

Congratulations
GRADUATES
Class
— OF —
2025

ILLINOIS STATE
UNIVERSITY
Illinois' first public university

MAY 2025 • 166TH ANNUAL
Commencement

DEAR GRADUATES,

Congratulations!

In the coming days, you will hear this word from family, friends, mentors, instructors, and fellow graduates. Embrace it—you've earned every accolade, and today marks the culmination of your hard work. You've earned the title of "graduate," and you also deserve the celebration.

You entered this space as a college student. Soon, you will cross the stage, shake a few hands, and receive a diploma cover adorned with "Illinois State University." You'll turn your tassel to the other side of your mortarboard and leave here as one of our alumni, joining the global community of graduates who have come before you, totaling more than 240,000 strong.

There are just a few moments in life that remain etched in memory, and from experience, I can tell you this is one of those moments. Your years of study now culminate with the conferring of something very precious and valuable—your degree.

Take time to savor this moment and reflect with gratitude upon the many people who supported you along your academic journey—your professors, coaches, mentors, family, and friends. As you move forward, whether into your career, further academic pursuits, or wherever your dreams may take you, I hope you carry with you always the encouragement and enriching experiences from your time at Illinois State University.

Remember, your connection with the University and the friendships you've made here are lasting. Stay in touch with your fellow graduates and professors. Attend events on campus as you are able, and keep your alma mater close. Your legacy as an Illinois State University graduate means you will forever be a Redbird.

Once again, congratulations!

Sincerely,

Aondover Tarhule, Ph.D.

President, Illinois State University

**ILLINOIS STATE
UNIVERSITY**

Illinois' first public university

Illinois State University holds a special place among colleges and universities in the state, having been founded in 1857 as the first public institution of higher learning in Illinois.

From humble beginnings in a rented building in Downtown Bloomington, the University today stands as a living symbol of the dreams of such individuals as Jesse Fell, who led the effort to form Illinois State University, and Abraham Lincoln, who, as an attorney, drafted the documents founding the institution.

Now in its 168th year, Illinois State University is a comprehensive institution with 136 degree programs at the bachelor's, master's, and doctoral levels. Since 1857, more than 278,342 degrees have been conferred by the University. As of fall 2024, Illinois State University has a total enrollment of 21,546 students.

The academic programs of Illinois State are complemented by a rich blend of offerings in the fine arts. The University is one of the leading cultural centers in the Midwest. Braden Auditorium brings to Central Illinois audiences performing artists and famous speakers, adding to the excellent and diverse offerings of the University.

Enriched by the foundations of an illustrious past, Illinois State looks with confidence to a future filled with opportunity and promise.

Undergraduate students are eligible to participate in commencement if they will have completed requirements for graduation during the current spring semester or the summer session following May commencement.

Graduate students are eligible to participate in commencement if they will have completed all program requirements by the published deadlines.

The roster of candidates listed in this program is a compilation of all those eligible to participate. It should not be construed as an official list of those who have received or will receive a university degree.

Information in this program is accurate as of April 4, 2025. Students who completed the graduation application process after then are not included in this program. All honor designations are based on the students' last graded semester prior to commencement. For example, eligibility for honor distinction for students graduating in May or August (commencing in May) is based on the previous fall semester.

ACADEMIC REGALIA

Academic regalia of robe and hood are believed to have had their beginnings at the English universities of Oxford and Cambridge during the 12th and 13th centuries. The hoods are a carryover from the times when monks, who operated the universities, wore them to protect their shaved heads in winter or to collect alms when worn as shoulder capes.

Use of the academic robe came to the United States in 1754 with the founding of what is now Columbia University. In 1895 a commission of university officials adopted a universal code of design and color for academic garb, which has undergone various revisions, the latest in 1960.

Styling of robes varies for the bachelor's, master's, and doctoral degrees; the width of border and length of hood increase with the type of degree. The color of the hood lining designates the colors of the institution granting the degree—in the case of Illinois State University the colors are red and white.

