year as History majors and should complete HIS 200 before enrolling in any 300-level History course. His 100 is limited to First-Semester Freshmen. Transfer students from outside ISU or from a different major at ISU will need to see the advisor. HIS 300 is a capstone course to be taken in the student’s last full semester on campus. For students in the History-Social Sciences Teacher Education Sequence, this would be the semester just prior to student teaching.

Major in History, B.A.

- 6 hours of non-Western History listed in group 3 of “History Courses by Group for the Major.” At least one of the non-Western electives must be at the senior level.

- HIS 100 is limited to First-Semester Freshmen. Transfer students from outside ISU or from a different major at ISU will need to see the advisor.

- Students are encouraged to complete a minor; but, if a minor is not selected, they must complete a 9-hour concentration in any field other than history or foreign language, with at least 3 hours at the 200- or 300-level.

Major in History, B.S.

B.S. students must also complete a minor.
History-Social Sciences Teacher Education Sequence

- HIS 100 is limited to First-Semester Freshmen. Transfer students from outside ISU or from a different major at ISU will need to see the advisor.
- The Teacher Education Sequence is part of the entitlement program leading to secondary History-Social Sciences licensure.
- A minimum 2.75 GPA in the major and overall is required for admission to Professional Studies. A minimum 3.00 GPA is required for Admission to Student Teaching. Deadlines for admission to Professional Studies and Student Teaching are available from the Cecelia J. Lauby Center for Teacher Education.

History Courses by Group:

**Group 1: Methods and Topics:** HIS 285, 290, 301, 330, 336, 367, 390, 395, 398

**Group 2: United States History:** HIS 111, 112, 131, 216, 217, 239, 241, 242, 243, 244, 246, 247, 248, 249, 253, 254, 257, 258, 259, 261, 262, 278, 279, 309, 310, 311, 315, 320, 322, 323, 324, 328

**Group 3: Non-Western History:** HIS 104A01, 104A02, 104A03, 104A04, 104A05, 104A06, 263, 264, 265, 266, 267, 271, 272, 275, 276, 282, 283, 284, 307, 367, 370, 373, 375

Minor in History

- 21 hours in History required, to include at least 12 senior hours

Clinical Experiences in Teacher Education

A variety of clinical (pre-student teaching) experiences, as well as student teaching, are included in the teacher candidates' professional preparation. Observations, small and large group instruction, tutoring, field experiences, and student teaching are included in the Clinical Experiences Program. The experiences offered prior to student teaching are integral parts of specific college courses. Clinical experiences are provided in off-campus professional development schools, local schools and campus laboratory schools, and agencies and other approved non-school settings. The Cecilia J. Lauby Teacher Education Center monitors and documents all clinical experiences. Teacher candidates will show verification of having completed clinical experiences commensurate with attaining local, state, and national standards. Teacher candidates must provide their own transportation to clinical experiences sites. Candidates are required to provide documentation of meeting all State of Illinois, district, and university requirements in regard to criminal background checks BEFORE beginning any clinical experiences. Criminal background checks must remain current as of the last day of the clinical experience. Candidates should consult with clinical course faculty and the Cecilia J. Lauby Teacher Education Center well in advance of clinical experiences to determine specific requirements needed each semester.

The approximate number of clinical hours associated with each course offering can be found with the appropriate course description. The following legend relates to the kind of activity related to a specific course.

Clinical Experiences Legend

- Observation (including field trips)
- Tutoring one-on-one contact
- Non-instructional assisting
- Small group instruction
- Whole class instruction
- Work with clinic client(s)
- Graduate practicum
- Professional meeting

History Courses:

MAJOR IN HISTORY, (B.A., B.S.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
- 3 COM 110 Communication as Critical Inquiry
- 3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

Mathematics (1 course required)

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.

United States Traditions (1 course required)
Exempt for History majors

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***
- 3 HIS 101 Western Civilization to 1500

Language in the Humanities (1 course required)***

Quantitative Reasoning for B.S. or LAN 115 for B.A. (1 course required)

Science, Math, & Technology (1 course required)

Social Sciences (1 course required)***

Additional Graduation Requirements
- /120 minimum total credit hours
- /42 minimum senior college hours
- College of Arts & Sciences language requirement

AMALI requirement
***certain courses in General Education fulfill the AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.
Please see major requirements for AMALI options.

B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

Major (37 credit hours)
- 1 HIS 100 Introduction to History
- 3 HIS 101 Western Civilization to 1500
- 3 HIS 102 Modern Western Civilization
- 3 HIS 135 History of the United States to 1865
- 3 HIS 136 History of the United States Since 1865
- 3 HIS 200 Doing History: An Introduction (P: 15+ earned hours; departmental consent/override required)
- 3 HIS 300 Senior Seminar in History (P: HIS 200; override required)

Take 18 hours of HIS electives. A minimum of 15 hours of electives at the 200–300-level. Of the 15 hours, 6 hours must be at the 300-level.

Take two (6 hours) of non-Western History electives.† At least one course must be at the 200-or 300-level.
HIS 104A01, 104A02, 104A03, 104A04, 104A05, 104A06, 263, 264, 265, 266, 267, 271, 272, 275, 276, 282, 283, 284, 307, 367, 373, 375

Take 12 hours of History electives‡.

For History (B.A.) – Students are encouraged to complete a minor, but, if a minor is not selected, they must complete a 9-hour concentration in any field other than History or a Foreign Language, with at least three credit hours at the senior college level.

For History (B.S.) – Major requirements are the same as for the B.A. except students must complete a minor.

Mathematics (1 course required)
Please see major requirements for mathematics options

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.

Humanities & Fine Arts (3 courses required)
At least one humanities and 1 fine arts course required

   3 H2 901 HIS 101 Western Civilization to 1500
   3 H2 902 HIS 102 Modern Western Civilization

Social & Behavioral Sciences (3 courses required)
Two different disciplines must be represented

   3 S4 900N GEO 135 World Geography
   3 S7 900 SOC 106 Intro to Sociology
   3 S5 900 POL 106 U.S. Government and Civic Practices

Additional Graduation Requirements
_____/120 minimum total credit hours
_____/42 minimum senior college hours
_____ College of Arts & Sciences language requirement

AMALI requirement
***certain courses in General Education fulfill the AMALI requirement Please see major requirements for AMALI options.
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

   3 H2 903N HIS 104Axx (will also satisfy a major elective)

B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

History Courses: https://coursefinder.illinoisstate.edu/directory/his/
Because of changing faculty availability, which cannot be foreseen before this Undergraduate Catalog is printed, the Department cannot guarantee that a given course will always be taught in a given semester or year. In planning their programs, students are therefore advised to consult departmental faculty and advisors concerning the availability of individual courses.
All Courses: https://coursefinder.illinoisstate.edu/directory/

Major (84 credit hours)
His requirements (min. 43 credit hours)

   1 HIS 100 Introduction to History (limited to First-Semester Freshmen)
   3 HIS 101 Western Civilization to 1500
   3 HIS 102 Modern Western Civilization
   3 HIS 135 History of the United States to 1865
   3 HIS 136 History of the United States Since 1865
   3 HIS 200 Doing History: An Introduction (P: 15+ earned hours; dept. consent/override required) Recommended before taking any 300-level History courses.
   3 HIS 290 History-Social Science Teaching Methodology I* (P: C or better in TCH 216 and conc. reg.)
   3 HIS 300 Senior Seminar in History (P: HIS 200; override required)
   3 HIS 390† History-Social Science Teaching Methodology II (P: C or better in HIS 290 and TCH 216; override required)
   1 HIS 391 History-Social Sciences Education-Student Teaching & Licensure Lab (P: conc. Reg. in STT 399A43; override required)

Take one (3 credit hours) additional senior college U.S. History elective:
(HIS 216, 217, 239, 241, 242, 243, 244, 246, 247, 248, 249, 253, 254, 257, 258, 259, 261, 262, 278, 279, 305, 310, 311, 315, 320, 322, 323, 324)

Take two (6 credit hours) additional non-Western History electives:
At least one of the electives must be senior college level.
(HIS 104A01, 104A02, 104A03, 104A04, 104A05, 104A06, 263, 264, 265, 266, 267, 271, 272, 275, 276, 282, 283, 284, 307, 367, 373, 375)

Take three (9 credit hours) of additional senior college History electives to meet the min. total of 28 hours at the upper-division (senior college level) requirement:

It is recommended that students take one of the 104s above, as it will count as 3 hours of non-western elective credit in the major and for AMALI.

Professional Education requirements (25 credit hours)

   3 PSY 215 Educational Psychology (P: PSY 110 or 111)
   2 TCH 212 The Teaching Profession in Secondary Schools (P: 45+ earned hours; 2.5 major & cum. GPA; ENG 101, COM 110)
   3 TCH 216 Principles & Practices for Teaching & Learning in Secondary Schools (P: TCH 212; 2.5 major & cum. GPA)
   3 TCH 219 Integrating Multiple Literacies & Technology Across the Secondary Curriculum (P: TCH 212, 216; 2.5 major & cum. GPA)
   11 STT 399A43 Student Teaching in History Social Science Education

Take one of the following courses (P: 45+ earned hours):

   3 EAF 228 Social Foundations
   3 EAF 231 Introduction to Philosophy of Education
   3 EAF 235 Historical Foundations

Required courses outside of HIS (16 credit hours)

   4 ECO 105 Principles of Economics

Take one of the following courses:

   3 ANT 176 Culture, Power, & Civic Life (P: COM 110 or ENG 101)
   3 ANT 185 Cultures of the World: An Introduction to Cultural & Linguistic Anthropology (P: COM 110 or ENG 101 or conc. reg.)

Take one of the following courses:

   3 GEO 135 World Geography
   3 GEO 142 Human Geography

Take one of the following courses:

   3 POL 101 Citizens & Governance
   3 POL 106 U.S. Government & Civic Practices

Take one of the following courses:

   3 SOC 106 Introduction to Sociology
   3 SOC 108 Contemporary Social Problems in Global Perspectives

All History-Social Sciences Teacher Education majors must complete a minimum of 28 senior college hours in History (including HIS 200, 290, 300, 390, & 391). Of the 28 hours, 13 hours must be at the 300-level (including HIS 300, 390, & 391).

† Admission to Professional Studies required
The Minor in East Asian Studies provides an interdisciplinary approach to exploring the languages, politics, society, and cultures of countries in East Asia. Two tracks are available: a language track, emphasizing language and culture; and an interdisciplinary track, emphasizing the socio-political and cultural dynamics of the countries located in the region and their roles in the world.

The plan of study must be created in consultation with the East Asian Studies advisor.

- **24 hours required**

- Required courses for all students: two-year sequence or equivalent in an East Asian language; either Chinese (4 hours) CHI 115, or Japanese (8 hours) JPN 115, 116

- Choose one option:

  - **Option 1: Language Track:**
    - JPN 111 (if haven’t had JPN 112 or higher), JPN 112 (if haven’t had JPN 115 or higher), JPN 231, 232, and one elective from any elective group below

  - **Option 2: Interdisciplinary Track:** In consultation with the East Asian Studies advisor, sufficient electives from the following groups:
    
    A. Department of Languages, Literatures, and Cultures: JPN 111, 112, 115, 116, 231, 232; CHI 111, 112, 115
    
    B. Department of History: HIS 104A02, 269, 275, 276, 373, 375
    
    C. Department of Politics and Government: POL 140, 245, 345
    
    D. Department of Philosophy: PHI 208
    
    E. Department of Sociology and Anthropology: ANT 278, 294, 307, 308
    
    F. School of Music: MUS 275A01
    
    G. Interdisciplinary Studies: IDS 203A10
    
    H. School of Theatre and Dance: THE 271A07

See course descriptions by department. Other electives, including coursework taken abroad, may be counted toward the minor with prior approval of the minor advisor.

**Teacher Education Requirements for Languages, Literatures, and Cultures Majors**

Students seeking a Teacher Education degree must complete University-Wide Teacher Education program requirements. These include a minimum GPA of 3.00 in the major, a cumulative GPA of 2.75, and Advanced Low score or above on OPI for Student Teaching. All Teacher Education majors must complete LAN 319 and 320. Both courses are to be taken together in the fall semester of the junior or senior year. Teacher Education students are encouraged to apply for Admission to Professional Studies as soon as they have completed 30 hours, especially while they are enrolled in TCH 210 and 212, and must complete the Professional Education...
coursework, Illinois State University’s General Education requirements, and all other Teacher Education requirements (See the University-Wide Teacher Education section of this Undergraduate Catalog).

Clinical Experiences in Teacher Education
A variety of clinical (pre-student teaching) experiences, as well as student teaching, are included in the teacher candidates professional preparation. Observations, small and large group instruction, tutoring, field experiences, and student teaching are included in the Clinical Experiences Program. The experiences offered prior to student teaching are integral parts of specific college courses. Clinical experiences are provided in off-campus professional development schools, local schools and campus laboratory schools, agencies and other approved non-school settings. The Cecilia J. Lauby Teacher Education Center monitors and documents all clinical experiences. Teacher candidates will show verification of having completed clinical experiences commensurate with attaining local, state, and national standards. Teacher candidates must provide their own transportation to clinical experience sites.

Candidates are required to provide documentation of meeting all State of Illinois, district, and university requirements in regard to criminal background checks BEFORE beginning any clinical experiences. Criminal background checks must remain current as of the last day of the clinical experience. Candidates should consult with clinical course faculty and the Cecilia J. Lauby Teacher Education Center well in advance of clinical experience to determine specific requirements needed each semester.

The approximate number of clinical hours associated with each course offering can be found with the appropriate course description. The following legend relates to the kind of activity related to a specific course.

Clinical Experiences Legend
• Observation (including field trips)
• Tutoring one-on-one contact
• Non-instructional assisting
• Small group instruction
• Whole class instruction
• Work with clinic client(s)
• Graduate practicum
• Professional meeting

French Teacher Education Sequence
— A minimum of 67 hours and a maximum of 75 hours are required. The number of hours required for the Major in French for Teacher Education depends on the level at which a student begins the program. Students with no previous study in French begin the language with FRE 111 and must complete 75 hours. Students with 2 years of high school French (or equivalent) normally begin with FRE 111 and must complete 71 hours beyond FRE 111. Students with 3 years of high school French (or equivalent) normally begin with FRE 115 and must complete 67 hours beyond FRE 111. The best way to assure that a student begins at the right Illinois State University level is to use the above as a reference and then to take the online self-placement test at: https://lan.illinoisstate.edu/academics/placement-exams/
— Part of entitlement program leading to professional educator licensure with K-12 endorsement.
— The edTPA is required during the student teaching semester.

Minor in French and Francophone Studies
— 25 hours in French required
— Required courses (11 hours):
  — FRE 115, 116, 213
  — plus sufficient electives to meet the 25-hour requirement
— Electives (14 hours):
  — FRE 111, 112 (not for credit if already taken FRE 115), FRE 209, 215, 224, 236, 237, 287, 300, 305, 314, 325, 335, 340, 341, 385, 386

German Programs
Degree Offered: B.A.

Major in German
— 35-43 hours in German required
The number of hours required for the Major in German depends on the level at which the student begins the program. Students with no previous study in German begin in GER 111 and must complete 43 hours. Students with 2 years of high school German or equivalent normally begin with GER 112 and must complete 39 hours, beyond GER 111. Students with 3 years of high school German or equivalent normally begin in GER 115 and must complete 35 hours, beyond GER 111 and 112.
German Teacher Education Sequence

- A minimum of 67 and a maximum of 75 hours are required.

  The number of hours required for the Major in German for Teacher Education depends on the level at which a student begins the program. Students with no previous study in German begin the language with GER 111 and must complete 75 hours. Students with 2 years of high school German (or equivalent) normally begin with GER 112 and must complete 71 hours, beyond GER 111. Students with 3 years of high school German (or equivalent) normally begin with GER 115 and must complete 67 hours, beyond GER 111. The best way to assure that a student begins at the right Illinois State University level is to use the above as a reference and then to take the online self-placement test at https://lan.illinoisstate.edu/academics/placement-exams/.

- Part of entitlement program leading to professional educator licensure with K-12 endorsement.

- The edTPA is required during the student teaching semester.

Minor in German

- 25 hours in German required
- Required courses (17 hours):
  - GER 115, 116, 211, 213
  - One 300-level course
  - Sufficient electives to meet the 25-hour requirement
- Electives (8 hours): GER 111 (not for credit if already taken GER 112 or higher), GER 112 (not for credit if already taken GER 115 or higher), GER 217, 285, 287, 300, 310, 317, 322, 385

Italian Program

Minor in Italian Studies

Advisor: Jonathan Druker
Office: 240 Stevenson Hall
Phone: (309) 438-7978

- 25 hours in Italian and related courses required
- Required courses (8 hours):
  - ITA 115, 116
  - Sufficient electives to meet the 25-hour requirement
- Electives (17 hours):

Spanish Teacher Education Sequence

- A minimum of 67 hours and a maximum of 75 hours are required.

  The number of hours required for the Major in Spanish for Teacher Education depends upon the level at which a student begins the program. Students with no previous study in Spanish begin the language with SPA 111 and must complete 43 hours. Students with 2 years of high school Spanish (or equivalent) normally begin with SPA 115 and must complete 39 hours beyond SPA 111. Students with 3 years of high school Spanish (or equivalent) normally begin with SPA 115 and must complete 35 hours beyond SPA 111 and SPA 112. The best way to assure that a student begins at the right Illinois State University level is to use the above as a reference and then to take the online self-placement test at https://lan.illinoisstate.edu/academics/placement-exams/.

- Part of entitlement program leading to a professional educator license with K-12 endorsement.

- The edTPA is required during the student teaching semester.

Spanish Courses:
https://coursefinder.illinoisstate.edu/directory/spa/

For those languages which have no specific placement recommendations listed in this Undergraduate Catalog, students who have had no prior instruction in a foreign language, or one year of instruction, should enroll in the 111 course for the appropriate language. Students who have had 2, 3, or 4 years generally enroll in 112 or 115. If prior language study took place more than one year earlier, a student may choose to enroll at a lower level. Transfer students and native speakers should consult with the Department's academic advisor to determine proper placement. The best way to assure that a student begins at the right Illinois State University level is to use the above as a reference and then to take the online self-placement test at: LAN.IllinoisState.edu/academics/placement-exams.

Credit for Acquired Proficiency (CAP)
If the first Languages, Literatures, and Cultures course in which a student enrolls is above 111 in the regular sequence (112, 115, 116 or above), he or she may be eligible for proficiency acquired elsewhere. Student must apply for CAP by filling out a short form in the Department of Languages, Literatures, and Cultures.

Credit toward graduation for acquired proficiency will be granted upon completion at Illinois State University of one course (excluding Independent Study) with the grade of C or better. It is recommended that the course be taken as soon as possible after matriculation at Illinois State University. Students are reminded that no course in the major or minor may be taken under the P/NP (Passing/No Passing) option.

Students beginning at the 112-level and fulfilling the previous requirements will be granted 4 hours of CAP. Students beginning at the 115-level or above and fulfilling the above requirements will be granted 8 hours of CAP.

Language of Instruction in Courses in the Department of Languages, Literatures, and Cultures: Because the Department of Languages, Literatures, and Cultures promotes the acquisition of world languages, the official language of instruction and class discussion will be the language of study in the majority of cases. Courses in pedagogy are frequently taught in English.
MAJOR IN FRENCH AND FRANCOPHONE STUDIES, (B.A.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
_____ 3  COM 110  Communication as Critical Inquiry

| 3 | SPA 244 Cultura Hispanoamericana |

B.A. LAN 115 (1 course required)
| 4 | SPA 115 Second-Year Spanish Part I |

Major (67 credit hours†)

SPA and LAN requirements (41 credit hours)

Take one of the following courses:
| 4 | SPA 116 Second-Year Spanish Part II |
| 4 | SPA 120 Introduction to Academic Spanish for Spanish Speakers |

Take one of the following courses:
| 3 | SPA 323 Spanish Literature: Medieval & Renaissance (P: SPA 233) |
| 3 | SPA 324 Spanish Literature: 19th Century to Present Day (P: SPA 233) |
| 3 | SPA 326 Spanish American Literature: Foundations to Late 19th Century (P: SPA 233) |
| 3 | SPA 327 Spanish American Literature: Late 19th Century to Present Day (P: SPA 233) |

Take two (6 credit hours) additional 300-level Spanish electives:

Recommended electives: LAN 321; SPA 305, 310, 311, 323, 324, 326, 327, 360

Professional Education requirements (26 credit hours)†

Take one of the following courses (P: 45+ earned hours):
| 3 | SPA 329 World Language Teaching in the K-12 Setting (P: conc. reg. with LAN 319; Grade of B or better in FR 215 or SPA 213 or GER 213. Grade of C or better in TCH 210 and TCH 212; or graduate standing. TCH 216 may be taken concurrently with LAN 319. Admission to Professional Studies. Intermediate high or above on Oral Proficiency Interview.) |
| 3 | SPA 329 World Language Teaching in the K-12 Setting (P: conc. reg. with LAN 319; Grade of B or better in FR 215 or SPA 213 or GER 213. Grade of C or better in TCH 210 and TCH 212; or graduate standing. TCH 216 may be taken concurrently with LAN 320. Admission to Professional Studies. Intermediate high or above on Oral Proficiency Interview.) |

§ Admissions to Professional Studies required
### MAJOR IN SPANISH

#### TEACHER EDUCATION SEQUENCE (B.A.)

**Transfer Students**

**Illinois Articulation Initiative (minimum 37 credit hours)**

To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

**Communication and Composition (3 courses required)**

A grade of C or better required in ENG 101 and 145 or equivalents

- 3 C2 900 COM 110 Communication as Critical Inquiry
- 3 C1 900 ENG 101 or ENG 101A10 Composition as Critical Inquiry
- 3 C1 901 ENG 145 Writing in the Academic Disciplines

**Mathematics (1 course required)**

Please see major requirements for mathematics options

MATHEMATICS (MAT) 452
313 Stevenson Hall, (309) 438-8781
https://Math.IllinoisState.edu
Chairperson: George Seelinger
https://Math.IllinoisState.edu

Cooperative Education/Internship in Mathematics
The Department offers a Cooperative Education/Internship program for undergraduate Mathematics majors which provides for practical work experience in business, government, or industry. Students interested in participating in the program may secure further information by contacting the Mathematics Department Office.

Honors in Mathematics
The Department offers an honors program for majors emphasizing a broad liberal arts program with requirements in Mathematics and in the General Education Program. Students interested in participating in departmental honors programs may secure further information by contacting the Undergraduate Director. In addition students must fulfill the general requirements for participation in the University Honors Program. Completion of the program will be posted on a student’s transcript and diploma. The Department also offers in-course honors for students enrolled in the University Honors Program. Further details about the University Honors program are available at https://Honors.IllinoisState.edu.

Minor in Cognitive Science
The Department of Mathematics participates in the Minor in Cognitive Science program. Several courses offered by the Department contribute to the minor. For further information, please consult a Department advisor as well as the section entitled “Interdisciplinary Studies Programs” in this Undergraduate Catalog.

Mathematics Programs
Degrees Offered: B.A., B.S.

Career Information for Mathematics Majors and Minors:
Career information for Mathematics Majors and Minor can be found on the website at Math.IllinoisState.edu/careers. Students are urged to consult with the Mathematics Undergraduate Director or Mathematics faculty in planning their programs. Information on careers in Mathematics can be secured from the Mathematics Department advisor and from the Mathematics Department website.

Students interested in meeting the requirements for licensure to teach secondary school Mathematics must consult with a Mathematics Education advisor to design a special program of studies.

Students preparing for a specific career are advised to include courses from the appropriate list(s) that follow. The courses with an asterisk (*) should be among those selected. Those wishing a major or minor in Mathematics should select additional courses from the list as well. (Note that some courses in the following lists may not count toward major or minor requirements.):

- **Applications or Research in Physical Sciences**: MAT 236, 336, 337, 340*, 341*, 345*, 350, 378

Program Admission Requirements for New and Continuing Students:
Admission to this academic program is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission and the application and selection process, visit IllinoisState.edu/Majors or contact the undergraduate advisor for the intended major.

Departmental requirements for admission to the University Professional Studies program include a minimum Mathematics GPA of 2.80, a cumulative GPA of 2.80 and completion of Calculus I, II, and III and MAT 223 with grades of C or better.

The term “Mathematics GPA” used above and throughout this Undergraduate Catalog means a GPA computed using all college Mathematics courses completed at Illinois State University that are eligible for credit toward the major as well as other required courses for the major.

The only Mathematics courses that are not eligible for credit toward the major are the following: MAT 102, 104, 108, 113, 119, 120, 121, 130, 131, 150, 152, 160, 162, 201, 202, 298, 298A50, 302, 304, 307, 309, 312, 314, 315, 385. In addition, MAT 280 and 283 are not eligible for credit toward MAT/MAT Education Sequences.

Graduation GPA Requirement for Majors:
The minimum graduation Mathematics GPA is 2.00 for a Mathematics Major, 2.80 for a Mathematics Teacher Education Major, 3.00 for Mathematics Major: Actuarial Science Sequence, and 2.00 for Mathematics Major: Statistics Sequence. These grade point averages are computed using the following courses taken at Illinois State: the required English and computer programming courses and all Mathematics courses that are eligible for credit toward the major.
**Major in Mathematics**

Note: Hours taken in Information Technology do not count toward the required 45 hours in Mathematics

Submission of senior portfolio is required (see advisor)

**Suggested Mathematics Schedules for Majors:**
Schedule (a) Students beginning with Calculus I
Schedule (b) Students beginning with Calculus II
Schedule (c) Accelerated schedule for honors students or those preparing for graduate school

**Mathematics Teacher Education Sequence**

This sequence of the major is part of the entitlement program leading to high school mathematics teacher endorsement.

NOTES:
MAT 211; TCH 216 or equivalent, and MAT 236 (or concurrent registration) are prerequisites for MAT 323. MAT 323 must be completed before the student teaching experience.
MAT 147 and 45 credit hours completed are prerequisites for MAT 223.
MAT 326 can count as a mathematics elective if not used for the technology requirement.

Interested students should consult their advisor about opportunities for tutoring secondary school students, serving as a teaching assistant, or other relevant voluntary Clinical Experiences.

Submission of senior portfolio required

A grade of C or better in all required major courses, and adherence to all requirements and deadlines is required for admission to Professional Studies and Student Teaching. Application forms and information about deadlines and procedures for admission to Professional Studies and Student Teaching are available from the Cecilia J. Lauby Teacher Education Center and on the Mathematics Department website.

Admission to the Mathematics Teacher Education Sequence is limited and highly competitive.

**Suggested Mathematics Schedules for Mathematics Teacher Education Sequence Majors:**
Schedule (a) Students beginning with Calculus I
Schedule (b) Students beginning with Calculus II
Schedule (c) Accelerated schedule for honors students (Students beginning with Calculus III)

**Pedagogy Emphasis Sequence**

This sequence of the major is not part of the entitlement program leading to high school mathematics teacher endorsement. All requirements are the same as the Mathematics Teacher Education Sequence except for State of Illinois requirement of successful completion of the edTPA.

**Actuarial Science Sequence**

This sequence of the major is designed to teach the students the mathematical foundations of actuarial science, and to prepare them for careers as actuaries in a variety of fields dealing with the risk of potential financial losses, such as life insurance, health insurance, financial risk management, property/casualty/liability insurance, pensions, or employee benefits.

- Submission of senior portfolio and approval of it by the advisor (see actuarial advisor)
- Students are encouraged to take MAT 283 (actuarial computing), and intensive reviews for actuarial examinations offered through the Illinois State University Conferencing Unit, as well as participate in the Predictive Analytics Competition held annually at Illinois State University.

**Suggested Mathematics Schedules for Actuarial Science Majors:**

<table>

<tr>
<td>8</td>
</tr>
</tbody>
</table>

Required courses in the Actuarial Science Sequence (outlined above) provide the contents of the Society of Actuaries examinations P, FM, IFM, STAM, and LTAM, or the Casualty Actuarial Society examinations 1, 2, 3F, MAS I and MAS II, as well as complete Validation by Educational Experience (VEE) requirements. Courses correspond to professional actuarial examinations as follows:
SOA exam P (same as CAS exam 1): MAT 350
SOA exam FM (same as CAS exam 2): MAT 280
Clinical Experiences in Teacher Education

A variety of clinical (pre-student teaching) experiences, as well as student teaching, are included in the teacher candidates professional preparation. Observations, small and large group instruction, tutoring, field experiences, and student teaching are included in the Clinical Experiences Program. The experiences offered prior to student teaching are integral parts of specific college courses. Clinical experiences are provided in off-campus professional development schools, local schools and campus laboratory schools, agencies and other approved non-school settings. The Cecilia J. Lauby Teacher Education Center monitors and documents all clinical experiences. Teacher candidates will show verification of having completed clinical experience commensurate with attaining local, state, and national standards. Teacher candidates must provide their own transportation to clinical experiences sites.

