ATTEST: Board Action, October 17, 2025

Secretary / Chairperson

**Board of Trustees
Illinois State University
Authorization to Name the Cumby-Garrison Student Success Office**

The College of Engineering respectfully requests naming the student success office at 1709 GE Road as the Cumby-Garrison Student Success Office. This naming reflects and recognizes the generous financial commitment by Todd Garrison for the College of Engineering.

Todd Garrison is a proud, two-time Illinois State University alumnus and strong supporter of the University and the College of Engineering. Todd's mother, Theresa Cumby Garrison also attended Illinois State, earning a teaching degree. She went on to teach locally and impacted countless students. Todd and his family value innovation, and their financial support will allow College of Engineering students to achieve success in the classroom and beyond.

The Garrison family's financial commitment to the College of Engineering provides increased visibility for the program and will elevate student experiences for years to come. As a result, we propose naming the student success office as the Cumby-Garrison Student Success Office.