GRADUATE DEGREES

The colored borders of the hoods of the candidates for graduate degrees indicate the field of study. Doctor of Philosophy (Ph.D.) candidates wear royal blue, Doctor of Education (Ed.D.) candidates wear light blue, Doctor of Audiology (Au.D.) candidates wear silver gray, and Doctor of Nursing Practice (D.N.P.) candidates wear apricot.

TASSELS

The colors of the tassels on the caps of the candidates for undergraduate degrees are red and white, representing the University colors. The tassel colors for graduate degrees are black for the master's degrees and gold for the doctoral degrees.

CORDS

Many departments belong to national honor societies. Students belonging to these organi-

zations receive cords of various colors. The colors of the cords received by undergraduate students who are eligible for degrees with honor distinction comprise gold (summa cum laude), lavender (magna cum laude), white (cum laude), and red (Honors Program Scholars).

PRESIDENT'S MEDALLION

The inscription *Almus Auctor* is Latin for "beloved counselor," reminding us of the University's role as counselor, mentor, friend, and partner. The central symbols represent the formative part the University plays in the lives of those it touches: The upper left suggests education, the continuing goal of the University and its graduates; the lower left, the growth of the University and all who are touched by it; the upper right, research, the pursuit of truth essential to its excellence; and the lower right, the broader community and the strong influence toward better living the University exerts upon it.

BONE SCHOLARS

Several undergraduate students are designated annually as Bone Scholars, in honor of former President Robert G. Bone. The Robert G. Bone Scholars have earned the highest honor Illinois State can bestow on an undergraduate. Only 14 Bone Scholars are selected each year across the entire university. They receive a medallion. Bone Scholars are students who combine superior academic records with full personal development through campus and community activities. Nominations to this honor are made by faculty members, and selection of new Bone Scholars is coordinated through the Honors Program. The candidates for the bachelor's degree who have received this honor are indicated in the departmental/school listings by an asterisk (*) after their names.

DEGREES WITH HONOR DISTINCTION

A student must have completed at least 30 semester hours at Illinois State University to be eligible for a degree with distinction. Students who have an accumulated grade point average of 3.90 through 4.00 are graduated summa cum laude, those with a GPA of 3.80 through 3.89 are graduated magna

cum laude, and those with a GPA of 3.65 through 3.79 are graduated cum laude. To be eligible for honor distinction recognition at commencement, all grades earned at Illinois State University are counted in computing the grade point average except those earned during the final spring semester if graduation requirements are completed in the spring or summer. Students who qualify for honor distinction recognition at commencement receive an appropriate cord as part of their academic regalia.

Diploma and transcript notations of graduating cum laude, magna cum laude, and summa cum laude are based on the total grade point average, including the final semester.

HONORS PROGRAM DESIGNATIONS

Students receiving Honors in the Major recognition are graduating from the Honors Program having completed special requirements within their majors. Students receiving this distinction are indicated in the departmental/school listings by a solid diamond (◆) after their names.

Students who have met the general Honors Program requirements earn the designation of Honors Program Scholar. Those receiving this distinction are indicated in the departmental/school listing by an open circle (○) after their names. They wear red cords.

MILITARY SERVICE RECOGNITION

Commissioned officers are those students who have been attending Illinois State University and participated in the Reserve Officers' Training Corps (ROTC). ROTC is a college program designed to prepare students in basic military matters while the students earn a degree in order for them to enter into one of the branches of service as an officer. Upon graduation from the University, students are commissioned into their chosen branch of service, attend their required additional military training, and go on to lead in the United States military.

Military veterans are those students who have already served their country. Upon completion of their contracts and earning an honorable discharge, these students attended Illinois State University and are now graduating with their degrees in their respective fields. Veterans at Illinois State University come from all of the branches of service, and their enlisted time ranged from

one year to 20-plus years of service to their country.

Some students attend Illinois State University while still serving their country. Illinois State University is home to many students who are serving as active, reserve, or National Guard soldiers.

Veteran and military graduates receive red, white, and blue cords and are indicated in the departmental/school listings by a (‡) after their names.