Candidates are required to provide documentation of meeting all State of Illinois, district, and university requirements in regard to criminal background checks BEFORE beginning any clinical experiences. Criminal background checks must remain current as of the last day of the clinical experience. Candidates should consult with clinical course faculty and the Cecilia J. Lauby Teacher Education Center well in advance of clinical experience to determine specific requirements needed each semester.

The approximate number of clinical hours associated with each course offering can be found with the appropriate course description in this Undergraduate Catalog. The following legend relates to the kind of activity related to a specific course.

Clinical Experiences Legend
- Observation (including field trips)
- Tutoring one-on-one contact
- Non-instructional assisting
- Small group instruction
- Whole class instruction
- Work with clinic client(s)
- Graduate practicum
- Professional meeting

Mathematics Courses:
- A year of high school geometry and a second year of high school algebra are highly recommended for anyone who wants to take Mathematics courses.
- Students may not enroll in a course which is prerequisite to a course that has been completed with a grade of C or better.
- Some courses may not be taken under the Passing/No Passing (P/NP) option (see course descriptions).

MAJOR IN MATHEMATICS (B.A., B.S.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
_____ 3 COM 110 Communication as Critical Inquiry
_____ 3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

Mathematics (1 course required)
_____  4 MAT 145 Calculus I

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***

Language in the Humanities (1 course required)***

Quantitative Reasoning (1 course required)
_____ 4 MAT 146 Calculus II

Science, Math, & Technology (1 course required)
Exempt for Mathematics majors

Social Sciences (1 course required)***

Additional Graduation Requirements
_____/120 minimum total credit hours
_____/42 minimum senior college hours
______ College of Arts & Sciences language requirement

AMALI requirement
***certain courses in General Education fulfill the AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.
_____  4 MAT 147 Calculus III

Major (52 credit hours)

MAT requirements (min. 45 credit hours)

4 MAT 145 Calculus I (P: C or better in MAT 144 or placement)
4 MAT 146 Calculus II (P: C or better in MAT 145)
4 MAT 147 Calculus III (P: C or better in MAT 146)
4 MAT 175 Elementary Linear Algebra (P: C or better in MAT 146)
4 MAT 236 Elementary Abstract Algebra (P: C or better in MAT 175 and 260 or conc. reg.)
3 MAT 247 Elementary Real Analysis (P: C or better in MAT 175 and 260)
4 MAT 260 Discrete Mathematics (P: C or better in MAT 146)
4 MAT 350 Applied Probability Models (P: C or better in MAT 147)

Take one of the following courses:
3 MAT 336 Advanced Abstract Algebra (P: C or better in MAT 236)
4 MAT 337 Advanced Linear Algebra (P: C or better in MAT 175; senior standing)
4 MAT 347 Advanced Real Analysis (P: C or better in MAT 247 or 345)
4 MAT 349 Introduction to Complex Analysis (P: MAT 147)

Take 10-11 credit hours of additional Mathematics electives:
All electives cannot be from same elective group. Please consult your academic advisor.

4 MAT 340

Requirements outside of MAT
Take one of the following courses:
3 ENG 145 Writing in the Academic Disciplines (P: ENG 101)
3 ENG 249 Technical & Professional Writing I (P: ENG 101)

Take one of the following courses:
4 IT 165 Computer Programming for Scientists (P: C or better in MAT 145)
4 IT 168 Structured Problem-Solving Using the Computer (P: MAT 104)

Notes:
- Hours taken in Information Technology do not count toward the required 45 hours in Mathematics
- Submission of senior portfolio is required (see advisor)
- The following required courses must be completed with a grade of C or better:
  - MAT 145, 146, 147, 175, 236, 247, 260, 350
  - ENG 145 or 249 or equivalent

# MAJOR IN MATHEMATICS

## ACTUARIAL SCIENCE SEQUENCE (B.A., B.S.)

### General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

### Communication and Composition (2 courses required)
- 3 COM 110 Communication as Critical Inquiry
- 3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

### Mathematics (1 course required)
- 4 MAT 145 Calculus I

### Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.

### United States Traditions (1 course required)

### Individuals & Civic Life (1 course required)

### Fine Arts (1 course/3 credit hours required)

### Humanities (1 course required)

### Language in the Humanities (1 course required)

### Quantitative Reasoning (1 course required)
- 4 MAT 146 Calculus II

### Science, Math, & Technology (1 course required)
Exempt for Mathematics majors

### Social Sciences (1 course required)

### Additional Graduation Requirements
- 120 minimum total credit hours
- 42 minimum senior college hours
- College of Arts & Sciences language requirement

### AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

### B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.
- 4 MAT 147 Calculus III

---

### Major (74 credit hours)

  ___  4  MAT 145  Calculus I (P: C or better in MAT 144 or placement)
  ___  4  MAT 146  Calculus II (P: C or better in MAT 145)
  ___  4  MAT 147  Calculus III (P: C or better in MAT 146)
  ___  4  MAT 175  Elementary Linear Algebra (P: C or better in MAT 146)
  ___  4  MAT 260  Discrete Mathematics (P: C or better in MAT 146)
  ___  4  MAT 350  Applied Probability Models (P: C or better in MAT 147)
  ___  4  MAT 351  Statistics & Data Analysis (P: C or better in MAT 350)

Take two (6-8 credit hours) additional Statistics electives:
Only senior students with good standing will be allowed to take a graduate-level course with approval of the graduate School.
(MAT 353, 356, 450, 453, 455, 456, 458)
  ___  ___  ______________________________________________
  ___  ___  ______________________________________________

Take one of the following courses:
  ___  4  IT 165  Computer Programming for Scientists (P: C or better in MAT 145)
  ___  4  IT 168  Structured Problem-Solving Using the Computer (P: MAT 104)

Take two courses from two different areas listed below for a total of four (12-13 credit hours) additional courses:
Please consult your academic advisor.

Email: Philosophy@IllinoisState.edu
Chairperson: Chris Horvath

General Department Information
The Major in Philosophy is designed to provide a liberal arts core around which a student may build a program of courses to suit a wide variety of career opportunities or other goals. The Department encourages its students to work with a departmental advisor in selecting a minor, a second major, or a set of connected courses in various fields which will best combine with philosophical study to produce a program meeting their needs. Majors are encouraged to pursue undergraduate research and internship opportunities.

Interdisciplinary Minors
The Department of Philosophy participates in a number of interdisciplinary minors at the University. Coursework offered by the Department contributes to the following minors: Civic Engagement and Responsibility, Classical Studies (Languages, Literatures, and Cultures), Cognitive Science, East Asian Studies (Languages, Literatures, and Cultures), Environmental Studies (Geography, Geology, and the Environment), European Studies, International Studies, Middle Eastern and South Asian Studies, Peace and Conflict Resolution Studies, Religious Studies (Philosophy), Women’s and Gender Studies, For further information, please consult the Department advisor as well as the section entitled Interdisciplinary Studies Programs in this Undergraduate Catalog. Note that some minors listed above appear under departments rather than Interdisciplinary Studies Programs; when that is the case, the home Department is noted in parentheses.

Philosophy Programs
Degrees Offered: B.A.

Major in Philosophy
— A 2.00 cumulative GPA is required for retention in this major
— Majors are strongly discouraged from enrolling in more than two 300-level courses in one semester.

Concentrations: Philosophy majors may elect to take courses in one or more of the following areas of concentration, depending on individual interests.
(NOTE: A concentration is not required and will not appear on the student’s transcript or diploma.)
— Pre-law: PHI 234, 236, 238, 240, 242, 246, 340
— Ethics: PHI 233, 234, 236, 330
— Metaphysics and Epistemology: PHI 204, 205, 206, 207, 208, 222, 224, 250, 251, 253, 263, 310, 315, 363
— History of Philosophy: PHI 207, 208, 254, 255, 305, 350

Minor in Philosophy
— 18 hours in Philosophy required
— Required Philosophy courses by area: Logic: PHI 112; History of Philosophy: PHI 254 and 255; at least 9 additional hours in Philosophy
— Not more than two 100-level courses may count toward the minor

Minor in Religious Studies
— 21 hours required, distributed as follows:
— 6 hours from Group A
— 9 hours chosen from exactly 3 of the Groups B, C, D, and E. Courses listed as Related Courses may not be used to satisfy this requirement
— 6 additional hours from any of the Groups used to satisfy the above requirements. At most, 3 of these hours may be chosen from the courses listed as Related Courses for those Groups

Students are advised to complete several courses from Groups B through E prior to enrolling in the courses of Group A, (other than HIS 270). Courses listed as Related Courses in the following Groups may be of interest to students even though at most one of these may be used to complete the requirements for the minor. Also note that no more than 9 hours from a student’s major field of study may be used to satisfy the requirements of a minor.
— Group A: HIS 270; IDS 254 (with advisor approval*); PHI 224; SOC 268
— Group B: ENG 250, 251; PHI 222. Related Courses: ART 367, 369, 377; HIS 223, 225, 351
— Group C: HIS 271, 378
— Group D: HIS 269; PHI 207, 208
— Group E: ART 275 (with advisor approval*); IDS 121A14; LAN 106

Additional courses for various groups: Specific offerings of the following courses may sometimes be placed into one of the above Groups by the Religious Studies Advisor depending on topic: ENG 352; IDS 121; 203; HIS 307.

*Topics in ART 275 and IDS 254 may vary. See the Religious Studies advisor to verify how a specific offering of these courses will count in the Minor.

Philosophy Courses
Freshmen wishing to select a Philosophy course normally should enroll in a 100-level course.

Philosophy Courses:
https://coursefinder.illinoisstate.edu/directory/phi/

All Courses:
https://coursefinder.illinoisstate.edu/directory/
## MAJOR IN PHILOSOPHY (B.A.)

### General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

#### Communication and Composition (2 courses required)
- 3  COM 110 Communication as Critical Inquiry
- 3  ENG 101 or ENG 101A10 Composition as Critical Inquiry

#### Mathematics (1 course required)

#### Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.

#### United States Traditions (1 course required)

#### Individuals & Civic Life (1 course required)

#### Fine Arts (1 course/3 credit hours required)***

#### Humanities (1 course required)***
Exempt for Philosophy majors

#### Language in the Humanities (1 course required)***

#### Quantitative Reasoning for B.S. or LAN 115 for B.A. (1 course required)
- 4  LAN 115 Second-Year Language Part I

#### Science, Math, & Technology (1 course required)

#### Social Sciences (1 course required)***

### Additional Graduation Requirements
- /120 minimum total credit hours
- /42 minimum senior college hours
- College of Arts & Sciences language requirement

#### AMALI requirement
***Certain courses in General Education fulfill the AMALI requirement. See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

#### B.A. LAN 115 (1 course required)
- 4  LAN 115 Second-Year Language Part I

### Major (33 credit hours)

#### Major (33 credit hours)
- 3  PHI 112 Language, Logic & Mathematics
- 3  PHI 201 Introduction to Metaphysics & Epistemology
- 3  PHI 232 Introduction to Ethics
- 3  PHI 254 Ancient Philosophy
- 3  PHI 255 Modern Philosophy

Take six (18 credit hours) additional Philosophy major electives:
At least one 3 credit hour elective course must come from two of the three following groups: A, B, and C.

#### Group A: History of Philosophy, Feminist Philosophy, Human Nature:
- 3  PHI 202 Sex, Values & Human Nature (P: COM 110, ENG 101)
- 3  PHI 207 Indian Philosophy
- 3  PHI 208 Buddhist Philosophy
- 3  PHI 222 Philosophy & Christian Theology
- 3  PHI 224 Meaning & Religious Belief (P: COM 110, ENG 101)
- 3  PHI 246 Feminist Philosophies
- 3  PHI 270 Existentialism (P: COM 110, ENG 101)

#### Group B: Mind, Science, Metaphysics, Epistemology:
- 3  PHI 204 Philosophy of Mind
- 3  PHI 205 Philosophy of Language
- 3  PHI 206 Metaphysics
- 3  PHI 250 Philosophy of Science
- 3  PHI 251 Visions of the Self: A Study of Minds & Persons (P: COM 110, ENG 101)
- 3  PHI 253 Philosophy & the Behavioral Sciences
- 3  PHI 263 Theory of Knowledge

#### Group C: Ethics, Social and Political Philosophy:
- 3  PHI 233 Contemporary Western Moral Theories
- 3  PHI 234 Business Ethics
- 3  PHI 236 Values & the Environment
- 3  PHI 238 Rights & Wrongs (P: COM 110, ENG 101)
- 3  PHI 240 Political Philosophy

At least two additional (6 credit hours) of elective courses at the 300-level from the following: PHI 305, 310, 315, 330, 340, 350, 363:

At least two additional (6 hours) of elective courses in with no more than one (3 hours) course at the 100-level (PHI 101, 104, 150):

Majors are strongly discouraged from enrolling in more than two 300-level courses in one semester.

PHYSICS (PHY) 456
311 Moulton Hall, (309) 438-8756
https://Physics.IllinoisState.edu
Email: info@physics.IllinoisState.edu
Chairperson: Daniel Holland

General Department Information
The Physics Major sequences at Illinois State University are sufficiently flexible to serve the needs of students with any of the following goals: (1) government or industrial research and development, (2) graduate study in Physics, or an allied field such as Engineering, (3) high school Physics/Science teaching, or (4) professional study in intellectual property law, patent law, or medicine.

Physics Programs
Degrees Offered: B.S.

Major in Physics

Physics Sequence

Computational Physics Sequence
Computer Physics majors should take Natural Science Alternative (NSA) General Education courses.

Engineering Physics Dual Degree Program Sequence

Physics Teacher Education Sequence

Minor in Physics
- 23 hours in Physics required
- Required courses:
  - PHY 110, 111, 112
  - 11 additional hours of electives from 200- or 300-level Physics courses

Clinical Experiences in Teacher Education
A variety of clinical (pre-student teaching) experiences, as well as student teaching, are included in the teacher candidates professional preparation. Observations, small and large group instruction, tutoring, field experiences, and student teaching are included in the Clinical Experiences Program. The experiences offered prior to student teaching are integral parts of specific college courses. Clinical experiences are provided in off-campus professional development schools, local schools and campus laboratory schools, agencies and other approved non-school settings. The Cecilia J. Lauby Teacher Education Center monitors and documents all clinical experiences. Teacher candidates will show verification of having completed clinical experiences commensurate with attaining local, state, and national standards. Teacher candidates must provide their own transportation to clinical experience sites.

Candidates are required to provide documentation of meeting all State of Illinois, district, and university requirements in regard to criminal background checks BEFORE beginning any clinical experiences. Criminal background checks must remain current as of the last day of the clinical experience. Candidates should consult with clinical course faculty and the Cecilia J. Lauby Teacher Education Center well in advance of clinical experience to determine specific requirements needed each semester.

The approximate number of clinical hours associated with each course offering can be found with the appropriate course description in this Undergraduate Catalog. The following legend relates to the type and kind of activity related to a specific course.

Clinical Experiences Legend
- Observation (including field trips)
- Tutoring one-on-one contact
- Non-instructional assisting
- Small group instruction
- Whole class instruction
- Work with clinic client(s)
- Graduate practicum
- Professional meeting

Transfer Students

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents
_____ 3 C2 900 COM 110 Communication as Critical Inquiry
_____ 3 C1 900 ENG 101 or ENG 101A10 Composition as Critical Inquiry
_____ 3 C1 901 ENG 145 Writing in the Academic Disciplines

Mathematics (1 course required)
Please see major requirements for mathematics options
_____ 4 M1 900-1 MAT 145 Calculus I (College-level Calculus I)

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.
_____ 4 P1 902L CHE 140 Fundamentals of Chemistry I

Humanities & Fine Arts (3 courses required)
At least 1 humanities and 1 fine arts course required

Social & Behavioral Sciences (3 courses required)
Two different disciplines must be represented

Additional Graduation Requirements

_____/120 minimum total credit hours

_____/42 minimum senior college hours

_____ College of Arts & Sciences language requirement

AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.
_____ 4 CHE 141 General Chemistry II

Major (70min. credit hours)

1 PHY 107 Frontiers of Physics
4 PHY 110 Physics for Science & Engineering I (P: MAT 145 or conc. reg.)
4 PHY 111 Physics for Science & Engineering II (P: PHY 110 and MAT 146 or conc. reg.)
4 PHY 112 Physics for Science & Engineering III (P: PHY 111 and MAT 147 or conc. reg.)
3 PHY 217 Methods of Theoretical Physics (P: PHY 111 & MAT 147)
3 PHY 220 Mechanics I (P: PHY 112 and MAT 147)
3 PHY 240 Electricity & Magnetism I (P: PHY 217)

** политик и правительство (POL)  460**

401 Schroeder Hall, (309) 438-8638  
https://POL.IllinoisState.edu

Chairperson: T.Y. Wang

**Общая информация о департаменте**

Департамент политики и правительства предлагает студентам программу, которая предлагает широкий выбор курсов и аккредитационных требований, в результате чего студенты могут добиться максимальной аккредитации в определенной области. Программа, которая включает в себя право, политические исследования и науку об обществе, является доступной на Университетском сайте Honors.IllinoisState.edu. Важно отметить, что студенты должны обладать определенными академическими требованиями, чтобы быть принятыми в программу.

Согласно Политическому Управлению, любой студент, который удовлетворяет академическим требованиям, может быть принят в университетскую программу по уходу за обществом. Для получения академических кредитов, студенты должны следовать определенным правилам и требованиям, включая общие академические требования, определенные требования к курсам, критерии академической оценки, количество часов, необходимое для успешного прохождения курса, и другие академические требования.

**Миноры по политическим наукам**

При переходе на политические науки, студенты могут получить минор, который включает в себя определенные требования и академические кредиты. Миноры по политическим наукам предлагают широкий выбор опций, включая элективные курсы, которые могут быть связаны с различными областями, такими как международные отношения, наука об обществе и наука об обществе. Миноры по политическим наукам предлагают студентам возможность изучать определенные области и получать академические кредиты за их студенческие достижения.

**Специализация по политическим наукам**

Специализация по политическим наукам предлагает студентам возможность изучать определенные области, такие как политика, международные отношения, наука об обществе и наука об обществе. Специализация по политическим наукам предлагает студентам возможность изучать определенные области, такие как политика, международные отношения, наука об обществе и наука об обществе. Специализация по политическим наукам предлагает студентам возможность изучать определенные области, такие как политика, международные отношения, наука об обществе и наука об обществе.

**Правовые науки**

Правовые науки предлагают студентам возможность изучать определенные области, такие как право, политические науки и наука об обществе. Правовые науки предлагают студентам возможность изучать определенные области, такие как право, политические науки и наука об обществе. Правовые науки предлагают студентам возможность изучать определенные области, такие как право, политические науки и наука об обществе.
permitted by law.

Admission to the Legal Studies major is limited and based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission, and the application process, visit IllinoisState.edu/Majors or contact the undergraduate advisor for the intended major.

In order to gain admission into the Legal Studies minor, a student must have completed at least two (2) Legal Studies courses (one of which must be LGS 201); and must have earned a cumulative GPA of at least 2.50 in those two Legal Studies courses. For further information contact the Department of Politics and Government.

**Major in Legal Studies**

**Degrees Offered:** B.A., B.S.

- 40 hours in Legal Studies, required Politics and Government courses and approved electives
- Required core courses:
  - LGS 201, 203, 204, 370, 371, and 398A20 (3 hours)
  - POL 106, 296
- LGS 398A20 may be substituted for one of the Legal Studies elective courses with consent of either the Department Chair or the Director of Legal Studies.
- Eighteen (18) hours in elective courses (9 hours must be Legal Studies electives) from the following:
  - Legal Studies Electives: LGS 216, 314, 315, 319, 322, 360, 372
  - Politics and Government Electives: POL 212, 215, 283, 293A03, 318, 324, 325, 326, 327, 328
  - Other Electives: CJS 206, 215, 305; ENG 248; GEO 312; HIS 253; PHI 242, 340; SOC 365, 367; or other law-related courses specifically approved by the Director of Legal Studies
- A maximum of six (6) hours in LGS 398A20 may count toward a Legal Studies major
- It is recommended that Legal Studies majors enroll in POL 106 in their first year of study. Transfer students wishing to complete the major are recommended to enroll in POL 106 in their first year at Illinois State University if they have not already had an equivalent course.

**Minor in Legal Studies**

- 24 hours required
- Required courses (15 hours):
  - LGS 201, 203, 204, 370, 371
- 9 hours selected from the following Legal Studies specialty courses: LGS 216, 314, 319, 322, 360, 372, 398A20
- A maximum of 6 credits of internship can be counted toward fulfilling the Legal Studies requirements. Additional hours of internship may be taken for credit as University electives.
- **NOTE:** Only Legal Studies courses with a grade of C or better can count toward the minor.

Students should consult the Department advisor to learn which selected studies (189, 289, 389) courses may satisfy major requirements; this would include Politics and Government SENIOR SEMINAR, which counts toward fulfilling the 300-level hours requirement.

## MAJOR IN POLITICAL SCIENCE (B.A., B.S.)

### General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

#### Communication and Composition (2 courses required)
- 3 COM 110 Communication as Critical Inquiry
- 3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

#### Mathematics (1 course required)
- 3

#### Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.

#### United States Traditions (1 course required)
- 3

#### Individuals & Civic Life (1 course required)
- 3 POL 106 U.S. Government & Civic Practices

#### Fine Arts (1 course/3 credit hours required)***

#### Humanities (1 course required)***

#### Language in the Humanities (1 course required)***

#### Quantitative Reasoning for B.S. or LAN 115 for B.A. (1 course required)
- 3 POL 138 Quantitative Reasoning in Political Science

#### Science, Math, & Technology (1 course required)

#### Social Sciences (1 course required)***
- 3 POL 140 Introduction to the Politics of Africa, Asia, & Latin America

### Additional Graduation Requirements

- **/120 minimum total credit hours
- **/42 minimum senior college hours
- ** College of Arts & Sciences language requirement

#### AMALI requirement
**Certain courses in General Education fulfill the AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.
- 3 POL 140 Introduction to the Politics of Africa, Asia, & Latin America

### B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

### Major (40 credit hours)

PSYCHOLOGY (PSY) 462
435 DeGarmo Hall, (309) 438-8651
https://Psychology.IllinoisState.edu
Chairperson: J. Scott Jordan

Program Admission Requirements for New and Continuing Students: Admission to this academic program is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission and the application and selection process, visit IllinoisState.edu/Majors or consult the Department of Psychology website: https://Psychology.IllinoisState.edu.

Note: The Department of Psychology typically does not admit students into the major who have completed more than 75 hours.

Standards for Progress in the Major: In order to remain in the major, all Psychology majors must have achieved the following by the time they have completed 75 hours: (1) maintenance of a 2.00 or higher cumulative Illinois State University GPA, (2) maintenance of a 2.20 or higher Psychology major GPA (based on all courses taken at Illinois State University that count towards the Psychology major), and (3) completion of all of the following courses with a grade of C or better: PSY 111, 138, 200, and 231; MAT 120 or 121 or 144 or 145; a laboratory science course.

Records of all Psychology majors will be reviewed once they have completed 75 hours. Any student not fulfilling all of the standards for progress will be dismissed from the Psychology major.

Minor in Cognitive Science
The Department of Psychology participates in the Minor in Cognitive Science program. Several courses offered by the Department contribute to the minor. For further information, please consult the Department advisor as well as the section entitled “Interdisciplinary Studies Programs” in this Undergraduate Catalog.

Honors in Psychology
The Department offers honors work for superior students majoring in Psychology. In order to qualify, the student must be a member of the University Honors Program, have achieved senior standing at Illinois State University, have achieved a University GPA of 3.30 or better, and have a GPA of 3.50 or better in Psychology coursework. Finally, after a semester of experience with a faculty member, the student must complete a senior thesis (HON 395A03 - Honors Thesis: Psychology) for at least 3 hours that reflects substantial research and quality of thought and present the thesis at the Psychology Department Honors colloquium. Further details about the University Honors program are available at Honors.IllinoisState.edu.

Minor in Psychology
- 2.50 GPA with 12 hours completed at Illinois State University to be admitted to the Psychology Minor
- 24 hours in Psychology required, including the statistics requirement (see below)
- Required courses (9-10 hours):
  - PSY 110 or 111, 231, 233
- 12 hours of Psychology content-course electives
  - 6 of these elective hours must be taken at the 200- or 300-level (upper division) at Illinois State or another four-year school
- A course in statistics from:
  - PSY 138
  - ECO 138
  - POL 138
  - MQM 100
  - MAT 150 or MAT 250
  - SOC 275
  - or by transfer

NOTE: Except for PSY/SOC 123 and PSY/SOC 223 (as electives) and SOC 275 (if used as statistics requirement), coursework in Sociology, Anthropology, or Social Work does not count toward the Psychology Minor.

Psychology Courses:

MAJOR IN PSYCHOLOGY (B.A., B.S.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
_____ 3 COM 110 Communication as Critical Inquiry
_____ 3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

Mathematics (1 course required)
Please see major requirements for mathematics options

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences. The Psychology major requires 2 laboratory sciences.

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***

Language in the Humanities (1 course required)***

Quantitative Reasoning (1 course required)
_____ 3 PSY 138 Reasoning in Psychology Using Statistics

Science, Math, & Technology (1 course required)

Social Sciences (1 course required)***
Exempt for Psychology majors

Additional Graduation Requirements
_____ 120 minimum total credit hours
_____ 42 minimum senior college hours
_____ College of Arts & Sciences language requirement

AMALI requirement
***certain courses in General Education fulfill the AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.
_____ 3 PSY 340 Statistics for the Social Sciences

Psychology Courses:
https://coursefinder.illinoisstate.edu/directory/psy/

All Courses:
https://coursefinder.illinoisstate.edu/directory/

Major (57 credit hours)
_____ 4 PSY 111 Introduction to Psychology
_____ 3 PSY 138 Reasoning in Psychology Using Statistics (P: C or better in PSY 110 or 111)
_____ 1 PSY 200 Careers in Psychology (P: PSY 110 or 111)
_____ 3 PSY 213 Lifespan Development (P: PSY 110 or 111; COM 110 and ENG 101 or conc. reg.)
_____ 3 PSY 223 Social Psychology (P: PSY 110 or 111 or SOC 106; COM 110 and ENG 101 or conc. reg.)
_____ 3 PSY 231 Research Methods in Psychology (P: PSY 110 or 111; ECO/GEO/POL/PSY 138 or MAT 150 or MQM 100 or conc. reg.)
_____ 3 PSY 233 Psychology of Personality (P: PSY 110 or 111; COM 110 and ENG 101 or conc. reg.)
_____ 3 PSY 253 Cognition & Learning (P: PSY 110 or 111)
_____ 3 PSY 263 Physiological Psychology (P: PSY 110 or 111)
_____ 3 PSY 311 Laboratory in Research Methods for Psychology (P: PSY 138, 231)
_____ 3 PSY 340 Statistics for the Social Sciences (P: C or better in PSY 138; MAT 120 or 121 or 144 or 145)
_____ 3 PSY 392 Senior Seminar‡ (P: Senior standing)
_____ 3 ENG 145 Writing in the Academic Disciplines (P: ENG 101)

Take one of the following courses:
_____ 4 MAT 120 Finite Mathematics (P: C or better in MAT 119 or placement)
_____ 4 MAT 121 Applied Calculus (P: C or better in MAT 119 & 120)
_____ 4 MAT 144 Precalculus (P: C or better in MAT 108 & 119 or placement)
_____ 4 MAT 145 Calculus I (P: C or better in MAT 144 or placement)

Take one Philosophy course:

Take two (6 credit hours) additional 300-level Psychology electives:
If a 3 credit hour class is transferred for PSY 111, a total of seven hours of Psychology electives are required. Please consult your academic advisor.

