**Board of Trustees  
Illinois State University  
Approval of Town of Normal Fire Services Agreement**

Annually, Illinois State University and the Town of Normal enter into an intergovernmental agreement for fire protection and emergency services provided to the University. The agreement is modified each year to require a new reimbursement rate to reflect the higher municipal costs associated with provision of these services. The Town of Normal uses a price index to calculate the new reimbursement rate that is determined by the Illinois Municipal League and used throughout the state in other university communities. The *Illinois Municipal Price Index* is designed to quantify the increases in prices of goods and services purchased by Illinois municipalities.

The fiscal year ended June 30, 2025 agreement required a reimbursement cost of \$663,620. The updated index released by the Illinois Municipal League in June 2025 requires a 3.27% increase over the previous year cost which equates to an annual increase of \$21,700. The new agreement is effective from July 1, 2025 through June 30, 2026, and includes a reimbursement cost of not to exceed \$685,320.