POINTS OF PRIDE

Mennonite College of Nursing's (MCN's) 2024 NCLEX pass rate was 96%. This is well above the state average of 87% and the national average of 91%.

The \$18 million expanded Mennonite College of Nursing Simulation Center on our Normal campus includes virtual reality, advanced simulation technology, areas for interdisciplinary collaboration, student support, research capabilities, and enhanced clinical educational settings. This building provides a high-quality educational experience, promoting collaboration, innovation, and belonging.

MCN is addressing the nursing shortage by adding MCN's Springfield location. Students at this location follow our traditional Bachelor of Science in Nursing plan of study while being immersed in Memorial Health's hospital network.

More than 140 private scholarships are awarded every year just for MCN students. Admitted nursing students can apply with one application.

MCN offers a variety of graduate nursing programs, each offering a flexible learning experience and pairing students with engaged faculty members.

Nursing is both an art and a science. It is a unique and delicate balance of cutting-edge technology, evidence-based practice, and holistic compassionate care. And it isn't just a profession—it is a calling. You are here because you were called to care for others.

Every single patient needs and deserves quality care and kindness. Nurses provide this. They listen, think critically, advocate for all of their patients, and do not judge. They respect the dignity and religious beliefs of those for whom they care, and they do all they can to conserve life, alleviate suffering, and promote health.

You have already made an impact on your patients through your classroom and clinical experiences here. Now, you can go out and step into the world and make an even bigger impact. Remember to open your eyes, ears, and heart to a continuing pursuit of knowledge and understanding, because that will be vital to your success in achieving positive health outcomes for your patients, the surrounding community, and the world around you.

Congratulations, class of 2025! We are so proud of each of you and excited to see what the future holds for you! Please keep us informed about your accomplishments by emailing Alumni@IllinoisState.edu.

College of Arts and Sciences

Campus Box 4100
Normal, IL 61790-4100
(309) 438-5669
CAS.IllinoisState.edu

As the University's largest and most intellectually diverse college, the College of Arts and Sciences serves as Illinois State's academic and cultural core, impacting all students through its general education program. Our commitment to teaching and learning, research, scholarly and creative activity, and service transforms thinking and knowledge. Our liberal arts foundation develops lifelong learners from diverse backgrounds who have the tools to meet the challenges of an increasingly complex and changing global society.

The College of Arts and Sciences is the home of:

- 16 departments and schools in the humanities, social sciences, mathematics, and natural sciences.
- 28 bachelor's degree programs, including 11 distinct secondary teacher education programs.
- 19 master's degree programs and five doctoral degree programs.
- The Eckelmann Speech and Hearing Clinic in the Department of Communication Sciences and Disorders, which provides training for students and services for patients.
- The School of Communication where students can gain professional experience through student-run media such as TV-10, WZND, and the Vidette.
- The University's award-winning solar car team in the Department of Physics.

On behalf of the faculty of the College of Arts and Sciences, congratulations to the graduating class of 2025! We are so very proud of all that you have accomplished during your time in the College of Arts and Sciences at Illinois State University. We wish you the very best as you embark on your next adventure.

Your arts and sciences education has exposed you to a breadth of tools and perspectives that will prepare you for a lifetime of career choices. The natural sciences, social sciences, and humanities may employ very different methods and perspectives, but every single field within arts and sciences, in its own way, seeks answers to the same fundamental questions—about the nature of our world and our humanity. You have learned how to think critically, communicate orally and in writing, collect and analyze data, understand diverse perspectives, and ask the right questions when confronted with a problem. I ask you to use the education you have acquired to the benefit of your communities and your world.

Although you are graduating, you will always be a member of the Redbird family. We encourage you to stay connected with our college and your former professors, join the Alumni Association, and visit us on campus whenever you can. I encourage you to not only give back to the College of Arts and Sciences by supporting college activities, programs, and scholarships, but also by keeping us updated on the many achievements you will experience in your careers and personal lives. We will always take great pride in your achievements, and we will be rooting for you!