Take two laboratory science courses (these could be General Education courses):

†Students may select one of the following options to replace PSY 392:
1) PSY 290 (for 3 hours) and 390 with the same faculty member
2) PSY 291 (for 3 hours) and PSY 391 with the same faculty member
3) PSY 395 and 398 (for 3 hours) taken the same semester
4) HON 395A03 (for at least 3 hours, must have senior standing) and presenting an honors thesis at the honors symposium

Students may not register for more than a cumulative total of 17 hours of any combination of the following courses: PSY 287, 290, 291, 299, 390, 391, 398, or HON 395A03

Not more than 16 hours of 100-level Psychology courses, or Psychology courses transferred from community colleges, may count toward the major
MAJOR IN PSYCHOLOGY (B.A., B.S.)

Transfer Students

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents
- 3 C2 900 COM 110 Communication as Critical Inquiry
- 3 C1 900 ENG 101 or ENG 101A10 Composition as Critical Inquiry
- 3 C1 901 ENG 145 Writing in the Academic Disciplines

Mathematics (1 course required)
Please see major requirements for mathematics options
- 4 See major requirements for required math course options

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.

- 4 MAT 121 Applied Calculus (P: C or better in MAT 119 or placement)
- 4 MAT 144 Precalculus (P: C or better in MAT 108 & 119 or placement)
- 4 MAT 145 Calculus I (P: C or better in MAT 144 or placement)

Humanities & Fine Arts (3 courses required)
At least 1 humanities and 1 fine arts course required

- __ __ __________

Social & Behavioral Sciences (3 courses required)
Two different disciplines must be represented
- 3 S6 900 PSY 110 Fundamentals of Psychology
- 3 S6 902 PSY 213 Lifespan Development

Additional Graduation Requirements
- __ /120 minimum total credit hours
- __ /42 minimum senior college hours
- __ College of Arts & Sciences language requirement

AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.
- 3 PSY 340 Statistics for the Social Sciences

Psychology Courses:
https://coursefinder.illinoisstate.edu/directory/psy/

All Courses:
https://coursefinder.illinoisstate.edu/directory/

Major (57 credit hours)

- 4 PSY 111 Introduction to Psychology
- 3 PSY 138 Reasoning in Psychology Using Statistics (P: C or better in MAT 120 or 121 or 144 or 145)
- 1 PSY 200 Careers in Psychology (P: PSY 110 or 111)
- 3 PSY 213 Lifespan Development (P: PSY 110 or 111; COM 110 and ENG 101 or conc. reg.)
- 3 PSY 223 Social Psychology (P: PSY 110 or 111 or SOC 106; COM 110 and ENG 101 or conc. reg.)
- 3 PSY 231 Research Methods in Psychology (P: PSY 110 or 111; ECO/GEO/POL/PSY 138 or MAT 150 or MQM 100 or conc. reg.)
- 3 PSY 233 Psychology of Personality (P: PSY 110 or 111; COM 110 and ENG 101 or conc. reg.)
- 3 PSY 253 Cognition & Learning (P: PSY 110 or 111)
- 3 PSY 263 Physiological Psychology (P: PSY 110 or 111)
- 3 PSY 331 Laboratory in Research Methods for Psychology (P: PSY 138, 231)
- 3 PSY 340 Statistics for the Social Sciences (P: C or better in PSY 138; MAT 120 or 121 or 144 or 145)
- 3 PSY 392 Senior Seminar‡ (P: Senior standing)
- 3 ENG 145 Writing in the Academic Disciplines (P: ENG 101)

Take one of the following courses:

- 4 MAT 120 Finite Mathematics (P: C or better in MAT 119 or placement)
- 4 MAT 121 Applied Calculus (P: C or better in MAT 119 & 120)
- 4 MAT 144 Precalculus (P: C or better in MAT 108 & 119 or placement)
- 4 MAT 145 Calculus I (P: C or better in MAT 144 or placement)

Take one Philosophy course:

- __ __ __________

Take two (6 credit hours) additional 300-level Psychology electives:
If a 3 credit hour class is transferred for PSY 111, a total of seven hours of Psychology electives are required. Please consult your academic advisor.

- __ __ __________

Take two laboratory science courses (these could be General Education courses):

- __ __ __________

‡Students may select one of the following options to replace PSY 392:
1) PSY 290 (for 3 hours) and 390 with the same faculty member
2) PSY 291 (for 3 hours) and PSY 391 with the same faculty member
3) PSY 395 and 398 (for 3 hours) taken the same semester
4) HON 395A03 (for at least 3 hours, must have senior standing) and presenting an honors thesis at the honors symposium

- Students may not register for more than a cumulative total of 17 hours of any combination of the following courses: PSY 287, 290, 291, 299, 390, 391, 398, or HON 395A03

- Not more than 16 hours of 100-level Psychology courses, or Psychology courses transferred from community colleges, may count toward the major
Admission Requirements: Students may declare a major in the School of Social Work upon admission to the University or with permission of the School.

NOTE: The School of Social Work reserves the right to maintain a balanced enrollment. This may restrict the numbers of freshmen, transfer students, and internal transfers who wish to be Social Work majors.

— Most Social Work courses are restricted to Social Work majors with the exception of SWK electives.
— The School does not offer a minor in Social Work.
— Only Social Work students may take required courses.

Academic credit for life experience and/or previous work experience is not given, in whole or in part, in lieu of any Social Work course. All Social Work majors must also be formally admitted to the program. The admission process is a prerequisite for taking any 300-level Social Work course. In order to be formally admitted, students are required to make formal application before their enrollment in SWK 223. To be accepted, students must have satisfied the following requirements:

1. At least 30 hours of credit with a minimum 2.50 overall GPA
2. Grade of C or better in all courses required for the major
3. Successful completion of at least 25 pre-approved hours of volunteer or paid work experience in an appropriate social service agency within the past 2 years.
4. 15 hours required in an introductory social work course and liberal arts courses: SWK 170; ECO 103; PSY 110, 350; SOC 106.
5. 12 hours required in General Education courses which include: ANT 185; BSC 101 or BSC 145 or BSC 170; POL 101 or 106; a category QR course chosen from ECO 138 or PSY 138 or POL 138 or MAT 150 or MQM 100.
6. All General Education courses must be completed prior to admission to the BSW program. Exceptions may be made for students who demonstrate potential for academic success in Social Work.

Exceptions are granted upon the recommendations of the Social Work Admission Committee and the Director or designee of the Social Work program.

Retention Requirements: The School reserves the right to enforce professional standards of practice as specified in Section 6369 of the Clinical Social Work and Practice Act. These standards may be taken into consideration in decisions related to program retention. Additionally, students must maintain a cumulative grade point average of 2.50 and a grade of C or better in all major required courses and completion of all general education requirements to proceed into SWK 394 and 398A10.

Honors in Social Work
The School of Social Work offers honors work for superior students majoring in Social Work. In order to qualify, the student must be a member of the University Honors Program, have completed a minimum of 12 hours for honors credit, and achieve a cumulative University GPA of 3.30 or better, and have a GPA of 3.50 or better in Social Work.

Students pursuing this option should contact the School's Director of Student Services. Further details about the University Honors program are available at: Honors.IllinoisState.edu.

MAJOR IN SOCIAL WORK

— 54 hours required in Social Work core courses:
  — Additionally, students pursuing a Bachelor of Social Work degree must choose from one of the following options:
    — One additional three hour course in the natural sciences, mathematics, statistics, or technology beyond those required for General Education.
    — Successful completion of LAN 115 or the equivalent

Fall Semester - First Year
SWK 222 - Contemporary Social Welfare Policy
SWK 223 - Human Behavior I
SWK 310 - Understanding Diverse Populations
SWK 325 - Generalist Practice: Individuals
SWK 326 - Practice Skills

Spring Semester - First Year
SWK 225 - Human Behavior II
SWK 315 - Social Work Research
SWK 329 - Preparation for Professional Practice
SWK 336 - Generalist Practice II: Families
SWK 337 - Generalist Practice III: Groups

Fall Semester - Second Year
SWK 345 - Generalist Practice IV: Communities
SWK 394 - Field Instruction Seminar I
SWK 398A10 - Field Instruction I

Spring Semester - Second Year
SWK 346 - Policy Practice and Advocacy
SWK 395 - Field Instruction Seminar II
SWK 398A11 - Field Instruction II
Approved elective course

- Suggested electives: CJS 101, 102; COM 223; ECO 103; FCS 224; IDS 111; IT 140; PHI 238; POL 105, 215; PSY 123, 213, 233, 301, 302, 333, 347; SOC 106, 108, 111, 112, 123, 240, 260, 262, 342, 366; TCH 312; SWK 323, 324, 330; WGS 120; or other relevant courses selected in consultation with the school’s Director of Student Services.

The Baccalaureate Degree in Social Work is accredited by the Council on Social Work Education. The principal educational goal is to prepare students for beginning generalist social work practice.

**Special Concentration and Certificates:**

**Concentration in Women’s and Gender Studies:** This 12-hour concentration has been designed for social work majors who wish to integrate a working knowledge of gender issues and their intersections with the undergraduate BSW degree. SWK 329 pre-practicum must be with an organization focusing on gender issues.

**Child Welfare Concentration:** This concentration has been designed for students who wish to enhance the social work major by integrating a working knowledge of child welfare practice with the undergraduate social work degree.

**Gerontology Certificate and Minor:** This special program has been designed for students who wish to enhance the social work major by integrating a working knowledge of gerontological issues with the undergraduate social work degree.

Students interested in any of the above programs should contact the Director of Student Services in the School of Social Work.

MAJOR IN SOCIAL WORK (B.S.W.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
3 COM 110 Communication as Critical Inquiry
3 ENG 101 Composition as Critical Inquiry

Mathematics (1 course required)

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences. Please see major requirements for natural science options.

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)
3 Introduction to Sociology

Fine Arts (1 course/3 credit hours required)

Humanities (1 course required)

Language in the Humanities (1 course required)

Quantitative Reasoning (1 course required)
Please see major requirements for science, math, & technology options

Science, Math, & Technology (1 course required)
Please see major requirements for science, math, & technology options

Social Sciences (1 course required)
3 PSY 110 Fundamentals of Psychology

Additional Graduation Requirements
/120 minimum total credit hours
/42 minimum senior college hours
College of Arts & Sciences language requirement

AMALI requirement
**Certain courses in General Education fulfill the AMALI requirement. See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.
3 ANT 185 Cultures of the World

B.S.W. Science, Math, & Technology course or LAN 115 (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

Major (min. 81 credit hours)
3 SWK 170 Introduction to Social Work
3 SWK 222 Historical & Contemporary Social Welfare Policy & Programs (P: conc. reg. in SWK 223, 310, 325, and 362)
3 SWK 223 Human Behavior in the Social Environment I (P: conc. reg. in SWK 222, 310, 325, and 362)
3 SWK 225 Human Behavior in the Social Environment II (P: conc. reg. in SWK 315, 329, 336, and 337)
3 SWK 310 Understanding Diverse Populations (P: conc. reg. in SWK 222, 223, 310, and 362)
3 SWK 315 Social Work Research (P: SWK 222, 223, 310, 325, and 362; conc. reg. in SWK 225, 329, 339, and 337)
3 SWK 325 Generalist Practice I: Individuals (P: conc. reg. in SWK 222, 223, 310, and 362)
3 SWK 326 Practice Skills (P: conc. reg. in SWK 222, 223, 310, 325)
3 SWK 329 Preparation for Professional Practice (P: SWK 222, 223, 310, 325, and 362; conc. reg. in SWK 225, 315, 336, and 337)
3 SWK 336 Generalist Practice II: Families (P: SWK 222, 223, 310, 325, and 362; conc. reg. in SWK 225, 315, 329, and 337)
3 SWK 337 Generalist Practice III: Groups (P: SWK 222, 223, 310, 325, and 362; conc. reg. in SWK 225, 315, 329, and 337)
3 SWK 345 Generalist Practice IV: Communities (P: SWK 225, 315, 329, 336, and 337; conc. reg. in SWK 394 and 398A10)
3 SWK 346 Policy Practice & Advocacy (P: SWK 345, 394, and 398A10; conc. reg. in SWK 395 and 398A11)
2 SWK 394 Field Instruction Seminar I (P: SWK 225, 315, 329, 336, and 337; conc. reg. in SWK 345 and 398A10)
2 SWK 395 Field Instruction Seminar II (P: SWK 315, 335, 394, and 398A10; conc. reg. in SWK 398A11)
7 SWK 398A10 Professional Practice: Field Instruction I (P: SWK 225, 315, 329, 336, and 337; conc. reg. in SWK 345 and 394)
7 SWK 398A11 Professional Practice: Field Instruction II (P: SWK 345, 394, and 398A10; conc. reg. in SWK 346 and 395)
3 ANT 185 Cultures of the World: An Introduction to Cultural & Linguistic Anthropology (P: COM 110 or ENG 101 or conc. reg.)
3 ECO 103 Individual & Social Choice (P: COM 110 or ENG 101 or conc. reg.)
3 PSY 110 Fundamentals of Psychology
3 PSY 350 Psychopathology
3 SOC 106 Introduction to Sociology

Take one of the following courses:
3 BSC 101 Fundamental Concepts in Biology
3 BSC 145 Human Biology (P: COM 110 and ENG 101; MAT 113, 120, 130, or 145)
3 BSC 170 Genetics & Society (P: COM 110 and ENG 101; MAT 113, 120, 130, or 145)

Take one of the following courses:
3 POL 101 Citizens & Governance
3 POL 106 U.S. Government & Civic Practices

Take one of the following courses:
3 ECO 138 Economic Reasoning Using Statistics (P: MAT 120, 130, or 145)
4 MAT 150 Fundamentals of Statistical Reasoning (P: C or better in MAT 113, 120, 130, or 145)
3 QRM 100 Statistical Reasoning* (P: MAT 120, 121, 144, or 145)
3 POL 138 Quantitative Reasoning in Political Science (P: MAT 113, 120, 130, or 145)
3 PSY 138 Reasoning in Psychology Using Statistics (P: C or better in MAT 120, 121, 144, or 145)

Take one of the following courses:
___ 3 POL 101 Citizens & Governance
___ 3 POL 106 U.S. Government & Civic Practices

Take one of the following courses:
___ 3 ECO 138 Economic Reasoning Using Statistics (P: MAT 120, 130, or 145)
___ 4 MAT 150 Fundamentals of Statistical Reasoning (P: C or better in MAT 113, 120, 130, or 145)
___ 3 MQM 100 Statistical Reasoning† (P: MAT 120, 121, 144, or 145)
___ 3 POL 138 Quantitative Reasoning in Political Science (P: MAT 113, 120, 130, or 145)
___ 3 PSY 138 Reasoning in Psychology Using Statistics (P: C or better in MAT 120, 121, 144, or 145)

Social Work Courses:
https://coursefinder.illinoisstate.edu/directory/swk/

All Courses:
https://coursefinder.illinoisstate.edu/directory/
Ordinarily students will need a minimum of four semesters of college work left to satisfy the sequencing requirements of the six upper level required courses.

Minor in Sociology

- 18 hours in Sociology required
- Required course: SOC 106

No Anthropology course may be counted toward the 18 hours in Sociology required for the minor.

Minor in Gerontology (Interdisciplinary Minor)

For further information, contact the Academic Advisor, Department of Sociology - Anthropology.

- 21 hours required
- Required courses (6 hours): SOC/SWK 211, SOC 398A01
- Electives courses (15 hours) approved by the Gerontology Committee include the following (other courses will be considered in special circumstances, subject to approval by the gerontology coordinator):
  - COM 331
  - FCS 304, 305, 363, 394
  - HSC 208, 258, 286, 292
  - PSY 213, 302, 303
  - SOC 212, 310, 311, 318, 342, 362

Minor in Food Studies (Interdisciplinary Minor)

Co-director: Gina Hunter, Department of Sociology and Anthropology, 332 Schroeder Hall
Campus Box 4660
Phone: (309) 438-5713

Co-director: Noha Shawki, Department of Politics and Government
401 Schroeder Hall, Campus Box 4600
Phone: (309) 438-3861

Co-director: Kathryn Sampeck, Department of Sociology and Anthropology
332 Schroeder Hall, Campus Box 4660
Phone: (309) 438-5863

Advisor: Ryan Gray, Department of Sociology and Anthropology
344 Schroeder Hall, Campus Box 4660
Phone: (309)-438-8669, Email: krgray2@IllinoisState.edu

- 18 hours required
- Required Courses (6 hours):
  - AGR 201 or AGR 203 or ANT 105
  - Professional Practice capstone experience (398, 398A01, or 398A02) from a participating department or school arranged in consultation with the advisor or a co-Director
- Elective Courses (12 hours): Plan of study approved by the advisor/director consisting of 12 hours of elective courses from at least three departments.
Elective Courses (or other courses approved by program director): AGR 120, 157, *201, *203, 234, 257, 319
ANT *105, 273, 343
ECO 255
FCS 102, 113, 208, 213, 217
A grade of C or better required in ANT 102 and 185. At least 9 hours must be at the 200-level. Special topics courses (ANT 306 and 383) vary from semester to semester. Required courses: ANT 102, 185. Special topics courses (ANT 306 and 383) vary from semester to semester. May be taken twice for credit if the content is different.

Anthropology Programs (ANT) 464

Degrees Offered: B.A., B.S.

Major in Anthropology

Program Admission Requirements for New and Continuing Students: Admission to Anthropology programs is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission and the application and selection process, visit IllinoisState.edu/Majors or contact the department advisor.

The Anthropology program at Illinois State offers two sequences: Anthropology Sequence and Anthropology Accelerated Sequence which is a pathway to the Anthropology master’s program.

Anthropology Sequence

- A grade of C or better required in ANT 102 and 185
- All anthropology majors are encouraged to take SOC 275 (Social Statistics) as part of their undergraduate curriculum, however no Sociology courses may be counted toward the 40 hours in Anthropology required for the major.
- Special topics courses (ANT 306 and 383) vary from semester to semester may be taken twice for credit if the content is different.

Accelerated Anthropology Sequence

Program Admission Requirements: The Accelerated Anthropology Sequence (AAS) is a pathway to the Master’s Program in Anthropology. Accelerated degree programs offer high-achieving students the opportunity to complete their bachelor’s degree and master’s degree with one additional year of study. Students accepted to the sequence will be allowed to take courses during their senior year that will count toward both the undergraduate and graduate programs in anthropology. Qualifying students must apply to the AAS in the spring semester of their junior year. Admission is based on space availability and competitiveness of the applicant. Application procedures and deadlines are available on the Anthropology Program website.

Acceptance into the AAS constitutes acceptance into the Master’s Program in Anthropology and thus students will take up to 12 hours of graduate-level credits during their senior year. To transfer to graduate-only status for their second year, students must submit an application to the Graduate School for the Master’s Program in Anthropology in the spring of their senior year. This application to the Graduate School will be considered pro-forma if students are in good standing and have made good progress towards their M.A. degree during their senior year.

A maximum of 12 of the total 15 hours of elective courses may be taken for graduate credit.

Some 300-level courses are offered for undergraduate or graduate credit. Students in the Accelerated Sequence who want to count a 300-level course toward their 12 hours of required graduate coursework, must enroll in the 300-level course for graduate credit at the beginning of the course in order for it to count.

To graduate in this sequence, a student must take at least one course for graduate credit during the senior year. The student must consult with an advisor and the instructor prior to the start of each new course to ensure approval.

Notes:

1. The following anthropology courses may be taken by anthropology majors to fulfill General Education requirements but do not count towards electives for the major: ANT 143, 176, 297
2. All anthropology majors are encouraged to take SOC 275 (Social Statistics) as part of their undergraduate curriculum, however no Sociology courses may be counted toward the 40 hours in Anthropology required for the major.
3. Special topics courses (ANT 306 and 383) vary from semester to semester may be taken twice for credit if the content is different.
4. All Graduate School admission deadlines and policies apply to courses for graduate credit.

Minor in Anthropology

- 18 hours in Anthropology required
- Required courses: ANT 102, 185
- At least 9 hours must be at the 200-level or higher

Note: Additional Anthropology electives will be recommended on an individual basis. No Sociology course may be counted toward the 18 hours in Anthropology required for the minor.

College of Business Mission Statement and Core Values

Mission: Through our shared commitment to excellence in teaching, research, and service, we prepare students to be skilled and ethical business professionals who will make significant positive contributions to organizations, to communities, and to our larger society.

Core Values: We value excellence in instruction and enhanced student learning; We value a dedication to knowledge creation; We value a commitment to citizenship in and service to our institution, state, and nation; We value a culture of shared governance; We value balanced excellence in the classroom, in research and intellectual contributions, and in service; We value high ethical standards as embodied in our Standards of Professional Behavior and Ethical Conduct.

College of Business Programs

The College offers programs leading to the bachelor’s degree with majors in Accountancy, Business Administration, Business Information Systems, Business Education, Finance, Risk Management and Insurance, International Business, Management, and Marketing. Minor programs are also available. The College of Business is accredited by AACSB International—the Association to Advance Collegiate Schools of Business. The College also offers graduate programs leading to the Master of Business Administration, Master of Science in Accountancy and Master of Professional Accountancy. Detailed information concerning these programs may be found in the Graduate Catalog.

Departments in the College of Business are: Accounting; Finance, Insurance and Law; Management and Quantitative Methods; and Marketing.

Admission Requirements

I. Beginning freshmen must meet Illinois State University admission requirements prior to being considered into a College of Business major. Admission into the College of Business is selective and considers a prospective freshman’s high school transcript (grade trends and rigor of courses completed), grade point average, and ACT/SAT scores, in the decision. Students are strongly encouraged to complete a rigorous high school math sequence as they prepare for admission into a College of Business major.

II. Transfer students from other universities or colleges and internal transfers (transferring from majors within Illinois State University) are admitted into the College of Business through a competitive and selective process. Transfer students must have met all university admission requirements (transferring from other universities or colleges) or be in academic good standing (transferring from majors within Illinois State University). The College of Business reserves the right to maintain a balanced enrollment; the number of students who continue in the program may vary from year to year depending on program capacity and the qualifications of students in the pool.

In addition, transfer students must meet the following criteria

1. Students desiring to transfer with fewer than 45 credit hours completed or in progress when they apply to become a business major are evaluated based upon their college coursework, GPA (where an established GPA exists), and College of Business admission criteria for incoming freshmen.

2. Students desiring to transfer with between 45-59 credit hours completed or in progress when they apply to become a business major are evaluated based upon their college coursework, GPA, and College of Business admission criteria.

3. Students desiring to transfer with 60 credit hours or more completed or in progress when they apply to become a business major are evaluated based upon their college coursework, GPA, and College of Business admission criteria.

Course Equivalent Transfer Policies

In addition to the general requirements of the University and the College, the following policies apply to transfer students from other academic institutions seeking a business degree:

- Credit for business and related courses from 2-year institutions may be transferred and applied to the business core but is limited to 100-level (lower-division freshman and sophomore) course placement.

- Credit for business and related courses from baccalaureate degree granting institutions may be transferred and applied to the business core and to the major if the course for which the credit is being transferred is at the equivalent level of the Illinois State University course, contains the same course content and requires equivalent prerequisites.

Each student must successfully complete the college
capstone course (MQM 385) and his or her major's designated capstone course at Illinois State University and must earn at least 50 percent of the business credit hours required for the degree at Illinois State University. Please contact an academic advisor for information concerning specific majors' capstone courses.

Standards for Progress in the Major
All students are limited to 27 credit hours of business coursework which is strictly enforced by the College through registration restrictions. Business majors may exceed this limit once they have met Standards for Progress (i.e. continuance) as a business major. Admission to the major does not imply the student will be accepted for continuance once they have completed 60 credit hours.

The continuance requirements represent minimum standards for a student to continue as a business major. The College reserves the right to maintain a balanced enrollment; the number of students who continue in the program may vary from year to year depending on program capacity and the qualifications of students in the pool. Some students who satisfy the minimum standards may not be allowed to continue in a particular business major or program.

Minimum requirements which allow a student to qualify to continue as a business major are as follows:

1. Complete, with a grade of C or better, the following tool courses: ACC 131, 132; BUS 100; ECO 101 and 102 (or ECO 105); MQM 100 (or ECO 138 or POL 138 or PSY 138); MAT 121 or 145. (NOTE: BE majors must complete MAT 120 or 121 or 144 or 145.)
2. Prove computer competency (spreadsheet usage, presentation software, and Web page construction) through completion of the following: (ACC 167 and 168; IT 150; IAI BUS 902); or by passing College-administered competency exams in these areas (ACC 189A67 and ACC 189A68).
3. Earn an overall Illinois State University GPA of 2.50 or higher on at least 12 completed hours.
4. Accountancy and Business Administration majors must earn a minimum B/C grade combination between ACC 131 and 132, including transfer courses.
5. Accountancy majors must also earn a minimum B/C grade combination between ACC 230 and 231.
6. Business Education majors must earn a 2.50 cumulative and major GPA for continuance in their major and Admission to Professional Education.

Academic Requirements
The academic requirements of the University apply to all of the programs in the College of Business. In addition, the following special academic requirements apply to all students in the College of Business:

1. Required courses in the major with grades below C will not count toward the graduation requirements of College of Business majors.
2. Students must have a 2.00 GPA or higher at Illinois State in order to graduate with a business degree. Business Education majors must earn and maintain a 2.50 major and cumulative GPA through graduation.
3. Students majoring in business must complete their senior year (30 hours) in residence at Illinois State University. Under unusual circumstances the Dean of the College of Business may grant a modification of this requirement.
4. Each student must successfully complete the college capstone course (MQM 385) and his/her major’s designated capstone course at Illinois State University, and must earn at least 50 percent of the business credit hours required for the degree at Illinois State University.
5. Enrollment in 200-level business courses requires 60 completed semester hours. Enrollment in 300-level business courses requires 75 completed semester hours. This policy is strictly enforced.
6. Students who go on probation a second or subsequent time will be dropped from the College of Business.
7. The College of Business strictly enforces a two graded attempt policy for any and all courses included in any business major or minor. As such, the college only allows a student to repeat a course in his or her business major or minor once. If a satisfactory grade is not earned in the second attempt, the student will be dismissed from their College of Business major or minor. Students who earn a WX grade in either attempt must apply for permission to complete a third enrollment. A student may not enroll for a third time in any required course in their business major or minor if he or she has already received letter grades (A, B, C, D, or F) in two previous attempts. Students pursuing majors or minors outside the College of Business that include one or more business courses as requirements will also be held to the College's two-graded attempt policy.
8. Students-at-large and graduate students must apply for permission from the College of Business to register for business courses. Such students will be required to furnish official transcripts to show that prerequisite requirements have been fulfilled. Some courses in the College have restricted and/or limited enrollments and may not be an option. These students, as all non-business majors, are restricted to 27 hours of business course work.

Non-Business Majors
Non-business majors are limited to no more than 27 credits of business coursework.
Structure of Business Programs

The Business Core Courses (46 hours)

100—level (Freshman/Sophomore level):
- BUS 100 Enterprise (3 hours)
- ACC 131 Financial Accounting (3 hours)
- ACC 132 Managerial Accounting (3 hours)
- ECO 101 Principles of Microeconomics (3 hours)
- ECO 102 Principles of Macroeconomics (3 hours)
- ENG 145A13 Language and Composition II: Writing for Business and Government Organizations (3 hours)
- FIL 185 Legal, Ethical and Social Environment of Business (3 hours)
- MQM 100 Statistical Reasoning (3 hours) or ECO 138 or POL 138 or PSY 138 (3 hours)
- MAT 121 Applied Calculus (4 hours)

200—and 300—level (Junior/Senior level):
- ACC 270 Information Systems In Organizations (3 hours)
- FIL 240 Business Finance (3 hours)
- MKT 230 Introduction to Marketing Management (3 hours)
- MQM 220 Business Organization and Management (3 hours)
- MQM 227 Operations Management (3 hours)
- MQM 385 Organizational Strategy (3 hours)

1. All business majors are expected to show proficiency in the usage of electronic spreadsheets (MS Office Excel), presentation software, and Web page construction by coursework (ACC 167 and 168; IT 150; IAI BUS 902 or equivalent) or by passing College-administered competency exams in these areas.

2. Majors in Business Education take alternate courses to meet the requirements for MAT 121, MQM 227 and MQM 385 as specified under the program’s requirements.

3. Prerequisites for all business courses are strictly enforced and must be successfully completed by the first day of the semester. Please see the course description for individual course prerequisites.

Major Required Courses (21-24 hours)

Most business majors will require an additional 21 or 24 hours of business coursework and electives. See individual major programs for an outline of the requirements.

General Education (39 hours)

The following courses meet General Education requirements in addition to major requirements:
- MQM 100
- ECO 138 or POL 138 or PSY 138 (Quantitative Reasoning)

Bachelor of Science Graduation Requirements in Science, Mathematics and Technology

In addition to meeting the requirements for selected majors, the following courses meet the Science, Mathematics and Technology graduation requirements for students earning a B.S. degree:
- FIL 240
- MAT 121
- MQM 227

Chairperson: Deborah Lynn Seifert

General Department Information
The mission of the Department of Accounting is to provide high-quality, student-centered educational programs for students preparing for professional careers in accounting and information systems; to support research and other scholarly activities consistent with these programs; and to perform service activities for the Department, the College of Business, the University, and other organizations consistent with these programs. In addition, our mission includes establishing relationships with outside organizations that support our programs, students, and faculty. Providing introductory and other courses in accounting and information systems to non-major students, as a service to other departments within the College and University, is also fundamental to our mission.

The goals of the Department of Accounting are as follows:
1. Our first priority is to develop student potential through high quality pedagogy and educational experiences.
2. Our second priority is to perform applied, basic, and instructional research that complements our educational programs.
3. Our third priority is to participate in internal and external service activities which complement our educational programs and research activities, and build partnerships with key constituencies.

The curriculum is designed to provide students with the common body of knowledge established by the accounting profession for those entering the profession.

The Department of Accounting offers a 120-hour Bachelor of Science (B.S.) with a major in Accountancy and a 150-hour combined Bachelor of Science and Master of Professional Accountancy (B.S./M.P.A.) degrees. Both programs are described below. The B.S. has five sequences of study: Accounting Information Systems, Business Analytics, Business Information Systems, Career Specialty, and Financial Accounting. The B.S./M.P.A. has two sequences: Accountancy and Information Systems and Professional Accountancy. Each sequence is intended to provide its graduates with the necessary foundation for a successful career, including the ability to pass professional examinations.

Students should select a sequence based upon their interests and career goals. Department advisors and faculty members are available to counsel students as they make this decision.

Courses completed in the Department of Accounting at this University with grades below C will not count toward the graduation requirements of either the Accountancy Major or Minor, but all grades of D, F, and WX in Accounting courses at this University will be included in computing the cumulative GPA.

Honors Program Requirements
The Department offers honors work in the different departmental programs to majors who have fulfilled the general requirements for participation in the University Honors Program and completed 60 semester hours with a cumulative Illinois State University GPA of 3.30 (A= 4.00) and a 3.50 GPA in Accounting courses. Students interested in the program should see the departmental advisor. Requirements for honors in the Accounting Honors Program are available in the departmental office. Further details about the University Honors program are available at https://Honors.IllinoisState.edu.

Program Admission Requirements for New and Continuing Students
All majors in the Department of Accounting must meet the academic, admission, and transfer requirements of the College of Business. Non-majors must have the prerequisites, including the specific number of hours, to enroll in courses in the Department. Certain courses are restricted to Accountancy majors only.

Admission to this academic program is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission and the application and selection process, visit IllinoisState.edu/Majors or contact the undergraduate advisor for the intended major.

Students considering the separate Master of Science in Accountancy degree program should apply to Graduate School early in their senior year. Students who previously have completed a baccalaureate degree outside of Accounting should consider applying directly into the Master of Science in Accountancy program.

Also refer to the Structure of Business Programs section of the Undergraduate Catalog. https://illinoisstate.edu/catalog/

Accountancy Programs

Major in Accountancy
Degree Offered: B.S.

After completing the 100-level Business Core courses, the Accountancy major must complete ACC 230 and 231 with a minimum B/C grade combination between these two courses. Prerequisites for ACC 230 and 231 require a minimum B/C grade combination of ACC 131 and 132.

In addition, an Accountancy major must complete requirements under one of the following sequences: Accounting Information Systems, Business Analytics, Business Information Systems, Career Specialty, and Financial Accounting. Descriptions of each sequence follow.

Accounting Business Analytics
This sequence is designed to provide entry-level accountants with information systems and technology skills as required for our separate accounting department accreditation by the Association to Advance Collegiate Schools of Business (AACSB). This sequence will also prepare accountants to be critical business users of information technology in a business analytics context and an evaluator of information systems.
Accounting Information Systems Sequence
This sequence is designed to provide entry-level accountants with information systems and technology skills and competencies as recommended by the International Federation of Accountants (IFAC). This sequence would prepare accountants to be a user of information technology and an evaluator of information systems (e.g., internal or external auditor).

Business Analytics Sequence
This sequence is designed to provide entry-level accountants with information systems and technology skills and competencies as recommended by the International Federation of Accountants (IFAC). This sequence would prepare accountants to be a user of information technology and an evaluator of information systems (e.g., internal or external auditor).

Business Information Systems Accounting Sequence
This sequence is designed to prepare students for entry level accounting positions requiring significant training in Business Information Systems. This preparation is particularly valuable in accounting consulting positions, certain auditing positions, and in many progressive industrial positions.

Career Specialty Sequence
This sequence allows Accountancy majors to design a plan of study that meets their career goals. Students may elect up to 12 hours in another specialized area with advice and approval of academic advisors and Department Chair.

Financial Accounting Sequence
This sequence is designed to meet the minimum formal accounting-content requirements for a student to sit for the Certified Public Accountant (CPA) examination. Students in this sequence may also prepare to sit for the Certified Management Accountant (CMA) examination and/or the Certified Internal Auditor (CIA) examination.

Integrated Bachelor of Science (B.S.) Master of Professional Accountancy (M.P.A.)
Degrees offered: B.S./ M.P.A.

The integrated B.S./M.P.A. Degrees program is primarily oriented toward preparation for professional careers in accounting. Two sequences are offered: (1) Accountancy and Information Systems, and (2) Professional Accountancy. Both sequences permit graduates to meet minimum education requirements to sit for the Uniform Certified Public Accountant (CPA) Examination in Illinois. The Accountancy and Information Systems sequence permits students to emphasize study of information systems related to accounting and other business fields more than the Professional Accountancy sequence, which permits students to study further in such areas as taxation, auditing, financial accounting, managerial accounting, financial management, and information systems.

The 150-hour B.S./M.P.A. program generally includes 30 hours of graduate coursework. Successful completion of the integrated program will culminate by granting simultaneously both B.S. and M.P.A. degrees. The B.S./M.P.A. integrated program is designed for students wishing to complete both degrees at Illinois State University. The program is not designed to admit students who have already completed a bachelor’s degree.

Accountancy and Information Systems Sequence

Professional Accountancy Sequence

Requirements for CPA Examination
Academic requirements to sit for the CPA examination in Illinois include (1) 150 semester hours of college coursework, and (2) a baccalaureate or higher degree, including at least 30 semester hours in accounting at the undergraduate and/or graduate level with at least one course each in financial accounting, auditing, taxation, and management accounting and at least 24 semester hours in business courses (other than accounting) at the undergraduate and/or graduate level. Students graduating with a baccalaureate degree must obtain two credit hours in accounting research, two credit hours in business communication, and three credit hours in business ethics. Students should consult their academic advisor for additional guidance on completing the research, communication, and ethics educational requirements.

Students planning to sit for the CPA examination are advised to complete, at a minimum, the Financial Accounting Sequence of the Accountancy B.S. program. Students should also give serious consideration to completing one or more of the following formal programs of study before leaving the Illinois State campus to begin their professional careers: The Bachelor of Science/Master of Professional Accountancy Program described above, a Master of Science degree in Accountancy, a Master of Business Administration degree, or one of the other sequences of the Accountancy B.S. (the Accounting Information Systems Sequence, the Business Information Systems Sequence, or the Career Specialty Sequence). Each sequence is 12 hours beyond the Financial Accounting Sequence. Additional information concerning the 150-hour requirement, including recommended areas of coursework for students not pursuing an B.S./M.P.A., M.S., or M.B.A. degree, is available from the academic advisors.

NOTE: Students in either sequence who wish to enhance their chances of passing the CPA examination should include in their plan of study the following advanced accounting courses: ACC 330, 334, 336, and 337.

Students must successfully apply for continuance in the B.S./M.P.A. program in their junior year (after 60 semester hours). Graduate admission would take place after the student has completed approximately 90 hours. Students will be admitted who meet graduate entrance requirements, which include satisfactory performance on the Graduate Management Admission Test (GMAT), their previous academic performance, and other evidence of their ability to successfully complete the program. Admission timing is very important to successfully complete the program so students should regularly consult with their Accounting undergraduate or graduate advisor.
Minor in Accountancy

- 21 hours in Accounting required
- Required courses: ACC 131, 132, 231, 232
- 9 elective hours in Accounting courses approved by a departmental advisor
- These courses must be completed with a grade of C or better. A minimum B/C combination is required between ACC 131 and ACC 132 to continue with the Accountancy minor.

Repetition of Courses in Accounting: The College of Business only allows students to repeat a course once. Students who earn a “W” grade in either attempt must apply for permission to complete a third enrollment.

Major in Business Information Systems

Degree Offered: B.S.

NOTE: Program admission, graduation requirements and program admission standards for the Business Information Systems degree are the same as those that apply to all students in the College of Business. See College of Business section of this Undergraduate Catalog.

Accounting—BIS Business Analytics Sequence

This sequence is designed to allow Business Information Systems (BIS) Majors to choose a sequence in Business Analytics. The BIS Business Analytics sequence will enable students to become aware, comprehend, explore and manage significant issues confronting the field of Business Analytics from a multi-disciplinary perspective. Students can expect to be immersed in Business Analytics research, resources, cases, tools, techniques from industry and academia alike.

2019-2020 Undergraduate Catalog
MAJOR IN BUSINESS INFORMATION SYSTEMS  
(B.S.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
3 COM 110 Communication as Critical Inquiry
3 ENG 101 or ENG 101A Compositional Reasoning

Mathematics (1 course required)
Please see major requirements for mathematics options.

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***

Language in the Humanities (1 course required)***

Quantitative Reasoning for B.S. (1 course required)
3 MQM 100 Statistical Reasoning

Science, Math, & Technology (1 course required)

Social Sciences (1 course required)***
Exempt for College of Business majors

Additional Graduation Requirements

/120 minimum total credit hours
/42 minimum senior college hours

AMALI requirement
***certain courses in General Education fulfill the AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

B.S. Science, Math, & Technology (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

Major (min. 70 credit hours)†

3 ACC 131 Financial Accounting (P: 12+ earned hours)
3 ACC 132 Managerial Accounting (P: ACC 131)
3 ACC 260 Computer Programming for Business (P: MS Competency)
3 ACC 270 Information Systems in Organizations (P: 167 & 168 or equivalent; ACC 132 or conc. reg.; ECO 101 and 102; MAT 120; MQM 100 or ECO 138 or POL 138 or PSY 138)
3 ACC 261 Business Systems Analysis (P: MS COMP)
3 ACC 362 Advanced Business Systems Analysis (P: ACC 261 & 368)
3 ACC 366 Advanced Business Data Management (P: ACC 261)
3 ACC 368 Developing Business Application Systems (P: ACC 260 and 261 or conc. reg.)
3 ECO 101 Principles of Microeconomics
3 ECO 102 Principles of Macroeconomics
3 ENG 145A13 Writing for Business & Government Organizations† (P: ENG 101)
3 FIL 185 Legal, Ethical, & Social Environment of Business (P: ECO 103 or 101 and 102; 15+ earned hours)
3 FIL 240 Business Finance (P: ACC 132; MQM 100 or ECO 138 or POL 138 or PSY 138; ECO 101 and 102)
3 MKT 230 Introduction to Marketing Management (P: ECO 101 and 102 or 103)
3 MQM 100 Statistical Reasoning† (P: MAT 120, 121, 144, or 145)
3 MQM 220 Business Organization & Management (P: ECO 101 or 103)
3 MQM 227 Operations Management (P: ACC 167 & 168 or equivalent; ACC 132; ECO 101 and 102; MAT 120; MQM 100 or ECO 138 or POL 138 or PSY 138)
3 MQM 385 Organizational Strategy (P: ACC 166 or 270; FIL 185 & 240; MQM 220 & MQM 227 or conc. reg.; MKT 230; all with C or better; conc. reg. in BUS 285)
3 BUS 100 Enterprise
0 BUS 285 Business Fundamentals Exam (P: conc. reg. in MQM 385)

Take 1 of the following courses:
4 MAT 121 Applied Calculus (P: C or better in MAT 119 & 120)
4 MAT 145 Calculus I (P: C or better in MAT 144 or placement)

Choose 1 of the following Microsoft Competency options:
1/1 ACC 167 Electronic Spreadsheet Usage AND ACC 168 Internet & Presentation Tools
3 IT 150 Using Microcomputer Productivity Tools
0 College administered competency exams

Take 3 (9 credit hours) additional Business Information Systems electives:
(ACC 255, 263, 266, 271, 287 (or 299), 353, 371, 372, 398A01 (no more than 3 credit hours towards the major))
Please consult with your academic advisor.

† Please consult with your academic advisor regarding standard substitutions.

General Department Information
The Finance Major provides a knowledge base and skills appropriate for a wide variety of functional and managerial activities, profit or nonprofit, which involve banking, corporate finance, insurance, investments, international finance, and real estate.

The Risk Management and Insurance Major provides skills and knowledge appropriate to a wide range of activities in the insurance and the financial services industries. The Insurance Major-Business Information Systems (BIS) Sequence is particularly appropriate for students preparing for careers in information systems within the insurance industry.

Academic Requirements:
All majors in the Department of Finance, Insurance and Law must meet the academic, admission, and transfer requirements of the College of Business. Non-majors must have the prerequisites, including the specified number of hours, to enroll in courses in the Department. Refer to the Structure of Business Programs section of the Undergraduate Catalog. https://illinoisstate.edu/catalog/

Departmental Honors Program Requirements
- Maintain a 3.30 overall Illinois State University GPA or 3.60 GPA in last 60 hours at Illinois State University
- Maintain a 3.50 major GPA
- Complete 9 hours of approved FIL honors coursework
- Complete either FIL 370, Educational Investment Fund, or FIL 299, Honors Independent Study
- Fulfill the general requirements for participation in the University Honors Program

Further details about the University Honors program are available at Honors.IllinoisState.edu.

Finance Programs
Degree Offered: B.S.

Major in Finance

General Finance Sequence

Minor in Financial Planning
- 18 hours required in Finance, Insurance and Law and Accounting classes. For non-business majors the required hours, including prerequisites, totals 27 hours (21 hours of business, 6 hours of economics)

- Required courses:
  - ACC 233
  - FIL 220 or FIL 242
  - FIL 250, 342, 345, 371
  - See prerequisites below for non-business majors

- All required courses must be completed with a grade of C or better.

Prerequisites for required courses:
- ACC 233: A grade of C or better in ACC 131
- FIL 220: ACC 131; ECO 101 and 102
- FIL 242 (if taken as an option see above): FIL 240
- FIL 250: No prerequisites
- FIL 342: ACC 233; FIL 220 or 242; FIL 250
- FIL 345: FIL 220 or 242; FIL 250
- FIL 371: FIL 342 and 345 or conc. registration

NOTE: No more than 9 hours from major program of study may be applied to minor.

Major in Risk Management and Insurance

Risk Management and Insurance Sequence

Insurance-Business Information Systems (BIS) Sequence

Minor in Insurance
- 18 hours required in Finance Insurance and Law courses
- Required courses:
  - FIL 185, 240, 250, and three of the following courses:
    - FIL 342, 345, 350, 351, 352, 353, 354, 355, 380A04, 382, 398A10 (3 hours)

NOTE: At least half (with a minimum of nine) of the credit hours for a minor must be distinct from any hours the student counts toward a major within the same department or school.

(B.S.)

Transfer Students

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents

- 3 C2 900 COM 110 Communication as Critical Inquiry
- 3 C1 900 ENG 101 or ENG 101A10 Composition as Critical Inquiry
- 3 C1 901 ENG 145A13 Writing for Business & Gov Organizations

Mathematics (1 course required)
Please see major requirements for mathematics options

- 4 M1 900 MAT 121 Applied Calculus
  OR M1 900-1 MAT 145 Calculus I

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.

- 2 S3 901 Microeconomics
- 2 S3 902 Microeconomics

Humanities & Fine Arts (3 courses required)
At least 1 humanities and 1 fine arts course required

- 3 MQM 210 Business Organization & Management (P: ECO 101 or 103)
- 3 MQM 227 Operations Management (P: 167 & 168 or equivalent; ACC 132; ECO 101 and 102; MAT 120; MQM 100 or ECO 138 or POL 138 or PSY 138)
- 3 MQM 385 Organizational Strategy (P: ACC 270; FIL 185 & 240; MQM 220 & MQM 227 or conc. reg.; MKT 230; all with C or better; conc. reg. in BUS 285)

Social & Behavioral Sciences (3 courses required)
2 different disciplines must be represented.

- 3 FIL 240 Business Finance
- 3 FIL 350 Business Environment
- 3 FIL 354 Risk Management (P: C or better in FIL 350 and 352)

Additional Graduation Requirements

- /120 minimum total credit hours
- /42 minimum senior college hours

AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

- 3 FIL 240 Business Finance

Major (min. 68 credit hours)‡

- 3 ACC 131 Financial Accounting (P: 12+ earned hours)
- 3 ACC 132 Managerial Accounting (P: ACC 131)
- 3 ACC 270 Information Systems in Organizations (P: 167 & 168 or equivalent; ACC 132 or conc. reg.; ECO 101 and 102; MAT 120; MQM 100 or ECO 138 or POL 138 or PSY 138)
- 3 BUS 100 Enterprise
- 0 BUS 285 Business Fundamentals Exam (P: conc. reg. in MQM 385)
- 3 ECO 101 Principles of Macroeconomics
- 3 ECO 102 Principles of Microeconomics
- 3 ENG 145A13 Writing for Business & Government Organizations† (P: ENG 101)
- 3 FIL 185 Legal, Ethical, & Social Environment of Business (P: ECO 101 and 102 (may be taken conc) or 103; 15+ earned hours)
- 3 FIL 240 Business Finance (P: ACC 132; MQM 100 or ECO 138 or POL 138 or PSY 138; ECO 101 and 102)
- 3 FIL 250 Introduction to Risk & Insurance
- 3 FIL 350 Property Insurance (P: C or better in FIL 250)
- 3 FIL 352 Liability Insurance (P: C or better in FIL 250)
- 3 FIL 354 Risk Management (P: C or better in FIL 350 and 352)
- 3 FIL 355 Insurance Company Operations (P: FIL 250)
- 3 MKT 230 Introduction to Marketing Management (P: ECO 101 and 102 or 103)
- 3 MQM 100 Statistical Reasoning† (P: MAT 120, 121, 144, or 145)
- 3 MQM 210 Business Organization & Management (P: ECO 101 or 103)
- 3 MQM 227 Operations Management (P: 167 & 168 or equivalent; ACC 132; ECO 101 and 102; MAT 120; MQM 100 or ECO 138 or POL 138 or PSY 138)
- 3 MQM 385 Organizational Strategy (P: ACC 270; FIL 185 & 240; MQM 220 & MQM 227 or conc. reg.; MKT 230; all with C or better; conc. reg. in BUS 285)

Take 1 of the following courses:

- 4 MAT 121 Applied Calculus (P: C or better in MAT 119 & 120)
- 4 MAT 145 Calculus I (P: C or better in MAT 144 or placement)

Choose 1 of the following Microsoft Competency options:

- 1/1 ACC 167 Electronic Spreadsheet Usage AND ACC 168 Internet & Presentation Tools
- 3 IT 150 Using Microcomputer Productivity Tools
- 0 College administered competency exams

Take 3 (9 credit hours) additional Risk Management & Insurance electives:
(FIL 242, 342, 345, 346, 351, 353, 380A04, 382, 398A10)
Please consult with your academic advisor.

- 3 FIL 354 Risk Management
- 3 FIL 355 Insurance Company Operations
- 3 FIL 398A10 Risk & Insurance

NOTE: FIL 398A10 is strongly recommended in addition to required courses.

‡ Please consult your academic advisor regarding standard substitutions.

† Enrollment in 200-level business courses requires 60 completed semester hours. Enrollment in 300-level business courses requires 75 completed semester hours.

MANAGEMENT AND QUANTITATIVE METHODS (MQM) 558
250 State Farm Hall of Business, Phone: (309) 438-5701
https://Business.IllinoisState.edu
Chairperson: Roberta Trites

Academic Requirements
All majors in the Department of Management and Quantitative Methods must meet the academic, admission, and transfer requirements of the College of Business. Refer to the Structure of Business Programs section of the Undergraduate Catalog. https://illinoisstate.edu/catalog/
Non-majors must have the prerequisites, including a specified number of hours, to enroll in courses in the Department.

Management and Quantitative Methods Programs
Degree Offered: B.S.

Major in Management
Management majors select one of the three following sequences: entrepreneurship and small business management, human resource management, and organizational leadership.

- At least 24 of the required hours at the 200- and 300-level must be taken in residence at Illinois State University.
- The senior year’s work must be taken in residence at Illinois State University.

One of the following major sequences must be completed.

Entrepreneurship and Small Business Management Sequence
The Entrepreneurship and Small Business Management sequence offers a unique learning experience for students who aspire to start businesses or obtain employment in growth-oriented businesses.

Only one of MQM 287 or 398 will count towards major

Human Resource Management Sequence
The Human Resource Management sequence emphasizes leading edge human resources in all organizational settings. The sequence provides students with skills in human resource management consistent with the current needs of organizations. Students in this sequence acquire the specific, in-depth skills necessary to assist organizations in the effective utilization of employee skills and talents.

Organizational Leadership Sequence
The Organizational Leadership sequence trains students to develop the skills necessary for success in leadership positions in both businesses and non-profit organizations. Courses focus on skills working with people and groups, as well as decision-making and institutional change.

Minor in Business Environment and Sustainability
The minor in Business Environment & Sustainability builds students’ awareness and knowledge of the relationships between business and the physical environment. This minor prepares students for careers in organizational leadership, corporate social responsibility, risk management, environmental sustainability, and other sustainability-related areas.

- 27 hours required
- Required courses (7 hours):
  - ECO 101 and 102 (or ECO 105 to satisfy both 101 and 102)
  - MQM 220
- Foundation courses (6 hours):
  - Business Foundation (3 hours): MQM 323 or MKT 230
  - Sustainability Foundation (3 hours): ECO 255 or MKT 236
- Environmental Systems (3 hours): Choose from:
  - AGR 203
  - BSC 202, 365
  - GEO 205, 276
  - HSC 156
- Social Systems (3 hours) Choose from:
  - AGR 201
  - COM 210, 274
  - ECO 202, 236
  - GEO 313, 334
  - PHI 234, 236
  - POL 236, 254, 357
  - PSY 223 or SOC 223
  - SOC 240, 330
  - TEC 275, 329
- Applied Courses (6 hours): Choose from:
  - FIL 382A04
  - MKT 339A12
  - MQM 340A15, 340A16,
  - MQM 398 or MKT 398
  - Or independent study (a maximum of 3 hours of independent study may be used for credit in this minor)

No more than 9 hours of courses may be selected from the student’s first or second major department.
Minor in Organizational Leadership
This minor helps students develop interpersonal and team skills, as well as further developing leadership experience. The program prepares students for leadership roles within business or non-profit organizations.
- 21 hours in required courses
- Required courses:
  - ECO 101 and 102 (or ECO 105 to satisfy both 101 and 102)
  - MQM 220, 221, 380, 382
  - One of the following:
    - MQM 340, 383, 384 or 386
The Minor in Organizational Leadership is not available to majors outside the College of Business.

Business Administration Program
Students interested in pursuing a degree in general business enroll in the Business Administration Program.

Degree Offered: B.S.

Major in Business Administration
The Business Administration major is an excellent choice for students seeking to obtain a broad, interdisciplinary background in business. This major is designed for students interested in business but who don’t want to specialize in one of the customary functional areas of business (Accounting, Marketing, Finance, or Management).

Minor in Business Administration
Business Administration minors at Illinois State University supplement their major coursework with additional training in business.
- Required courses:
  - MAT 120 or 121 or 144 or 145
  - ACC 131, 132
  - ECO 101 and 102 (or ECO 105 to satisfy both 101 and 102)
  - FIL 185, 240
  - MKT 230
  - MQM 100 (or ECO 138 or POL 138 or PSY 138)
  - MQM 220

Note: The Business Administration Minor is not available to majors in the College of Business.

Honors in Management and Quantitative Methods
Requirements for Admission:
The student must:
1. Be a full time student at Illinois State University
2. Be a declared major in Management and Quantitative Methods
3. Have a minimum cumulative GPA of 3.30 and at least 3.50 in his or her major (on a 4.00 scale)
4. Complete an interview with the Management and Quantitative Methods Departmental Honors Program Coordinator
5. Apply and be accepted into the University Honors Program and submit an application for Departmental Honors to the Management and Quantitative Methods Program Coordinator

Requirements for Successful Completion of the Program
1. Completion of all requirements for the major in MQM
2. Minimum overall GPA of 3.30 at graduation with at least 3.50 GPA in the MQM major
3. Completion of 12 semester hours of Honors work in the MQM major, including:
   - 3 semester hours of MQM 220 (Honors section)
   - 6 semester hours of either in-course Honors in any 200- or 300-level MQM course or Honors Undergraduate Research Participation (HON 285 or 286)

4. In-Course Honors: The student may obtain an In-Course Honors contract in the Honors Office. A proposition to modify normal course requirements such that the proposed changes will permit demonstration of exceptional achievement shall be recorded on the In-Course Honors contract by the student and the professor. The proposal must be agreed to by the professor and returned to the Honors Office within the first 10 days of class.

5. Undergraduate Research Participation: Students may earn 1-3 hours of Honors credit by working with a Management and Quantitative Methods professor on a faculty research project. Possible projects are listed in a URP notebook in the Honors Office as well as on the bulletin board just inside the Honors Office front door. Students may also approach a professor about working on a project for URP credit.

6. 3 semester hours of Honors Independent Study MQM 299

Benefits of Departmental Honors
Students who complete the program will have Departmental Honors designation placed on both their transcript and diploma. Students in the MQM Departmental Honors Program are eligible for Honors early registration and special advisement opportunities in the MQM department.

For more information about joining the Honors Program, please make an appointment with an Honors advisor by calling (309) 438-2559. Further details about the University Honors program are available at Honors.IllinoisState.edu.

International Business (IB) 546

Degrees Offered: B.A., B.S.

The Baccalaureate program in International Business (BSIB) provides a specialized curriculum for students interested in business focused on the global environment. Graduate's careers may include working abroad, working for a multinational or working in a globally diverse firm. The BSIB combines coursework in general and international business, foreign language, and area studies. Through specialization in a business area, the BSIB combines coursework in international business and a functional area of business. The required international business courses provide solid exposure to the unique dynamics of international business. Area studies and foreign language requirements further enhance the students' international experience. Study abroad experiences are an essential element of the international business program. It is required that every international business major participate in a study abroad program or complete an international internship unless they receive an exemption from the program director.

The BSIB is divided into a common business core applicable to all business students, the International Business core, a concentration in a functional area, the Languages, Literatures, and Cultures requirement, and area studies requirements. Sixty hours of course work must be taken outside of the College of Business.

Refer to the Structure of Business Programs section of the Undergraduate Catalog. https://illinoisstate.edu/catalog/

Major in International Business

International Experience requirement: Students must complete one of the following three options:
1. An approved study abroad
2. An approved internship (IB 398)
3. An exemption requested from the IB Program Director

Minor in International Business

A minor in International Business is only available to students who major in the College of Business.

- 22 hours required
- IB 225 and 9 hours to be chosen from:
  - ACC 340
  - FIL 312, 344
  - IB 245
  - MKT 350
  - MQM 349, 350
- 4 hours required in Languages, Literatures, and Cultures at least through the 115-level or an equivalent route. Details for the alternatives are spelled out at https://business.illinoisstate.edu/ib/language
- 6 hours of area studies electives from Geography, History, Politics and Government, or Interdisciplinary Studies. Consult with advisor for specific courses

Refer to the Structure of Business Programs section of the Undergraduate Catalog. https://illinoisstate.edu/catalog/ Non-majors must have the prerequisites, including the specified number of hours, to enroll in courses in the Department.

Marketing Program
Degree Offered: B.S.

Marketing is a flexible degree that qualifies graduates for a variety of leadership positions in the selling, distribution, pricing, and advertising of goods and services for both profit and non-profit organizations.