I join you in thanking families and friends who have supported you during your time with us. I also offer my sincere thanks to everyone in the College of Arts and Sciences who has contributed to your success at Illinois State University.

Please accept the college's sincerest congratulations on this amazing milestone. Your life path may take unexpected twists and turns, but I know that you can become all that you wish to be. Go ahead and set your sights on new opportunities—you are ready!

A handwritten signature in cursive script that reads "Heather E. Dillaway".

Dr. Heather Dillaway, Dean

THE COLLEGE OF EDUCATION AT ILLINOIS STATE UNIVERSITY ...

Is among the largest preparers of teachers in the U.S.

Has more than 60,000 alumni serving in all 50 states and in 69 countries.

Provides more than \$908,000 in scholarships to 447 students each year to support their academic progress.

Is among the top 10 colleges offering degrees in education in the U.S. according to *College Factual*.

Is among the top 100 best graduate schools for education according to *U.S. News and World Report*.

On behalf of the faculty and staff in the College of Education, I am extending my sincere congratulations to you on your graduation! Thank you for selecting Illinois State University for some or all of your academic preparation in pursuit of your career goals. I am also grateful to you for dedicating your career to the field of education.

As a Redbird educator or education leader, you are among more than 60,000 Illinois State alumni who are making a positive and lasting impact on the lives of thousands of students every day. You are well on your way to creating your own legacy in education as a graduate from the College of Education. We are among the largest preparers of teachers in the nation. Being large is not enough, though. You have completed a rigorous program of study from faculty who are respected experts in education and educational leadership. Our faculty engage in ongoing research to ensure that the content and methods shared and discussed in classrooms and clinical settings has prepared you for the classrooms and administrative roles of today and into the future.

Your learning does not end with your graduation from Illinois State. Continue to refine your skills and engage in professional development as you progress in your career. Remain in contact with those who have mentored you along the way, and seek additional mentors as you pursue your career.

Finally, I encourage you to express gratitude to all those who have supported you along the path of your success. You have accomplished so much to get where you are today, but I imagine you did not achieve all the accomplishments alone. Your supporters and mentors will greatly appreciate your acknowledgement.

All the best on your future professional success.

A handwritten signature in black ink, which appears to read "Todd McLoda".

Dr. Todd McLoda, Interim Dean

POINTS OF PRIDE

Fine Arts students have participated in arts and culture study abroad experiences in the Czech Republic, Italy, and the UK.

Fine Arts students have successfully built careers in film and digital media, video and illustration, game design, audio and music production, VR/XR, arts administration, and the music business.

Wonsook Kim College of Fine Arts students excel in music, art, theatre, and dance teacher education, and are considered to be exemplary role models for learning and teaching throughout Illinois schools.

The Big Red Marching Machine enrolls more than 400 students who play at Athletics events, Homecoming, community activities, and have competed internationally at the St. Patrick's Day Parade in Dublin, Ireland, most recently in March 2025.

School of Theatre, Dance, and Film students are regularly recognized at the Kennedy Center American College Theatre Festival (KCACTF) Region 3, this year competing as finalists in the areas of acting, music theatre intensive, and production design. Dancers attend the annual American College Dance Association (ACDA) where they present faculty- and student-choreographed works.

Submissions by graphic design students were selected as finalists for the national Flux student design competition held by AIGA Baltimore.

Students from the Schools of Art, Creative Technologies, and Theatre, Dance, and Film were recognized as finalists this year in the annual Image of Research and Three Minute Thesis Competitions.

Congratulations, Wonsook Kim College of Fine Arts class of 2025! You have shown remarkable creativity, grit, and passion throughout your time here. Your experience with us has prepared you not only with the technical skills of your discipline but also with the ability to think critically, nurture curiosity, and innovate fearlessly. These qualities will guide you as you launch your professional careers and make your mark on the world. You have left an indelible impression on the college, and we are eager to see where life takes you next.