Major in Marketing
Marketing major elective courses: (15 hours selected from):

- MKT 233, 234, 236, 245, 310, 311, 324, 325, 326, 329, 331, 332, 333, 334, 335, 337, 339, 345, 350, 398A01, 398A03, 398A04

**NOTE:** Up to 3 hours of MKT 287, and 398A01 may be counted as part of the 12 hours listed above

- The senior year’s work (last 30 hours) must be completed in residence at Illinois State University

Students may choose to major with a general Marketing degree or specialize in one of the following sequences:

Advanced Marketing Analytics Sequence
- The senior year’s work (last 30 hours) must be completed in residence at Illinois State University.
- All courses required in the major must be completed in residence at Illinois State University.

Integrated Marketing Communication Sequence
- The senior year’s work (last 30 hours) must be completed in residence at Illinois State University.
- All courses required in the major must be completed in residence at Illinois State University.

Professional Sales Sequence
- The senior year’s work (last 30 hours) must be completed in residence at Illinois State University.

Minor in Business Analytics
- 27 hours required. (Courses requiring prerequisites, if not already taken, may result in an increase in total hours.)
- Foundation courses (9 hours):
  - IT 150 or MS Competency
  - MQM 100 or equivalent
  - MKT 190 or 230
- Required courses: (9 hours):
  - ACC 271 or IT 244
  - MKT 232 or equivalent
  - MKT 245
- Advanced applied elective courses
  9 hours selected from:
  - ACC 263, 366
  - GEO 303
  - IT 344, 345
  - MKT 311, 339A13, 345

- Note: A qualifying internship, with the approval by the Marketing chairperson, may count for up to three hours toward the Minor.
- Note: At least half (with a minimum of 9) of the credit hours for a minor must be distinct from any hours the student counts toward a major within the same department of school.

BUSINESS EDUCATION (BE)  556

The Business Education program focuses on developing business, marketing, and computer educators/trainers through the pursuit of Illinois State University’s conceptual framework for teacher education: Realizing the Democratic Ideal. This program prepares graduates for teaching positions and business positions across a broad base of business disciplines.

Students should note that:

1. Majors must meet the academic, admission, and transfer requirements of the College of Business. Refer to the Structure of Business Programs section of the Undergraduate Catalog. https://illinoisstate.edu/catalog/
   Non-majors must have the prerequisites, including the specified number of hours, to enroll in Business Education.

2. At least 60 hours of credit toward the bachelor’s degree must be taken outside the College of Business and in subject areas other than business.

3. Students shall plan programs in consultation with an advisor.

Business Education Program

Degrees Offered: B.A., B.S., B.S. in Ed.

Major in Business Education

Business Education includes (1) a study of the concepts and properties in modern business environments, including accounting, business law, information processing, educational technologies, quantitative analysis, management, marketing, and finance; (2) the development of cognitive, psychomotor, and affective skills in the content areas listed related to the use of tools, materials, processes, resources, technologies, principles, and products as well as their impact on society; and (3) the professional competencies of planning, implementing, and evaluating instruction and training.

Business Teacher Education Sequence

Degrees offered: B.A., B.S., or B.S. in Ed. (K-12 Specialist Endorsement)

Students should note that:

1. Majors must earn and maintain a 2.50 GPA for Admission to Professional Studies (see the University-Wide Teacher Education program requirements section of this Undergraduate Catalog for further information). Also, Business Education majors must have a minimum GPA of 2.50 in the major and at ISU in order to be eligible to student teach.

2. For the Business Teacher Education sequence, minimum Pre-Clinical Experiences totaling 100 clock hours shall be completed prior to student teaching. Several BE and COE courses include required clinical hours.

3. The sequence is a performance-based program (PBA). In the PBA system, students pass three Milestones. In addition to regular coursework and campus-wide teacher education performance assessments, Business Teacher Education students complete interviews, essays, check sheets, attend college colloquial, and prepare a summative program portfolio, edTPA. All teacher education candidates must pass edTPA as required by the State of Illinois. All teacher education candidates must pass all Milestones as required by ISU and the state for graduation. See the Business Education coordinator and/or advisor for further details.

4. Students desiring the cooperative career and technical education credentials are required to complete BE 480 and 482 and complete 2,000 hours of non-teaching work experience in business.

The sequence embraces the ISU conceptual framework by addressing standards from Illinois Professional Teaching Standards, Illinois Business, Marketing, and Computer Education Content Standards, Illinois Core Language Arts Standards, Illinois Core Special Education Standards for all teachers and Core Technology Standards for teachers. These standards were established by the Illinois State Board of Education (ISBE), Council for Accreditation of Education Preparation (CAEP), International Society for Technology in Education (ISTE), and the National Association of Business Teacher Education (NABTE).

The Business Teacher Education program is part of the entitlement programming leading to the K-12 Specialist in Business, Marketing, and Computer Education endorsement. Initial employment opportunities include elementary, middle level and junior high level business and computer instruction/technology coordination; high school business, marketing, and computer teacher/coordinator, school/district computer teacher, business/industry trainer/instructor, and business professional. Graduates will be prepared to teach basic business, introduction to business, accounting, record keeping, business law, information processing, keyboarding, computer applications, consumer economics, personal finance, marketing, entrepreneurship, business communications, digital/ multimedia, and web design.

Student teaching comprises a full semester experience with approximately six weeks in an elementary and/or middle level setting (5 credit hours) and approximately ten weeks in a secondary level setting (7 credit hours). Prior to student teaching, students complete at least 100 pre-clinical hours of field experience with a minimum of 30 hours in an elementary/middle school level setting and 70 hours in a secondary setting.

Optional Business Computer Programming Specialization (9 hours): Students receive 6 hours of programming through required Business Education courses. Students are recommended to complete BE 365 as the third course. Students may also select ACC 266, TEC 243.

Training and Development Sequence

Degrees offered: B.A., B.S.

(Non-Teaching Licensure Program)

Majors must earn and maintain a 2.50 GPA for Admission to Professional Studies (see University-Wide Teacher Education program requirements in this Undergraduate Catalog).

The sequence embraces the ISU conceptual framework by addressing standards from Illinois Professional Teaching Standards, Illinois Business, Marketing, and Computer Education Content Standards, Illinois Core Language Arts Standards, Illinois Core Special Education Standards for all teachers and Core Technology Standards for teachers. These standards were established by the Illinois State Board of Education (ISBE), Council for Accreditation of Education Preparation (CAEP), International Society for Technology in Education (ISTE), and the National Association of Business Teacher Education (NABTE).

Graduates will be prepared to work as a business/industry trainer/
A 12-credit hour internship will be required for graduation in this sequence. Prior to the internship, students complete a minimum of 100 pre-clinical hours of field experience in a business or educational setting.

Note: TCH 212, 216, and 219 must be taken sequentially and cannot be taken at the same time.

**Clinical Experiences in Business Education**

A variety of clinical (pre-student teaching) experiences, as well as student teaching, are included in the teacher candidates professional preparation. Observations, small and large group instruction, tutoring, field experiences, and student teaching are included in the Clinical Experiences Program. The experiences offered prior to student teaching are integral parts of specific college courses. Clinical experiences are provided in off-campus professional development schools, local schools and campus laboratory schools, agencies and other approved non-school settings. The Cecilia J. Lauby Teacher Education Center monitors and documents all clinical experiences. Teacher candidates will show verification of having completed clinical experiences commensurate with attaining local, state, and national standards. Teacher candidates must provide their own transportation to clinical experiences sites.

Candidates are required to provide documentation of meeting all State of Illinois, district, and university requirements in regard to criminal background checks BEFORE beginning any clinical experiences. Criminal background checks must remain current as of the last day of the clinical experience. Candidates should consult with clinical course faculty and the Cecilia J. Lauby Teacher Education Center well in advance of clinical experiences to determine specific requirements needed each semester.

The approximate number of clinical hours associated with each course offering can be found with the appropriate course description in this Undergraduate Catalog. The following legend relates to the kind of activity related to a specific course.

**Clinical Experiences Legend**

- Observation (including field trips
- Tutoring one-on-one contact
- Non-instructional assisting
- Small group instruction
- Whole class instruction
- Work with clinic client(s)
- Graduate practicum
- Professional meeting

taken at the same time.

A 12-credit hour internship will be required for graduation in this sequence.
Prior to the internship, students complete a minimum of 100 pre-clinical
hours of field experience in a business or educational setting.
The College of Education includes the Departments of Educational Administration and Foundations and Special Education, the School of Teaching and Learning, the Cecilia J. Lauby Teacher Education Center, and the Laboratory Schools.

The mission of the College of Education is to purposefully allocate intellectual and financial resources to develop talented graduates and professionals, establish meaningful partnerships, foster innovative faculty and staff, advance academic excellence, and embrace the principles of Realizing the Democratic Ideal.

The preparation and continuing professional development of educators is the core of this mission. The guiding framework for teacher education at Illinois State University, “Realizing the Democratic Ideal,” captures the values of education programs: “To teach in a democracy is self-consciously to take up the burden of improving the ethical and intellectual quality of our societal dialogue by including in it as many educated voices as possible.” A comprehensive offering of degree, licensure, and outreach programs operated year round at both undergraduate and graduate levels constitutes the primary mechanism through which the mission is fulfilled.

The College also fulfills its strategic mission of influencing education by interacting directly with practitioners in the field in a variety of partnerships in schools and other associations and agencies. In addition, the College is an active participant in discussions related to educational policy development within national, state, and local arenas.

Program Admission Requirements for Internal Transfer Admission
Admission to this academic program is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: Basic Skills requirement scores (e.g. ACT, SAT), courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission and the application and selection process, visit My.IllinoisState.edu or contact the undergraduate advisors for the intended major.

Changes in major or sequence will be approved only if the student meets established program admission requirements and if there are openings in the sequence the student desires to enter. Students seeking to change their major to Special Education should follow the procedures described in this Undergraduate Catalog.

New Transfer Admission Requirements
Department advisors or IllinoisState.edu/Majors can provide information regarding additional requirements for transfer into a special education major. In order to manage course offerings and accommodate student demand for the major, it may be necessary to extend the plan of study for transfer students by one semester.

Standards for Progress in the Major
A minimum GPA of 2.50 is required both overall and in major coursework for retention in all Special Education programs. Candidates must meet requirements for Admission to Professional Studies and Admission to Student Teaching to advance to experiences with these prerequisites.

Professional Requirements Applicable to All Special Education Programs
In addition to meeting University requirements for graduation and Admission to Professional Studies requirements, all students in Special Education must successfully complete:

1. 33-hour core of courses, which includes the knowledge standards central to the profession of special education. These courses include: EAF 228, or 231 or 235; *MAT 130; *PSY 110; SED 101, 205, 206, 360, 368, 388; and TCH 208, 210. (All of these courses must be completed with a grade of C or better.)

2. Sequence-specified course and experience requirements (see below) with minimum cumulative and major grade point averages of 2.50 for retention in program and continuation of major requirements.

3. Pre-student teaching experiences designed to meet professional performance standards. These experiences include successful completion of a minimum number of semester hours through enrollment in appropriate field experience coursework (see sequence-specific requirements). Additional teaching or related experiences may be included as a part of core or specific sequence requirements or in remedial experiences. Performance evaluations in each of these experiences must recommend that the student advance to the next level of experience prior to doing so. Repeat of field experience coursework requires consent of the Department Chair. Students are responsible for housing arrangements and transportation to clinical sites.

4. A full semester of Student Teaching (STT 399) for which teacher candidates are awarded 12 semester hours of credit. In order to be recommended for initial licensure, candidates must demonstrate during this capstone experience that they have obtained competence in the knowledge, performance, and disposition areas designated by the profession of special education and this department. Students are responsible for housing arrangements and transportation to student teaching sites.

5. Passage of all applicable teacher licensure assessments.

Special Education Programs
Degree Offered: B.S. in Ed.

Major in Special Education
Core for All Majors
33-hour core of courses which includes the knowledge standards central to the profession of special education. All of these core courses must be completed with a grade of C or better.

- EAF 228 or 231 or 235
- *MAT 130
- *PSY 110
- SED 101, 205, 206, 360, 368, 388
- TCH 208, 210

A grade of C or better in all required SED, TCH, CSD, MAT, PSY and EAF courses required for the core and sequences

- Designated SED field experiences with appropriate proficiency levels
- 12 hours of STT 399 Student Teaching with appropriate proficiency levels

*NOTE: PSY 110 and MAT 130 are General Education courses. *MAT 130 (or equivalent) is a prerequisite for SED 368.
Specialist in Deaf and Hard of Hearing Sequence
Entitlement program leading to Illinois Professional Licensure for Deaf and Hard of Hearing Specialist.

- Admission to Professional Studies is required prior to these courses:
  - SED 247, 248, 249, 250, 327, 354, 355, 359, 375, and 388

- Sequence-specific assessment: Passing score on communication proficiency interview prior to student teaching

Specialist in Learning and Behavior Sequence
Entitlement program leading to Illinois Professional Licensure for Learning Behavior Specialist I.

- Admission to Professional Studies is required prior to these courses:
  - SED 251, 252, 345, 362, 366, 388, 390, 391, 392

Specialist in Low Vision and Blindness Sequence

- Admission to Professional Studies is required prior to these courses:
  - SED 246, 253, 351, 357, 358, 363, 364, 365, 367, and 388

- Sequence-specific assessment: Braille proficiency tests

### Major in Special Education

**Specialist in Deaf & Hard of Hearing Sequence (B.S. in Ed.)**

#### General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

**Communication and Composition (2 courses required)**
- 3 COM 110 Communication as Critical Inquiry
- 3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

**Mathematics (1 course required)**
- 3 MAT 130 Dimensions of Numerical Reasoning

**Natural Science/Natural Science Alternatives (2 courses required)**
Students must complete 1 course from 2 different sciences.

**United States Traditions (1 course required)**

**Individuals & Civic Life (1 course required)**

**Fine Arts (1 course/3 credit hours required)***

**Humanities (1 course required)***

**Language in the Humanities (1 course required)***

**Quantitative Reasoning (1 course required)**

**Science, Math, & Technology (1 course required)**

**Social Sciences (1 course required)***
- 3 PSY 110 Fundamentals of Psychology

#### Additional Graduation Requirements
- /120 minimum total credit hours
- /42 minimum senior college hours

**AMALI requirement**
***Certain courses in General Education fulfill the AMALI requirement See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

Fax: (309) 438-8659
https://Education.IllinoisState.edu
Interim Director: Alan Bates

General Information
Effective February 1, 2012 students who are applying for their Professional Educator License or additional endorsements must have a grade of C or better in all coursework required as part of their licensure program. This includes all endorsement area courses and professional education courses.

All teacher education students must maintain a cumulative GPA of 2.5 to make progress in their major.

Early Childhood Education Program
Degree Offered: B.S., B.S. in Ed.

Program Admission Requirements for New and Continuing Students:
 Admission to this academic program is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission and the application and selection process, visit IllinoisState.edu/Majors or contact the undergraduate advisor for the intended major.

Academic Requirements:
To be considered for acceptance into any of the School of Teaching and Learning majors, you must meet the following requirements. These requirements do not guarantee acceptance into the major.
To register for TCH 271, the Early Childhood Education program entry course, students must have achieved:
1. A minimum cumulative and major GPA of 2.50;
2. A minimum of 45 semester hours completed (to begin TCH 271, however, students must have achieved junior standing—a minimum of 60 semester hours completed);
3. A minimum grade of C in TCH 210

Students should contact their Teaching and Learning advisors for additional information. The number of students admitted varies based on space availability and the quality of the pool of applicants. The range should not be viewed as a minimum for acceptance into these programs. After acceptance into a program, a minimum 2.50 GPA must be maintained to complete the program.

State of Illinois Test of Academic Proficiency (TAP)
All early childhood majors are required to pass the State of Illinois Test of Academic Proficiency (TAP) in language arts, reading, writing, and mathematics before registering for STT 399A54. For this reason students should take the State of Illinois Test of Academic Proficiency (TAP) (fee required) as early as possible.

Major in Early Childhood Education
The Early Childhood Major leads to an initial Illinois Educator License with endorsement for teaching in programs serving children birth to age 7 (grade 2). The program is based on the conceptual framework “Realizing the Democratic Ideal” and is closely aligned with the Illinois Professional Teaching Standards (IPTS) and the standards of the National Association for the Education of Young Children (NAEYC). The professional coursework of the program focuses on preparation for teaching in public school Pre-K through grade 2 classrooms, child care centers, pre-schools, and birth through age 3 early intervention programs.

Each student should consult the Teacher Education Requirements section of the Undergraduate Catalog for further understanding of state General Education requirements for endorsement in Early Childhood Education.

Pedagogy Emphasis Sequence
Degrees Offered: B.S., B.S. Ed.

All requirements for completion of the Early Childhood Teacher Education Program except successful passage of ISBE required licensure exams (i.e., TAP, EdTPA, APT).

Elementary Education Programs
Degree Offered: B.S., B.S. in Ed.

Program Admission Requirements for New and Continuing Students: Admission to this academic program is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission and the application and selection process, visit IllinoisState.edu/majors or contact the undergraduate advisor for the intended major.

Academic Requirements:
To register for TCH 204, a student must have completed or achieved:
1. A minimum cumulative GPA of 2.50
2. Grade of C or better in COM 110 and ENG 101
3. TCH 210 Child Growth and Development

State of Illinois Test of Academic Proficiency (TAP)
All elementary majors are required to pass the State of Illinois Test of Academic Proficiency (TAP) in language arts, reading, writing, and mathematics before registering for STT 399A50. For this reason, students should take the Illinois Test of Academic Proficiency (TAP) (fee required) as early as possible.

Major in Elementary Education
The Elementary Education program prepares candidates for the Illinois Professional Educator License and the Elementary Education Endorsement in grades 1-6. The program is based on the conceptual framework “Realizing the Democratic Ideal” and closely aligned with national elementary teacher education standards, the 2010 Illinois Professional Teaching Standards (IPTS), and the Illinois standards for Elementary Education Teachers (2013), all of which are integrally related.
Throughout the program, elementary education candidates have opportunities to link theory with practice as they participate in approximately 400 hours of clinical experiences in elementary
classrooms. Elementary education candidates also may apply to one of several Professional Development Schools in which they integrate their coursework with ongoing classroom experiences in participating school districts in a year-long student teaching experience.

**Elementary Education Program Requirements**

To meet Professional Educator License requirements, Elementary Education candidates are required to complete the following coursework. Students must also choose one of the additional endorsement/elective options below. Students should contact Teaching and Learning advisors for additional information.

**Bilingual/Bicultural Teacher Education (English-Spanish) Sequence**

An Elementary Education major who completes the requirements for a B.S. in Education degree and who also completes the required courses listed may be endorsed in elementary education and bilingual education. In addition to the courses required for the Elementary Education major, other required courses include:

- Required courses: HIS 104A03; SPA 116 or 120; TCH 110, 260, 272, 319, 320, 321
- Bilingual Education student teaching must take place in the spring semester as part of a yearlong professional development school that supports the Bilingual/Bicultural sequence
- Additional courses in Spanish may be needed in order to obtain the language proficiency required. Language proficiency will be determined by successfully passing the Illinois Language Proficiency Test administered by the Illinois State Board of Education. The language proficiency test must be passed prior to the yearlong development school (PDS) experience.

**Middle Level Teacher Education Programs**

Degree Offered: B.S., B.S. in Ed.

**Program Admission Requirements for New and Continuing Students**

Admission to this academic program is limited and is based on space availability and the competitiveness of the applicant pool. Factors that may be considered include, but are not limited to: courses completed, cumulative GPA, hours completed, personal interview or written statement, and samples of work completed. For additional information on minimum requirements for admission and the application and selection process, visit IllinoisState.edu/majors or contact the undergraduate advisor for the intended major.

**Academic Requirements**

To register for TCH 130, the Middle Level Teacher Education program entry course, students must have achieved:

1. A minimum cumulative and major GPA of 2.50;
2. A minimum grade of C in both ENG 101 and COM 110;

Students should contact their Teaching and Learning advisors for additional information.

**Illinois Test of Academic Proficiency (TAP)**

All middle level teacher education majors are required to pass all sections of the State of Illinois Test of Academic Proficiency (TAP) before registering for STT 399A55. For this reason students should take the State of Illinois Test of Academic Proficiency (TAP) (fee required) as early as possible.

**Major in Middle Level Teacher Education**

**Professional Requirements**

Leading to Illinois Professional Educator License: Middle Level Grades 5-8.

In addition, effective February 1, 2012 students who are applying for their Illinois Professional Educator License or additional endorsements must have a grade of C or better in all coursework required as part of their licensure program. This includes all endorsement areas, major courses and professional education.

**Content Area Requirements**

School of Teaching and Learning advisors will assist the Middle Level Teacher Education major in planning coursework in both the primary and secondary content areas.

A primary feature of the Middle Level Teacher Education program is the experience that the pre-service teacher gains in working with young adolescent youth in the school environment. Simultaneously with the course work in the categories previously described, the candidate in the program engages in a variety of clinical experiences working with students in middle schools.

Candidates completing the Middle Level professional education requirements above must choose two content areas for endorsement. Those areas include: Mathematics, English Language Arts, Social Studies, Science, or English Language Learner (EL).

**Middle Level Content Area Endorsement Options**

Candidates must complete the requirements below for a minimum of two areas.

**Middle Level Mathematics Endorsement (26 hours):**
- MAT 130, 131, 202, 302, 309, 312, and 314

**Middle Level English Language Arts Endorsement (24 hours):**
- TCH 235, 236, 237, and 238
- ENG 128 or 145, 243, and two courses from the following:
  - ENG 110, 130, 170, 272, or 375

**Middle Level Science Endorsement (25 hours):**
- BSC 101A01
- CHE 102 or 110 (with lab)
- GEO 102 and 207 or 211
- PHY 105 and 205 or 207
- TCH 239 and 351

**Middle Level Social Science Endorsement (25 hours):**
- ECO 101, 102, 103 or 105 (select one)
- GEO 135
- POL 106
Middle Level English Learner Endorsement (21 hours):
- ENG 143
- TCH 110, 235, 248, 320, 334
- One elective from:
  - ANT 143, 176, 185
  - SOC 108, 111, 220

Illinois State Board of Education licensure and endorsement requirements are subject to change. Students should consult their advisors for any changes in state requirements.

Minors and Endorsements

Endorsement in Reading for all Teacher Education Majors
Students may complete course work leading to the 24-hour reading teacher endorsement. To meet these state requirements, students must fulfill 18 hours in reading in categories designated by the State of Illinois, and two additional elective courses. A reading content exam is also required. Students should see an advisor to plan this coursework.

Minor in Bilingual Education

Endorsement in Bilingual Education for all Teacher Education Majors
Students may complete coursework leading to the 18-hour bilingual endorsement. This endorsement is in addition to the student’s initial area of endorsement (early childhood, elementary education, middle level education, etc.) and can be focused on the target language of the student’s choice. To meet these state requirements, students must fulfill 18 hours of coursework in categories designated by the State of Illinois as well as pass the State of Illinois Target Language Test. Students should see an advisor to plan this coursework. These courses include:
- TCH 110
- TCH 260 or 294 or 396
- TCH 319, 320, 321
- TCH 272 (MLE candidates will take 232 in place of 272)

Urban Education Study
Students working in urban populations may elect to complete Urban Education. Urban Education is not a certified area but is an elective option available to students in Elementary Education, Middle Level Education, Special K-12, High School, Early Childhood, and Special Education programs. Course content and Clinical Experiences are individually designed in keeping with the specific Teacher Education program of the student.

Clinical Experiences in Teacher Education
A variety of clinical (pre-student teaching) experiences, as well as student teaching, are included in the teacher candidates professional preparation. Observations, small and large group instruction, tutoring, field experiences, and student teaching are included in the Clinical Experiences Program. The experiences offered prior to student teaching are integral parts of specific college courses. Clinical experiences are provided in off-campus professional development schools, local schools and campus laboratory schools, agencies and other approved non-school settings. The Cecilia J. Lauby Teacher Education Center monitors and documents all clinical experiences. Teacher candidates will show verification of having completed clinical experiences commensurate with attaining local, state, and national standards. Teacher candidates must provide their own transportation to clinical experiences sites.

Candidates are required to provide documentation of meeting all State of Illinois, district, and university requirements in regard to criminal background checks BEFORE beginning any clinical experiences. Criminal background checks must remain current as of the last day of the clinical experience. Candidates should consult with clinical course faculty and the Cecilia J. Lauby Teacher Education Center well in advance of clinical experiences to determine specific requirements needed each semester.

The approximate number of clinical hours associated with each course offering can be found with the appropriate course description in this Undergraduate Catalog. The following legend relates to the kind of activity related to a specific course.

Clinical Experiences Legend
- Observation (including field trips)
- Tutoring one-on-one contact
- Non-instructional assisting
- Small group instruction
- Whole class instruction
- Work with clinic client(s)
- Graduate practicum
- Professional meeting

- 3 TCH 294 Early Childhood Education Clinical III (P: TCH 293 taken within 7 years; conc. reg. in TCH 274, 275, and 277; complete TB test, DCFS health form, and criminal check)
- 3 TCH 314 Curriculum, Planning, & Assessment in Early Childhood Classrooms (P: TCH 271 taken within 7 years; conc. reg. in TCH 293)
- 3 BSC 101A01 (or BSC 101) Fundamentals Concepts in Biology – For Elementary Teachers
- 3 CSD 115 Human Communication: Speech, Listening, & Hearing
- 3 GEO 135 World Geography
- 3 SED 101 The Exceptional Learner
- 12 STT 399A54 Student Teaching in Early Childhood Education

Take one of the following courses (P: 45+ earned hours):
- 3 EAF 228 Social Foundations
- 3 EAF 231 Introduction to Philosophy of Education
- 3 EAF 235 Historical Foundations

Take one of the following courses:
- 3 CHE 102 Chemistry & Society
- 3 PHY 102 Atoms to Galaxies

Take one of the following courses:
- 3 HIS 135 History of the United States to 1865
- 3 HIS 136 History of the United States Since 1865

Take one of the following courses:
- 3 POL 101 Citizens & Governance
- 3 POL 106 U.S. Government & Civic Practices

Take one of the following courses:
- 3 GEO 207 Natural Disasters
- 3 GEO 211 Earth’s Dynamic Weather

Take one of the following courses:
- 3 SED 205 Family, Professional, & Community Collaboration (P: SED 101)
- 3 SED 205A01 Family, Professional, & Community Collaboration: Early Childhood (P: SED 101)

Take one of the following courses:
- 3 ART 208 Arts for Early Childhood: Visual Arts (P: 30+ earned hours)
- 3 DAN 229 Arts for Early Childhood: Dance (P: 30+ earned hours)
- 3 MUS 278 Arts for Early Childhood: Music (P: 30+ earned hours)
- 3 THE 282 Arts for Early Childhood: Theatre (P: 30+ earned hours)

Complete one of the following options:
- 3 ECO 138 Economic Reasoning Using Statistics (P: MAT 120, 130, or 145)
- 3 POL 138 Quantitative Reasoning in Political Science (P: MAT 113, 120, 130, or 145) AND
- 3-4 Approved Economics class (ECO 101, 102, 103, or 105)

Choose one elective track from below (9 credit hours):
Consult an advisor to discuss elective track options early in the program.
English as a Second Language: TCH 248 or TCH 319; TCH 320 and 321
Reading Teacher: ENG 170, TCH 233 and 318
Special Education: SED 374 and 386 and TCH 318
Bilingual Education: TCH 272, 319, 320 and 321

Students choosing the elective options leading to State of Illinois-approved endorsement areas (English as a Second Language or Reading Teacher) can, with additional coursework, complete the requirements for that endorsement. Students choosing the Bilingual Education elective option can, with additional coursework, complete the requirements for the Bilingual Education minor.
MAJOR IN EARLY CHILDHOOD EDUCATION
(B.S. in Ed.)
Transfer Students

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents
_____ 3 C2 900 COM 110 Communication as Critical Inquiry
_____ 3 C1 900 ENG 101 or ENG 101A10 Composition as Critical Inquiry
_____ 3 C1 901 ENG 145 Writing in the Academic Disciplines

Mathematics (1 course required)
Please see major requirements for mathematics options
_____ 3 M1 902 ECO 138 or any IAI math

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.
_____ 3 P1 903L CHE 102 Chemistry & Society or P1 901L PHY 102 Atoms to Galaxies or P1 902 or P1 902L or P1 900L or P1 900
_____ 3 L1 900L BSC 101 Concepts in Biology or L1 910L

Humanities & Fine Arts (3 courses required)
At least 1 humanities and 1 fine arts course required
_____ 3 H2 904 HIS 135 or H2 905 HIS 136

Social & Behavioral Sciences (3 courses required)
Two different disciplines must be represented
_____ 3 S4 900N GEO 135 or S4 900N, or S4 903N
_____ 3 SS 900 POL 106
_____ 3 S3 900 ECO 105 Princ of Economics or S3 902 Princ of Micro, or S3 901 Princ of Macro

Additional Graduation Requirements
_____/120 minimum total credit hours
_____/42 minimum senior college hours

AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.
_____ 3 GEO 135 World Geography

† Admission to Professional Studies required
‡ Must meet the Test of Academic Proficiency (TAP) requirement

See graduation requirements for all Teacher Education majors in regard to State of Illinois requirements including edTPA.

Teaching and Learning Courses:

Major (min. 99 credit hours)

_____ 3 TCH 110 Cross Cultural Teaching & Learning (P: 30+ earned hours)
_____ 3 TCH 210 Child Growth & Development (P: 15+ earned hours)
_____ 3 TCH 267 Language Arts Methods in the EC Classroom (P: conc. reg. in TCH 276, 293, and 314)
_____ 3 TCH 268† Teaching Early Childhood Mathematics I
_____ 3 TCH 271† Prekindergarten Education (P: conc. reg. in TCH 268, 273, and 292; TCH 210 taken within 7 years)
_____ 3 TCH 273 Early Language and Literacy Learning (P: conc. reg. in TCH 268, 271, and 292)
_____ 3 TCH 275† Teaching Early Childhood Mathematics II (P: conc. reg. in TCH 274, 277, and 294; TCH 293 taken within 7 years)
_____ 3 TCH 276 Teaching Science in Early Childhood (P: conc. reg. in TCH 293; TCH 271 taken within 7 years)
_____ 3 TCH 277† Social Studies for Early Childhood (P: conc. reg. in TCH 274, 275, and 294; TCH 293 taken within 7 years)
_____ 3 TCH 278 Practices & Issues in Early Childhood Education (conc. reg. in STT 399A54)
_____ 3 TCH 292† Early Childhood Education Clinical I (P: C or better in TCH 210; conc. reg. in TCH 268, 271 & 273; complete TB test and criminal check)
_____ 3 TCH 293 Early Childhood Education Clinical II (P: C or better in TCH 271 within 7 years; conc. reg. in TCH 273, 275, and 314; complete TB and criminal check)
_____ 3 TCH 294† Early Childhood Education Clinical III (P: TCH 293 taken within 7 years; conc. reg. in TCH 274, 275, and 277; complete TB test, DCFS health form, and criminal check)
_____ 3 TCH 314 Curriculum, Planning, & Assessment in Early Childhood Classrooms (P: TCH 271 taken within 7 years; conc. reg. in TCH 293)
_____ 3 BSC 101A01 (or BSC 101) Fundamentals Concepts in Biology – For Elementary Teachers
_____ 3 CSD 115 Human Communication: Speech, Learning, & Hearing
_____ 3 GEO 135 World Geography
_____ 3 SED 101 The Exceptional Learner
12 STT 399A54 Student Teaching in Early Childhood Education

Take one of the following courses (P: 45+ earned hours):
_____ 3 EAF 228 Social Foundations
_____ 3 EAF 231 Introduction to Philosophy of Education
_____ 3 EAF 235 Historical Foundations

Take one of the following courses:
_____ 3 CHE 102 Chemistry & Society
_____ 3 PHY 102 Atoms to Galaxies

Take one of the following courses:
_____ 3 HIS 135 History of the United States to 1865
_____ 3 HIS 136 History of the United States Since 1865

Take one of the following courses:
_____ 3 POL 101 Citizens & Governance
_____ 3 POL 106 U.S. Government & Civic Practices

Take one of the following courses:
_____ 3 GEO 207 Natural Disasters
_____ 3 GEO 211 Earth’s Dynamic Weather

Take one of the following courses:
_____ 3 SED 205 Family, Professional, & Community Collaboration (P: SED 101)
_____ 3 SED 205A01 Family, Professional, & Community Collaboration: Early Childhood (P: SED 101)

Take one of the following courses:
_____ 3 ART 208 Arts for Early Childhood: Visual Arts (P: 30+ earned hours)
_____ 3 DAN 229 Arts for Early Childhood: Dance (P: 30+ earned hours)
_____ 3 MUS 278 Arts for Early Childhood: Music (P: 30+ earned hours)
_____ 3 CSD 282 Arts for Early Childhood: Theatre (P: 30+ earned hours)

Complete one of the following options:
_____ 3 ECO 138 Economic Reasoning Using Statistics (P: MAT 120, 130, or 145) OR
_____ 3 POL 138 Quantitative Reasoning in Political Science (P: MAT 113, 120, 130, or 145) AND
_____ 3-4 Approved Economics class (ECO 101, 102, 103, or 105)

Choose one elective track from below (9 credit hours):
Consult an advisor to discuss elective track options early in the program.
English as a Second Language: TCH 248 or TCH 319; TCH 320 and 321
Reading Teacher: ENG 170, TCH 233 and 318
Special Education: SED 374 and 386 and TCH 318
Bilingual Education: TCH 272, 319, 320 and 321

Choose one of the following elective tracks

Students choosing the elective options leading to State of Illinois-approved endorsement areas (English as a Second Language or Reading Teacher) can, with additional coursework, complete the requirements for that endorsement. Students choosing the Bilingual Education elective option can, with additional coursework, complete the requirements for the Bilingual Education minor.
MAJOR IN ELEMENTARY EDUCATION (B.S. in Ed.)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)
- 3 ENG 110 Communication as Critical Inquiry
- 3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

Mathematics (1 course required)
- 3 MAT 130 Dimensions of Numerical Reasoning

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences:
- 3 BSC 101 or 101A01 Fundamentals Concepts in Biology
- 3 CHE 102 or PHY 102

United States Traditions (1 course required)
- 3 HIS 135 or HIS 136

Individuals & Civic Life (1 course required)
- 3 POL 101 or POL 106

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***
- 3 ENG 170 Foundations in Literature for Children

Language in the Humanities (1 course required)***
- 3 GEO 135 World Geography

Quantitative Reasoning (1 course required)
Exempt for Elementary Education majors

Science, Math, & Technology (1 course required)
- 3 GEO 211 Earth’s Dynamic Weather

Social Sciences (1 course required)***
- 3 GEO 135 World Geography

Additional Graduation Requirements
- 120 minimum total credit hours
- 42 minimum senior college hours

AMALI requirement
***Certain courses in General Education fulfill the AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.
- 3 GEO 135 World Geography

† Admission to Professional Studies required
‡ Must meet the Test of Academic Proficiency (TAP) requirement

Major (110 credit hours)

- TCH 204 Elementary Education: Practices & Issues (P: TCH 210; conc. reg. in TCH 205 and 208)
- TCH 205 Elementary Education Clinical I (P: TCH 210; conc. reg. in TCH 204 and 208)
- TCH 208 Literacy I: Reading & Language Arts in Elementary Schools (P: TCH 210; conc. reg. in TCH 204 and 205)
- TCH 209 Literacy II: Reading & Language Arts in Elementary Schools (P: TCH 208 taken within 7 years)
- TCH 247 Science Inquiry in Elementary Schools (P: TCH 210)
- TCH 257 Science Methods*1 (P: TCH 247; Conc. reg. in TCH 258, 260, and 264)
- TCH 258 Social Studies Methods*1 (P: TCH 208 and 209 taken within 7 years; conc. reg. in TCH 257, 260, and 264; 90+ earned hours)
- TCH 260 Elementary Education Clinical II (P: conc. reg. in TCH 257, 258, 264)
- TCH 264 Language Arts Instructional Strategies*1 (P: TCH 208 and 209 or 235 or 267; 75+ earned hours)
- TCH 391 Teaching for Equity in Elementary Classrooms: Assessment, Collaboration, & Communication (P: conc. reg. in TST 399A50)
- COM 110 Communication as Critical Inquiry
- ENG 101 or ENG 101A10 Composition as Critical Inquiry
- ENG 170 Foundations in Literature for Children
- GEO 135 World Geography
- GEO 211 Earth’s Dynamic Weather
- KNR 222 Physical Education for Elementary Classroom Teacher (P: 30+ earned hours)
- MAT 119 College Algebra (or by placement) (P: CR for MAT 104 or placement)
- MAT 130 Dimensions of Numerical Reasoning (P: CR for MAT 102A01 or 104 or placement)
- MAT 152 Dimensions of Mathematical Reasoning (P: C or better in MAT 130)
- TCH 201 Teaching Mathematics in the Elementary School (P: C or better in MAT 130 and 152 or 202; 60+ earned hours; 2.5 cumulative GPA)
- SED 101 The Exceptional Learner

Take 1 of the following courses:
- 3 BSC 101 Fundamental Concepts in Biology
- 3 BSC 101A01 Fund Concepts in Biology: For Future Elem Teachers

Take 1 of the following courses (P: 45+ earned hours):
- 3 EAF 228 Social Foundations
- 3 EAF 231 Introduction to Philosophy of Education
- 3 EAF 235 Historical Foundations

Take 1 of the following courses:
- 3 CHE 102 Chemistry & Society
- 3 PHY 102 Atoms to Galaxies

Take 1 of the following courses:
- 3 HIS 135 History of the United States to 1865
- 3 HIS 136 History of the United States Since 1865

Take 1 of the following courses:
- 3 POL 101 Citizens & Governance
- 3 POL 106 U.S. Government & Civic Practices

Take 1 of the following courses:
- 3 ECO 101 Principles Of Microeconomics
- 3 ECO 102 Principles Of Macroeconomics
- 3 ECO 103 Individual & Social Choice (P: COM 110 or ENG 101 or conc. reg.)
- 4 ECO 105 Principles of Economics

Take 1 of the following courses:
- 3 ART 204 Arts for Elementary Schools: Visual Arts (P: 45+ earned hrs; 2.5 GPA)
- 3 DAN 283 Arts for Elementary Schools: Dance
- 3 MUS 277 Arts for Elementary Schools: Music
- 3 THE 281 Arts for Elementary Schools: Theatre

Take 1 of the following courses:
- TCH 210 Child Growth & Development (P: 30+ hours earned)
- TCH 210A01 Child Growth & Development: ECE (P: ECE majors only. 30+ hours earned)

Take 1 of the following courses, depending on which track is chosen (see below):
- 3 TCH 248 Foundations for Effective Practice with English Learners (P: TCH 210 or conc. reg.)
- 3 TCH 318 Effective Strategies for Teaching English Learners in the General Education Classroom (P: 30+ earned hours)

Choose one 9 hour elective track
Please consult with your academic advisor.

English as a Second Language Elective Track (9 hours):
TCH 205 and 248 as indicated as required above, plus the following:
- TCH 110 Cross Cultural Teaching And Learning (P: 30+ hours earned)
- TCH 320 Assessment of Bilingual Learners & Bilingual Program Design (P: Teacher Ed program and TCH 248 or 319)
- TCH 321 Methods and Materials for Bilingual and English Lang Learners (P: Teacher Ed program, TCH 248 or 319 or concurrent registration)

Reading Teacher Elective Track (9 hours):
- ENG 170, TCH 208, 209, 264, and 318 as indicated as required above, plus the following:
- 3 TCH 222 Reading Assessment (P: TCH 208 or 235 or 267 taken within seven years; or Education or Psychology measurement recommended)
- 3 TCH 223 Content Area Language and Literacy in Elementary Classrooms (P: 45+ hrs.; TCH 208 or conc. reg.)
- 3 TCH 224 Developing Readers Through Writing (P: 45+ hrs. completed)

Special Education Elective Track (9 hours):
- SED 101 and TCH 318 as indicated as required above, plus the following:
- 3 SED 193A04 Workshop Special Ed: Introduction To Asd & Related Disorders
- 3 SED 205 Family, Professional, And Community Collaboration (P: SED 101)
- 3 SED 369 Technology For Young Children With Disabilities (P: SED 101 or equivalent or consent of the dept. chair)

Diverse Learner Elective Track (9 hours):
TCH 318 as indicated as required above, plus the following:
- 3 SED 205 Family, Professional, And Community Collaboration (P: SED 101)
- 3 TCH 213 Technology And Learning In A Digital World (P: must be accepted into a Teacher Ed program or have consent of the instructor)
- 3 TCH 232 Urban Education: An Introduction

Endorsement #1:

Endorsement #2:
Dean: Jean Miller, 116 Center for the Visual Arts

https://FineArts.IllinoisState.edu

The College of Fine Arts offers majors in Art, Arts Technology, Dance, Music, and Theatre for students pursuing careers as professional artists, performers, scholars, and teachers. Degrees offered include the B.A., B.S., B.F.A., B.M., B.M.E., M.A., M.S., M.F.A., M.M., and M.M.Ed. We serve a variety of student talents and interests with our comprehensive, flexible curricula. The College creates a vibrant cultural environment for the campus, community, and region with hundreds of performances, exhibits and lectures each year.
ARTS TECHNOLOGY PROGRAM (ATK)  575

Director: Aaron Paolucci
116 Center for the Visual Arts
Phone: (309) 438-2875
Degrees Offered: B.A., B.S.

MAJOR IN ARTS TECHNOLOGY
The major in Arts Technology is a 55-hour interdisciplinary program in the College of Fine Arts that emphasizes theory, design, and practice in the application of computer technology to art, music, and theatre and dance. The degree provides undergraduate training and experiences in arts technology to better prepare students with a broad range of knowledge and skills in multimedia design, including digital video and sound, computer graphics and theatre design, digital and MIDI music, and Web design.

Admission and Retention Requirements
All students must undergo a portfolio review and/or an interview with the Arts Technology Admissions Committee before being admitted into the program. The Committee will evaluate admission requests from new beginning freshman, new transfer students, and internal transfers. The Arts Technology program reserves the right to maintain a balanced enrollment and the number of students wishing to enter the Arts Technology program may be restricted.

Students will be allowed to continue in the Arts Technology program who have met and continue to maintain a cumulative GPA of 2.50 and have demonstrated competency through an intermediate portfolio review.

Academic Requirements

- **Fine Arts Core**
  This group of courses provides the student with a basic experience in reading and performing music, visual arts experience in drawing and design, and interdisciplinary fine arts history study.

- **Arts Technology Core**
  This group of courses provides the student with a foundation of study in digital media and multimedia design.

- **Additional Fine Arts Study**
  This group of courses provides the student with fine arts training in the historical and theoretical foundations, skills, and performance and production experiences of the arts. Choose one area of Fine Arts emphasis from the schools of Art, Music, or Theatre and Dance.

- **Additional Arts Technology Study**
  Select from the following courses after completion of the Fine Arts Core, the Arts Technology Core, and the Arts Technology intermediate portfolio review. Multiple enrollments are allowed in ATK 300 and 380 with different topics or experiences.

- **Capstone Experience in Arts Technology**
  Internship in Arts Technology (ATK 398 or comparable culminating experience in multimedia design as approved by the program advisor e.g. ATK 260)

Major (55 credit hours)

2 ATK 201 Basic Skills in the Digital Arts
3 ATK 301 Web Design and Development
3 ATK 302 Computer Programming for Creatives
3 ATK 398† Professional Practice: Cooperative Education/Internship in Arts Micro-Computer Applications (P: ATK 201; 1 course from ATK 301, MUS 211, or ART 371; 2.5 GPA; 60+ earned hours)
2 MUS 101† Music Theory I (P: C or better in MUS 100)
2 MUS 102† Music Theory II (P: C or better in MUS 101)
1 MUS 107† Group Instruction in Basic Musicianship I (P: C or better in MUS 100)
1 MUS 108† Group Instruction in Basic Musicianship II (P: C or better in MUS 107)

Take 1 of the following courses:
3 ART 103 Visual Thinking: 2-D Fundamentals
3 ART 104 Visual Thinking: Drawing Fundamentals
3 ART 109 Visual Thinking: 3-D Fundamentals

Take 8 credit hours from the following courses:
At least 2 credit hours must be from MUS 118, 119, 121A10, or 126)
2 MUS 118 Beginning Guitar (P: must supply acoustic guitar)
2 MUS 119 Intermediate Guitar (P: MUS 118; must supply acoustic guitar)
2 MUS 121A10 Group Piano Non-Majors Level I
2 MUS 126 Group Instruction in Voice
2 Applied Music – may be repeated

Take 2 (6 credit hours) of the following courses:
Two different Schools must be represented
3 ART 155 Survey of Art I
3 ART 156 Survey of Art II
3 MUS 152 Experiencing Music
3 THE 170 Introduction to Film Art
3 THE 171 History of the American Film

Take 6 credit hours from the following Music electives:
(MUS 167, 175, 205, 207, 265, 360; up to 2 credit hours of a music ensemble)

Take 3 credit hours from the following courses:
1 ATK 300 Computer Arts Applications
3 ATK 380 Selected Topics in Arts Technology
3 ART 371 Digital 3-D (P: ART 103, 104, and 109)
3 THE 360 Computer-Based Art & Graphic Design (P: THE 160)

Take 3 credit hours from the following courses:
3 ATK 240 Sound Design 1: Beginning Digital Audio
1 ATK 300 Computer Arts Applications
3 ATK 340 Sound Design 2: Advanced Digital Audio (P: ATK 240)
3 ATK 345 Sequencing & Digital Audio
3 ATK 380 Selected Topics in Arts Technology

Take 3 (9 credit hours) additional Arts Technology electives:
(ATK 260, 300, 320, 340, 345, 380, 390; ART 371 or THE 360; ART 253, 351A24, 351A85; THE 367; additional courses approved by program advisor; multiple enrollments allowed in ATK 300 and 380 with different topics)

Accreditation
The School of Art is accredited in Division I by the National Association of Schools of Art and Design and the National Council for Accreditation of Teacher Education.

Academic Requirements
All incoming undergraduate students are initially enrolled in the B.A. or B.S. programs, depending on their interests. Those who wish to apply to the B.F.A. program do so no earlier than the first semester during their sophomore year. See below for further information on these degree programs and their requirements.

The School of Art expects regular class attendance and supports faculty members who choose to reduce course grades for lack of participation, including excessive absences.

Honors in Art
Art majors and B.F.A. candidates with superior academic records are invited to apply for admission to the School of Art Honors Program. Students successfully completing the Honors Program will receive the designation of Honors in Art in their field of study upon graduation. The student’s official academic transcript and diploma will be so noted.

Admission Requirements
The candidate must:

- Be a declared Art major or admitted to the B.F.A. program with at least 60 and not more than 90 hours of course work completed
- Have a minimum 3.30 overall GPA
- Have a minimum 3.50 School of Art GPA
- Submit a letter of recommendation from a faculty member in the student’s sequence (Studio Arts, Graphic Design, Art History, Teacher Education)
- Have demonstrated evidence of leadership by participating in student organizations or entering exhibitions or receiving recognition for written work
- Submit a letter of application to the School of Art Honors advisor

Honors Program Requirements
- Successfully complete a minimum of 3 hours of School of Art honors courses each semester for a total of 12 honors hours prior to graduation (2 specific honors courses; 2 honors independent study—299 courses)
- Initiate and complete a research project or honors portfolio under the direction of a faculty member in the student’s sequence
- Maintain a 3.30 overall GPA
- Maintain a 3.50 School of Art GPA
- Receive no grade less than B in any Art course while enrolled in the program
- Fulfill the general requirements for participation in the University Honors Program.

NOTE: Once admitted to the School of Art Honors Program, the honors candidate will be advised by the School of Art honors advisor, who must approve the candidate’s course of studies each semester.

Further details about the University Honors program are available at Honors.IllinoisState.edu.

Art Programs
Degrees Offered: B.A., B.S., B.F.A.

Major in Art (B.A., B.S.)

Academic Requirements
Students seeking admission to the Major in Art must comply with criteria established by the School of Art, including submission of a portfolio of work for review by the School. Students interested in the Art History Sequence will submit a statement explaining their interest in the field, in lieu of the portfolio. Specific requirements for the portfolio and statement may be obtained from the School office.

To graduate with a Major in Art (B.A., B.S.) students must complete all requirements of one of the School of Art's Sequences: Studio Arts, Graphic Design, Art History, or Teacher Education. They must also earn grades of C or better and maintain a 2.50 GPA in all courses taken in the School of Art, in addition to maintaining a cumulative GPA of at least 2.00. Individual sequences may have higher requirements. Courses in the Major may be repeated no more than once for the purpose of attaining the necessary minimum grade. Students may not enroll for the next course in a related series until the minimum grade in the prerequisite course is achieved. Incoming transfer students must retake courses considered equivalents to courses in the Major for which they earned lower than a grade of C. Students who do not meet these criteria will be placed on probation with the School of Art; a student placed on probation more than once will be dropped from the School.

Note: Admission to some Sequences in Art may be restricted by the lack of available School resources, especially in times of oversubscription.

All Sequences in the Major in Art require successful completion of the Art History Core, the Foundations program appropriate to that sequence, a series of courses specific to the chosen sequence, and electives in Art. Students must complete all Sequence Foundations courses before being permitted to continue in one of the sequences in the Art major; gifted students may be allowed to take 200-level courses in their areas of interest during the freshman year,
pending approval of the School. Students must also complete all Art History Core courses before they may enroll in 300-level Art History courses. Requirements for each Sequence are described below.

Students must make every effort to complete the required Foundations courses in their first three semesters in the program. Under most circumstances students will formally declare intention to enter a particular sequence in the Art major by the second semester of the sophomore year. Students will arrange to participate in screening requirements for their preferred sequence; those not accepted into competitive sequences may be reconsidered the following semester and should consult with appropriate faculty for advice before rescreening. Also in the sophomore year, students will begin enrolling in courses appropriate to their sequence of interest. In the case of the Studio Arts Sequence, this also requires declaring a specific Discipline Area in consultation with the School’s academic advisor.

Required courses for the various Disciplines are listed below.

### Studio Arts Sequence

**Degrees offered:** B.A., B.S.

The Studio Arts Sequence emphasizes both breadth and depth of competence in Studio-based Art disciplines. It expands students’ horizons beyond the Foundations level with work in a variety of media and disciplines. By requiring intensive study, it develops depth within at least one Studio Discipline Area (ceramics, drawing, glass, intaglio, lithography, metal-work and jewelry design, painting, photography, sculpture, video, wood/metal or expanded media) through the completion of a specific series of courses identified below (see Studio Discipline Areas). It likewise encourages exploration of new genres that break through traditional boundaries between disciplines and media. This sequence prepares students to work as visual arts professionals or pursue graduate studies.

Note: ART 201, 211, 307, 309 do not count toward the Studio Arts Sequence.

Note: Multiple enrollments are allowed in 300-level courses within the various Discipline Areas.

#### Discipline Areas in Studio Arts

Students in the Studio Arts Sequence will choose one of the following disciplines as a means of developing extended awareness and competence through intensive engagement in a particular area of the Studio Arts. The groups of courses shown below for each discipline include: (1) the courses required within that discipline (students will normally enroll in the initial course in the sophomore year), and (2) additional courses deemed appropriate for the discipline, which students are expected to include when selecting electives. These additional courses include Studio courses that fulfill the requirements for electives in Art noted above; they may also include non-Studio or non-Art courses that serve as general electives. Students are encouraged to consult with faculty members in their Discipline Areas for advice on choosing electives that will complement their individual interests.

- Ceramics
- Drawing
- Expanded Media
- Glass
- Intaglio
- Lithography
- Metalwork and Jewelry Design
- Painting
- Photography
- Sculpture
- Video
- Wood/Metal Design

### Graphic Design Sequence

**Degrees offered:** B.A. B.S.

Students in the Graphic Design sequence develop an understanding of topics such as design research, branding and identity, information design, typography, book arts, interactive design, image making, time-based narratives, multicultural design, and civic engagement. In addition, students may gain professional experience in a graphic design internship. Internships will require a competitive portfolio review.

Note: ART 201, 211, 307, 309 do not count toward the Graphic Design Sequence

#### Admission-Retention Requirements for the Graphic Design Sequence

Students can begin to take Graphic Design courses after they have completed the Art History core and Studio Art Foundation courses. There is no portfolio review for admission but students must have and maintain a major and cumulative 2.5 GPA. Students whose cumulative or major GPA falls below 2.5 will not be allowed to register for Graphic Design courses until the GPA has been raised to a 2.50 or higher. Consult the School of Art for further information on admission and retention in the Graphic Design sequence.
Art History Sequence
Degree offered: B.A.

The Art History Sequence provides students a solid grounding in the history of art on both introductory and advanced levels. In addition, the sequence includes exposure to related disciplines outside the visual arts, training in foreign language, and experience in advanced research and writing skills. Together, these requirements prepare students for effective graduate work in Art History or other fields and for positions in a variety of art- and non-art-related fields.

− In special circumstances, students may satisfy the Art History language requirement with a language other than “French, German, Italian or Spanish.” In such cases, the language(s) must be appropriate to the student’s plan of study and career goals. Alternate plans of language study must be approved by the Art History faculty in order to receive credit toward the sequence.

− It is recommended that students select electives in courses related to Art History offered by the following departments/schools: Anthropology; English; Languages, Literatures, and Cultures; History, Music; Philosophy; Theatre and Dance. Students are encouraged to consult with the Art History faculty for advice on choosing electives in Art History and other departments that will complement their own areas of interests. Faculty are also available for consultation on preparing for graduate school.

Note: ART 201, 211, 216, 307, and 309 do not count toward the Art History Sequence.

Note: Students may combine Art History and Studio by declaring a second Sequence in Studio Arts and fulfilling all requirements for both sequences. This will include submitting a portfolio of art work for admission.

Admission-Retention Requirements for Art History Sequence
Students will be admitted to the Art History Sequence with a minimum cumulative GPA of 2.50 and grades of B or better in ART 155 and 156. See the School of Art office for more information. Students will be allowed to continue in the sequence if they maintain a minimum cumulative and major GPA of 2.50.

Art Teacher Education Sequence
Degree offered: B.S

The Art Teacher Education Sequence is a program that emphasizes a comprehensive approach that supports state and national student learning standards and teaching performance standards in the visual arts. Also stressed are creative and critical thinking, studio techniques, understanding the learner and developing skills to become an effective teacher. Students completing this sequence are eligible to apply for teaching licensure with a K-12 endorsement for teaching art in the State of Illinois.

Part of entitlement program leading to teaching licensure with a Special K-12 endorsement. All Art majors planning to become licensed teachers must apply for and be admitted to the University Teacher Education program (see University-Wide Teacher Education program section of this Undergraduate Catalog). Grades of C or better in all Art and Education courses, and a 2.50 cumulative and major GPA are required for admission and retention in this sequence. Continuation in the Art Teacher Education Sequence is not automatic. Students’ performance will be evaluated each semester.

Students are encouraged to enroll in as many additional Art electives as their schedule and capabilities allow to deepen study in a single discipline.

Note: Students should take the State of Illinois Test of Academic Proficiency (TAP) (fee required) as early as possible. Students are required to pass the Illinois K-12 Art Content Exam, submit a Criminal Background Check and a negative TB test prior to student teaching.

The sequence in Teacher Education may also be combined with a sequence in Studio Arts, Graphic Design, or Art History. Pursuing a double sequence may require additional semesters. However, this option is strongly recommended to prepare students for teaching art. See catalog copy under the other sequences for further information, including Discipline Areas within the Studio Arts sequence.

Students are also encouraged to take coursework in Urban Education and Languages, Literatures, and Cultures.

Clinical Experiences in Teacher Education
A variety of clinical (pre-student teaching) experiences, as well as student teaching, are included in the teacher candidates professional preparation. Observations, small and large group instruction, tutoring, field experiences, and student teaching are included in the Clinical Experiences Program. The experiences offered prior to student teaching are integral parts of specific college courses. Clinical experiences are provided in off-campus professional development schools, local schools and campus laboratory schools, agencies and other approved non-school settings. The Cecilia J. Lauby Teacher Education Center monitors and documents all clinical experiences. Teacher candidates will show verification of having completed clinical experiences commensurate with attaining local, state, and national standards. Teacher candidates must provide their own transportation to clinical experiences sites. Candidates are required to provide documentation of meeting all State of Illinois, district, and university requirements in regard to criminal background checks BEFORE beginning any clinical experiences. Criminal background checks must remain current as of the last day of the clinical experience. Candidates should consult with
clinical course faculty and the Cecilia J. Lauby Teacher Education Center well in advance of clinical experiences to determine specific requirements needed each semester. The approximate number of clinical hours associated with each course offering can be found with the appropriate course description in this Undergraduate Catalog. The following legend relates to the kind of activity related to a specific course.