I want to acknowledge the important role your support networks have played in championing your journey. Their encouragement and sacrifices have been a vital part of your success. Today, all of you share in the joy of this incredible milestone. The degree you receive today is a reflection not only of your hard work, but also of the people who have stood by you. A hearty congratulations and thank you to all those who believed in your arts and design aspirations.

As graduates, you now join a distinguished group of artists, designers, performers, educators, and scholars who have made lasting contributions to their fields, their communities, and their world. We proudly welcome you into this vibrant community, confident that you will continue to inspire and lead wherever your path may take you. Please keep in touch with us, with your faculty, with your mentors, and, of course, your fellow alumni. We look forward to celebrating your future successes and impact.

What a great day to be a Fine Arts Redbird!

A handwritten signature in black ink, appearing to read "Scott R. Irelan".

CAST.IllinoisState.edu

THE COLLEGE OF APPLIED SCIENCE AND TECHNOLOGY AT ILLINOIS STATE UNIVERSITY ...

Is home to eight departments and schools housed in 13 buildings on campus, plus the University Farm at Lexington and the Horticulture Center.

Has 4,896 students and approximately 250 faculty and staff members.

Has over 70 majors or sequences.

Has 23 nationally accredited programs.

Includes Gamma Phi Circus, the oldest collegiate circus in the United States.

Is home to over 40 active registered student organizations.

Congratulations, graduates, on behalf of the entire College of Applied Science and Technology (CAST) faculty and staff across our academic units—Department of Agriculture, Department of Criminal Justice Sciences, Department of Family and Consumer Sciences, Department of Health Sciences, Department of Military Science, Department of Technology, School of Information Technology, and School of Kinesiology and Recreation.

Today, we are proud to celebrate your accomplishments at Illinois State University with your family and friends at this commencement ceremony. While we tend to think of this ceremony as the end of your academic journey at Illinois State, the term “commencement” means a beginning, or refers to blazing a new trail. Today is a perfect day to celebrate the culmination of your degree, and our CAST faculty and staff are also excited today to consider with you the great journeys that lay ahead as you pursue your future professional goals and aspirations.

One of the ties that binds our academic programs together in CAST is the “A” in that acronym, the term “Applied.” With the applied and experiential learning you have experienced during your time at Illinois State, you are well-prepared to make meaningful contributions to society and to make a difference in your chosen field. We are confident in your abilities to apply yourself to solve the real-world problems confronting us today and in the future. You have been challenged academically to move from theoretical concepts to applied learning, and you are prepared to take on the new challenges that await you.

We are proud of all you have accomplished, and I am confident that you will make Illinois State University and the College of Applied Science and Technology even more proud during the adventures ahead. I look forward to hearing about all your accomplishments. Please come back to campus often to share your stories and successes with fellow Redbirds and share your achievements at Alumni@IllinoisState.edu. Congratulations and best wishes!

A handwritten signature in cursive script, reading "Chad McEvoy".

THE COLLEGE OF BUSINESS AT ILLINOIS STATE UNIVERSITY ...

Holds the gold standard in professional accreditation: dual accreditation from AACSB International in business and in accounting, a distinction held by less than 2% of business colleges in the U.S.

Ranks among *Bloomberg Businessweek* magazine's top 75 undergraduate business programs in the nation.

Is recognized by the Risk and Insurance Management Society (RIMS) as a Midwestern RMI Powerhouse.

Is ranked in the 2021 edition of *U.S. News & World Report* as one of the Best Part-time MBA Programs.

Ranks as one of the top accounting programs in the nation for students with advanced degrees based on the results of the uniform CPA examination.

STUDENT SPEAKER

Ella Sharp is a marketing major with sequences in analytics and communications. She was involved in Alpha Kappa Psi Professional Business Fraternity, Business Week, the Student Government Association, and the Student Leadership Advisory Board. She was awarded

the Kenneth T. Sr. and Deborah A. Glover Endowed Scholarship, O'Brien Family Scholarship, Outstanding Senior in Integrated Marketing Communications, Jim Doyle and Susan Anfin Award, the COUNTRY Financial EDI Award, the COUNTRY Financial Integrated Marketing Communication Award, and now, the Jack North Student Leadership Award. Sharp has accepted a full-time position as a web content specialist at Motorola Solutions.