Clinical Experiences Legend
- Observation (including field trips)
- Tutoring one-on-one contact
- Non-instructional assisting
- Small group instruction
- Whole class instruction
- Work with clinic client(s)
- Graduate practicum
- Professional meeting

Minor in Art
Students must earn grades of C or better and maintain a 2.50 GPA in all courses taken in the School of Art, in addition to maintaining a cumulative GPA of at least 2.00. Individual sequences may have higher requirements. Courses in the minor may be repeated no more than once for the purpose of attaining the necessary minimum grade. Students may not enroll for the next course in a related series until the minimum grade in the prerequisite course is achieved. Incoming transfer students must retake courses considered equivalents to courses in the minor for which they earned lower than a grade of C. Students who do not meet these criteria will be placed on probation with the School of Art; a student placed on probation more than once will be dropped from the School.

Art History Sequence
- 24 hours in Art required, as follows:
  - 12 hours Art History Foundations:
    - ART 155, 156, 275, 290
    Students are strongly encouraged to complete ART 155 and 156 before registering in 200-level coursework.
  - 6 hours of electives in 200-level Art History courses, from the following:
    - ART 240, 241, 242, 244, 263, 264, 265, 266, 267, 279, 280, 281, 283
  - 6 hours of electives in 300-level Art History courses from the following:

Bachelor of Fine Arts Program
The Bachelor of Fine Arts (B.F.A.) degree program is a highly selective program oriented towards advanced professional study in the studio arts and graphic design. Students accepted into this program have additional opportunities beyond those of the B.A./B.S. programs to specialize in a particular studio art discipline and graphic design in preparation for graduate study for the M.F.A., the terminal degree in this field, and/or careers in professional art and graphic design fields. Further information on the B.F.A. program can be found in the School of Art office.

Major in Art
Degree offered: B.F.A.

After completing the core courses, ART 103, 104, 109, 155 and 156, a student can choose between the Studio Arts sequence or the Graphic Design sequence.

Studio Arts Sequence

Graphic Design Sequence

Admission-Retention Requirements for the B.F.A.
Studio Arts Sequence: Students may apply to the B.F.A. Degree program beginning in their sophomore year. Students seeking admission to the B.F.A. program must have a minimum 3.00 cumulative and major GPA and must submit a portfolio of creative work to the School of Art for the competitive review that is part of the admission process. Further information on admission requirements for the B.F.A. program is available from the School's undergraduate academic advisor. Students will be allowed to remain in the program if they maintain a minimum cumulative and major GPA of 3.00.

To graduate with a B.F.A., all Studio Arts sequence students are also required to organize and present a solo exhibition of their work during the final year. This exhibition must be accompanied by a public oral presentation, an exit portfolio and a written supportive statement approved by the student's B.F.A. faculty mentors.

Graphic Design Sequence: Students may apply to the B.F.A. Degree program during the spring semester in their sophomore year. Students seeking admission to the B.F.A. program must have a minimum 3.0 cumulative and major GPA and must submit a portfolio of creative work to the Graphic Design faculty for a competitive review. If a student drops below a 3.0 GPA or fails a required design course, the student will no longer be able to continue in the BFA sequence, but will be able to shift their design studies to the B.A./B.S. degree offering. Further information on admission requirements for the B.F.A. program is available from the School's undergraduate academic advisor.

To graduate with a B.F.A., all Graphic Design sequence students are also required to participate in and help organize a group exhibition with the other B.F.A. Graphic Design students.

GRAPHIC DESIGN SEQUENCE

Transfer Students

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents

| 3 | C2 900 | COM 110 | Communication as Critical Inquiry |
| 3 | C1 900 | ENG 101 or ENG 101A10 | Composition as Critical Inquiry |
| 3 | C1 901 | ENG 145 | Writing in the Academic Disciplines |

Mathematics (1 course required)
Please see major requirements for mathematics options

| 3 | ____________________________________________ |

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.

| 3 | ____________________________________________ |

Humanities & Fine Arts (3 courses required)
At least 1 humanities and 1 fine arts course required

| 3 | F2 901 | ART 155 Survey of Art I |
| 3 | F2 902 | ART 156 Survey of Art II |

Social & Behavioral Sciences (3 courses required)
2 different disciplines must be represented

| 3 | ____________________________________________ |
| 3 | ____________________________________________ |
| 3 | ____________________________________________ |

Additional Graduation Requirements

| /120 minimum total credit hours |
| /42 minimum senior college hours |

AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

| 3 | ____________________________________________ |

B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

| 3 | ____________________________________________ |

Major (54 credit hours)

| 3 | ART 103 Visual Thinking: 2-D Fundamentals |
| 3 | ART 104 Visual Thinking: Drawing Fundamentals |
| 3 | ART 109 Visual Thinking: 3-D Fundamentals |
| 3 | ART 155 Survey of Art I (P: ART 103, 104, 109) |
| 3 | ART 156 Survey of Art II |
| 3 | ART 202 Digital Media Design I |
| 3 | ART 216 Graphic Design History (P: ART 155 and 156) |
| 3 | ART 226 Graphic Design I (P: ART 103, 104, and 109) |
| 3 | ART 227 Graphic Design II (P: ART 103, 104, and 109) |
| 3 | ART 302 Digital Media Design II (P: ART 103, 104, 109, 202, & 227) |
| 3 | ART 315 Topics in Graphic Design (P: ART 103, 104, 109, & 227) |
| 3 | ART 323 Typography (P: ART 103, 104, 109, and 227) |
| 3 | ART 337 B.A./B.S. Senior Studio (P: ART 103, 104, 109, 302 and 323) |

Take a total of 15 hours of electives selected from the following 3 categories:

Studio Art Disciplines (3 hours):

| 3 | ART 213 Life Drawing I (P: ART 103, 104, 109) |
| 3 | ART 214 Drawing Composition (P: ART 103, 104, 109, 213) |
| 3 | ART 217 Animation: Drawing and Stop Motion (P: ART 103, 104, 109) |
| 3 | ART 235 Black and White Darkroom Photography (P: ART 103, 104, 109) |
| 3 | ART 236 Digital Photography (P: ART 103, 104, 109) |
| 3 | ART 245 Intaglio I (P: ART 103, 104, 109) |
| 3 | ART 246 Lithography I (P: ART 103, 104, 109) |
| 3 | ART 261 Painting I (P: ART 103, 104, 109) |
| 3 | ART 314 Topics in Drawing (P: ART 103, 104, 109) |
| 3 | ART 363 Color Theory (P: ART 103, 104, 109) |

Digital Media/Video (6 hours):

| 3 | ART 252 Video I (P: ART 103, 104, and 109) |
| 3 | ART 284 Expanded Media I (P: ART 103, 104, 109) |
| 3 | ART 371 Digital 3-D (P: ART 103, 104, and 109) |
| 3 | ATK 380 Selected Topics In Arts Technology |

Intermediate and Advanced Art History (6 hours):

Take 3 hours from 1 of the following:

| 3 | ART 279 Visual Culture (P: COM 110 and ENG 101) |
| 3 | ART 280 Modern Art (P: COM 110 and ENG 101) |
| 3 | ART 281 Contemporary Art (P: COM 110 and ENG 101) |
| 3 | ART 283 Global Modern/Contemporary Art (P: COM 110 and ENG 101) |

Take 3 300-Level Art History seminar course (3 hours):

Students are strongly encouraged to complete ART 363

Note: ART 201, 211, 307, 309 do not count toward the Graphic Design Sequence

- 3 ART 394 BFA Seminar (P: ART 103, 104, 109 and acceptance into the BFA program or consent of the instructor and School)

Take 2 (6 hours) of Art electives in the following discipline areas: ceramics, expanded media, metalwork and jewelry design, glass, sculpture, wood/metal

Take 2 (6 hours) of Art electives in the following discipline areas: drawing, intaglio, lithography, painting, photography, video

Take 1 additional 200-level Art History course in a pre-20th century period

Take 1 300-level Art History seminar course

Take 3 hours Art or Art History elective course
Consult with faculty member to determine an appropriate elective for their chosen course of study.

Take 33 additional hours in a specialization in any Discipline Area offered by the School and selected in consultation with the faculty mentors.
A specialization that combines Discipline Areas may also be developed in consultation with and must be approved by faculty mentors and the B.F.A. Committee of the School of Art.

NOTE: ART 201, 211, 307, 309 do not count toward the major.

Art Courses: https://coursefinder.illinoisstate.edu/directory/art/
The School of Art reserves the right to keep for demonstration and exhibition examples of work done by students for course requirements.

STUDIO ARTS SEQUENCE

Transfer Students

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents

- 3 C2 900 COM 110 Communication as Critical Inquiry
- 3 C1 900 ENG 101 or ENG 101A10 Composition as Critical Inquiry
- 3 C1 901 ENG 145 Writing in the Academic Disciplines

Mathematics (1 course required)
Please see major requirements for mathematics options

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.

- ___ 
- ___ 

Humanities & Fine Arts (3 courses required)
At least 1 humanities and 1 fine arts course required

- 3 F2 901 ART 155 Survey of Art I
- 3 F2 902 ART 156 Survey of Art II

Social & Behavioral Sciences (3 courses required)
2 different disciplines must be represented

- ___ 
- ___ 

Additional Graduation Requirements

- ___/120 minimum total credit hours
- ___/42 minimum senior college hours

Take 15 elective hours in Art (strongly encouraged to include ART 363)

Art Courses: [https://coursefinder.illinoisstate.edu/directory/art/](https://coursefinder.illinoisstate.edu/directory/art/)
The School of Art reserves the right to keep for demonstration and exhibition examples of work done by students for course requirements.

All Courses: [https://coursefinder.illinoisstate.edu/directory/](https://coursefinder.illinoisstate.edu/directory/)
Major Performing Ensemble Requirements
All students pursuing a Music major or minor degree program are required to participate and earn a passing grade in a major music-performing organization each semester they are enrolled in the University until the ensemble requirement is completed for their chosen degree sequence. Only one ensemble per semester will be counted toward the requirements for the completion of any music degree program. The ensemble should relate to the student’s major applied area. Upon reaching junior status, the student should sign up for ensembles at the 200-level. Choral ensembles that fulfill the ensemble requirement are Concert Choir, Madrigal Singers, Women’s Choir (Belle Voix), and Men’s Glee. B.M.E. choral students must enroll in the Concert Choir for a minimum of four semesters. B.M. voice performance students are required to audition for Opera and Musical Theater productions sponsored by the School of Music. Instrumental ensembles that fulfill the ensemble requirement are Symphony Orchestra, Jazz Ensemble I or II, Wind Symphony, Marching Band, Symphonic Winds, Symphonic Band, and Guitar Ensemble. B.M.E. instrumental-band students must enroll in Marching Band a minimum of two semesters.

Special Provisions
A major opera role may be substituted for one choral ensemble by juniors and seniors upon written approval of the School Director in response to a written request signed by the student, the applied teacher, and the General or Artistic Director of the Illinois Festival Opera. B.M. Keyboard Performance students may satisfy up to four semesters of their major ensemble requirement by taking Accompanying (MUS 240).

Enrollment Limitations
Enrollment in some music courses is limited to those students who have had auditions or who have secured the permission of the appropriate coordinator. Information concerning these course enrollment limitations is available from the School of Music.

Musical Instrument Storage
In the event that students choose to store musical instruments on campus in any building operated by the University, they hereby waive any and all liability of the University and its employees for the loss of or damage to such musical instruments by any cause whatsoever, including, but not limited to, fire, water, windstorm, or any other casualty, theft, or dampness or dryness of the air.

Music Programs
Degrees Offered: B.A., B.S., B.M., B.M.E.

Major in Music, B.A./B.S.
- 8 hours of performing organizations
  - Students must be enrolled for 1 hour credit in Wind Symphony, Symphonic Winds, Symphonic Band, Jazz Ensemble I or II, Marching Band, Symphony Orchestra, Men’s Glee, Women’s Choir (Belle Voix), Concert Choir, Madrigal Singers, or Guitar Ensemble (for guitar majors only) for at least 8 semesters
  - 6 semesters of MUS 110 Recital Attendance (transfer students must enroll in MUS 110 each semester on campus up to a total of 6 semesters). Note: Recital Attendance is a “zero credit” course.
  - B.A./B.S. Music Majors must pass level 3 piano proficiency. A syllabus of piano proficiency requirements is available in the School of Music office from the Group Piano Coordinator. Students with previously acquired piano skills may consult the Group Piano Coordinator if they wish to apply to receive credit for one or more levels of Group Piano without enrolling.
- Note: MUS 275A01 fulfills the General Education Fine Arts requirement and the AMAL requirement and IDS 121A03 fulfills the Language and Humanities requirement.
- Students fulfill MUS 100 requirement by taking MUS 100 or MUS 100A01 and MUS 100A02 for one hour each
- In addition, students must complete either the Liberal Arts Sequence or the Music Business Sequence requirements.
Liberal Arts Sequence
Degrees Offered: B.A., B.S.

Music Business Sequence
Degree Offered: B.S.
During the semester of their professional practice assignment (MUS 298A03), Music Business majors may request an exemption from one semester of the MUS 110 requirement in the B.A./B.S. in Music curriculum.

Minor in Music
- 24 hours in Music required
- Required courses:
  - *MUS 100 (2 semester hours) 101, 107
  - One course chosen from MUS 152, 153, 154, 157, 275A01
- All students pursuing a Music Minor degree are required to demonstrate a piano proficiency equivalent to that outlined for Level II Group Piano Instruction; 4 semesters of Applied Music (may include Group Instruction Voice or Piano); 2 semesters of MUS 110 (transfer students must enroll in MUS 110 each semester on campus up to a total of 2 semesters); 4 semesters of performing organizations.
- Electives to complete the required 24 hours
  *Students fulfill MUS 100 requirement by taking MUS 100 or MUS 100A01 and MUS 100A02 for one hour each

Major in Music Education
- A thirty (30) minute senior recital is required
- NOTE: For voice students, successful completion of MUS 127 is highly recommended before signing up for the 200-level jury
- NOTE: A syllabus of proficiency requirements is available in the School of Music office or from the Group Piano Coordinator. Students may receive proficiency credit through the placement/proficiency examination.
- Students fulfill MUS 100 requirement by taking MUS 100 or MUS 100A01 and MUS 100A02 for one hour each

Music Education and Conducting Requirements
- Complete core music education courses, including MUS 195, 262, 274, and required clinical experiences
- Complete one senior level methods course in area of student’s sequence (see sequence for required course)
- Complete MUS 167 (Beginning Conducting)
- Complete one Intermediate Conducting course in area of student’s sequence (see sequence for required course)

Electives
Electives should enhance the music education curriculum, as well as provide opportunities for the music education major to broaden his or her musical experiences. Classes in applied study, performing organizations, music methods and techniques, theory, composition, history, and literature are eligible for elective credit.

Admission to Professional Studies
All Music Education students planning to become licensed teachers must apply for and be admitted to the University’s Professional Studies program (see the University-Wide Teacher Education section of this Undergraduate Catalog). The student must be in compliance with the following requirements:
1. Complete all required courses
2. Meet all requirements in Gateways 1, 2, and 3. (See the Cecilia J. Lauby Teacher Education website)
3. Earn a grade of C or better in all Music and Professional Education courses
4. Have a minimum cumulative GPA of 2.75 and a major GPA of 3.00

Graduation Requirements
A cumulative GPA of 2.75 and a major GPA of 3.00 must be maintained, and a grade of C or better in all courses used for licensure.

Sequences
Students must also choose from one of the following sequences (All sequences lead to an Illinois teacher’s license in K-12 Music):

Choral-General-Vocal Sequence
- Enroll in one of the following major performing organizations each semester: Men’s Glee, Women’s Choir (Belle Voix), Concert Choir, or Madrigal Singers
- Participate in Choral Lab for seven (7) semesters

Choral-General-Keyboard Sequence
- Complete Applied/Group Voice (2 semesters, 2 hours each)
- Enroll in one of the following major performing organizations each semester: Men’s Glee, Women’s Choir (Belle Voix), Concert Choir, or Madrigal Singers
- Participate in Choral Lab for seven (7) semesters

Instrumental-Band Sequence
- Enroll in one of the following major performing organizations each semester: Wind Symphony, Symphonic Winds, Symphonic Band, Jazz Ensemble I or II, Marching Band, or Symphony Orchestra
- Students must enroll in a minimum of two (2) semesters of Marching Band and two (2) semesters of a concert band (Wind Symphony, Symphonic Winds, or Symphonic Band)
- Participate in Band Lab for seven (7) semesters

Instrumental-Orchestra Sequence
- Enroll in Symphony Orchestra each semester. String Bass majors may be assigned to a band performing organization that fulfills the requirement.
- Participate in Orchestra Lab for seven (7) semesters

Clinical Experiences in Teacher Education
A variety of clinical (pre-student teaching) experiences, as well as student teaching, are included in the teacher candidates professional preparation. Observations, small and large group
instruction, tutoring, field experiences, and student teaching are included in the Clinical Experiences Program. The experiences offered prior to student teaching are integral parts of specific college courses. Clinical experiences are offered in off-campus professional development schools, local schools and campus laboratory schools, agencies and other approved non-school settings. The Cecilia J. Lauby Teacher Education Center monitors and documents all clinical experiences. Teacher candidates will show verification of having completed clinical experiences commensurate with attaining local, state, and national standards. Teacher candidates must provide their own transportation to clinical experiences sites.

Candidates are required to provide documentation of meeting all State of Illinois, district, and university requirements in regard to clinical background checks BEFORE beginning any clinical experiences. Criminal background checks must remain current as of the last day of the clinical experience. Candidates should consult with clinical course faculty and the Cecilia J. Lauby Teacher Education Center well in advance of clinical experiences to determine specific requirements needed each semester. The approximate number of clinical hours associated with each course offering can be found with the appropriate course description in this Undergraduate Catalog. The following legend relates to the kind of activity related to a specific course.

Clinical Experiences Legend
- Observation (including field trips)
- Tutoring one-on-one contact
- Non-instructional assisting
- Small group instruction
- Whole class instruction
- Work with clinic client(s)
- Graduate practicum
- Professional meeting

Major in Music, B.M.
- 8 hours (semesters) of Major Performing Ensembles (See “Major Performing Ensemble Requirements” and special stipulations if outlined in each sequence.)
- 6 semesters of MUS 110 (0 credit hours) Recital Attendance (transfer students must enroll in MUS 110 each semester on campus up to a total of 6 semesters). Note: Recital Attendance is a “zero credit” course
- Completion of: 8 semesters of Applied Music on the major instrument at both 100 and 200 levels according to stipulations below for each sequence
- Students must also select 1 of the following sequences and complete requirements of that sequence
- A grade of C or better is required in all courses in the major including specific requirements of each sequence

Note: MUS 275A01 fulfills the General Education Fine Arts requirement and the AMALI requirement and IDS 121A03 fulfills the Language and Humanities requirement.
*Students fulfill MUS 100 requirement by taking MUS 100 or MUS 100A01 and 100A02 for one hour each.

All B.M. majors in the Piano Performance Sequence are required to demonstrate proficiency equivalent to that outlined for Functional Skills for Keyboard Majors (MUS 322). All majors in the Composition and Composition/Theory Emphasis Sequences are required to demonstrate proficiency equivalent to that outlined for Level IV of Group Instruction Piano (MUS 122A40). All other B.M. majors (except for Keyboard Performance Sequence, Composition Sequence and the Composition/Theory Emphasis Sequence) are required to demonstrate proficiency equivalent to that outlined for Level III of Group Instruction Piano (MUS 122A30). NOTE: A syllabus of proficiency requirements is available in the School of Music office from the Group Piano Coordinator. Students may receive proficiency credit through the placement/proficiency examination.

Keyboard Performance Sequence (Piano, Organ, Harpsichord)
- Perform one junior recital (30 minutes), and one senior recital (60 minutes)
- 4 hours of MUS 240 Accompanying. NOTE: This may be 4 of the 8 hours in Music performing organizations required of B.M. majors.

Music Composition Sequence
- 10 hours in MUS 205A01 and 205A02, at least 6 hours of 205A02

Students must request consent to register for MUS 205A02 from the composition faculty. When such a request is made, the composition faculty will conduct a review of the student’s academic and artistic progress, including a portfolio of the student’s compositions. The number of students given consent may vary depending on program capacity and qualifications of students in the pool. Students who are not granted consent may be advised to retake MUS 205A01 and request consent again.

NOTE: For voice students, successful completion of MUS 127 is highly recommended before signing up for the 200-level jury.

Composition/Theory Emphasis Sequence
- 8 hours in MUS 205A01 and 205A02, with at least 4 hours of 205A02

Students must request consent to register for MUS 205A02 from the composition faculty. When such a request is made, the composition faculty will conduct a review of the student’s academic and artistic progress, including a portfolio of the student’s compositions. The number of students given consent may vary depending on program capacity and qualifications of students in the pool. Students who are not granted consent may be advised to retake MUS 205A01 and request consent again.

New Media Composition Sequence
- Students must request consent to register for MUS 205A02 from the composition faculty. When such a request is made, the composition faculty will conduct a review of the student’s academic and artistic progress, including a portfolio of the student’s compositions. The number of students given consent may vary depending on program capacity and qualifications of students in the pool. Students who are not granted consent may be advised to retake MUS 205A01 and request consent again.
Voice Performance Sequence
- Voice students enrolled in Opera Practicum must also participate in a major choral ensemble. (NOTE See "Major Performing Ensemble Requirements.")

Band and Orchestra Instruments Performance Sequence
- Perform one junior recital (30 minutes), and one senior recital (60 minutes)

Classical Guitar Performance Sequence
- Perform one junior recital (30 minutes), and one senior recital (60 minutes)
- Guitar majors may fulfill the B.M. requirement of 8 hours in Music performing organizations with 8 hours of Guitar Ensemble (MUS 139A85/239A85)

Music Therapy Sequence
A student who completes the following requirements, including a Music Therapy internship as approved by the AMTA, will be eligible to take the Certification Board for Music Therapists, Inc. exam. The prospective Music Therapy student is encouraged to contact the Director of the Music Therapy program in the School of Music before beginning coursework.
- 6 semesters of MUS 110 (transfer students must enroll in MUS 110 each semester on campus up to 6 semesters)
- A grade of C or better is required in all courses in the sequence
- NOTE: Students whose major applied instrument is percussion, guitar, piano, or voice are required to substitute other music courses for the required group course representing their major instrument.
- Students fulfill MUS 100 requirement by taking MUS 100 or MUS 100A01 and 100A02 for one hour each.

Jazz Studies Sequence
Only available to students whose major instrument is one of the following: saxophone, trumpet, trombone, guitar, piano, bass, and percussion.
- 6 semesters of MUS 110 (transfer students must enroll in MUS 110 each semester on campus up to a total of 6 semesters)
- Perform one junior recital (30 minutes) and one senior recital (60 minutes)
- A grade of C or better in all courses in the major
- Students fulfill MUS 100 requirement by taking MUS 100 or MUS 100A01 and 100A02 for one hour each.

Applied Music Courses:
Applied Music: Saxophone: MUS 138A30, 238A30
Applied Music: Trombone: MUS 131A50, 231A50
Applied Music: Trumpet: MUS 131A10, 231A10
Applied Music: Piano: MUS 135, 235
Applied Music: String Bass: MUS 136A70, 236A70
Applied Music: Guitar: MUS 136A80, 236A80
Applied Music: Percussion: MUS 134, 234

Minor in Jazz Performance
- 24 hours in Music required
- Available only to instrumentalists on the following instruments: saxophone, trumpet, trombone, guitar, keyboard, bass, and percussion
- All students pursuing a Minor in Jazz Performance must be accepted into the School of Music by passing a performance audition on the student’s primary instrument
- Required courses:
  - *MUS 100, 101, 102, 123, 157, 201, 218, 222, 228
  - 2 hours of traditional/classical Applied Music on the primary instrument (MUS 131-138)
- All students pursuing a Minor in Jazz Performance are required to have a minimum of 4 semesters of MUS 110 (students do not receive course credit for completing the MUS 110 requirement) and 4 semesters of Jazz Ensemble (MUS 139A70 or 239A70, with a minimum of 1 hour each semester)
- Drum set players may substitute additional applied music hours for MUS 228
- Special note for Music majors taking this minor: Numerous courses required for the minor will have been completed in fulfilling requirements of the major. Because at least half of the credit hours for a minor must be distinct from any hours the student counts toward a major within the same department or school, students must complete at least 12 hours of approved Music coursework that is not applied toward meeting any requirements of the major.
  * Students fulfill this requirement by taking MUS 100 or MUS 100A01 and 100A02 for one hour each.

## Major in Music (B.A., B.S)
### Liberal Arts Sequence

**General Education (39 credit hours)**  
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

**Communication and Composition (2 courses required)**  
- 3 COM 110 Communication as Critical Inquiry  
- 3 ENG 101 or ENG 101A10 Composition as Critical Inquiry

**Mathematics (1 course required)**

**Natural Science/Natural Science Alternatives (2 courses required)**  
Students must complete 1 course from 2 different sciences.

**United States Traditions (1 course required)**

**Individuals & Civic Life (1 course required)**

**Fine Arts (1 course/3 credit hours required)***
Exempt for Music Liberal Arts majors

**Humanities (1 course required)***

**Language in the Humanities (1 course required)***
- 3 IDS 121A03 Text & Context: Music

**Quantitative Reasoning (1 course required)**

**Science, Math, & Technology (1 course required)**

**Social Sciences (1 course required)***

### Additional Graduation Requirements

- 120 minimum total credit hours
- 42 minimum senior college hours

**AMALI requirement**  
***certain courses in General Education fulfill the AMALI requirement  
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.  
- 3 MUS 275A01 World Arts: Music – Music Majors

**B.S. Science, Math, & Technology or B.A. LAN 115 (1 course required)**  
See the B.S.—SMT Requirement section of the catalog or the Course Finder website for a list of courses.

### Major (min. 42 credit hours)

- 1 MUS 100A01 Introduction to Music Studies: Theory and Collegiate Life  
- 1 MUS 100A02 Introduction to Music Studies: Music Literature  
- 2 MUS 101 Music Theory I (P: C or better in MUS 100A01)  
- 2 MUS 102 Music Theory II (P: C or better in MUS 101)  
- 1 MUS 107 Group Instruction in Basic Musicianship I (P: C or better in MUS 100A01)  
- 1 MUS 108 Group Instruction in Basic Musicianship II (P: C or better in MUS 107)  
- 1 MUS 122A10 Group Instruction in Piano Level I (P: conc. reg. in MUS 100A01)  
- 1 MUS 122A20 Group Instruction in Piano Level II (P: conc. Reg. in MUS 101)  
- 1 MUS 122A30 Group Instruction in Piano III (P: conc. reg. in MUS 102)  
- 2 MUS 201 Music Theory III (P: C or better in MUS 102)  
- 1 MUS 207 Group Instruction in Basic Musicianship III (P: C or better in MUS 108)  
- 3 MUS 253 Music History Until 1750 (P: IDS 121A03)  
- 3 MUS 254 Music History Since 1750 (P: IDS 121A03)  
- 3 MUS 275A01 World Arts: Music – Music Majors (P: Com 110 or ENG 101)  
- 3 IDS 121A03 Text & Context: Music (P: COM 110 and ENG 101 or conc. reg.)

All students majoring in Music Liberal Arts must take at least 4 semesters (8 credit hours) of Applied Music. (from MUS 131, 132, 133, 134, 135, 136, 137, 138, 231, 232, 233, 234, 235, 236, 237 or 238)

All students majoring in Music Liberal Arts must take 6 semesters (0 credit hours) of MUS 110 – Recital Attendance.

All students majoring in Music Liberal Arts must take 8 semesters (8 credit hours) of approved performance organizations.