Congratulations! The faculty and staff of the College of Business commend you on your graduation from one of the top-accredited business schools in the United States. You have successfully met the challenges of a rigorous and demanding education. We are very proud of your accomplishments.

Our college has over 40,000 alumni who serve in important positions of responsibility in businesses across the country and all over the world. Thanks to the accomplishments of our alumni, the value of a degree from the College of Business continues to rise year after year.

As you prepare to start a new chapter of your life, you are well-equipped to make meaningful and significant contributions to business and society. You have developed knowledge and skills that are highly valued in business today and that will serve you well into the future—leadership, critical thinking, communication, ethics, and deep content knowledge in your chosen area of business. College of Business graduates also understand that advanced learning does not end with this important milestone. The same curiosity for learning that brought you to the College of Business at Illinois State University will continue throughout your professional career.

In years to come, some of your fondest memories about the College of Business will be the classmates with whom you studied and the faculty and staff who contributed the extra time to ensure that you had a world-class business education. I ask that you not only maintain a personal network with your classmates but also stay in touch with the College of Business. Return often to share your knowledge, success, and professional passion with the next generation of business leaders. I ask that you “pay it forward.”

Sincere congratulations to each of you and best wishes for continued success.

A handwritten signature in dark ink that reads "Ajay Samant".

Dr. Ajay Samant, Dean

THE COLLEGE OF ENGINEERING AT ILLINOIS STATE UNIVERSITY ...

Is currently enrolling its first cohort for the fall of 2025 semester.

Has three initial programs of study that are being offered: electrical engineering, mechanical engineering, and general engineering.

Is developing an industry-informed and industry-involved curriculum for students to meet the needs of businesses in Illinois, nationally, and internationally.

Greetings and welcome to the College of Engineering!

The College of Engineering is the newest college at Illinois State University. We will welcome our first group of students in the fall of 2025 and graduate our first students in the spring of 2029. I am extremely proud of the mission of the college and the programs we are building.

Our students will become the engineers of tomorrow and be career-ready on day one. The College of Engineering will emphasize project-based learning and applied research, while actively demonstrating the societal impact engineers make across broad communities. Our vision is to become a leader in educating engineers and to lead the way in transforming engineering education to graduate more students from diverse backgrounds.

We value student success, and to ensure success, we will utilize proven support systems such as: early alert programming; a state-of-the-art first-year engineering program; tutorial and supplemental instruction; facilitated study groups; support for student engineering competitions; and support for student clubs associated with professional engineering societies.

Dr. Thomas Keyser, Dean

Graduate School

Campus Box 4040
Normal, IL 61790-4040
(309) 438-2583
Grad.IllinoisState.edu

POINTS OF PRIDE

There are 108 master's degree plans of study, 41 certificates, 20 doctoral degree programs, one specialist program, and 12 accelerated master's programs.

Graduate students can seek one-on-one writing support with graduate writing fellows trained in multimodal learning styles, English as a second language, and writing processes.

GradBird Scholar is a self-nominating application to showcase research or creative work and explain how it benefits society as a whole. The top application is selected each month with the student featured in a video interview on social media. It also includes a monetary award.

Today marks a significant milestone in your academic journey, one that you have worked tirelessly to achieve. On behalf of the Graduate School, I extend my heartfelt congratulations to each and every one of you. Completing a graduate degree is a remarkable accomplishment that demonstrates your dedication and perseverance. It is a testament to your ability to set goals, overcome challenges, and push the boundaries of knowledge. As you start this next chapter in your life, I hope that you remember that you have the capacity to make a profound impact. You have been equipped with tools to address complex issues, think critically, and be innovative. No matter where your journey takes you, you are positioned to make a difference in the world. You should be proud of your accomplishments, and I am excited to see what the future holds for you! Congratulations, GradBirds!

Dr. S. Gavin Weiser, Interim Director

Milner Library

Campus Box 8900
Normal, IL 61790-8900
(309) 438-3451
Library.IllinoisState.edu

On behalf of Milner Library's faculty and staff, I commend your successful journey from students to alumni. We hope we connected you to collections and resources that inspired your imagination, sharpened your research skills, and helped prepare you for your careers as well as to be curious citizens with a love for learning. We hope, too, that you found laughter, community, and lasting friendships within our walls through programs, exhibits, and study spaces. Our librarians and staff appreciated the opportunity to work with you and share this celebration of your graduation.

When you leave campus, you need not leave Milner Library behind as we continue to be here to help. Information on resources available to alumni can be found at Library.IllinoisState.edu/Services/Alumni. Be sure to follow us on social media to stay connected to our stories and future plans. Visit our University Archives—you may be surprised to see your own stories and pictures from your college years preserved there. And as you get established in your career and begin thinking about your Redbird legacy, consider giving to Milner Library to enhance future students' experiences. We support our collections, technology, and spaces with contributions from alumni who remember how Milner Library helped make a difference in their lives.

We wish you much success in your future endeavors. We are glad that we were part of your college experience and look forward to remaining connected.

A handwritten signature in black ink, appearing to read "DL".

Dr. Dallas Long, Dean

Alumni Engagement

ALUMNI CENTER

1101 N. Main St.
Campus Box 3100
Normal, IL 61790-3100
(309) 438-2586
Alumni.IllinoisState.edu

ALUMNI SERVICES

Online book club, a free service where, through a private forum, alumni can discuss books related to lifelong learning while building a network. Sign up at Alumni.IllinoisState.edu/Services.

Short-term medical and life insurance available at great group rates.

The official alumni magazine, *State*, published throughout the year.

More than 100 annual virtual and in-person events throughout the nation coordinated by Alumni Engagement.

A monthly electronic campus news update.

Congratulations on your graduation!

Welcome to the Illinois State University Alumni Association. You are now one of more than 240,000 living alumni who have lifetime memberships in this organization. Your fellow alumni are excited to have you as a part of the Alumni Association, which was founded in 1863.

The Alumni Association works with the Alumni Engagement office on campus to provide benefits and services to graduates. Be sure to take advantage of the many programs and services available.

Now that you have graduated, there are a few things you need to remember:

- Keep Alumni Engagement updated with your address and career changes by visiting Alumni.IllinoisState.edu/Update. Having an updated address will ensure that you continue to receive important news and invitations to events.
- Be a proud graduate of your alma mater; speak positively of Illinois State University and the education you received. Show your Redbird pride and educate others on the wonderful things about Illinois State.
- Encourage the next generation to attend Illinois State University. There are financial opportunities for legacy students (children of alumni). It is a great tradition to start or continue in your family.
- Join us at your campus home at the Alumni Center, 1101 North Main Street, Normal, when you return to Illinois State. For more information about the center, visit Alumni.IllinoisState.edu.
- Get involved in Illinois State University's long-standing tradition, Homecoming! Visit Homecoming.IllinoisState.edu or follow us on Instagram: [ISU_Homecoming](https://www.instagram.com/ISU_Homecoming).

Excellence by Design:

— 2024-2029 —

ILLINOIS STATE UNIVERSITY'S STRATEGIC PLAN

Excellence by Design: 2024-2029 is the strategic plan for Illinois State University. Strategic planning has been at the forefront of the University for several decades and has guided it through growth and success as a nationally recognized leader in higher education.

The University finds itself uniquely positioned to build and expand on the successes of our rich past to take the necessary steps to respond to the needs of future students while still providing our inimitable Redbird culture and learning experiences.

OUR MISSION

Illinois State University prepares diverse, engaged, and informed members of society through collaborative teaching, scholarship, and service.

OUR VISION

Illinois State University will be a national leader in student-focused education connecting teaching, research, innovation, and intercultural understanding.