   3 MUS 275A01 World Arts: Music - Music Majors (P: Com 110 or ENG 101)
   3 IDS 121A03 Text & Context: Music (P: COM 110 & ENG 101 or conc. reg.)
   3 TCH 210 Child Growth & Development (P: 15+ earned hours)
   2 TCH 212 The Teaching Profession in Secondary Schools (P: 45+ earned hours; 2.5 major & cum. GPA; ENG 101, COM 110)
   3 TCH 219 Integrating Multiple Literacies & Technology Across the Secondary Curriculum (P: TCH 212, 216; 2.5 major & cum. GPA)
   12 STT 399A28 Student Teaching in Music

Take 1 of the following courses:
   1 MUS 213 Jazz-Rock Aural Skills (P: MUS 207)
   1 MUS 214 Transcription (P: MUS 207)
   1 MUS 219 Advanced Sight Singing (P: MUS 207)

Take 1 of the following courses:
   2 MUS 220 Analysis through Composition (P: MUS 201)
   2 MUS 221 Advanced Chromaticism & Contemporary Analytic Techniques (P: C or better in MUS 201)
   2 MUS 222 Theoretical Foundations of Jazz & Rock Music (P: MUS 201)

Take 1 of the following courses:
   2 MUS 263F Advanced Teaching Methods: General Music (P: MUS 262; C or better in TCH 210 and 212)
   2 MUS 267F Secondary Teaching Methods: Choral (P: C or better in TCH 210 & 212)

Take 1 of the following courses (P: 45+ earned hours):
   3 EAF 228 Social Foundations
   3 EAF 231 Introduction to Philosophy of Education
   3 EAF 235 Historical Foundations

Take 5 additional Music Education electives:

Music Education majors must take at least 7 semesters (14 hours) of Applied Music.

Music Education majors must take 5 semesters (0 hours) of MUS 110 – Recital Attendance.

Music Education majors must take 7 semesters (7 credit hours) of approved performance organizations.

- 3 MUS 275A01 World Arts: Music – Music Majors

‡ Admissions to Professional Studies required

Music Courses:
https://coursefinder.illinoisstate.edu/directory/mus/

All Courses: https://coursefinder.illinoisstate.edu/directory/

Major (98 credit hours)

1 MUS 100A01 Intro to Music Studies: Theory and Collegiate Life
1 MUS 100A02 Introduction to Music Studies: Music Literature
2 MUS 101 Music Theory I (P: C or better in MUS 100A01)
2 MUS 102 Music Theory II (P: C or better in MUS 101)
1 MUS 104 Group Instruction in Brass (P: 15+ earned hours)
1 MUS 105 Group Instruction in Strings (P: 15+ earned hours)
1 MUS 107 Group Instruction in Percussion (P: 15+ earned hours)
1 MUS 116 Group Instruction in Basic Musicianship I (P: C or better in MUS 100A01)
1 MUS 117 Group Instruction in Double Reed Instruments (P: C or better in MUS 101)
1 MUS 122A10 Group Instruction in Piano I (P: conc. reg. in MUS 100A01)
1 MUS 122A20 Group Instruction in Piano II (P: conc. reg. in MUS 101)
1 MUS 122A30 Group Instruction in Piano I (P: conc. reg. in MUS 102)
1 MUS 122A40 Group Instruction in Piano IV (P: conc. reg. in MUS 201)
1 MUS 167 Basic Conducting
1 MUS 195 Introduction to Music Education
1 MUS 201 Music Theory III (P: C or better in MUS 102)
1 MUS 207 Group Instruction in Basic Musicianship III (P: C or better in MUS 108)
1 MUS 217 Student Teachers (P: MUS 274; TCH 210 & 212)
1 MUS 230 Seminar for Pre-Student Teachers (P: MUS 274)
3 MUS 253 Music History Until 1750 (P: IDS 121A03)
3 MUS 254 Music History Since 1750 (P: IDS 121A03)
2 MUS 261† Secondary Teaching Methods: Band (P: C or better in TCH 210 & 212)
2 MUS 262† Secondary Teaching Methods: General Music (P: C or better in TCH 210 and 212)
2 MUS 269 Intermediate Conducting: Instrumental (P: MUS 167)
2 MUS 274† Ensemble Methods I: Teaching Elem/JHS Band, Choir, Strings (P: MUS 195)
3 MUS 275A01 World Arts: Music - Music Majors (P: Com 110 or ENG 101)
3 IDS 121A03 Text & Context: Music (P: Com 110 & ENG 101 or conc. reg.)
3 TCH 210 Child Growth & Development (P: 15+ earned hours)
2 TCH 212 The Teaching Profession in Secondary Schools (P: 45+ earned hours; 2 major & cum. GPA; Com 110)
3 TCH 219 Integrating Multiple Literacies & Technology Across the Secondary Curriculum (P: TCH 212, 216; 2 major & cum. GPA)
12 STT 399A28 Student Teaching in Music

Take 1 of the following courses:

1 MUS 213 Jazz-Rock Aural Skills (P: MUS 207)
1 MUS 214 Transcription (P: MUS 207)
1 MUS 219 Advanced Sight Singing (P: MUS 207)

Take 1 of the following courses:

2 MUS 220 Analysis through Composition (P: MUS 201)
2 MUS 221 Advanced Chromaticism & Contemporary Analytic Techniques (P: C or better in MUS 201)
2 MUS 222 Theoretical Foundations of Jazz & Rock Music (P: MUS 201)

Take 1 of the following courses (P: 45+ earned hours):

3 EAF 228 Social Foundations
3 EAF 231 Introduction to Philosophy of Education
3 EAF 235 Historical Foundations

Take 5 additional Music Education electives:

Music Education majors must take at least 7 semesters (14 hours) of Applied Music.

Music Education majors must take 5 semesters (0 hours) of MUS 110 – Recital Attendance.

Music Education majors must take 7 semesters (7 credit hours) of approved performance organizations (including 2 semesters of marching band).

   1  MUS 100A01  Introduction to Music Studies: Theory and Collegiate Life
   1  MUS 100A02  Introduction to Music Studies Introduction to Music Studies: Music Literature
   2  MUS 101  Music Theory I (P: C or better in MUS 100A01)
   2  MUS 102  Music Theory II (P: C or better in MUS 101)
   1  MUS 107  Group Instruction in Basic Musicianship I (P: C or better in MUS 100A01)
   1  MUS 108  Group Instruction in Basic Musicianship II (P: C or better in MUS 107)
   1  MUS 122A10  Group Instruction in Piano I (P: conc. reg. in MUS 100A01)
   1  MUS 122A20  Group Instruction in Piano II (P: conc. reg. in MUS 101)
   1  MUS 122A30  Group Instruction in Piano I (P: conc. reg. in MUS 102)
   1  MUS 122A40  Group Instruction in Piano IV (P: conc. reg. in MUS 201)
   2  MUS 167  Basic Conducting
   2  MUS 201  Music Theory III (P: C or better in MUS 102)
   1  MUS 207  Group Instruction in Basic Musicianship III (P: C or better in MUS 108)
   3  MUS 253  Music History Until 1750 (P: IDS 121A03)
   3  MUS 254  Music History Since 1750 (P: IDS 121A03)
   3  MUS 275A01  World Arts: Music – Music Majors (P: Com 110 or ENG 101)
   3  MUS 303  Counterpoint (P: MUS 201 and 207)
   3  MUS 304  Orchestration (P: MUS 201 and 207)
   3  MUS 305  Topics in Music Analysis (P: MUS 220, 221, or 222, or concurrent enrollment, or consent of the instructor)
   2  MUS 342  Research Project in Music Theory (P: MUS 305 or conc. reg.)
   3  IDS 121A03  Text & Context: Music (P: COM 110 and ENG 101 or conc. reg.)

Take 1 hour from the following courses:
   1  MUS 213  Jazz–Rock Aural Skills (P: MUS 207)
   1  MUS 214  Transcription (P: MUS 207)
   1  MUS 219  Advanced Sight Singing (P: MUS 207)

Take 1 of the following courses:
   2  MUS 220  Analysis Through Composition (P: MUS 201)
   2  MUS 221  Advanced Chromaticism & Contemporary Analytic Techniques (P: C or better in MUS 201)
   2  MUS 222  Theoretical Foundations of Jazz & Rock Music (P: MUS 201)

Take 2 (6 credit hours) additional Music electives:
(MUS 355 (A01, A02, A03, A04, A05), 356 (A01, A02), 391, 392, 394, 395, 396)
   ___  ____________________________  ____________________________

Take 8 hours of MUS 205A01 and 205A02 (at least 4 hours of 205A02)
   ___  ____________________________  ____________________________  ____________________________  ____________________________

All students majoring in Music Composition must take at least 7 semesters (14 credit hours) of Applied Music. (2 hours must be 200–level)
   ___  ____________________________  ____________________________  ____________________________

All students majoring in Music Composition must take 6 semesters (0 credit hours) of MUS 110 – Recital Attendance.
   ___  ____________________________  ____________________________  ____________________________

All students majoring in Music Composition must take 8 semesters (8 credit hours) of approved performance organizations.
   ___  ____________________________

Grades of C or better is required in all courses in the major.
For voice students, successful completion of MUS 127 is highly recommended before signing up for the 200-level jury.
Level IV piano proficiency is required for this sequence.

MUSIC COMPOSITION/THEORY EMPHASIS SEQUENCE (B.M.)

Transfer Students

Illinois Articulation Initiative (min. 37 credit hours)
To be eligible for IAI, at least one transfer course must have been articulated to an IAI core requirement. Refer to the Undergraduate Catalog for a complete list of IAI courses and policies.

Communication and Composition (3 courses required)
A grade of C or better required in ENG 101 and 145 or equivalents

- 3  C2 900  COM 110  Communication as Critical Inquiry
- 3  C1 900  ENG 101  or  ENG 101A10  Composition as Critical Inquiry
- 3  C1 901  ENG 145  Writing in the Academic Disciplines

Mathematics (1 course required)
Please see major requirements for mathematics options

- ____________

Physical & Life Sciences (2 courses/7-8 hours required)
Students must complete 1 life science and 1 physical science course; at least 1 course must have a lab.

- ____________

Humanities & Fine Arts (3 courses required)
At least 1 humanities and 1 fine arts course required

- ____________
- ____________

Social & Behavioral Sciences (3 courses required)
2 different disciplines must be represented

- ____________
- ____________
- ____________

Additional Graduation Requirements

- 120 minimum total credit hours
- 42 minimum senior college hours

AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

- 3  MUS 275A01  World Arts: Music – Music Majors

Major (79 credit hours)

- 1  MUS 100A01  Introduction to Music Studies: Theory and Collegiate Life
- 1  MUS 100A02  Introduction to Music Studies: Introduction to Music Studies: Music Literature
- 2  MUS 101  Music Theory I (P: C or better in MUS 100A01)
- 2  MUS 102  Music Theory II (P: C or better in MUS 101)
- 1  MUS 107  Group Instruction in Basic Musicianship I (P: C or better in MUS 100A01)
- 1  MUS 108  Group Instruction in Basic Musicianship II (P: C or better in MUS 107)
- 1  MUS 122A10  Group Instruction in Piano I (P: conc. reg. in MUS 100A01)
- 1  MUS 122A20  Group Instruction in Piano II (P: conc. reg. in MUS 101)
- 1  MUS 122A30  Group Instruction in Piano III
- 2  MUS 167  Basic Conducting
- 2  MUS 201  Music Theory III (P: C or better in MUS 102)
- 1  MUS 207  Group Instruction in Basic Musicianship III (P: C or better in MUS 108)

All Courses: https://coursefinder.illinoisstate.edu/directory/
THEATRE AND DANCE (THD) 570
212 Centennial West, (309) 438-8783
https://IllinoisState.edu/finearts
Director: Janet Wilson

General School Information
By participating in the programs in the School of Theatre and Dance, the student grants the University the right to use or display original works (or copies of works regardless of medium). The University may use the works as demonstration or exhibition examples of student work, on University websites, or for other educational/archival purposes. If the student objects to the display or use of the work, please contact the Director of the School of Theatre and Dance via email.

Admission Requirements
All students who intend to pursue the Acting, Dance, or Dance Teacher Education Sequences are required to participate in an audition for admission. Students intending to pursue the Design/Production Sequence must participate in a portfolio review/interview for admission. Information concerning an admission audition or a portfolio review/interview is available from the School of Theatre and Dance.

Curricular Requirements/School Requirements
Theatre and Dance students are bound by the requirements in this Undergraduate Catalog and those found in the School of Theatre and Dance Production Handbook.

Production Program Participation
Majors participate in the School of Theatre and Dance production program through an audition process as actors and dancers and through assigned design/production positions. Details outlining the casting process are found in the School of Theatre and Dance Production Handbook. All majors are required to enroll in THE 102 Theatre Practicum for four semesters (2 credit hours) during their degree program in order to gain experience in and provide support for the School of Theatre and Dance production program. (Minors are required to enroll for a total of 1 credit hour.) Students who wish to earn credit for performance or design/production experiences may elect to enroll in THE 302 Theatre Practicum for 1, 2, or 3 hours of credit.

Interdisciplinary Minors
The School of Theatre and Dance participates in interdisciplinary minors at the University. Coursework offered by the School contributes to the following minors: African-American Studies, African Studies, Civic Engagement and Responsibilities, Ethnic Studies, International Studies, and Native American Studies. Coursework also contributes to the minor in Women’s and Gender Studies. For further information on these minors and their advisors, please consult the Interdisciplinary Studies Programs section in this Undergraduate Catalog.

Theatre and Dance Programs
Degrees Offered: B.A., B.S.
Major in Theatre
Acting Sequence

Dance Sequence
— Continuation in this sequence after the freshman year is by consent of the Dance faculty
— Students who are deficient in dance technique may be required to begin at a lower-level technique course (DAN 104, 106, or 119)
— Courses may be repeated (multiple enrollments allowed). Promotion to each level is at the discretion of the instructor. Deficiency hours will be in addition to the 55 hours required for this sequence. Information concerning admission auditions is available from the School of Theatre and Dance.

Design/Production Sequence
Note: If repeated, the following courses may be used as electives after the first 3 hours of credit: THE 332, 333, 335, 363

Theatre and Film Studies Sequence

Dance Teacher Education Sequence
— Part of entitlement program leading to a professional educator license: secondary 9-12 endorsement.
— 100 clock hours minimum of pre-student teaching clinical experiences
— The School strongly recommends Dance Teacher Education candidates to complete an endorsement in a second teaching field if planning to teach in a high school setting.
— Students who are deficient in dance technique may be required to begin at a lower-level technique class (DAN 104, 106, or 119)
— Courses may be repeated (multiple enrollments are allowed). Deficiency hours will be in addition to the 69 hours required for this sequence. Information concerning admission auditions is available from the School of Theatre and Dance

Note: All Teacher Education students are required to pass the State of Illinois Test of Academic Proficiency (TAP) in reading, writing and mathematics, or submit qualifying ACT or SAT scores. For this reason, students should submit their scores or take the State of Illinois Test of Academic Proficiency (TAP) (fee required) as early as possible.

Theatre Teacher Education Sequence
— Part of entitlement program leading to a professional educator license: secondary 9-12 endorsement
— Students are required to enroll in THE 185/285 for a minimum of 1/2 credit hour their first semester and to complete a total of 4 credit hours of prescribed field activities in Theatre Education as a part of their program.
— The School strongly recommends that Theatre Teacher Education candidates complete an endorsement in a second teaching field.
— Time Limit on Teacher Education courses: In order to provide teacher candidates with current information and meet required standards, all undergraduate Theatre Teacher
Education courses (THE 185, 280, 285, 385) have a longevity of seven (7) years. The Theatre Teacher Education Program reserves the right to not accept any course older than seven years to fulfill the requirements of the program. If a course has been taken beyond a seven year period, the course may not count towards the Theatre Teacher Education degree.

Note: All Teacher Education students are required to pass the State of Illinois Test of Academic Proficiency (TAP) in reading, writing and mathematics or submit qualifying ACT or SAT scores. For this reason, students should take the State of Illinois Test of Academic Proficiency (TAP) (fee required) as early as possible.

**Minor in Theatre**
- 24 hours in Theatre required
- Required courses:
  - THE 101, 102 (1 hour)

- 24 hours Theatre and Dance required
- Required courses:
  - DAN 112, 125, 205, 207, 219, 305, 319, 372, 373, THE 102 (1 hour)
  - DAN 261
- Students wishing to be admitted to the Minor in Dance must apply and audition through the School of Theatre and Dance. The number of students admitted each year is limited and is based on space availability and the competitiveness of the applicant pool. Additional information regarding application forms and auditions for the Minor in Dance is available at the School of Theatre and Dance website. Students must have a minimum of six semesters of college work remaining to satisfy the sequencing requirements of this minor.
- Students in this minor must be sufficiently proficient in ballet, jazz, and modern dance to be placed in the 200-level technique courses by audition. This minor may require more hours than listed for students with studio deficiencies.

Clinical Experiences in Teacher Education
A variety of clinical (pre-student teaching) experiences, as well as student teaching, are included in the teacher candidates professional preparation. Observations, small and large group instruction, tutoring, field experiences, and student teaching are included in the Clinical Experiences Program. The experiences offered prior to student teaching are integral parts of specific college courses. Clinical experiences are provided in off-campus professional development schools, local schools and campus laboratory schools, agencies and other approved non-school settings. The Cecilia J. Lauby Teacher Education Center monitors and documents all clinical experiences. Teacher candidates will show verification of having completed clinical experiences commensurate with attaining local, state, and national standards. Teacher candidates must provide their own transportation to clinical experiences sites.

Candidates are required to provide documentation of meeting all State of Illinois, district, and university requirements in regard to criminal background checks BEFORE beginning any clinical experiences. Criminal background checks must remain current as of the last day of the clinical experience. Candidates should consult with clinical course faculty and the Cecilia J. Lauby Teacher Education Center well in advance of clinical experiences to determine specific requirements needed each semester.

The approximate number of clinical hours associated with each course offering can be found with the appropriate course description in this Undergraduate Catalog. The following legend relates to the kind of activity related to a specific course.

**Clinical Experiences Legend**
- Observation (including field trips)
- Tutoring one-on-one contact
- Non-instructional assisting
- Small group instruction
- Whole class instruction
- Work with clinic client(s)
- Graduate practicum
- Professional meeting

6 hours of DAN 105/205/305:

4 hours of DAN 107/207/307:

6 hours of DAN 219/319*:

† Admission to Professional Studies required
Consult with advisor for planning; some courses are offered once every four semesters.

The School of Theatre & Dance highly advises all Dance Education majors to be endorsed in a second teaching field.

Note: Students who are deficient in dance technique or do not make continual progress will have to begin in a lower-level technique course (DAN 104, 106, 119). Promotion to each level is at the discretion of the instructor. Deficiency hours will be in addition to the 69 hours required for this sequence.

Mission
Mennonite College of Nursing at Illinois State University creates a dynamic community of learning to develop exceptionally well-prepared nurses who will lead to improve health outcomes locally and globally. We promote excellence in teaching, research, service, and practice with a focus on the vulnerable and underserved. We are committed to being purposeful, open, just, caring, disciplined, and celebrative.

Accreditation
The Nursing program is fully accredited by the Commission on Collegiate Nursing Education, One Dupont Circle, NW Suite 530, Washington, D.C. 20036; (202) 887-6791; and also is approved by the Illinois Department of Professional Regulation. The College is a member of the American Association of Colleges of Nursing.

General Information
Information regarding degree program admissions and deadlines, student advising, student supports and services, scholarships, faculty and staff, and policies and procedures of Mennonite College of Nursing can be found at: https://Nursing.IllinoisState.edu
Student Handbooks can be found at https://nursing.illinoisstate.edu/studentlife/resources/student-handbooks/

Degrees Offered:
BSN
- Traditional Prelicensure BSN
- Accelerated BSN
- RN to BSN

Traditional Prelicensure BSN Sequence
- Students are admitted to the program as Direct Admits in their freshman year at Illinois State University or as External Transfers in their junior year. Comprehensive admission and program information can be found at https://Nursing.IllinoisState.edu
- Direct Admit students must maintain a 2.5 cumulative ISU GPA once they earn 24 credit hours and a 2.0 cumulative ISU GPA once they begin NUR 222, 225, 229, 239. Obtaining a D or F in any two nursing major courses or in the same nursing major course twice will result in a dismissal from the major and a major change to undeclared at Illinois State University.
- External Transfer students must maintain a 2.0 cumulative ISU GPA once they begin NUR 222, 224, 225, 229, 237, 239. Obtaining a D or F in any two nursing major courses or in the same nursing major course twice will result in a dismissal from the major and a major change to undeclared at Illinois State University.
- All Traditional Prelicensure BSN students must maintain consecutive fall-spring enrollment. Any student who has not been enrolled in nursing coursework for more than one fall or spring semester or who has been academically dismissed must reapply to the College. Readmission will be granted on a selective basis. Application timeframes and processes are available from the nursing academic advisor.

Accelerated BSN
- The Accelerated BSN is designed for students with a previous bachelor’s degree in a non-nursing major, seeking to complete fast-tracked BSN. Comprehensive admission and program requirements can be found at https://Nursing.IllinoisState.edu
- Accelerated BSN students must maintain a 2.0 cumulative ISU GPA once they begin NUR 222, 224, 225, 229, 237, 239. Obtaining a D or F in any two nursing major courses or in the same nursing major course twice will result in a dismissal from the major and a major change to undeclared at Illinois State University.
- All Accelerated BSN students must maintain consecutive fall-spring enrollment. Any student who has not been enrolled in nursing coursework for more than one fall or spring semester or who has been academically dismissed must reapply to the College. Readmission will be granted on a selective basis. Application timeframes and processes are available from the nursing academic advisor.

RN to BSN Sequence
- The RN to BSN Sequence is for students who are registered nurses seeking to complete the BSN degree.
- Comprehensive admission and program requirements can be found at https://Nursing.IllinoisState.edu
- 34 hours of escrow credit from the student’s RN diploma school or Associates Degree in Nursing program are held until the student completes NUR 223, 227, and 236. At that time the 34 hours of escrow credit are placed on the student’s transcript for credit of the following nursing courses: NUR 229, 231, 314, 316, 317, and 325.

- RN to BSN students must maintain a 2.0 cumulative ISU GPA. Obtaining a D or F in any two nursing major courses or in the same nursing major course twice will result in a dismissal from the major and a major change to undeclared at ISU.

- External Transfers into this sequence may use all of the following courses in combination to fulfill the IAI Life Science requirement: Microbiology - BSC 160 or 260; Anatomy and Physiology I - BSC 181 or KNR 181/183; Anatomy and Physiology II - BSC 182 or KNR 182/184. This waiver is also fulfilled if the student completed a Microbiology and two Anatomy/Physiology courses that transfer into Illinois State University as electives.

- Students in the RN to BSN Sequence are expected to follow an approved plan of study developed in consultation with the student at the time of admission. Any student who does not adhere to their approved plan of study, or who has been academically dismissed from the major, must reapply to the college. Readmission will be granted on a selective basis. Application timeframes and processes are available from the nursing academic advisor.

**Student Health Requirements**

Nursing is a rigorous profession requiring physical flexibility and mobility (i.e. lifting patients, moving equipment, and responding quickly in emergency situations). Students are expected to receive a physical examination upon acceptance to the program. Awareness of one’s physical limitations is vital in ensuring patient safety. Compliance with health and immunization requirements is expected of all undergraduate students. Any student needing to arrange a reasonable accommodation for a documented disability should contact Student Access and Accommodation Services at 350 Fell Hall, 438-5853, Fax: (309) 438-7713, Email: ableisu@ilstu.edu.

**Criminal Background Screenings**

All students enrolled in the Mennonite College of Nursing undergraduate program will be required to complete criminal background screenings (including fingerprinting) prior to enrollment in designated clinical rotations. Students who have been convicted of committing or attempting to commit certain crimes specified in the Health Care Worker Background Check Act (225 ILCS 46/25, et seq.) may be ineligible to continue in the nursing program.

**Drug Screening**

All students are required to undergo drug screening with negative results to maintain eligibility for the undergraduate nursing program.

MAJOR IN NURSING

PRELICENSURE SEQUENCE (B.S.N)

General Education (39 credit hours)
Refer to the General Education section of the Undergraduate Catalog for a complete list of General Education requirements and courses.

Communication and Composition (2 courses required)

   3  COM 110 Communication as Critical Inquiry

   3  ENG 101 or ENG 101A10 Composition as Critical Inquiry

Mathematics (1 course required)

   MAT 113 or 120

Natural Science/Natural Science Alternatives (2 courses required)
Students must complete 1 course from 2 different sciences.

   5  CHE 110 and 112 OR CHE 140

   One natural science class exempt for Nursing majors

United States Traditions (1 course required)

Individuals & Civic Life (1 course required)

Fine Arts (1 course/3 credit hours required)***

Humanities (1 course required)***

Language in the Humanities (1 course required)***

Quantitative Reasoning (1 course required)

   3-4 ECO 138, POL 138, PSY 138, MAT 150 or MQM 100

Science, Math, & Technology (1 course required)

   4  BSC 160 Microbiology & Society

Social Sciences (1 course required)***

   3  PSY 110 Fundamentals of Psychology

Additional Graduation Requirements

   /120 minimum total credit hours

   /42 minimum senior college hours

AMALI requirement

***certain courses in General Education fulfill the AMALI requirement
See the AMALI Requirement section of the catalog or the Course Finder website for a list of courses.

Nursing Courses:
https://coursefinder.illinoisstate.edu/directory/nur/

All Courses:
https://coursefinder.illinoisstate.edu/directory/

Major (min. 96 credit hours)

   3  NUR 222 Psychomotor Skills for Nursing (P: NUR 224 and 237; NUR 225, 229, and 239 or conc. reg.)

   1  NUR 224* Contemporary Professional Nursing

   4  NUR 225 Health Assessment of the Adult (P: NUR 224 and 237; NUR 222, 229, and 239 or conc. reg.)

   6  NUR 229 Adult Nursing I (P: NUR 224 and 237; NUR 222, 225, and 239 or conc. reg.)

   7  NUR 231 Adult Nursing II (P: NUR 224, 225, 229, 237, 239; NUR 316, 336, and 339 or conc. reg.)

   1  NUR 237† Cultural & Spiritual Dimensions in Healthcare: Prelicensure

   3  NUR 239 Pathophysiology & Pharmacotherapeutics in Nursing I: Prelicensure (P: NUR 224 & 237; NUR 222, 225, 229 or conc. reg.)

   6  NUR 314 Psychiatric & Mental Health Nursing (P: NUR 231, 316, 336, and 339)

   4  NUR 316 Maternal Infant Nursing (P: NUR 224, 225, 229, 237, and 239; NUR 231 and 339 or conc. reg.)

   4  NUR 317 Nursing Care of Children (P: NUR 231, 316, 336, and 339; NUR 329 and 314 or conc. reg.)

   7  NUR 325 Adult Nursing III (P: NUR 314, 329, and 317 or conc. reg.)

   2  NUR 326 Gerontological Nursing (P: NUR 314, 329, and 317 or conc. reg.)

   6  NUR 327 Leadership Dimensions of Nursing (P: NUR 314 and 317; NUR 325, 326, and 329 or conc. reg.)

   5  NUR 329 Public Health Nursing: Prelicensure (P: NUR 231, 316, 336, and 339; NUR 314 or conc. reg.)

   3  NUR 336 Research & Theory for Evidence-Based Practice (P: NUR 224, 225, 229, and 239)

   3  NUR 339 Pathophysiology & Pharmacotherapeutics in Nursing II: Prelicensure (P: NUR 239)

   4  BSC 160 Microbiology & Society (P: COM 110; ENG 101; MAT 113, 120, 130, or 145)

   4  BSC 181 Human Physiology & Anatomy I

   4  BSC 182 Human Physiology & Anatomy II (P: BSC 181)

   3  FCS 102 Fundamentals of Human Nutrition

   3  HSC 105 Medical Terminology

   3  PSY 213 Lifespan Development (P: PSY 110 or 111; COM 110 and ENG 101 or conc. reg.)

Choose one of the following options:

   4/1  CHE 110/112 Fundamentals of Chemistry & Laboratory

   4  CHE 140 General Chemistry I (P: C or better in MAT 119; or C or better in MAT 120 or 144 or 145 or conc. reg.)

Take one of the following courses:

   3  ECO 138 Economic Reasoning Using Statistics (P: MAT 120, 130, or 145)

   4  MAT 150 Fundamentals of Statistical Reasoning (P: C or better in MAT 113, 120, 130, or 145)

   3  MQM 100 Statistical Reasoning† (P: MAT 120, 121, 144, or 145)

   3  POL 138 Quantitative Reasoning in Political Science (P: MAT 113, 120, 130, or 145)

   3  PSY 138 Research in Psychology Using Statistics (P: C or better in MAT 120, 121, 144, or 145)

†Courses required prior to: NUR 224 and 237:

COM 110; ENG 101; Health Assessment of the Adult

1 of the following: MAT 113, 120, 130, BSC 181, HSC 105

Courses prior to or conc. with NUR 224 and 237:

BSC 160, 182

CHE 110 and 112, or 140

FCS 102

PSY 110, 213

One of: ECO/POL/PSY 138 or MAT 150 or MQM 100 or conc. reg.
**MAJOR IN NURSING**