OUR VALUES

EXCELLENCE IN TEACHING, LEARNING, AND SCHOLARSHIP

Illinois State University students, faculty, and staff excel in the pursuit of learning as an active, lifelong process through a balanced model of teaching, research, creative productivity, and experiential learning.

INDIVIDUALIZED ATTENTION

Illinois State University provides a supportive, student-centered environment that maximizes each student's potential. The University fosters academic and personal growth, recognizes unique educational aspirations, and values each faculty and staff member's contributions to student success.

EQUITY, DIVERSITY, ACCESS, AND BELONGING

Illinois State University upholds and models a campus culture of belonging dedicated to equity, diversity, access, and social justice for all.

COLLABORATION

The Illinois State University community works collaboratively through shared governance to ensure a culture of success, development, and continuous improvement. The University partners with business, industry, government, and educational entities to expand outreach and provide leadership expertise in local, statewide, national, and international initiatives.

COMMUNITY AND CIVIC ENGAGEMENT

Illinois State University prepares students to be informed, ethical, and engaged global leaders who will shape, uphold, and advance civic engagement as a lifelong responsibility for the betterment of society.

RESPECT

Illinois State University fosters a culture that embodies mutual respect, openness to new ideas, different cultural perspectives, and a

synergistic approach to problem-solving. Faculty, staff, and students promote understanding, acknowledge each other's rights to express differing opinions, and listen and respond to opposing views with civility.

INTEGRITY

Illinois State University promotes the highest levels of ethical standards and accountability in personal and professional actions in all endeavors.

OUR STRATEGIC DIRECTIONS

Illinois State University's strategic plan, *Excellence by Design: 2024-2029*, was crafted with four strategic directions:

I. CULTIVATE A CULTURE OF SUCCESS AND BELONGING

- Goal A: Champion Student Success
- Goal B: Nurture Equity, Diversity, Access, and Belonging
- Goal C: Promote a Community of Well-Being
- Goal D: Bolster Faculty and Staff Success

II. FOSTER A CULTURE OF RESPONSIBLE STEWARDSHIP

- Goal A: Improve Efficiencies Across Campus
- Goal B: Advance Strategic Enrollment Management Methods
- Goal C: Invest in Campus Infrastructure and Operational Resiliency
- Goal D: Expand Our Commitment to a Culture of Sustainability

III. ELEVATE OUR INSTITUTIONAL EXCELLENCE

- Goal A: Increase the Impact of Our Scholarly and Creative Productivity
- Goal B: Meet the Needs and Aspirations of Today's Learners
- Goal C: Enhance Institutional Recognition

IV. EXPAND MUTUALLY BENEFICIAL PARTNERSHIPS

- Goal A: Foster Coordinated Internal Engagement
- Goal B: Enhance a Culture of Philanthropy
- Goal C: Target External Engagement

THE UNIVERSITY HYMN

Glo-ry hast thou might and po-wer Proud the halls of I. S. U.

Deeds that live in song and sto-ry loy-al sons and daugh-ters true

So shalt thou in years in-creas-ing send thy grads of ho-nest worth

Forth to bear with zeal un-ceas-ing Wisdom's torch through-out the earth

Forth to bear with zeal un-ceas-ing Wisdom's torch through-out the earth

This document is available in alternative formats upon request by contacting the Dean of Students Office at (309) 438-2008.

Illinois State University, as an equal opportunity/affirmative action employer, complies with all applicable federal and state laws regarding affirmative action, nondiscrimination, and anti-harassment. Illinois State University is committed to a policy of equal opportunity for all persons and does not discriminate on the basis of race, color, religion, sex, national origin, sexual orientation, order of protection, gender identity and expression, ancestry, age, marital status, disability, genetic information, unfavorable military discharge, or status as a veteran in employment, educational programs and activities, or admissions. Inquiries or complaints may be addressed by contacting the director of the Office of Equal Opportunity and Access by email at EqualOpportunity@IllinoisState.edu, by calling (309) 438-3383, or by mailing to the office at Illinois State University, Campus Box 1280, Normal, IL 61790.
